SATAN'S SPAWN:

SPAWN AND SPITFIRE VOLUME ONE

Buckle your seat belts and get ready to dive into the underworld where MC and organized crimes rule the streets...Volume One of the Spawn & Spitfire SeriesSATAN'S SPAWN MC #1Deke Tory. He is respected by many and feared by all. As the president of Satan's Spawn MC, he is a man who knows what he wants and he will take what is his. But when he finds himself drawn to the spitfire girl who appears out of nowhere, he fights falling in love with her. Love makes men weak. Deke is a ruthless leader who lives to protect his club and family from harm. Love isn't part of his equation. Loyalty and allegiance is everything to him.Growing up on the streets since the age of ten, the only rule Cassie ever learned was the rule of survival. Never trust anyone at face value and never let anyone in. She is a tough woman, many men would steer clear from. However, when her best friend Peaches is snatched off the streets, Cassie breaks her rule to save her and fulfill a promise she made to her long ago. Tracking her down to Troy, New York, she never knew how her world was about to change forever.When a dangerous man from her past comes looking for Cassie, the same someone who would see her dead to keep his terrible secret, Deke finds himself more than ready to keep Cassie, his club, and family safe. Can he break down the walls she has built up to protect herself? Can Deke protect her-can he even hold on to her?REVENGE AND RETRIBUTION #2Just when Cassie thinks her past is over...someone comes looking for her. Someone she and everyone else thought was dead a long time ago. She has a man in her life and her dreams are coming true, so when Robbie comes after her, she has more to lose than she ever had before. Except this time-she isn't alone. She has friends with the MC and family to help her fight against the darkness that threatens her.Then she discovers yet another surprise-she has a sister...BABIES & BASTARDS #3Just as Cassie's whole world is coming together-it's ripped apart when Deke's dad, Sam stops the wedding. When Sam finds out who she really is, he asks about Flynn's older brother. No one realized he even existed and they scramble to find him before he comes after Cassie. Rumor is Donovan will kill the person who snitched on his brother and got him killed.When the police come around asking more questions...Cassie reveals another dirty little secret. Detective Lance's partner isn't who he seems and he takes her back to Boston at gunpoint. Sam follows to rescues Cassie from certain death. He promises Deke that he'll bring her back to Troy-to him. Can Sam keep his vow?Note: All Volumes in the Satan Spawn MC series are standalone, full length super sexy, raw MC romance novels. They can be read in any order and do NOT contain cliffhangers. A DISTURBING PROSPECT

Maietta Ink Whose secret is more disturbing, his or hers? Olivia Someone's slashed my tires less than a week after I screwed ex-con Cliff back into society. I knew it was a bad idea, but with his dark hair, gentle eyes, and disturbing secrets, I was dying to unlock him. As much as I don't want to believe it was him, he's a killer, so what's a little stalking? With a whole biker club at my back, normally all I'd have to do is say the word, but he just became their latest Prospect. I'll just have to handle it myself. Cliff After two decades in prison, I might as well be on another planet. Everything is different now, including me. I've fallen for the first woman I met, and I'll do anything to prove to her that I've changed, too. There aren't many prospects for a felon, so I have no choice but to take the first job I'm offered. Becoming a Prospect for my father's MC comes with all kinds of strings, especially since I'm the one who killed him. And now, thanks to Olivia, I've got one more body to bury. A Disturbing Prospect is the first book in the River Reapers MC series, a dark romance with a body count. Some content may be disturbing to some readers.

ULYSSES

WHEN HE'S DARK

Cat shifter Bree Dwyer doesn't fear much. Ironically, what she fears most is the person who was put on the Earth just for her. Your true mate wasn't supposed to be cruel and twisted; wasn't supposed to be someone who'd never love or want to claim you. The rumors that her true mate is dead bring her only relief. Bree's intent on moving forward with her life and building a future with someone else. Sadly, the male she wants most is one she can never have--a hot-as-sin wolverine shifter who happens to be her boss ... and the cousin of her predestined mate.Aleksandr "Alex" Devereaux detests being bullshitted, but he's been lying to himself for years--pretending he thinks of Bree as extended family; that he doesn't want her so bad he aches with it; that he can't feel himself weakening against her pull. The night they spend together changes everything. He's done fighting himself on what he wants. Someone isn't happy about that. Possibly the same 'someone' who's playing mind games with Bree, trying to scare her. They're succeeding, because too many leads point to the possibility that the culprit could be the one person that she's determined to believe is dead.

