UNSHAKEABLE

HOW TO BE CONFIDENT WHEN YOU ARE NERVOUS

Iman Publication Sdn Bhd "How do I remove my nervous feeling?" Bad news is: You can't. Good news is: You shouldn't. Nervousness is a sign that we value the thing we are nervous about. But, just like any other human feeling, nervousness can go haywire. It can hold us back from moving forward. This book is not about removing nervousness. This book is about controlling it. And it all starts with our mind. *** Inspired by countless anecdotes from young people with myriad self-confidence issues, Aiman wrote this book as a self-help guide to build self-confidence from scratch with proven practical tips and tricks from scientific literature and personal experience.

HAPPINESS IN A NUTSHELL

Seashell Publishers The hugely popular pocket book featuring Andrew Matthews' favorite sayings and cartoons.

ENGLISH MAPS

A HISTORY

Their principal objective is to explore the ways in which maps have interacted with society in England's past, to analyse the roles that maps have played and the uses to which they have been put. It is often a story of discontinuity rather than evolution, but the authors recognise many connections across the centuries, at the same time seeking to avoid too insular a view noting the influence of ongoing intellectual and cartographic developments in the rest of Europe."--BOOK JACKET.

A FREQUENCY DICTIONARY OF PORTUGUESE

Routledge An invaluable tool for learners of Portuguese, this Frequency Dictionary provides a list of the 5000 most commonly used words in the language. Based on a twenty-million-word collection of Portuguese (taken from both Portuguese and Brazilian sources), which includes both written and spoken material, this dictionary provides detailed information for each of the 5000 entries, including the English equivalent, a sample sentence, and an indication of register and dialect variation. Users can access the top 5000 words either through the main frequency listing or through an alphabetical index. Throughout the frequency listing there are also thirty thematically-organized 'boxed' lists of the top words from a variety of key topics such as sports, weather, clothing and relations. An engaging and highly useful resource, A Frequency Dictionary of Portuguese will enable students of all levels to get the most out of their study of Portuguese vocabulary.

SWIM FOR IT!

Carson-Dellosa Publishing Featuring 24 pages of colorful illustrations with a fictional story and supporting vocabulary, Swim For It! introduces young readers to punctuation, sight words, and reading comprehension skills. Little Birdie Books provide a fun, informative way to approach essential educational skills. These age-appropriate readers engage early learners by using simple language and appealing topics while also featuring helpful sections like Words to Know Before You Read, Comprehension & Extension activities, and more.

MALAYSIA

NEW STATES IN A NEW NATION

Routledge First Published in 1974. Throughout this title two interweaving and interacting themes are apparent. One is the changes resulting from the increasingly important role of politics and politicians in states which until 1963 had been colonies. Politics is, as it were, superimposed on administration. The other is the impact of the Federal Government. From 1963 onwards Sarawak and Sabah were changing because they were "new states". A short bibliography includes a section on Malaya/Malaysia, which is necessary because this book studies a rather unusual form of the problem of political development as Sarawak and Sabah are not independent countries.

WORK POSITIVE IN A NEGATIVE WORLD

REDEFINE YOUR REALITY AND ACHIEVE YOUR BUSINESS DREAMS

Entrepreneur Press Recession reminders, natural disasters and the like are streaming from our TVs, radios and computers. Newspaper headlines practically shout downturns and downsizing. Weighed down by a negative-oriented world and knee deep in everyday business stress, professionals struggle to generate positive results. Successful entrepreneur and business coach Joey Faucette, D.Min, arms overwhelmed business executives, managers, and sales professionals with the five core practices to creating success—perceive, conceive, believe, achieve, and receive. Empowered by these strategies, discover how to redefine your reality and change your focus from failures to successes, losses to leverages, and the negative to the positive, allowing you to achieve greater results in their business and their life.

NOW WHAT?

