## Travel as a Political Act

Hachette UK Change the world one trip at a time. In this illuminating collection of stories and lessons from the road, acclaimed travel writer Rick Steves shares a powerful message that resonates now more than ever. With the world facing divisive and often frightening events, from Trump, Brexit, and Erdogan, to climate change, nativism, and populism, there's never been a more important time to travel. Rick believes the risks of travel are widely exaggerated, and that fear is for people who don't get out much. After years of living out of a suitcase, he still marvels at how different cultures find different truths to be self-evident. By sharing his experiences from Europe, Central America, Asia, and the Middle East, Rick shows how we can learn more about own country by viewing it from afar. With gripping stories from Rick's decades of exploration, this fully revised edition of *Travel as a Political Act* is an antidote to the current climate of xenophobia. When we travel thoughtfully, we bring back the most beautiful souvenir of all: a broader perspective on the world that we all call home. All royalties from the sale of *Travel as a Political Act* are donated to support the work of Bread for the World, a non-partisan organization working to end hunger at home and abroad.

## Rifleman

# A Front-Line Life from Alamein and Dresden to the Fall of the Berlin Wall

A&C Black Born into a working-class family in London in 1919, Victor Gregg enlisted in the Rifle Brigade at nineteen, was sent to the Middle East and saw action in Palestine. Following service in the western desert and at the

battle of Alamein, he joined the Parachute Regiment and in September 1944 found himself at the battle of Arnhem. When the paratroopers were forced to withdraw, Gregg was captured. He attempted to escape, but was caught and became a prisoner of war; sentenced to death in Dresden for attempting to escape and burning down a factory, only the allies' infamous raid on the city the night before his execution saved his life. Gregg's fascinating story, told in a voice that is good-natured and completely original, continues after the end of the war. In the fifties he became chauffeur to the Chairman of the Moscow Narodny bank in London, involved in shady dealings and strange meetings with MI5, MI6 and the KGB. His adventures, though, were not over - in 1989, on one of his many motorbike expeditions into Eastern Europe, he found himself at a rally of 700 people in a field in Sopron at a fence that formed part of the barrier between the Soviet Union and the West. Vic cut the wire, and a few weeks later the Berlin Wall itself was destroyed - a truly unexpected coda to an incredible life lived to the full. This is the story of a true survivor.

## The Temporary European 25 Years of Behind-the-Scenes

# Stories from a Professional Traveler

**Travelers' Tales Write guidebooks, make travel TV, lead bus tours? Cameron Hewitt has been Rick Steves' right hand for more than 20 years, doing just that. The Temporary European is a collection of vivid, entertaining travel tales from across Europe. Cameron zips you into his backpack for engaging and inspiring experiences: sampling spleen sandwiches at a Palermo street market; hiking alone with the cows high in the Swiss Alps; simmering in Budapest's thermal baths; trekking across an English moor to a stone circle; hand-rolling pasta at a Tuscan agriturismo; shivering through Highland games in a soggy Scottish village; and much more. Along the way, Cameron introduces us to his favorite Europeans. In Mostar, Alma demonstrates how Bosnian coffee isn't just a drink, but a social ritual. In France, Mathilde explains that the true mastery of a fromager isn't making cheese, but aging it. In Spain, Fran proudly eats acorns, but never corn on the cob. While personal, the stories also tap into the universal joy of travel. Cameron's travel motto (inspired by a globetrotting auntie) is "Jams Are Fun"—the fondest memories arrive when your best-laid plans go sideways. And he encourages travelers to stow their phones and guidebooks, slow down, and savor those magic moments that arrive between stops on a busy itinerary. The stories are packed with inspiration and insights for your next trip, including how to find the best gelato in Italy, how to select the best produce at a Provençal market, how to navigate Spain's confusing tapas scene, and how to survive the experience of driving in Sicily (hint: just go numb). And you'll get a reality check for every traveler's "dream job": researching and writing guidebooks; guiding busloads of Americans on tours around Europe; scouting and producing a travel TV show; and working with Rick Steves and his merry band of travelers. It's a candid account of how the sausage gets made in the travel business—told with warts-and-all honesty and a sense of humor. For Rick Steves fans, or anyone who loves Europe, The Temporary European is inspiring, insightful, and fun.**

