## Ocean Prey

## THE #1 NEW YORK TIMES BESTSELLER – a Lucas Davenport & Virgil Flowers novel

*Simon and Schuster* **\*\*THE #1 NEW YORK TIMES BESTSELLING THRILLER\*\*** Lucas Davenport and Virgil Flowers join forces on a deadly maritime case like no other... An off-duty Coast Guardsman is fishing with his family when he calls in some suspicious behaviour from a nearby boat. The slick craft has stopped to pick up a surfaced diver, who was apparently alone, without his own boat, in the middle of the ocean. None of it makes sense, and his hunch is proved right when all three Guardsmen who come out to investigate are shot and killed. They're federal officers killed on the job, which means the case is the FBI's turf. And when the FBI's investigation stalls out, they call in Lucas Davenport. But when the case turns lethal, Davenport will need to bring in every asset he can claim, including a detective with a fundamentally criminal mind: Virgil Flowers. In a case like no other, Flowers and Davenport will need to work together to catch the killers – before they become targets themselves. **\*\*\*WHAT READERS ARE SAYING ABOUT OCEAN PREY\*\*\*** 'John Sandford is my benchmark for thriller writers... Ocean Prey is Sandford at the peak of his game... if you have never read Sandford, give yourself a treat, get this book – but when you open it, make sure you have some reading time, because once started you won't want to stop' 5 star review 'Wow, how can you keep getting better. Top 5 all time from JS. Most series get stale. Not this one. Blown away. Really' 5 star review 'So good I have to pace myself because I don't want it to end!' 5 star review 'One of his best books to date. And I love his writing. Read them all' 5 star review 'The latest in the Lucas Davenport series and certainly as good as all the others... I would recommend the whole series to anyone' 5 star review **\*\*\*READERS LOVE THE PREY SERIES\*\*\*** 'One of the great novelists of all time' Stephen King 'A series writer who reads like a breath of fresh air' Daily Mirror 'John Sandford knows all there is to know about detonating the gut-level shocks of a good thriller' New York Times Book Review 'John Sandford has the Midas touch' Huffington Post 'Delivers twists to the very last sentence' Daily Mail 'Crime writer John Sandford is one of the best around' Sun

## Murder in Hawaii Mysteries 5-Book Bundle: Murder in Maui\Murder in Honolulu\Seduced to Kill in Kauai\Dead in Pukalani\Murder on Kaanapali Beach

R. Barri Flowers *Murder in Hawaii Mysteries 5-Book Bundle* contains five full length bestselling suspense thriller novels by bestselling crime writer R. Barri Flowers, including *Murder in Maui*, *Murder in Honolulu*, *Seduced to Kill in Kauai*, *Dead in Pukalani*, and *Murder on Kaanapali Beach*. *Murder in Maui: A Leila Kahana Mystery* is a police procedural medical mystery novel set in the lush, deceptively idyllic tropical paradise of Hawaii. Maui County homicide detective and composite sketch artist Leila Kahana and partner Detective Sergeant Blake Seymour investigate the execution-style murder of two prominent doctors in an upscale condominium. As they interview suspects and collect evidence, more doctors are murdered, making it clear to all that they have a ruthless and determined serial killer on their hands. *Murder in Honolulu: A Skye Delaney Mystery* is a private investigator crime novel centered on the lush Hawaiian island of Oahu. Ex-cop turned PI and security consultant Skye Delaney investigates the apparent suicide of ex-husband and former prosecutor turned businessman, Carter Delaney, after he had hired her to learn if his new young wife was having an affair. As the bodies continue to pile up, Skye puts her neck on the line to find out the truth and nail a ruthless killer who has targeted her for death. *Seduced to Kill in Kauai* is a tropical island novel of psychological and erotic suspense and financial intrigue. Pushing forty, Jack Burke was living the good life as a successful advertising executive with a gorgeous wife in Hawaii before, in the blink of an eye, his life began spiraling out of control. Temptation, infidelity, betrayal, deceit, and murder, leaves Jack left wondering if there is any way out. Or will he lose everything, including possibly his life? *Dead in Pukalani: An Eddie Naku Maui Mystery* is a private eye Hawaii crime novel. Private investigator Eddie Naku is hired by attractive divorcee Kathryn Higuchi to investigate the murder of her sister, Suzette Higuchi-Bordeau, the wife of a well-known criminal defense attorney who was gunned down in a shopping center parking lot in the Upcountry region of Pukalani. What seems like a routine case for the ex-police detective turns into a complex murder mystery as Naku uncovers a web of lies, deceit, arms trafficking, infidelity, seduction, betrayal, and more murders as he tries to solve a deadly crime and avoid becoming a victim. *Murder on Kaanapali Beach: A Leila Kahana Mystery* is the 2nd book in this popular series. Maui County homicide detective and composite sketch artist Leila Kahana and new partner, Detective Jonny Chung, take on the case of a college instructor, Joyce Yashiro, found murdered on the island's famed Kaanapali Beach. In a seemingly unrelated case, Detectives Rachel Lancaster and Trent Ferguson investigate the execution-style murder of businessman Parker Breslin in front of his Kihei home. While the two murder investigations progress with a myriad of suspects, a surprising connection between the cases and crimes emerges. As the cases move full steam ahead, there is also a brutal serial killer on the loose. Dubbed the "Zip Line Killer," he has been terrorizing women on the island, strangling them with a zip line, for over a year, while staying safely out of reach of the authorities. Can he finally be brought to justice or will he strike again?

