CHIEFTAIN BY COMMAND

HarperCollins Australia From the bestselling, RITA nominated author Frances Housden comes the gripping, sensual, suspenseful follow-up to The Chieftain's Curse... Gavyn Farquhar's marriage is forged with a double-edged blade. Along with the Comlyn clan's lands, a reward from the King, he is blessed with an unwilling bride, Kathryn Comlyn, and an ancient fort with few defences that desperately needs to be fortified before it can act as a sufficient buffer between Scotland and the Norsemen on its northern borders. Gavyn needs wealth to meet his king's demands, and he knows of only one way to get it - with his sword. Leaving his prickly bride behind in the hands of trusted advisors, he makes his way to the battlegrounds of France and the money that can be made there. Two years married and Kathryn is still a virgin. A resentful virgin, certain that, like her father before her, she is perfectly capable of leading the Comlyn clan. In her usurper husband's absence, she meets the clan's needs, advising and ruling as well as any man. But she is an intelligent woman, and she knows the only respect and power she will ever hold will be through her husband. And to wield it, she needs to make him love her. An easy task to set, but impossible to complete, when said husband has been gone for two years, and there is no word of his return. But Kathryn is undeterred. After all, a faint heart never won a Chieftain.

Only now, after so terribly misjudging and ill-treating her, does the Duke see his bride for what she is - a raven-haired, musically talented and courageous beauty. But is it too late for their marriage of convenience to be transformed by the blessing of true love?

JOHN A. MACDONALD

THE YOUNG POLITICIAN, THE OLD CHIEFTAIN

University of Toronto Press First published in 1952 and 1955, John A. Macdonald: The Young Politician, The Old Chieftain remains a classic in Canadian arts and letters. Described as the greatest biography ever written in Canada, it earned Donald Creighton two Governor General's Awards. In 2013, the Toronto Review of Books recommended it to anyone who wished to become a better Canadian. In this book, Creighton examines the public and private lives of Canada's first prime minister, his victories and defeats as well as his joys and pains. A gifted writer, Creighton takes the reader back in time, to the nineteenth century, the road to Confederation, and the building of the railway. Along the way, he visits Kingston, Quebec, Charlottetown, Ottawa, and London, following his hero from a few rooms above his father's shop in Kingston to the corridors of power in England, including the magnificent Highclere Castle where much of the British North America Act was written. This edition includes a new introduction by Creighton's biographer, Donald Wright, and by Peter Waite, Creighton's very first doctoral student.
