Having just opened his own gym, Conner can cross his first major life accomplishment off his very short list. Next up: find a man he can settle down with and build a family. Seems simple enough - a dream most people have, but when he meets Dylan, his carefree, easy-going life is thrown into a tailspin. Flatiron Books Melissa Bashardoust's *Girl, Serpent, Thorn* is "an alluring feminist fairy tale" (Kirkus) about a girl cursed to be poisonous to the touch and who discovers what power might lie in such a curse. There was and there was not, as all stories begin, a princess cursed to be poisonous to the touch. But for Soraya, who has lived her life hidden away, apart from her family, safe only in her gardens, it's not just a story. As the day of her twin brother's wedding approaches, Soraya must decide if she's willing to step outside of the shadows for the first time. Below in the dungeon is a demon who holds knowledge that she craves, the answer to her freedom. And above is a young man who isn't afraid of her, whose eyes linger not with fear, but with an understanding of who she is beneath the poison. Soraya thought she knew her place in the world, but when her choices lead to consequences she never imagined, she begins to question who she is and who she is becoming...human or demon. Princess or monster. **Walking in on People (Able Muse Book Award)** **Able Muse Press** In Melissa Balmain's *Walking in on People*, the serious is lightened with a generous serving of wit and humor, and the lighthearted is enriched with abundant wisdom. She shows us how poetry can be fun yet grounded in everyday challenges and triumphs, with subjects ranging from the current and hip (Facebook posts, online dating, layoffs, retail therapy, cell-phone apps, trans fat), to the traditional and time-tested (marriage, child-rearing, love, death). Through it all, her craft is masterful, with a formal dexterity deployed with precision in a showcase of forms such as the villanelle, ballad, triolet, nonce, and the sonnet. It is little wonder then that *Walking in on People* is the winner of the 2013 Able Muse Book Award, as selected by the final judge, X.J. Kennedy. This is a collection that will not only entertain thoroughly, but also enlighten and reward the reader. **PRAISE FOR WALKING IN ON PEOPLE:** *Walking in on People* grabbed me with its very title, and it never let go. Poetry these days is rarely so entertaining, so beautifully crafted, so sharp of eye, yet so wise and warm of heart. Melissa Balmain keenly perceives faults in people and in our popular culture, with piercing wit but never bitterness. Don't miss the wonderful "Lament," on what it takes to write a best seller, or "The Marital Bed," a love poem with naturalistic detail. She really commands her art. Indeed, I think any poet who rhymes lobsters and Jersey mobsters deserves to have an equestrian statue of herself erected in Bangor or Newark or both. — X.J. Kennedy (Judge, 2013 Able Muse Book Award) Melissa Balmain's poems add to the rhythmic bounce of light verse a darker, more cutting humor. The result is an infectious, often hilarious blend of the sweet and the lethal, the charming and the acidic. — Billy Collins So many of the poems in Melissa Balmain's triumphant debut lodge themselves in that Frostian zone where they are hard to get rid of. They recur in the mind in moments of hilarity and pathos, of exaltation and mortification, and they never let us go. — David Yezzi (from the foreword) Accessible and entertaining poetry doesn't often prevail over the grim personal memoir in poetry contests, but this time the judges were smart. They went for Melissa Balmain's stylish and always metrically perfect wit. You can relate to this

poetry if you have ever: longed to save the restaurant lobsters from their fate, lost your lover to his electronic devices, faced the fact that babies are ugly and toddlers suppress your genius, or (of course) walked in on people in all the wrong places. With diverse forms, inventive rhymes, the right word always chosen and a sense of humor always in evidence—you really have no excuse not to buy this book. — Gail White **The Binding HarperCollins UK** LOSE YOURSELF IN THE BREAKOUT SENSATION OF THE YEAR SHORTLISTED FOR WATERSTONES BOOK OF THE YEAR 2019 'Brilliant' Joanna Cannon 'Spellbinding' Guardian 'Magic' Erin Kelly 'Immersive' Sunday Times 'Gorgeous' Stella Duffy 'Astounding' Anna Mazzola **The Obsidian Tower Rooks and Ruin, Book One Hachette UK** 'This is a truly excellent fantasy and an epic beginning for a new trilogy' Locus One woman will either save an entire continent or completely destroy it in a captivating epic fantasy bursting with intrigue and ambition, questioned loyalties, and broken magic. McGraw-Hill Companies Drive business sustainability, growth, and profits by taking a systematic approach to culture transformation It's no secret that culture is the key to attracting and engaging top talent and seizing the competitive edge. But the vast majority of

culture efforts fail as quickly as they started. Why? Because leaders are missing the big picture. They're creating and communicating values but failing to ensure the values are tied to the purpose and the strategy of the company while also being integrated into processes, operations, and behaviors. In *ReCulturing*, Melissa Daimler solves this persistent problem by helping you develop a "systems" perspective of culture. One of today's most renowned thought leaders and practitioners on the issue, Daimler provides the playbook for building a business in which employees are clear on the why, what, and how they are working, such that it naturally leads to high performance and a desire to stay with their company for the long haul. *ReCulturing* explains: - The everyday practice of culture--how it's actually done through behaviors, processes and practices - How to leverage core frameworks that can be tailored to design and build any company culture, whether that's a start up or a large company working - The integration of purpose (why you work), strategy (what you do) with culture (how you work) The book also features illuminating real-life stories recounting what has and hasn't worked at some of today's largest and most influential companies. Whether you're launching a startup, running a global firm, or overseeing the shift to a hybrid work setting, *ReCulturing* provides everything you need to the kind of culture that drives long-term business success. **The Hazel Wood Penguin UK** ** Fans of *Miss Peregrine's Home for Peculiar Children* and *The Children of Blood and Bone* have been getting lost in *The Hazel Wood*...** "The Hazel Wood kept me up all night. friend, scrolling through social media, or even just while walking down the street. All it takes is the hint of someone doing or having something you perceive as "better" than you, and it hits. A feeling takes over—intense, blinding, gutting. Your brain starts spinning with toxic thoughts about yourself (or others), and you're left feeling ashamed, guilty, and even worthless. It's called comparisonitis. And if you've suffered from it, you're NOT alone. Comparisonitis is a contagious, socially transmitted condition that occurs when you compare yourself to others so frequently and fiercely that you're left paralyzed, with your confidence in tatters and your self-worth plummeting. It may sound trivial, but this affliction can have serious adverse effects on our mental health, leading to depression, anxiety, overthinking, and regret. To make matters worse, our comparison culture is only expanding. Thanks to social media, we have more opportunities to compare ourselves than ever before, and even kids are falling into the trap. Described as a "self-help guru" by Elle magazine, Melissa has experienced the effects of comparisonitis first hand, having worked extensively in industries like acting, modeling and dancing where comparison culture is not only rampant but openly encouraged. Melissa knows all too well how comparisonitis is infecting our minds and hurting our hearts, and in this book, she'll help you heal from this disease, liberate your headspace, and raise your self-worth so radically that you'll never let comparison rob you of your joy and happiness again.