THE YOUNG PERSON'S GUIDE TO CHOOSING THE PERFECT CAREER

Simon and Schuster The impolite truth nobody mentions in college commencement speeches: "Many of you have just spent four years and a small fortune studying something you will never use, and, if you do, you won't like all that much. Have a nice life." Up until now, you've had to rely on hit-and-miss methods of picking your career that lead to only 30 percent of college graduates reporting satisfaction with their careers. That's because up until now there has never been a book that guides you through the difficult process of designing a career that gives you the best chance for both high-level success and satisfaction. But career guru Nicholas Lore has found a way to show you how to custom design a career where you will: Look forward to going to work Be extremely successful and productive Use your natural talents fully in work that fits your personality Be highly respected because you excel at your work In Now What?, he helps you put all the pieces together to make wise decisions about what you will do with your life and how you can best go about setting and accomplishing your life and work goals. You'll also learn the skills you need to live an extraordinary life. Filled with charts, worksheets, and quizzes, Now What? is the cutting-edge guide for choosing a career that fits you perfectly -- whether you're a college student, a twentysomething already out in the working world, or a high school student just getting started.

MY FATHER'S FARM

Oyez!Books "I love helping father in the farm," Dina says with a happy grin. Dina is back! We have seen a very sweet Dina dreaming of butterflies in her mother's garden. We saw her watching her mother very carefully as she cooked in her kitchen. But this time we see Dina helping her father with his chores around the farm whilst enjoying herself at the same time. The book is also full of pictures of farm animals that children will love.

LOONEY TUNES MINI LIBRARY

WHAT YOUR BODY SAYS (AND HOW TO MASTER THE MESSAGE)

INSPIRE, INFLUENCE, BUILD TRUST, AND CREATE LASTING BUSINESS RELATIONSHIPS

John Wiley & Sons Train your body to communicate with confidence and clarity-have your body match what your mouth says... The popular phrase "leading from influence" takes for granted that influence derives chiefly from verbal communication. However, communication is about more than words. To get to the next level in your career, you must communicate with your entire self. What Your Body Says gives you the straight-up "how-to" on unifying what you say with what you do, allowing you to better connect with other people and reach your full leadership potential. It gives you a clear and simple process to follow, all drawn from an intense study of how language impacts people's lives and emotions. Filled with useful tools, strategies, and techniques, this book gives you the key to Speak intelligently while looking smart, engaging and real Deliver unpleasant messages without pain or guilt Having a committee meeting and getting something done And more Written by Sharon Saylor, a highly accomplished expert in marketing, presentations, and body language, What Your Body Says is the only guide you need to achieve the competitive edge in your personal and business communication style.

MY MOTHER'S KITCHEN

Oyez!Books "I love helping mother in the kitchen." A little girl discovers different colours, sounds and smells in a busy kitchen. She delights in watching and helping her mother, and enjoying the food. Learn about spices and things that are found in the kitchen in the picture glossary in English and Bahasa Malaysia at the end of the book.

WORLD OF WANDERLUST

Penguin Group Australia What are the world's greatest destinations? Where are the best places to travel solo? From airport fashion to road trip rules, professional traveller Brooke Saward shows us where to go, what to do and how to get that holiday feeling without even leaving home. Full of beautiful photographs that will ignite the imagination and featuring enduring favourites like Paris, New York, and London, this is the book that will inspire you to make every day an adventure.

WORDS ONSCREEN

THE FATE OF READING IN A DIGITAL WORLD

Oxford University Press, USA Users are easily distracted by other temptations on their devices, multitasking is rampant, and screens coax us to skim rather than read in-depth. What is more, if the way we read is changing, so is the way we write. In response to changing reading habits, many authors and publishers are producing shorter works and ones that don't require reflection or close reading. In her tour through the new world of eReading, Baron weighs the value of reading physical print versus online text, including the question of what long-standing benefits of reading might be lost if we go overwhelmingly digital. She also probes how the internet is shifting reading from being a solitary experience to a social one, and the reasons why eReading has taken off in some countries, especially the United States and United Kingdom, but not others, like France and Japan.

RESPONSIBILITY REBELLION

AN UNCONVENTIONAL APPROACH TO PERSONAL EMPOWERMENT

Houndstooth Press Many of us crave more fulfillment in life, but we don't know how to find it. We try everything to feel better, from changing jobs and dating new people, to attending therapy and taking pills. We grasp at the superficial, and externally overcompensate for our internal voids and self-doubts. What we don't realize is that avoiding responsibility only postpones the inevitable-that nothing about our life changes until we change. You will not become empowered until you choose to take responsibility for the role you've played in undermining yourself. Finding more fulfillment, satisfaction, and inner-peace is your responsibility because no one else cares. In Responsibility Rebellion, author Kain Ramsay discusses why we often rely on easy steps and magical formulas to find fulfillment, only to come up short. He'll equip you with a structured roadmap for personal growth and progress-one that shows you how to be better, rather than feel better.

