In this book, readers will review characteristics that influence the way people live out and react in their Christian lives or ministry. ## **THE SEVEN LONGINGS OF THE HUMAN HEART**

---

[Forerunner Media](#) God has placed deep longings in the heart of every human being, longings for beauty, greatness, fascination, intimacy, to be enjoyed, to be wholehearted, to make a

lasting impact. Many of us have been taught to deny these longings. We've been told they are not of God. But the problem is not the longings--they are given of God and cannot be denied. Problems arise when we attempt to fulfill godly legitimate longings in ungodly, wrong ways. Only God can fulfill the longings He has given us. When we realize that our longings are godly and that God wants to fulfill them, we find freedom and joy. We experience intimacy with God in ways we never thought possible.

### **FIRST COMMANDMENT**

---

[Whitaker House](#) "These notes accompany Mike Bickle's teaching series *The First Commandment*. We were created with a longing to be wholehearted. Nothing satisfies the human spirit more than giving the deepest affections of our heart to God. How do we do this? What does it look like to love God with all our heart, soul, mind, and strength? Mike Bickle calls the Body of Christ to a deeper understanding of what it means to love the Lord. Matthew 22 clearly reveals God's desire—that we might respond to Him with love. He longs for our lives to be given fully to Him, that He might empower us to live holy lives from the inside out, in our affections, thoughts, and words. God is preparing for Himself a pure and spotless Bride at the end of the age, a Bride who will call the nations back to the first and great commandment: You shall love the Lord . . . with all your heart, with all your soul, with all your mind, and with all your strength. This is the first and great commandment. (Matt. 22:35-38)

### **CRUCIAL QUESTIONS ABOUT SPEAKING IN TONGUES**

---

What does the gift giver say about the gift He gave? This book will help you overcome the arguments, fears, and anxieties related to this gift. **FEATURES AND BENEFITS** Shares the author's personal testimony and spiritual journey with speaking in tongues Examines the history of this gift in the church for the past two thousand years Interacts with those who have denied that this gift is valid for today's church Speaks to the relationship between Spirit baptism, Spirit filling, and the gift of tongues Few other issues have separated the church more than the issue of tongues. Sam Storms focuses on this controversial subject with his signature insights to theology and the gifts of the spirit. What does the gift giver say about the gift He gave? Storms seeks to bring balance to this subject in *The Language of Heaven* as he wrestles with this sensitive issue experientially as well as theologically. He ultimately provides a platform to allow God to speak for Himself as he addresses every text of Scripture on the subject and engages with every theological issue that speaking in tongues provokes. As a pastor, Storms knows the questions that the typical churchgoer is asking and provides clear and accessible answers to them all, including: Is the gift of

tongues for every Christian or only some? How does the gift of tongues operate in the life of the believer individually in private practice? How does the gift of tongues operate in the corporate assembly of God's church? How is the Christian edified and strengthened by praying in tongues? How do I pray for the gift and prepare my heart to receive it? You can overcome the arguments, fears, and anxieties related to this spiritual gift. Remember, God gives only good gifts, and it is His intention that His church utilize all that He has provided so that we might experience all that He is.

## THE DANGER OF OFFENDING THE HOLY SPIRIT WITH COUNTERFEIT WORSHIP

---

Thomas Nelson What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a "Christianity" without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. He lays out a chilling case for rejecting its false prophets, speaking out against their errors, showing true reverence to the Holy Spirit, and above all clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

## A HEART ABLAZE

---

---

## IGNITING A PASSION FOR GOD

---

Thomas Nelson God delivered Israel from Egyptian bondage to captivate them for Himself. In the arid wilderness He planned to reveal His nature and ways to them, but they drew back. How different are we today? Many confess the Lordship of Jesus and acknowledge His saving power, yet like Israel, they've drawn back. Rather than pursuing His heart they have cleaved to this world's form of worship—the worship of self. As a result we have changed the image of Jesus to be like us. Fire can alter these images. The fire we need is found in the Holiness of God. God is calling us to draw nearer still...to tremble on Mt. Zion...transformed to touch others.