## The Goddesses

## A Novel

Anchor "A haunting story of betrayal and forgiveness" (Kirkus) about a woman who moves her family to Hawaii, only to find herself wrapped up in a dangerous friendship, from the celebrated author of *We Could Be Beautiful*. When Nancy and her family arrive in Kona, Hawaii, they are desperate for a fresh start. Nancy's husband has cheated on her; they sleep in separate bedrooms and their twin sons have been acting out, setting off illegal fireworks. But Hawaii is paradise: they plant an orange tree in the yard; they share a bed once again and Nancy resolves to make a happy life for herself. She starts taking a yoga class and there she meets Ana, the charismatic teacher. Ana has short, black hair, a warm smile, and a hard-won wisdom that resonates deeply within Nancy. They are soon spending all their time together, sharing dinners, relaxing in Ana's hot tub, driving around Kona in the cute little car Ana helps Nancy buy. As Nancy grows closer and closer to Ana—skipping family dinners and leaving the twins to their own devices she feels a happiness and understanding unlike anything she's ever experienced, and she knows that she will do anything Ana asks of her. A mesmerizing story of friendship and manipulation set against the idyllic tropical world of the Big Island, *The Goddesses* is a stunning psychological novel by one of our most exciting young writers.

## Los Angeles Magazine

*Los Angeles magazine is a regional magazine of national stature. ## Pinocchio, the Tale of a Puppet

*Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.*

## The Girl From Everywhere

*Bonnier Publishing Fiction Ltd. It was the kind of August day that hinted at monsoons, and the year was 1774, though not for very much longer. Sixteen-year-old Nix Song is a time-traveller. She, her father and their crew of time refugees travel the world aboard The Temptation, a glorious pirate ship stuffed with treasures both typical and mythical. Old maps allow Nix and her father to navigate not just to distant lands, but distant times - although a map will only take you somewhere once. And Nix's father is only interested in one time, and one place: Honolulu 1868. A time before Nix was born, and her mother was alive. Something that puts Nix's existence rather dangerously in question. . . Nix has grown used to her father's obsession, but only because she's convinced it can't work. But then a map falls into her father's lap that changes everything. And when Nix refuses to help, her father threatens to maroon Kashmir, her only friend (and perhaps, only love) in a time where Nix will never be able to find him. And if Nix has learned one thing, it's that losing the person you love is a torment that no one can withstand. Nix must work out what she wants, who she is, and where she really belongs before time runs out on her forever.*

## The Play of Daniel Keyes' Flowers for Algernon

*Heinemann The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is a dramatization of Daniel Keyes's story about a retarded adult who desperately wants to be able to read and write.*

## Forthcoming Books

## The Descendants

*Random House* A descendant of one of Hawaii's largest landowners, Matt King finds his luck changed when his fun-loving, filghty wife Joanie falls into a coma, victim of a boating accident. Matt is left in sole charge of his two daughters, teenage ex-model and recovering drug addict Alex, and Scottie, a feisty ten-year-old. And then Matt discovers Joanie has been having an affair. Deciding to seek out Joanie's lover so that he too has a chance to say his goodbyes, Matt takes to the road with his daughters on a memorable journey of painful revelations and unexpected humour...