# The Guns at Last Light

## The War in Western Europe, 1944-1945

**Hachette UK** In the first two volumes of his bestselling Liberation Trilogy, Rick Atkinson recounted how the American-led coalition fought through North Africa and Italy to the threshold of victory. Now he tells the most dramatic story of all - the titanic battle for Western Europe. D-Day marked the commencement of the European war's final campaign, and Atkinson's riveting account of that bold gamble sets the pace for the masterly narrative that follows. The brutal fight in Normandy, the liberation of Paris, the disaster that was Market Garden, the horrific Battle of the Bulge, and finally the thrust to the heart of the Third Reich - all these historic events and more come alive with a wealth of new material and a mesmerizing cast of characters. With the stirring final volume of this monumental trilogy, Rick Atkinson's remarkable accomplishment is manifest. He has produced the definitive chronicle of the war that unshackled a continent and preserved freedom in the West.

## ABANDONED IN BERLIN

### A TRUE STORY

**Gatekeeper Press "Abandoned in Berlin" invites the reader to decide if anti-Semitism in Germany ended after the war or was simply concealed by a new set of West German laws. The story uncovers the history of a prestigious block of Jewish-owned apartments in West Berlin, expropriated under National Socialism at the end of March 1936. The leading characters are a widow and her two teenage daughters, with the story narrated in the third person by Hilda, the only child of the youngest daughter, who currently lives in Novato, northern California. Uncovering the family history begins during June 2016 when Hilda visits Berlin to discover the home where her mother lived as a child and teenager. Through diligent research and the help of people and organizations in Berlin, Britain, the United States, and Israel, a story of persecution, discrimination, courage, and survival emerges. Important events are exposed that begin in December 1929 when the father of the family dies suddenly of natural causes, and**

leaves his wife to bring up the two adolescent daughters and manage the apartment business in the Charlottenburg-Wilmersdorf district of Berlin. The youngest girl legally inherits a share of the property, but because she is under age-21 and has no father, she is placed under the “care” of a Nazi Guardianship Court during late 1933. As a consequence, the Court controls all financial matters affecting the property. Slowly its requirements squeeze Hilda’s family out of their home and rental business, and then out of Germany. Not until during the early 1950’s can the survivors pursue restitution under newly-created West German jurisprudence. What happens at this time is described in “Abandoned in Berlin”.

Two years after the firebombing that devastated the historic East German city, the suffering continues in the throes of a brutal winter. The wary and exhausted citizens scramble to survive, wolf packs of orphans scavenge for food, and Detective Max Heller is called to the scene of a savage murder. A Russian officer was stabbed to death, and not far from the frozen corpse is an abandoned backpack containing another man's severed head. If the grisly find belonged to the dead officer, it could implicate the city's all-powerful Soviet military occupiers. If it belonged to the officer's killer, then Heller faces even more

troubling questions. Despite dire warnings from higher-ups on all sides, Heller is determined to discover the answers. His investigation leads him down a trail of unspeakable corruption, desperate murders, and greater looming evils that Heller may never be able to contain.

## The Humorless Ladies of Border Control

## Touring the Punk Underground from Belgrade to Ulaanbaatar

**New Press, The In** 2009, musician Franz Nicolay left his job in the Hold Steady, aka “the world’s greatest bar band.” Over the next five years, he crossed the world with a guitar in one hand, a banjo in the other, and an accordion on his back, playing the anarcho-leftist squats and DIY spaces of the punk rock diaspora. He meets Polish artists nostalgic for their revolutionary days, Mongolian neo-Nazis in full SS regalia, and a gay expat in Ulaanbaatar who needs an armed escort between his home and his job. The Russian punk scene is thrust onto the international stage with the furor surrounding the arrest of the group Pussy Riot, and Ukrainians find themselves in the midst of a revolution and then a full-blown war.> While engaging with the works of literary predecessors from Rebecca West to Chekhov and the nineteenth-century French aristocrat the Marquis de

**Custine, Nicolay explores the past and future of punk rock culture in the postcommunist world in the kind of book a punk rock Paul Theroux might have written, with a humor reminiscent of Gary Shteyngart. An audacious debut from a vivid new voice, *The Humorless Ladies of Border Control* is an unforgettable, funny, and sharply drawn depiction of surprisingly robust hidden spaces tucked within faraway lands.**
