THE DEATH AND LIFE OF BISHOP PIKE

AN UTTERLY CANDID BIOGRAPHY OF AMERICA'S MOST CONTROVERSIAL CLERGYMAN

Wipf and Stock Publishers Introducing two Stringfellow/Towne reprints about Bishop Pike: The Bishop Pike Affair The Death and Life of Bishop Pike The Death and Life of Bishop Pike is an in-depth, documented portrait of James A. Pike--the most controversial American clergyman of modern times. Based on prodigious research into private letters and unpublished documents, as well as exhaustive interviews, it is a biography so candid that the book itself is bound to be controversial. The authors are utterly frank about the bishop's turbulent personal life--his three marriages, his sexuality, his alcoholism, the suicides of his oldest son and of an intimate associate, the temptation of his celebrity, his complex relationship with his mother, and his terrible death in the wilderness. They have thoroughly investigated his notorious experiences with "psychic phenomena"--arriving at their own startling and provocative conclusions. Nevertheless, this book is neither an expose nor an apologia. It is an honest, dramatic, and compelling testament to an extraordinary and vital personality--to the

colorful and courageous Christian witness of Bishop James A. Pike, whose advocacy of social justice and whose search for faith--restless and unorthodox as it was--had an astonishing impact on the contemporary church.

BISHOP CHARLES H. MASON IN THE AGE OF JIM CROW

THE STRUGGLE FOR RELIGIOUS AND MORAL UPLIFT

Lexington Books Bishop Charles H. Mason in the Age of Jim Crow profiles the life and career of Charles Harrison Mason. Mason was the founder of the Church of God in Christ (COGIC), which from its Memphis roots, grew into the most significant black Pentecostal denomination in the United States, with profound theological and political ramifications for poor and working-class black Memphians. Bishop Charles H. Mason in the Age of Jim Crow is grounded in the history of the Jim Crow era. The book traces the origins of COGIC in Memphis; it reveals just how Mason's new black Pentecostal denomination grew, gained social and political power, and earned a permanent place in Memphis's black religious pantheon. This book tells how a son of slaves transformed a rural migrant movement into an urban phenomenon, how unusual religious demonstrations exemplified infrapolitical religious protests, and how these rituals of resistance changed black lives and helped strengthen and sustain blacks fighting for freedom in segregated Memphis. The author reveals why Charles H. Mason was an important pre-civil rights religious leader who laid the groundwork for integrated churches.

1500 PROVERBS AND COMMENTS

EXTRACTED FROM THE JOURNAL OF A CHRISTIAN HIGHWAYMAN

Born 1944, Ray has been a devoted Christian since the 2nd November 1962. He was in bed reading a Christian book called "The Day Christ Died" (by Jim Bishop). Reading of how Jesus Christ, gave His life to die a cruel death on the cross to save him, Ray broke down, wept, and promised God that if He would help him, then he would try to behave himself from thereon. At which point he became aware someone was standing at the foot of his bed, but he was so scared, he dived under the covers, eventually to fall asleep still clutching the book. Ray is convinced that at his decision to start a new life following Jesus, the same angel that saved his life, when a boy, revealed himself again at the foot of his bed. Ray set off along the Highway following his Saviour, and by keeping a journal, has

been able to recall, easily, much of the truth he has learnt. This book contains many wise proverbs and comments gathered on his journey, and his prayer is that by sharing them, others will be encouraged to turn to Jesus and start a new life traversing this same Highway.

THE DAY LINCOLN WAS SHOT

Harper Perennial At seven o'clock on the morning of April 14, 1865, President Lincoln came out of his bedroom, nodded to the night guard, and started down the hall to his office. At 7:22 the following morning Surgeon General Barnes pressed silver coins to his eyelids. The president's day was, as usual, crammed with meetings and appointments, but he was probably no busier than John Wilkes Booth, the man who would stand behind him at Ford's Theatre that evening. Although the plan had been long in the making, the time and place were not set until eleven that morning. The Day Lincoln Was Shot chronicles the movements of these two men minute by minute until the almost unbearable suspense is shattered with a single gunshot and a leap to the stage. From a thousand bits and scraps of information, Jim Bishop has fashioned an unforgettable tale of tragedy, more gripping than fiction, more alive than any newspaper account.

THE GOSPEL ACCORDING TO MARK

Canongate Books The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

THE MARK HELLINGER STORY

A BIOGRAPHY OF BROADWAY AND HOLLYWOOD

Pickle Partners Publishing Mark Hellinger, beloved newspaperman, whose Broadway column was read daily by 22,000,000 people, and whose years as a Hollywood producer were marked by such outstanding successes as "High Sierra," "The Killers," and "Naked City," died in 1947 in his forty-fifth year. In this book, Jim Bishop, who was his secretary, takes us behind the scenes to live again, the life of a man who "went everywhere, saw everything, and did everything—without exultation or remorse." Rich with

the nostalgic echoes of a note-too-distant past, **THE MARK HELLINGER STORY** is a magnificent account of a fabulous era—Broadway of the twenties and thirties, from the colossal glamour of the Follies, Vanities, and Scandals to the trenchant wit and lilting tunes of the Little Shows, with the heady smell of printer’s ink and the roar of the night presses; the vast canvas of Hollywood in the silent days, and its sudden rebirth with sound. It is the story, too, of a man who crammed into a lifetime more living than most people will ever know. In the words of Jim Bishop, Hellinger “spent time as though he had stolen it and couldn’t find a fence.”