*Backpacker* brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, *Backpacker* is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. *Backpacker's* Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

## Lab Girl

*Hachette UK Lab Girl* is a book about work and about love, and the mountains that can be moved when those two things come together. It is told through Jahren's remarkable stories: about the discoveries she has made in her lab, as well as her struggle to get there; about her childhood playing in her father's laboratory; about how lab work became a sanctuary for both her heart and her hands; about Bill, the brilliant, wounded man who became her loyal colleague and best friend; about their field trips - sometimes authorised, sometimes very much not - that took them from the Midwest across the USA, to Norway and to Ireland, from the pale skies of North Pole to tropical Hawaii; and about her constant striving to do and be her best, and her unswerving dedication to her life's work. Visceral, intimate, gloriously candid and sometimes extremely funny, Jahren's descriptions of her work, her intense relationship with the plants, seeds and soil she studies, and her insights on nature enliven every page of this thrilling book. In *Lab Girl*, we see anew the complicated power of the natural world, and the power that can come from facing with bravery and conviction the challenge of discovering who you are.

## Skandar and the Unicorn Thief

*Simon and Schuster* Soar into a breathtaking world of heroes and unicorns as you've never seen them before in this fantastical middle grade debut perfect for fans of the Percy Jackson and Eragon series! Skandar Smith has always yearned to leave the Mainland and escape to the secretive Island, where wild unicorns roam free. He's spent years studying for his Hatchery exam, the annual test that selects a handful of Mainlander thirteen-year-olds to train to become unicorn riders. But on the day of Skandar's exam, things go horribly wrong, and his hopes are shattered...until a mysterious figure knocks on his door at midnight, bearing a message: the Island is in peril and Skandar must answer its call. Skandar is thrust into a world of epic sky battles, dangerous clashes with wild unicorns, and rumors of a shadowy villain amassing a unicorn army. And the closer Skandar grows to his newfound friends and community of riders, the harder it becomes to keep his secrets—especially when he discovers their lives may all be in graver danger than he ever imagined.

## Soldiers on the Cultural Front

## Developments in the Early History of North Korean Literature and Literary Policy

*University of Hawaii Press* An understanding of contemporary North Korea's literature is virtually impossible without an investigation of its formative period, 1945-1960, which saw a gradual transformation from the initial "Soviet era" to a Korean version of "national Stalinism." This turbulent epoch established a long-lasting framework for North Korean literature and set up an elaborate system of political control over literary matters, as well as over the people who served in this field. In 1946 Democratic People's Republic of Korea (DPRK) leader Kim Il Sung described the country's writers as "soldiers on the cultural front," thus clearly defining what the nascent Communist regime expected from its intellectuals. As a result, many literary nonentities were rewarded with fame and success (often only to be relegated once again to obscurity within a few years) while many outstanding luminaries of the past were erased from the pages of official publications or even lost their lives. The Soviet cultural impact brought new tropes, artistic images, and rhetoric, which were quickly absorbed into the North Korean discourse. However, the cultural politics of the DPRK and the USSR revealed profound and irreconcilable disparities that were rooted in the different political conditions and traditions of each country. *Soldiers on the Cultural Front* presents the first consistent research on the early history of North Korea's literature and literary policy in Western scholarship. It traces the introduction and development of Soviet-organized conventions in North Korean literary propaganda and investigates why the "romance with Moscow" was destined to be short lived. It reconstructs the biographies and worldviews of major personalities who shaped North Korean literature and teases these historical figures out of popular scholarly myth and misconception. The book also investigates the specific forms of control over intellectuals and literary matters in North Korea. Considering the unique phenomenon of North Korean literary critique, the author analyzes the political campaigns and purges of 1947-1960 and investigates the role of North Korean critics as "political executioners" in these events. She draws on an impressive variety and number of sources—ranging from interviews with Korean and Soviet participants, public and family archives, and memoirs to original literary and critical texts—to present a balanced and eye-opening work that will benefit those interested in not only understanding North Korean literature and society, but also rethinking forms of socialist modernity elsewhere in the world.

## The Psychosocial Implications of Disney Movies

*MDPI In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.*

## New York Magazine

*New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.*

## The Winds of War

Hachette UK Herman Wouk's sweeping epic of World War II, which begins with *THE WINDS OF WAR* and continues in *WAR AND REMEMBRANCE*, stands as the crowning achievement of one of America's most celebrated storytellers. Like no other books about the war, Wouk's spellbinding narrative captures the tide of global events - the drama, the romance, the heroism and the tragedy of World War II - as it immerses us in the lives of a single American family drawn into the very centre of the maelstrom.

