KEY=THE - VILLEGAS JAYLEN

HORRIBLE HARRY AND THE JUNE BOX

Puffin **When the origami pig that Song Lee made for her grandmother is seized by a substitute teacher, the usually well-behaved third-grader breaks a classroom rule to rescue it from the "June box."**

HORRIBLE HARRY AND THE JUNE BOX

Penguin **Another uproarious caper in the Horrible Harry series, and this time Harry's not the one breaking the rules! Everyone in Room 3B knows that if Miss Mackle sees you playing with toys at your desk, she'll confiscate them for her June Box. So when a substitute teacher catches good girl Song Lee with a pink origami pig, into the June Box it goes. The problem is that this origami was to be a birthday present for Song Lee's grandmother. So Song Lee does the unthinkable: she breaks into the June Box to free her pig. Now Harry, Doug, and the rest of the kids have to work together--before they all wind up in horrible trouble!**

HORRIBLE HARRY SAYS GOODBYE

Penguin **Horrible Harry says goodbye in the 30th anniversary finale of a beloved series! The last day of third grade is approaching fast, but a farewell to Room 3B isn't the only goodbye Doug has to say this year. Song Lee and Mary are**

busy preparing an end-of-year present for their favorite teacher, Mrs. Flaubert, but their excitement can't distract Doug from Harry's suspicious silence. When Harry finally admits that his family is moving to a whole other town, Doug can't believe his ears. How will he survive fourth grade without his best friend?! But Harry has a more pressing question: who's that moving in to the empty house across the street from him? And what could these new neighbors mean for their friendship?

HORRIBLE HARRY AND THE BIRTHDAY GIRL

Penguin Mary is always neat and organized, while Harry is horribly messy. But even Mary's carefully planned schedule can't help when things go wrong at her own birthday party. The party is supposed to start with the kids from Room 3B taking an exciting train ride, but when their train is delayed not one . . . not two . . . but three times, Mary's plan is completely ruined! She thinks the only thing that can make her feel better is cup after cup of sugary Island Punch—even after her mom tells her to stop. But what Mary doesn't know is that Harry has his own wacky ideas for saving Mary's big day. Can the kids still have fun even when nothing's going the way it's supposed to, or will this be the most horrible birthday ever?

HORRIBLE HARRY AND THE FIELD DAY REVENGE!

Penguin Horrible Harry is at it again in a rollicking story of Field Day adventures, mishaps...and revenge! It's one of the best days at South School: Field Day! That means bean bag tosses, relay races, and tug of war. When Mr. Deltoid announces students will pair up to compete for a mystery prize, Harry and Doug are determined to win. But at what cost? Harry's sneaky tactics leave Sid and Mary grumbling. They even claim he's cheating. Harry insists he's playing fair and square. Doug doesn't know what to think! He must prove his best friend is innocent before his classmates seek Field Day revenge. Can they win and play by the rules, or will the highlight of the year be a horrible disaster?

HORRIBLE HARRY AND THE WEDDING SPIES

Penguin Miss Mackle is getting married! But she didn't invite any of her students to the wedding. The kids don't understand it: a wedding is a time for families to be together, and they are Miss Mackle's Room 3B family—which is especially important because her father is in the military overseas, and he won't be home for the wedding. So Harry comes up with a plan to sneak his pals into the wedding ceremony and hide in the back. It seems like the kids are

going to make a horrible mess of their teacher's wedding . . . until they find a way to save the day for all involved.

HORRIBLE HARRY AND THE TOP-SECRET HIDEOUT

Penguin A story about appreciating and preserving the environment in your own backyard. Doug thought he knew everything about his best friend, Harry . . . until he discovers that Harry has a secret hideout in the woods just outside of South School. Unfortunately, Harry can't keep his hideout a secret much longer, because the land is going to be sold and turned into a big apartment building—unless he and the rest of the kids in Room 3B can save it. Harry has the idea to turn the lot into a nature center, and his friends want to help after he shows them the beautiful wildflowers, yellow spotted salamanders, and slimy tadpoles. But can Harry persuade the school board to agree, too? Or will his horrible fear come true: losing his hideout forever?

