Time On My Hands

Faber & Faber **Palermo, Sicily, 1978. The Christian Democrat leader Aldo Moro has just been kidnapped in Rome by members of the notorious Red Brigades. Two months after his disappearance on 9th May, Moro is found dead in the boot of a car. A trio of eleven-year-old schoolboys, Nimbo, Raggio, and Volo, avidly follow the news of the abduction as their admiration for the brigatisti grows. When the boys themselves resolve to abduct a classmate and incarcerate him in a makeshift 'people's prison', the darkness within their world, and the world of the novel, becomes all-pervasive. A vivid and hellish description of Sicily in the late seventies, Time on my Hands is an unforgettable novel from a**

significant new voice in Italian fiction.

Colloquial Italian

The Complete Course for Beginners

Routledge Colloquial Italian: The Complete Course for Beginners has been carefully developed by an experienced teacher to provide a step-by-step course to Italian as it is written and spoken today. Combining a clear, practical and accessible style with a methodical and thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Italian in a broad range of situations. No prior knowledge of the language is required. Colloquial Italian is exceptional; each unit presents a wealth of grammatical points that are reinforced with a wide range of exercises for regular practice. A full answer key, a grammar summary, bilingual glossaries and English translations of dialogues can be found at the back as well as useful vocabulary lists throughout. Key features include: A clear, user-friendly format designed to help learners progressively build up their speaking, listening, reading and writing skills Jargon-free, succinct and clearly structured explanations of grammar An extensive range of focused and dynamic supportive exercises Realistic and entertaining dialogues covering a broad variety of narrative situations Helpful cultural points An overview of the sounds of Italian Balanced, comprehensive and rewarding, Colloquial Italian is an indispensable resource both for independent learners and students taking courses in Italian. Audio material to accompany the course is available to download free in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

HOW TO LEARN SPANISH IN 30 DAYS

HOW2 Edizioni This book will allow you to learn Spanish in only 30 days, starting from scratch. And this is more than a simple promise. Let me explain... The method is very simple: this book is divided in 30 chapters, one for each day, to let you learn the basics of this language in just one month. To make the most of this course, you just need to follow one rule: reading one chapter every day, no more, no less. If you follow this rule and the guidelines included in this

book, the result is guaranteed. Forget about the usual boring grammar courses, with their impersonal style. “How to learn Spanish in 30 days” has been created with all the trappings of self-help, as a practical manual, with a personal, fun and motivational touch. It is full of many curious anecdotes and useful pieces of advice not only to speak in Spanish, but also to help you while travelling. If you are still not convinced, keep reading... FROM THE PREFACE... (...) You are going to tell me: “so, in 30 days I will be able to learn an entire language?!”. The answer is YES! First of all, as any valuable product, it has brilliantly passed the quality check: friends and relatives have tested this manual and the following month they did pretty well with grammar and vocabulary, trust me. Of course, in 30 days no one becomes a native speaker: but you can build a strong foundation on which to build a beautiful house. Do you get what I mean? Studying a little bit every day is a secret as simple as it is effective to make the learning easier and quicker. I will give you the opportunity to analyse in depth every little secret about grammar and vocabulary, and you must really promise me that you will do everything you can to complete this rich training: consult online newspapers, watch films or TV series with subtitles, read a good book with a dictionary next to you, in short take every little opportunity to be in contact with Spanish as much as possible. Then there will be space for real dialogues in Spanish, the testing ground for your theoretical skills. When you go on holiday to a Spanish-speaking country or you will have to use Spanish in any other situation, you will just want to do your best. Think about this: one month. 30 days of studying will help you learning a new language, improving your curriculum, immersing yourself in a new and different world. It will be a special month, and you will be satisfied.

Lift-the-Flap Shapes

A fun, engaging book about shapes for preschool children. With flaps to lift and lots of shape vocabulary. A delightful book to share and talk about.

Catalogo dei libri in commercio

Experiences in Translation

University of Toronto Press In this book Umberto Eco argues that translation is not about comparing two languages, but about the interpretation of a text in two different languages, thus involving a shift between cultures. An author whose works have appeared in many languages, Eco is also the translator of Gérard de Nerval's *Sylvie* and Raymond Queneau's *Exercices de style* from French into Italian. In *Experiences in Translation* he draws on his substantial practical experience to identify and discuss some central problems of translation. As he convincingly demonstrates, a translation can express an evident deep sense of a text even when violating both lexical and referential faithfulness. Depicting translation as a semiotic task, he uses a wide range of source materials as illustration: the translations of his own and other novels, translations of the dialogue of American films into Italian, and various versions of the Bible. In the second part of his study he deals with translation theories proposed by Jakobson, Steiner, Peirce, and others. Overall, Eco identifies the different types of interpretive acts that count as translation. An enticing new typology emerges, based on his insistence on a common-sense approach and the necessity of taking a critical stance.

(עברית - רוסיית) - **Дикіе лебеди** - ברבורי הפרא

ספר ילדים דו לשוני מבוסס על אגדה מאת הנס כריסטיאן אנדרסן

ספר דו לשוני (עברית - רוסיית) ברבורי הפרא מאת הנס כריסטיאן אנדרסן היא לא לחינם אחת מהאגדות המפורסמות ביותר בעולם. My First Gruffalo: Touch and Feel

Macmillan Children's Books A chunky touch and feel book based on the bestselling modern classic, *The Gruffalo*.

Agamben and the Signature of Astrology

Spheres of Potentiality

Lexington Books The work of Giorgio Agamben, one of the world's most important living philosophers, has been the object of much scrutiny. Yet, there is one dimension of his thought that remains unexamined by scholars: the presence of the ancient science of astrology in his writings. This book, the first of its kind, identifies the astrological elements and explains the implications of their usage by Agamben. In so doing, this study challenges us to imagine Agamben's thought in a radically new light. A critical account of the presence of astrology and related themes in Agamben's writings, ranging from the earlier works to the more recent publications, illustrates that the astrological signature constitutes a mode of philosophical archaeology that allows for an enhanced understanding of concepts that are central to his works, such as potentiality, the signature, bare life and biopolitics.

501 Hebrew Verbs

Barrons Educational Series Learning Hebrew Becomes Easier with This Helpful Guide to Verbs and Their Roots The most commonly used Hebrew verbs are arranged alphabetically in a table format, with English translation, and presented in all forms. The book's additional features utilize example sentences and common idioms to demonstrate verb usage and how verbs function within the sentence. It includes: The 1531 most common Hebrew verbs, fully conjugated, grouped into 759 roots based on verb frequency The Hebrew roots and derived infinitives printed at the top of each page Less frequent verb forms realized in the relevant roots listed separately (citation forms only) Present participles, verbal nouns and infinitives (construct and absolute forms) Jussive forms of verbs that are significantly different from non-jussive ones Exemplary sentences presented for each verb-root group, with accompanying translations, followed by special expressions incorporating the relevant verbs Notes on usage register (literary, colloquial, slang, etc.) as well as

on colloquial alternates of normative forms An enlightening explanatory essay discussing Hebrew verb formation and usage Root index, Hebrew-English Index, and English-Hebrew index, in alphabetical order.