Penguin UK 'A groundbreaking work . . . Federici has become a crucial figure for . . . a new generation of feminists' Rachel Kushner, author of *The Mars Room* A cult classic since its

publication in the early years of this century, *Caliban and the Witch* is Silvia Federici's history of the body in the transition to capitalism. Moving from the peasant revolts of the late Middle Ages through the European witch-hunts, the rise of scientific rationalism and the colonisation of the Americas, it gives a panoramic account of the often horrific violence with which the unruly human material of pre-capitalist societies was transformed into a set of predictable and controllable mechanisms. It is a study of indigenous traditions crushed, of the enclosure of women's reproductive powers within the nuclear family, and of how our modern world was forged in blood. 'Rewarding . . . allows us to better understand the intimate relationship between modern patriarchy, the rise of the nation state and the transition from feudalism to capitalism' Guardian

### **LIFE IS SHORT, LEAVE A LEGACY**

---

Evangelist Todd White hears those words often. But the truth is that what Todd shares is not just a story - it's a testimony. It is evidence not only of what God has done but of what He wants to do again. It is evidence of what God can and will do for you, of what God wants to do for you. Fully addicted to drugs and pornography as a child, Todd lived in darkness.

But his testimony is about a journey from that utter darkness into marvelous light. It is about a man who hungers for the Word of God and has been radically saved, changed by it. It is about a man learning to be exactly who God created him to be. It is about a child of God walking in the light of Jesus and wanting others to walk in the light too. With refreshing honesty, Todd White challenges readers to make Jesus their everything, to renew their minds, to be bold as lions, and to make an impact for the kingdom of God. **Life Is Short-Leave a Legacy.** TODD WHITE was a drug addict and atheist for 22 years until 2004 when he was radically set free! Todd believes that redemption and righteousness are the foundational keys for living life as a new creation in Christ. Todd's foremost desire is to see the Holy Spirit flowing through believers everywhere that they go-at work, school, grocery stores, malls, gas stations, and more. Todd's true joy is being able to reproduce a 24/7 kingdom lifestyle in every believer. His heart is to activate people in the simplicity of who they really are and confront the barriers that hold them back from being who God created them to be. No one is excluded!

### **THE FASTING KEY**

---

When the author began to study the subject of fasting some years ago he was shocked by the number of biblical references he found referring to it. Clearly fasting was not some biblical "side issue," but a central element of spiritual life. Fasting is a discipline that has been practised by many influential men and women of God throughout church history with dramatic results. The author says, "Fasting has become an essential part of my walk with the Lord. It continues to amaze me that I lived for so long without this key that unlocks so many blessings." Using the metaphor of a key, this book discusses how Fasting will unlock the blessings of God.

### **THE POST-MODERN AURA**

---

---

### **THE ACT OF FICTION IN AN AGE OF INFLATION**

---

Northwestern University Press "Inflation affects literary occupations and preoccupations quite as much as it does financial scrip." Starting from this premise, Charles Newman ventures forth on an irreverent, wide-ranging discussion of the "Post-Modern" attitude in fiction, culture, and sensibility. Newman questions the "revolutionary" claims of avant-garde novelists and literary theorists, but he is no less critical of the arguments of neoconservatives, neorealists, and advocates of "moral fiction." Newman argues that neither of these groups has confronted the unprecedented break with tradition entailed by an economics and culture of inflation. A combination of cultural critique, literary criticism, economic forecast, and historical jeremiad, *The Post-Modern Aura* is finally a positive statement, celebrating "The Act of Fiction" and suggesting how the forces which have been devaluing it might be overcome.

## SLAYING DRAGONS

---

## A PRACTICAL GUIDE TO SPIRITUAL WARFARE

---

The real fight is the one you can't see. The supernatural realm is very real, and it directly impacts our day-to-day lives. Often spiritual battles lie behind our everyday struggles. Though the spiritual world is invisible, we are not unaware of the enemy's schemes. Through God's Word and the power of the Holy Spirit we are equipped to be more than conquerors through Christ! With doctrinally sound, practical teaching, Slaying Dragons shows how the demonic realm fits into orthodox thoughts on salvation, redemption, and kingdom life. Daniel Kolenda demystifies spiritual warfare to shine light on what the enemy is doing in readers' lives and what they can do to slay every dragon they encounter. It also contains real-world examples of encounters with spiritual darkness, demonstrating examples of how "the light shines in the darkness, and the darkness has not overcome it" (John 1:5, NIV). It's easy to lose sight of the big picture as we focus on our everyday struggles. But our daily battles are part of a much bigger war, and we have been given all we need to win. Slaying Dragons will show readers what the enemy is trying to accomplish and how they can slay every dragon they encounter--in their lives and in the world. This book will teach you to see and overcome the spiritual battles behind your everyday struggles.