HORRIBLE HARRY AND THE HALLWAY BULLY

Penguin Nearly every kid in Room 3B is trying to get picked for the South School Safety Patrol Squad—especially Harry. Harry wants a star badge just like his grandpa's, so he works extra hard to be the perfect student: hanging up his jacket neatly, organizing the crayons in rainbow order, and—his favorite part—cleaning up sticky noodles off the floor after lunch. But Doug thinks someone is taking the power of Safety Patrol too far, maybe even using it to cheat at the Spring Book Fair Raffle! This is Harry's chance to stop the horrible bully and prove that he deserves a special star. Can he do it?

HORRIBLE HARRY AND THE BATTLE OF THE BUGS

Penguin Harry loves creepy-crawly things. But there's one creepy-crawly thing that even he can't stand: head lice! So it's a terrible day when Harry's friend Doug discovers lice in his hair. To make matters worse, Mary makes fun of Doug for being dirty and convinces the rest of the kids in Room 3B that they can't go near him. She claims that everything he touches is infested with lice—even the mac and cheese at lunchtime! Doug wants to run away to Siberia instead of facing his classmates South School. But Harry and Song Lee stand by him and declare battle on the bugs. Will Harry defeat the hated lice, or will Doug have to live with these horrible bugs forever?

ALEXANDER AND THE TERRIBLE, HORRIBLE, NO GOOD, VERY BAD DAY

Simon and Schuster **On a day when everything goes wrong for him, Alexander is consoled by the thought that other people have bad days too.**

HORRIBLE HARRY AND THE MISSING DIAMOND

Penguin **When the diamond on Miss Mackle's engagement ring disappears, the kids in Room 3B are determined to help her find it—especially Harry. The third grade talent show is coming up, and he wants to show off his skills as South School's greatest detective. Meanwhile, Doug has no idea what to do for his act. He can't sing like Dexter, or dance like Ida, or solve mysteries like Harry. Now the best friends have to find both Doug's talent and the teacher's diamond, or else the talent show will be a horrible disaster for everyone!**

HORRIBLE HARRY GOES TO SEA

Penguin **Miss Mackle's class is learning about their ancestors, and everyone just found out that Ida's great-great grandmother sailed on the Titanic-and lived to tell about it. Miss Mackle decides to take the class on a riverboat ride to help them imagine what it was like to travel on the high seas like their ancestors did. Harry and his friends are so excited-it's going to be the perfect field trip. All aboard! Room 3B is setting sail! Illustrated by Frank Remkiewicz.**

HORRIBLE HARRY IN ROOM 2B

Penguin **Doug discovers that though being Harry's best friend in Miss Mackle's second grade class isn't always easy, as Harry likes to do horrible things, it is often a lot of fun.**

SAME-SEX AFFAIRS

CONSTRUCTING AND CONTROLLING HOMOSEXUALITY IN THE PACIFIC NORTHWEST

Univ of California Press **At the turn of the twentieth century, two distinct, yet at times overlapping, male same-sex sexual subcultures had emerged in the Pacific Northwest: one among the men and boys who toiled in the region's logging, fishing, mining, farming, and railroad-building industries; the other among the young urban white-collar workers of the**

emerging corporate order. Boag draws on police logs, court records, and newspaper accounts to create a vivid picture of the lives of these men and youths—their sexual practices, cultural networks, cross-class relations, variations in rural and urban experiences, and ethnic and racial influences.