NUTRITION THROUGHOUT THE LIFE CYCLE

COMBINATORIAL CHEMISTRY

A PRACTICAL APPROACH

Oxford University Press, USA Combinatorial Chemistry is a genuine practical guide covering all the major areas of combinatorial chemistry from an experimental and conceptual point of view. Being one of the most powerful of modern technologies, combinatorial chemistry has had implications to many areas of chemistry and biology and the current approaches to drug, catalyst, receptor, and materials development and discovery are all included in this volume. It also contains protocols on solid, liquid, and solution phase synthesis and expedient methods of library screening and evaluation. The use of automation and robotics is also explained. It is written at a level easily accessible to novices and will enable readers to use combinatorial techniques to the best advantage.

10 THINGS YOU NEED TO KNOW ABOUT LAND: A HOW-TO GUIDE ABOUT LOTS AND VACANT LAND FOR AGENTS, INVESTORS, AND YOU!

Warren Publishing, Incorporated Buying and selling land can be a complicated endeavor. There are dozens of details that must be researched with many choices to make prior to closing on a transaction. Failing to properly perform due diligence can mean leaving money on the table, or worse: buying a property that cannot be used. This book provides the necessary information for becoming successful in maneuvering through this thing we call "land." Learn what you need to know and where to find the information. Over time, this will become your go-to and carry-with-you reference for land transactions. This book is for you if: You OWN land You want to BUY land You want to SELL land You want to BROKER land You INHERITED land Cheryl L. Sain has been in the real estate industry since 2001. She has executed thousands of land transactions with investors, land developers, national builders, and individuals. This book is a result of her experiences and the need for such a resource within the industry.

HIGH EXPECTATIONS TEACHING

HOW WE PERSUADE STUDENTS TO BELIEVE AND ACT ON "SMART IS SOMETHING YOU CAN GET"

Corwin Press The myth of fixed intelligence debunked For all the productive conversation around "mindsets," what's missing are the details of how to convince our discouraged and underperforming students that "smart is something you can get." Until now. With the publication of *High-Expectations Teaching*, Jon Saphier reveals once and for all evidence that the bell curve of ability is plain wrong—that ability is something that can be grown significantly if we can first help students to believe in themselves. In drill-down detail, Saphier provides an instructional playbook for increasing student confidence and agency in the daily flow of classroom life: Powerful strategies for attribution retraining, organized around 50 Ways to Get Students to Believe in Themselves Concrete examples, scripts, and classroom structures and routines for empowering student agency and choice Dozens of accompanying videos showing high-expectations strategies in action All children in all schools, regardless of income or social class, will benefit from the strategies in this book. But for children of poverty and children of color, our proficiency with these skills is essential . . . in many ways life saving. Jon Saphier challenges us all—educators, students, and parents—to get started today. About Jon Saphier The author of nine books, including *The Skillful Teacher*, Jon Saphier is founder and president of Research for Better Teaching, Inc. (RBT), a professional development organization dedicated since 1979 to improving classroom teaching and school leadership throughout the United States and internationally.

MINIDICIONARY FOR NURSES

Oxford University Press, USA The sixth edition of this best-selling and trusted dictionary has been fully updated and revised to take account of recent developments in nursing practices and related fields. Updates cover the fields of general nursing, statistics, common scales and indexes, religion and spirituality, and commonly used abbreviations. Fully revised, this dictionary provides comprehensive coverage of the ever-expanding vocabulary of the nursing professions. In addition to specifically nursing terms, there are many entries in the fields of medicine, anatomy, physiology, psychiatry, nutrition, and pharmacology (including new drugs recently introduced into medical practice). Over 10,000 clear and concise entries, all written by medical and nursing specialists, cover the theory and practice of nursing. 100 Helpful illustrations and 15 appendices covering nutritional requirements, reference values for biochemical and haematological data, interpretation of body mass index, and much more, make this an invaluable reference tool for all nursing students and professionals. It is also small enough to be portable and bound in durable flexicover.
