Even Bad Dogs Go to Heaven

More from the Dog Chapel

Harry N. Abrams Celebrates the remarkable relationship between humans and their canine companions featuring the author's art and pictures of the Dog Chapel he built in St. Johnsbury, Vermont.

Beyond Heaven and Earth

A Novel about Love, and Death...and Life

iUniverse Have you ever wondered what happens to us when we die? What if you really HAD to know? When tragedy strikes the family of young Jobran Winter, he is forced to confront these questions directly. Undertaking a feverish "Quest," he explores various branches of Christianity; Judaism; Islam; Hinduism; Buddhism; Sikhism, as well as the religions of China and Japan. His search encompasses the New Age, Reincarnation, Spiritism and Psychical Research. Attending channeling sessions and seances, investigating haunted houses and Near-Death Experiences, he examines spiritual traditions ranging from Swedenborg to Scientology, from Jodo Shinshu to the Jehovah's Witnesses. Finally, the Quest brings him into direct contact with Hospice work; physical disability; child abandonment;

abortion; suicide; euthanasia, and even cold-blooded murder. Encounter the doctrines of Purgatory & Predestination, Universalism & Annihilationism, as you journey in a novel that will make you reexamine your ideas about religion, skepticism, love, death . . . and LIFE.

God of Love and God of Reason

Homilies, Lectures, and Essays on
God and Religion

Wipf and Stock Publishers These homilies, lectures, and essays vigorously champion the author's conviction that it is reasonable to believe in a God of "pure unbounded love" and, also, that the best religion is a reasonable religion. That is, "the God of Love" is "the God of Reason" and, as a seventeenth-century Cambridge preacher put it, "If you would be religious, be rational in your religion." Thus, these essays challenge both the New Atheists and Fundamentalists, who are twins like Tweedledum and Tweedledee. And they aim, positively, to unpack the meaning and implications of Jesus' dictum: "You shall love the Lord your God with all your heart, and with all your soul, and with all your mind. This is the greatest and first commandment. And the second is like it: You shall love your neighbor as yourself. On these two commandments hang all the law and the prophets."

Gadfly: Reading Church Through
Reading Jesus

John Hunt Publishing John Arthur is looking for a church. Not literally of course, those are quite easy to spot usually. He is looking for "a reading" of church through a reading of Jesus. He wants to examine whether the Jesus we have in the church is, well, big enough really. Are the relationships we pursue, with God and each other, the authentic and costly ones Jesus exemplified, or diluted by our expectations and culture? Have we formed an edgy activism around Jesus' call to risk and journey, or a policy of endurance? Has the church fully accepted Jesus' trust of an incomplete kingdom? Gadfly is a conversational essay, part philosophy, part social observation and lots of unconventional exegesis posing questions about the purpose of Bible reading, the nature of Jesus and their implications for church identity. It challenges the dry readings of systematic theology that dominate so much of the public expression of the Bible in our churches. Gadfly wants to replace this with a call to risk-laden intimacy - the missing sacrament of the modern church.

The Church Dog

Church Dog Welcome to the enchanted world of the Church Dog, a heartwarming tale about a puppy sent from Heaven to teach people about the true nature of God's unconditional love. With supernatural eyes that let "K'noot" see people the way Jesus does, the Church Dog's mission is to help God's children understand their unique identity as precious and special. God loves us no matter what! And what better Messenger than 'Man's Best Friend'? In a series of playful and endearing Church Dog Adventures, each story uses biblical foundations to teach moral lessons about real life issues that children face. The books are perfect for igniting conversations around subjects like bullying, grief, forgiveness, fear, and fighting temptation. Equally important is stressing the power of being kind, compassionate giving, standing up for one another and having self-esteem. The Church Dog series invites children of all ages to look at themselves and others through the eyes of a loving Father, as royal Princes and Princesses of a Heavenly King. Come along on the journey and find yourself on the pages of these relatable books, which are sure to become favorites your children will want to read again and again.

The Reconstruction of the Church of Ireland

Bishop Bramhall and the Laudian Reforms, 1633-1641

Cambridge University Press Thomas Wentworth landed in Ireland in 1633 - almost 100 years after Henry VIII had begun his break with Rome. The majority of the people were still Catholic. William Laud had just been elevated to Canterbury. A Yorkshire cleric, John Bramhall, followed the new viceroy and became, in less than one year, Bishop of Derry. This 2007 study, which is centred on Bramhall, examines how these three men embarked on a policy for the established Church which represented not only a break with a century of reforming tradition but which also sought to make the tiny Irish Church a model for the other Stuart kingdoms. Dr McCafferty shows how accompanying canonical changes were explicitly implemented for notice and eventual adoption in England and Scotland. However within eight years the experiment was blown apart and reconstruction denounced as subversive. Wentworth, Laud and Bramhall faced consequent disgrace, trial, death or exile.

Betrayal at Heaven's Gate

AuthorHouse Rebellion in Heaven? That great deceiver, Lucifer, is at it again! Placing agents in a garden area just outside of Heaven, Satan targets newly arriving Christians who have little faith. These demons attempt to enlist these impressionable souls to join Satan's forces. Demonic intrigue takes place in the garden and on earth, where angels confront the devil's forces. One weak arrival at the Heavenly gate is Ernest G. Plover, who dreads meeting Jesus because he did not live for Him while on earth. When he arrives in the garden, Ernest avoids the gates of

heaven, preferring, instead, to withdraw from the crowd and disappear for awhile. This causes the angels responsible for all Heavenly admissions to have an angelic meltdown as they try to find out what happened to this missing soul. Jesus himself chooses to seek out the fearful Ernest. A great battle between Lucifer's demons and God's warrior angels takes place that threatens the very foundation of Heaven. Through this story you will experience adventure, intrigue, humor and a few tears. Imagination is required as we explore what Heaven may be like. We will marvel at Heaven's organization, peek into God's throne room, and witness the encounter between angels and evil demons. This book would be a great read for young Christians!
