AMERICAN AGRICULTURIST

THOMAS WOLFE

WHEN DO THE ATROCITIES BEGIN?

Univ. of Tennessee Press Maudlin challenges much of the existing biographical material on the writer and offers a fresh view on the final years of his life. Through the utilization of primary and secondary sources including letters, interviews, recordings, and newspaper clippings, Maudlin offers a candid account of the life of Thomas Wolfe from the time of his visit to North Carolina in 1937 until his untimely death in 1938. Maudlin chronicles details of Wolfe's shocking change in publishers and his complex relationships with his editors, family, friends, and his mistress. This examination goes beyond Wolfe's life and extends into the period after his death, revealing details about the reaction of family and friends to the passing of this literary legend, as well as the cavalier publishing practices of his posthumous editors. Maudlin's narrative is unique from other biographical accounts of Thomas Wolfe in that it focuses solely on the final

years in the life of the author.

MOWGLI

AUTHENTIC INDIAN STREET FOOD

Nourish In 2014, barrister Nisha Katona had a nagging obsession to build a restaurant serving the kind of food Indians eat at home and on the street. The first Mowgli restaurant opened in Liverpool in late 2014, blowing away the critics forming legions of fans. The simple dishes of a Mowgli menu are a million miles away from the curry stereotype. These dishes convey the truth that real Indian food is extremely healthy, often vegan, and always packed with fresh flavour. She gave up her 20 year career as a full time barrister to build Mowgli Liverpool and opened Manchester Mowgli less than a year later. There are now three restaurants with two more venues about to open, and plans for further expansion. Nisha, a dedicated curry evangelist, has fond hopes for Mowgli's growth and she still insists on hand picking curry virgins for her kitchens, hand training each new Mowgli chef.
