Christian Register and Boston Observer Flea Market Jesus *Wipf and Stock Publishers* **Americans live their lives through institutions: government, businesses, schools, clubs, and houses of worship. But many Americans are wary of the control these groups--especially government and business--exercise over their lives. Flea Market Jesus provides an up-close look at the rugged individualism of those trying hardest to separate themselves from institutions: flea market dealers. Having spent most of his life studying American religious organizations, Art Farnsley turns his attention to America's most solitary, and alienated, entrepreneurs. Farnsley describes an entire subculture of white Midwesterners--working class, middle class, and poor--gathered together in a uniquely American celebration of guns and frontier life. In this mix, the character "Cochise" voices the frustrations of flea market dealers toward business, politics, and, especially, religion. Part ethnography, part autobiography, Flea Market Jesus is a story about alienation, biblical literalism, libertarianism, and deep-seated religious belief. It is not about the Tea Party, the Occupy movement, or the Christian Right, but it shines a light on all of these by highlighting the potent combination of mistrust, resentment, and personal liberty too often kept in the shadows of public discourse among educated elites. The Monthly Christian spectator Random Summer Storms Book Three — Family** *Strategic Book Publishing & Rights Agency* **Life can sometimes be a collection of random storms that we must weather, like ships at sea. Families maneuver these storms throughout their lives. Ian and Dee Conner share the storms their family members experience in this third book of a series. The Conners are a close-knit family of five who live in a beach community, enjoying surfing, biking, and doing what most families do. Together they weather some tumultuous storms. The couple tried to run from a big storm they created in California, moving to the east coast of Florida to start over and raise their family. They shut away the skeletons of their past, never telling anyone their secrets. Other skeletons appear on both sides of Ian and Dee's family trees, but often these skeletons (storms) are what bring families together. Eventually, Ian and Dee realize that nothing can stop a raging storm: They must face the past to have a future. Their family and children must chart their own course in life. It may not always be what they hoped, but one day the storm will end, and the waters will calm. That is, until the next Random Summer Storms. Christian Beginnings** *The original collection, still one of the best resources for teachers of young children, and for parents looking for something to entertain and instruct the kids at the same time. Seeing Faith, Printing Pictures: Religious Identity during the English Reformation* *BRILL* **This book offers a unique analysis of visual religion in Reformation England as seen in its religious printed images. Challenging traditional notions of an iconoclastic Reformation, it offers a thorough analysis of the widespread body of printed images and the ways the images gave shape to the religious culture. Michigan Christian Advocate** *The Brock Bibliography of Published Canadian Plays. Supplement* *Supplement to the Brock Bibliography of Published Canadian Plays* **The Christian Union Journeys with Jesus** *David C Cook* **13-week, multiage summer program allows kids to journey to the Holy Land, meeting the people Jesus met and seeing the difference Jesus made in their lives. Playing** *Open Road + Grove/Atlantic* **A young woman freefalls into a "fast . . . stark swirl of sex, violence and near-madness" in this daring novel of dark desire (Publishers Weekly). When Josie, an anthropology grad student, is unexpectedly offered a job as the nanny for a six-year-old boy, she innocently accepts. Though Josie doesn't necessarily need the job, there's something about her ward's single mom, Mary—her beauty, her confidence, her resemblance to Josie's estranged mother—that's soothing to Josie. It also breeds betrayal when Josie moves in on Mary's crush, Devesh. An Indian surgeon ten years Josie's senior, Devesh is a strong and enigmatic man who pulls Josie into a dizzying world of sexual domination and submission that speaks to her deeply hidden impulses. In this world of increasingly brutal games, Josie is forced to confront her damaged and disturbing past. An unflinching look at the irrevocable consequences of giving in to our most secret passions, Playing "is a breathless read, whose rewards are both unpredictable and unforgettable"**