NEZ PERCE SUMMER, 1877

THE U.S. ARMY AND THE NEE-ME-POO CRISIS

U of Nebraska Press **Nez Perce Summer, 1877** tells the story of a people's epic struggle to survive spiritually, culturally, and physically in the face of unrelenting military force. Written by one of the foremost experts in frontier military history, Jerome A. Greene, and reviewed by members of the Nez Perce tribe, this definitive treatment of the Nez Perce War is the first to incorporate research from all known accounts of Nez Perce and U.S. military participants. Enhanced by sixteen detailed maps and forty-nine historic photographs, Greene's gripping narrative takes readers on a three-and-one-half month 1,700-mile journey across the wilds of Idaho, Wyoming, and Montana territories. All of the skirmishes and battles of the war receive detailed treatment, which benefits from Greene's astute analysis of the strategies and decision making on both sides. Between 100 and 150 of the more than 800 Nez Perce men, women, and children who began the trek were killed during the war. Almost as many died in the months following the surrender, after they were exiled to malaria-ridden northeastern Oklahoma. Army deaths numbered 113. The casualties on both sides were an extraordinary price for a war that nobody wanted but whose history has since fascinated generations of Americans.

UNEASY DREAMS

THE GOLDEN AGE OF BRITISH HORROR FILMS, 1956-1976

McFarland There has been a tremendous amount of renewed interest in the output of Britain's Hammer Films. But there remain a great number of worthwhile British horror films, made at the same time by other companies, that have received little attention. The author provides a comprehensive listing of British horror films—including science fiction, fantasy, and suspense films containing horror-genre elements—that were released between 1956 and 1976, the “Golden Age” of British horror. Entries are listed alphabetically by original British title, from Vincent Price in *The Abominable Dr. Phibes* (1971) to *Zeta One* (1969). Entries also include American title, release information, a critique of the film, and the film's video availability. The book is filled with photographs and contains interviews with four key figures: Max J. Rosenberg, cofounder of Amicus Productions, one of the period's major studios; Louis M. Heyward, former writer, film executive and producer; Aida Young, film and television producer; and Gordon Hessler, director of such films as *The Oblong Box* and *Murders in the Rue Morgue*.

UNDRESSED FOR SUCCESS

BEAUTY CONTESTANTS AND EXOTIC DANCERS AS MERCHANTS OF MORALITY

Springer Using the tools of performance studies, gender theory, and cultural history, Brenda Foley explores the striking similarities between beauty pageantry and striptease. For example, women in both project a 'normal' femininity and adhere to a strict hierarchy (Miss America contestants look down upon Miss Universe contestants, while theatrical 'burlesque artists' saw themselves as far above mere carnival strippers). *Undressed for Success* collects extensive primary source research - newspapers, journals, trade publications, photography collections, press releases, memoirs, and interviews with both strippers and pageant contestants - and employs a wide array of gender, feminist, and performance theory to analyze them.

THE LONG REACH OF THE SIXTIES

LBJ, NIXON, AND THE MAKING OF THE CONTEMPORARY SUPREME COURT

Oxford University Press **The Warren Court of the 1950s and 1960s was the most liberal in American history. Yet within a few short years, new appointments redirected the Court in a more conservative direction, a trend that continued for decades. However, even after Warren retired and the makeup of the court changed, his Court cast a shadow that extends to our own era. In *The Long Reach of the Sixties*, Laura Kalman focuses on the late 1960s and early 1970s, when Presidents Johnson and Nixon attempted to dominate the Court and alter its course. Using newly released--and consistently entertaining--recordings of Lyndon Johnson's and Richard Nixon's telephone conversations, she roots their efforts to mold the Court in their desire to protect their Presidencies. The fierce ideological battles--between the executive, legislative, and judicial branches--that ensued transformed the meaning of the Warren Court in American memory. Despite the fact that the Court's decisions generally reflected public opinion, the surrounding debate calcified the image of the Warren Court as activist and liberal. Abe Fortas's embarrassing fall and Nixon's campaign against liberal justices helped make the term "activist Warren Court" totemic for liberals and conservatives alike. The fear of a liberal court has changed the appointment process forever, Kalman argues. Drawing from sources in the Ford, Reagan, Bush I, and Clinton presidential libraries, as well as the justices' papers, she shows how the desire to avoid another Warren Court has politicized appointments by an order of magnitude. Among other things, presidents now almost never nominate politicians as Supreme Court justices (another response to Warren, who had been the governor of California). Sophisticated, lively, and attuned to the ironies of history, *The Long Reach of the Sixties* is essential reading for all students of the modern Court and U.S. political history.**