## The Friend, Or, Advocate of Truth

## Plants and Flowers of Hawai'i

University of Hawaii Press The Hawaiian islands, isolated by thousands of miles of ocean for millions of years, possess a unique assemblage of native flowers and plants. This text describes more than 130 indigenous and endemic species of Hawaiian plants, their characteristics and habitats, and how they came to be. The photographs aim to provide an easy and accurate means of recognizing a given plant and serve as a permanent record of the Hawaiian islands' fast-disappearing native flora.

## Getting Clean With Stevie Green

Simon and Schuster The author of the "sparkling dark romance" (Redbook) *We Could Be Beautiful* brings her "wit and verve" (The New York Times Book Review) to this quirky, feel-good novel about one woman's messy journey from self-delusion to self-acceptance. At thirty-seven, Stevie Green has had it with binge drinking and sleeping with strange men. She's confused about her sexuality and her purpose in life. When her mother asks her to return to her hometown of La Jolla to help her move into a new house, she's desperate enough to say yes. The move goes so well that Stevie decides to start her own decluttering business. She stops drinking. She hires her formerly estranged sister, Bonnie, to be her business partner. She rekindles a romance with her high school sweetheart, Brad. Things are better than ever—except for the complicated past that Stevie can't seem to outrun. Who was responsible for the high school scandal that caused her life to take a nosedive twenty years earlier? Why is she so secretive about the circumstances of her father's death? Why are her feelings for her ex-friend, Chris, so mystifying? If she's done drinking, then why can't she seem to declutter the mini wine bottles from her car? A winsome, fast-paced read, *Getting Clean With Stevie Green* is about coming to terms with who you are, resolving the pain of your past, and accepting the truth of your life in all its messy glory.

## The Legends and Myths of Hawaii

## The fables and folk-lore of a strange people

CHARLES L. WEBSTER & CO. The legends following are of a group of sunny islands lying almost midway between Asia and America—a cluster of volcanic craters and coral-reefs, where the mountains are mantled in perpetual green and look down upon valleys of eternal spring; where for two-thirds of the year the trade-winds, sweeping down from the northwest coast of America and softened in their passage southward, dally with the stately cocoas and spreading palms, and mingle their cooling breath with the ever-living fragrance of fruit and blossom. Deeply embosomed in the silent wastes of the broad Pacific, with no habitable land nearer than two thousand miles, these islands greet the eye of the approaching mariner like a shadowy paradise, suddenly lifted from the blue depths by the malicious spirits of the world of waters, either to lure him to his destruction or disappear as he drops his anchor by the enchanted shore. The legends are of a little archipelago which was unknown to the civilized world until the closing years of the last century, and of a people who for many centuries exchanged no word or product with the rest of mankind; who had lost all knowledge, save the little retained by the dreamiest of legends, of the great world beyond their island home; whose origin may be traced to the ancient Cushites of Arabia, and whose legends repeat the story of the Jewish genesis; who developed and passed through an age of chivalry somewhat more barbarous, perhaps, but scarcely less affluent in deeds of enterprise and valor than that which characterized the contemporaneous races of the continental world; whose chiefs and priests claimed kinship with the gods, and step by step told back their lineage not only to him who rode the floods, but to the sinning pair whose re-entrance to the forfeited joys of Paradise was prevented by the large, white bird of Kane; who fought without shields and went to their death without fear; whose implements of war and industry were of wood, stone and bone, yet who erected great temples to their gods, and constructed barges and canoes which they navigated by the stars; who peopled the elements with spirits, revered the priesthood, bowed to the revelations of their prophets, and submitted without complaint to the oppressions of the tabu; who observed the rite of circumcision, built places of refuge after the manner of the ancient Israelites, and held sacred the religious legends of the priests and chronological meles of the chiefs. As the mind reverts to the past of the Hawaiian group, and dwells for a moment upon the shadowy history of its people, mighty forms rise and disappear—men of the stature of eight or nine feet, crowned with helmets of feathers and bearing spears thirty feet in length. Such men were Kiha, and Liloa, and Umi, and Lono, all kings of Hawaii during the fifteenth and sixteenth centuries; and little less in bulk and none the less in valor was the great Kamehameha, who conquered and consolidated the several islands under one government, and died as late as 1819. And beside Umi, whose life was a romance, stands his humble friend Maukaleoleo, who, with his feet upon the ground, could reach the cocoanuts of standing trees; and back of him in the past is seen Kana, the son of Hina, whose height was measured by paces. To be continue in this ebook...