It is based upon consideration of the differences between the texts and upon the underlying assumptions governing this dramatic form. The cycles are extensively compared with practices in the cyclic dramas of France, the German-speaking areas, Italy, the Netherlands, and Spain in the late middle ages and the early modern period. There is also a unique and innovative bridging with iconographical material from a range of artistic modes giving further insight into the structure and organisation of cyclic form. **Cyclic Form and the English Mystery Plays** should be of interest to undergraduate students and to more experienced researchers in the early drama and the study of visual images and artefacts. **Ibadan Christmas Classics Premium Collection: 150+ Novels, Stories & Poems in One Volume (Illustrated)** **A Christmas Carol, The Gift of the Magi, Life and Adventures of Santa Claus, The Heavenly Christmas Tree, Little Women, The Nutcracker and the Mouse King, The Wonderful Life of Christ...** [e-artnow](#) This carefully crafted ebook: "Christmas Classics Premium Collection: 150+ Novels, Stories & Poems in One Volume (Illustrated)" is formatted for your eReader with a functional and detailed table of contents: **Life and Adventures of Santa Claus (L. A Life of Faith My Journey [iUniverse](#) Elsie Moses Huck Detweiler is an educator and evangelist with a love for people, God's Word, and the Lord. She is a visionary with the remarkable ability to surround herself with people who make her dreams come true. Her touching autobiography, A Life of Faith, begins with her early years in a prosperous Pennsylvania Dutch family hit hard by the Depression. Seemingly happy on the outside, Elsie is terribly lonely and plagued by fears of death. At fifteen, she experiences personal salvation that results in life-long peace and freedom from her oppression. Moved to share the gospel and minister to the needs of others, she and her husband pioneer alcohol rehabilitation in the days before treatment centers and personally develop two successful programs still in operation today. Tragically widowed at a young age, Elsie soldiers on with a series of remarkable ministries in the home mission field. In her own words, Elsie shares her amazing story, revealing her courage, strength, and fortitude. Inspiring and powerful, A Life of Faith offers a compelling look at how one woman changed the lives of many. Irish Drama, Modernity and the Passion Play [Springer](#) This book discusses Irish Passion plays (plays that rewrite or parody the story of the Passion of Christ) in modern Irish drama from the Irish Literary Revival to the present day. It offers innovative readings of such canonical plays as J. M. Synge's The Playboy of the Western World, W. B. Yeats's Calvary, Brendan Behan's The Hostage, Samuel Beckett's Endgame, Brian Friel's Faith Healer and Tom Murphy's Bailegangaire, as well as of less well-known plays by Padraic Pearse, Lady Gregory, G. B. Shaw, Seán O'Casey, Denis Johnston, Samuel Beckett and David Lloyd. Challenging revisionist readings of the rhetoric of "blood sacrifice" and martyrdom in the Irish Republican tradition, it argues that the Passion play is a powerful political genre which centres on the staged death of the (usually male) protagonist, and makes visible the usually invisible violence perpetrated both by colonial power and by the postcolonial state in the name of modernity. The Christian Century Bipolar Words Word Madness Healing Words: Three Part Compendium [Lulu.com](#) INCLUDES 215 ADDITIONAL PAGES AS PART THREE. This will challenge the conservative Christian's beliefs of where the mind can go, and challenge the non-Christian as to what Bipolar disorder can be. Those who have mental illness and what is called mental illness will relate to the writing and writing style: the main expression of my hypomania and mania. The construction is partially designed to offend churchy folks and the medical industry, a poke in the eye towards the abuses I've received from both, while seeking help. We are all living in a stand in the gap moment of time, the Christian's 1950's frame of mind and the realities of 2017, which I attempt to bridge in this book and the yet to be released 2nd volume. Topics presented are defenses of the KJB, artificial intelligence, the end times, the spiritual dynamics of the two separate but interlaced kingdoms of good and evil, humor, fiction, bipolar health, and so much more... Presented as essays in chapters, in chronological order, all of which are related. Yeats and the Noh A Comparative Study [Barnes & Noble Imports](#) Yeats and the Noh started in a small seminar room in University College Dublin, when both authors took part in productions of The Dreaming of the Bones and Nishikigi with their students. Masaru Sekine directed both plays and Christopher Murray performed in them: they were therefore equipped with live experience as well as their personal expertise in Irish literature and Noh drama. Professor Augustine Martin introduces the volume, and apart from the main section of the book, Colleen Hanrahan, one of the students who took part in both UCD productions, writes about acting in Yeats's play; Peter Davidson writes about Yeats, Pound, Rummel and Dulac; and Katharine Worth provides an essay on Yeats, Beckett and Noh. There are 16 pages of illustrations. This volume is unique in providing detailed analysis of contrasts in theatrical aims, as well as examining why man seeks to explore tragic drama as a means of extending the limits of reality. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty programs.
