### Lightning Lord and the Duplex of Death!

Lulu.com Mild-mannered Lincoln Lourd was just your average millionaire/underwear model/duke, until the fateful day he was bitten by radioactive lightning and became ""Lightning Lord, puncher of tornadoes and old buildings."" Accompanied by his reluctant nephew sidekick, Lightning Lord must figure out who's behind all the freak weather and messy murders suddenly plaguing his hometown, and avoid getting a house (or two) dropped on him in the process. This silly steampunk spoof combines superheroes, aggressive wordplay, and butts. You've been warned.

### 3 books to know Anti-heroes

Tacet Books Welcome to the 3 Books To Know series, our idea is to help readers learn about fascinating topics through three essential and relevant books. These carefully selected works can be fiction, non-fiction, historical documents or even biographies. We will always select for you three great works to instigate your mind, this time the topic is: Anti-heroes - Barry Lyndon by William Makepeace Thackeray - Crime and Punishment by Fyodor Dostoyevsky - Madame Bovary by Gustave Flaubert The Luck of Barry Lyndon is a picaresque novel by William Makepeace Thackeray, first published as a serial in Fraser's Magazine in 1844, about a member of the Irish gentry trying to become a member of the English aristocracy. Stanley Kubrick adapted the novel into the film Barry Lyndon, released in 1975. Unlike the film, the novel is narrated by Barry himself, who functions as a quintessentially unreliable narrator. Crime and Punishment focuses on the mental anguish and moral dilemmas of an impoverished ex-student in Saint Petersburg who formulates a plan to kill an unscrupulous pawnbroker for her money. Before the killing, Raskolnikov believes that with the money he could liberate himself from poverty and go on to perform great deeds. However, once it is done he finds himself racked with confusion, paranoia, and disgust for what he has done. His moral justifications disintegrate completely as he struggles with guilt and horror and confronts the real-world consequences of his deed. Long established as one of the greatest novels, Madame Bovary has been described as a "perfect" work of fiction. Henry James wrote: "Madame Bovary has a perfection that not only stamps it, but that makes it stand almost alone: it holds itself with such a supreme unapproachable assurance as both excites and defies judgment." The realist movement was, in part, a reaction against romanticism. Emma may be said to be the embodiment of a romantic: in her mental and emotional process, she has no relation to the realities of her world. This is one of many books in the series 3 Books To Know. If you liked this book, look for the other titles in the series, we are sure you will like some of the topics

## Mythology of the Lenape

### Guide and Texts

University of Arizona Press The Lenape, or Delaware, are an Eastern Algonquian people who originally lived in what is now the greater New York and Philadelphia metropolitan region and have since been dispersed across North America. While the Lenape have long attracted the attention of historians, ethnographers, and linguists, their oral literature has remained unexamined, and Lenape stories have been scattered and largely unpublished. This catalog of Lenape mythology, featuring synopses of all known Lenape tales, was assembled by folklorist John Bierhorst from historical sources and from material collected by linguists and ethnographers. A difficult task in light of both the paucity of research done on Lenape mythology and the fragmentation of traditional Lenape culture over the past three centuries. Bierhorst here offers an unprecedented guide to the Lenape corpus with supporting texts. Part one of the "Guide" presents a thematic summary of the folkloric tale types and motifs found throughout the texts; part two presents a synopsis of each of the 218 Lenape narratives on record; part three lists stories of uncertain origin; and part four compares types and motifs occurring in Lenape myths with those found in myths of neighboring Algonquian and Iroquoian cultures. In the "Texts" section of the book, Bierhorst presents previously unpublished stories collected in the early twentieth century by ethnographers M. R. Harrington and Truman Michelson. Included are two versions of the Lenape trickster cycle, narratives accounting for dance origins, Lenape views of Europeans, and tales of such traditional figures as Mother Corn and the little man of the woods called Wemategunis. By gathering every available example of Lenape mythology, Bierhorst has produced a work that will long stand as a definitive reference. Perhaps more important, it restores to the land in which the Lenape once thrived a long-missing piece of its Native literary heritage.

## Struck

Random House Mia Price is a lightning addict. She's survived countless strikes, but her craving to connect to the energy in storms endangers her life and the lives of those around her. Los Angeles, where lightning rarely strikes, is one of the few places Mia feels safe from her addiction. But when an earthquake devastates the city, her haven is transformed into a minefield of chaos and danger. The beaches become massive tent cities. Downtown is a crumbling wasteland, where a traveling party moves to a different empty building each night, the revelers drawn to the destruction by a force they cannot deny. Two warring cults rise to power, and both see Mia as the key to their opposing doomsday prophecies. They believe she has a connection to the freak electrical storm that caused the quake, and to the far more devastating storm that is yet to come. Mia wants to trust the enigmatic and alluring Jeremy when he promises to protect her, but she fears he isn't who he claims to be. In the end, the passion and power that brought them together could be their downfall. When the final disaster strikes, Mia must risk unleashing the full horror of her strength to save the people she loves, or lose everything.

## Black Lightning: Year One

DC Comics Black Lightning begins! Get to know Jefferson Pierce, a.k.a. Black Lightning, before his starring turn in the CW's Black Lightning TV show! It's been years since Olympic gold medalist Jefferson Pierce ran from a past plagued by his father's murder and a superhuman power he couldn't understand. In that time, decay has transformed his home, Metropolis' Southside, into the notorious "Suicide Slum." Accompanied by his wife and daughter, Pierce returns to make a difference in his old community as the new principal of Garfield High School. But there's a storm of lawlessness sweeping Southside, fueled by corrupt politician Tobias Whale, the mysterious Swann, and his criminal organization, the One Hundred. Strengthened by his family, old friends and a Man of Steel's support, Jefferson Pierce must now harness the electrical powers he once feared to become a beacon of hope...and strike down crime as Black Lightning! Writer Jen Van Meter (JSA CLASSIFIED, Hopeless Savages) and artist Cully Hamner (BATMAN AND THE SIGNAL, RED) recharge the origin of DC Comics' most electrifying Justice Leaguer in this classic take! Collects #1-6.

## Lightning Strike

Open Road Media "Space adventure for the twenty-first century . . . made sophisticated with Asaro's fascinating knowledge of cutting-edge science." —Nancy Kress, Hugo and Nebula Award-winning author Seventeen-year-old Tina Santis Pulivok has never seen anyone like Althor in 1987 East LA. With his metallic skin, inner eyelids, and stilted way of talking, Althor baffles her. It doesn't help that he keeps talking about his spaceship. And although Tina has always experienced other people's emotions at a level far beyond normal, she's never felt the intensity she does with this strange visitor. Althor finally convinces Tina that he comes from the future, the year 2328, and possibly another universe. He had been headed for a reception on Earth, in Washington D.C., when something went terribly wrong with his starship. Although he has managed to stay free, he loses his Jag starfighter to the American military of 1987. Althor's internal web system connects directly to his Jag, which means his life depends on his recovering his ship. As he and Tina race to get his Jag and evade capture, Tina's connection to Althor grows. A second chance is in her future—his future. But it becomes clear that someone in Althor's universe sabotaged his ship, trying to kill him. And the assassins aren't finished yet . . . "From the L.A. barrios to the universe! Excellent." —The San Diego Union-Tribune "A truly masterful accomplishment in world-building, an example of consummate craftsmanship and an impeccable feel for the technical and social possibilities that lie ahead of us.