SMACK

HEROIN AND THE AMERICAN CITY

University of Pennsylvania Press **Why do the vast majority of heroin users live in cities? In his provocative history of heroin in the United States, Eric C. Schneider explains what is distinctively urban about this undisputed king of underworld drugs. During the twentieth century, New York City was the nation's heroin capital—over half of all known addicts lived there, and underworld bosses like Vito Genovese, Nicky Barnes, and Frank Lucas used their international networks to import and distribute the drug to cities throughout the country, generating vast sums of capital in return. Schneider uncovers how New York, as the principal distribution hub, organized the global trade in heroin and sustained the subcultures that supported its use. Through interviews with former junkies and clinic workers and in-depth archival research, Schneider also chronicles the dramatically shifting demographic profile of heroin users. Originally popular among working-class whites in the 1920s, heroin became associated with jazz musicians and Beat writers in the 1940s. Musician Red Rodney called heroin the trademark of the bebop generation. "It was the thing that gave us membership in a unique club," he proclaimed. Smack takes readers through the typical haunts of heroin users—52nd Street jazz clubs, Times Square cafeterias, Chicago's South Side street corners—to explain how young people were initiated into the drug culture. Smack recounts the explosion of heroin use among middle-class young people in the 1960s and 1970s. It became the drug of choice among a wide swath of youth, from hippies in Haight-Ashbury and soldiers in Vietnam to punks on the Lower East Side. Panics over the drug led to the passage of increasingly severe legislation that entrapped heroin users in the criminal justice system without addressing the issues that led to its use in the first place. The book ends with a meditation on the evolution of the war on drugs and addresses why efforts to solve the**

drug problem must go beyond eliminating supply.

THE HOUSE OF SHADES

Faber & Faber Nothing cuts into us like the family knife. The Webster House. 1965. 1979. 1985. 1990. 2016. Death silences no one, least of all the dead. Set against the ever-changing industrial landscape of working-class Britain, Beth Steel's revelatory new play spans five decades in the lives, and deaths, of the Webster family. The House of Spades premieres at the Almeida in May 2020. Beth Steel won Most Promising Playwright at the Evening Standard Theatre Awards.

THREE WEEKS TO SAY GOODBYE

A NOVEL

Minotaur Books New York Times bestselling author C.J. Box's novels have been called "red hot" (Booklist) and "edge-of-your-seat read[s]" (Omaha World-Herald). Now he delivers a novel that will steal your sleep as much as it will wrench your heart. *Three Weeks to Say Goodbye* is a novel about something that could be anyone's worst nightmare. . . Jack and Melissa McGuane have spent years trying to have a baby. Finally their dream has come true with the adoption of their daughter, Angelina. But nine months after bringing her home, they receive a devastating phone call... Angelina's birth father, a teenager, never signed away his parental rights—and he wants her back. Worse, his father, a powerful Denver judge, will use every trick in the book to make sure it happens. The McGuanes attempt to meet face-to-face with the father and son...but soon it becomes clear that there's something sinister about their motivations—and that love for Angelina is not one of them. A horrifying game of intimidation and double crosses begins that quickly becomes a death spiral where everyone is suspect and no one is safe. Now Jack and Melissa will stop at nothing to protect their child—even though time is running out... C.J. Box has once again written a bone-chilling thriller that will keep you guessing until the very last page.

HORRIBLE HARRY AND THE SECRET TREASURE

Penguin Another fun mystery starring Horrible Harry, and this time he's calling the shots! Harry has always loved solving mysteries, and now his friends in Room 3B have learned to love it, too. So Harry challenges them to figure out what he has hidden in his giant, old suitcase. Led by a very determined Mary, the kids take turns solving clues and piecing the mystery together. Their hunt leads them from the classroom to the library, and even to Harry's grandfather's nursing home. Will they be able to solve Harry's mystery? Or will things go horribly wrong for the novice detectives?