TWELVE YEARS A SLAVE

Prabhat Prakashan "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

INTELLIGENT PROJECTS USING PYTHON

9 REAL-WORLD AI PROJECTS LEVERAGING MACHINE LEARNING AND DEEP LEARNING WITH TENSORFLOW AND KERAS

Packt Publishing Ltd Implement machine learning and deep learning methodologies to build smart, cognitive AI projects using Python Key FeaturesA go-to guide to help you master AI algorithms and concepts8 real-world projects tackling different challenges in healthcare, e-commerce, and surveillanceUse TensorFlow, Keras, and other Python libraries to implement smart AI applicationsBook Description This book will be a perfect companion if you want to build insightful projects from leading AI domains using Python. The book covers detailed implementation of projects from all the core

disciplines of AI. We start by covering the basics of how to create smart systems using machine learning and deep learning techniques. You will assimilate various neural network architectures such as CNN, RNN, LSTM, to solve critical new world challenges. You will learn to train a model to detect diabetic retinopathy conditions in the human eye and create an intelligent system for performing a video-to-text translation. You will use the transfer learning technique in the healthcare domain and implement style transfer using GANs. Later you will learn to build AI-based recommendation systems, a mobile app for sentiment analysis and a powerful chatbot for carrying customer services. You will implement AI techniques in the cybersecurity domain to generate Captchas. Later you will train and build autonomous vehicles to self-drive using reinforcement learning. You will be using libraries from the Python ecosystem such as TensorFlow, Keras and more to bring the core aspects of machine learning, deep learning, and AI. By the end of this book, you will be skilled to build your own smart models for tackling any kind of AI problems without any hassle. What you will learnBuild an intelligent machine translation system using seq-2-seq neural translation machinesCreate AI applications using GAN and deploy smart mobile apps using TensorFlowTranslate videos into text using CNN and RNNImplement smart AI Chatbots, and integrate and extend them in several domainsCreate smart reinforcement, learning-based applications using Q-LearningBreak and generate CAPTCHA using Deep Learning and Adversarial Learning Who this book is for This book is intended for data scientists, machine learning professionals, and deep learning practitioners who are ready to extend their knowledge and potential in AI. If you want to build real-life smart systems to play a crucial role in every complex domain, then this book is what you need. Knowledge of Python programming and a familiarity with basic machine learning and deep learning concepts are expected to help you get the most out of the book

GETTING DIRTY

Dirty A poem by Blaire Leon If sex is dirty, why would I do it with someone I love? If sex is dirty, then didn't we all come from the dirt? What if I like the dirt? What if I want to get dirty? What if I want to roll in the mud until I'm so fucking filthy that I'll never be clean again? When twenty-five-year-old graduate assistant Caiden Brenner asked Blaire Leon how old she was, she said she was a senior. He chose to believe she meant in college. They connect over Lord Byron's Don Juan and, as their conversations become increasingly thicker with sexual innuendo, Caiden finds himself obsessing over a totally off-limits undergrad who's bold, beautiful, brilliant, and one of the most passionate poets he's ever met. But it turns out Blaire hasn't been totally honest. She's the seventeen-year-old valedictorian of her high school class, taking courses at Sierra State while awaiting her acceptance to Stanford. Will Caiden get too deeply into Blaire to back away before he finds out the truth? Or will their connection be enough to seduce him into risking his entire future on Jail Bait? "A thousand and one feels....Getting Dirty is a thrilling, tantalizing forbidden romance you do not want to miss! I not only devoured this book, it devoured me right back!"--Katy Evans, New York Times Bestselling author of REAL

HECATE'S OWN

Samhain Publishing When a wolf is hot for a witch, the sparks can be downright dangerous. Heart's Desire, Book 2 Zachary Beckett has finally done something right. He saved his brother's life, and his reward is a ticket to Cleveland to train as a witch. Except every spell he casts wreaks havoc—until he's banished to the children's classroom. At least his teacher is easy on the eyes. It isn't long before the heat is rising, and it has nothing to do with a bubbling cauldron. Jo has never met a walking Karma bomb like Zachary. His blue eyes haunt her, his body is made for sin, and his magic? The less said about that the better. But Jo is determined to help him, even if she has to fight their mutual attraction, tooth and nail. When Zach discovers he's been operating under a hex, he and Jo come together in a blazing-hot ritual to break its hold and reveal Zach's destiny to fight evil. But the old enemy who cast the spell won't give up until every Beckett male is stripped of his mate. Which could leave Zach to howl in agony forever—and doom Jo to a fate worse than death. Warning: This novel contains explicit sex, graphic language, a sexy, awkward, blue-eyed wolf-witch and a woman who can make his dreams come true.

THE OXFORD THESAURUS

OXFORD University Press First published in 1991, the very successful first edition of The Oxford Thesaurus has now sold over 126,000 copies. This new edition (NB new format), which for the first time includes antonyms in the main A-Z text, along with many additional new synonyms, broadens the book's appeal stillfurther. The Oxford Thesaurus remains the most useful A-Z thesaurus available today, with more practical guidance for the user than any other competing title.Around 350,000 synonyms and antonyms, covering general English as well as thousands of regional and idiomatic words and expressions, are listed in A-Z form for ease of reference. Generous and detailed labelling shows how to use synonyms, and example sentences throughout make it even easier toselect the correct synonym. The most useful synonyms (ie those that are closest in meaning to the headword) are listed first - a more helpful arrangement than a simple alphabetical listing under the headword.If the word for which you seek an alternative is not to be found as a headword, you can simply turn to the synonym index which lists 265,000 synonyms and shows you under which headword each synonym is located. In addition, all synonyms which also have their own headword entry (at which furtherrelated words may be found) are indicated by a simple cross-reference symbol.On the first edition:'handier than Roget both in being alphabetical and in offering example-sentences. The mot juste in just a mo.' Prof. Sir Randolph Quirk, The Observer.
