The Devil's Edge

The Devil's Edge

iUniverse What would you do if Satan confronted you one day? *The Devil's Edge* is a sometimes witty, sometimes twisted collection of short stories by author M. L. Barrios that shows Satan doing his best to exact his pound of human flesh from everyday folks just trying to get through life with all their fingers and toes. Take Allison, ready to jump and end it all, rather than face her problems, but for the dark man, who suddenly appears, turning something like simple suicide into a real mess. Or there's Jeremy, the brilliant and greedy scientist who wants to know it all, literally, and he ends up knowing more than he bargained for, with the help of a dark stranger. And then there is Rex, the skeptical, but ambitious, reporter who doesn't believe in Devils, even when they wear the right costume, but he learns a cautionary tale about humility the hard way. Each challenges the Great Deceiver and faces his or her own Faustian bargain: some win, some lose, and some lose everything. Written with dark humor and masterful prose, *The Devil's Edge* is pure entertainment that will keep you thinking while it surprises you with unexpected twists and turns.

Pay the Devil, And, Edge of Danger

On the Edge

AuthorHouse Within these covers are stories about a group of risk-takers and adrenaline junkies who lived a life of stimulating and challenging activity. It is a rollicking adventure account of men who chose wilderness avocation and lifestyle in lieu of comfort and leisure for their relaxation. This is also a travelogue about much of the backcountry of this nation. Their journeys into these wilderness areas lasted over twenty years comprising some seventy expeditions into places like the Everglades, Okefenokee Swamp, Appalachian Trail, Presidential Range, and the desert of Joshua Tree. Learn about these locations and other backwoods areas, primarily in the mountain states of Colorado, Idaho, New Mexico, Montana, Utah, and Wyoming. Read about these unusual people and the physical trials they put their aging bodies through as they pursued their passion, searching for refuge from their work, and adventure in their lives to help calm their craving for fun and new experiences. Importantly, they wanted to be explorers and to see what was over the horizon. Their interest level had no valley and no summit. It was limitless. They were not purists in the sense of following the conventional standards of "roughing it" in the wilderness. Instead, they did it their way. They were the real thing and enjoyed living on the edge. Not many people do. There is humor, philosophy, lessons on field-craft, and dubious judgment noted in their journeys. These should appeal to all readers with similar inclinations despite age or gender. I am thankful to have been a member of this group, and wish we could do it again. We would try, if we had the stamina.

Christ-Edge Saga: All or Nothing-The Beginning

Xlibris Corporation **God, The Devil, The most intelligent human being ever born to the human race. What do they all have in common? They star in this groundbreaking book series: The Christ-Edge: The Creation of a New Universe.** It is the year 3000 and most of the human beings have chosen atheism and Satanism, giving the Devil the power to create the Death Waltz-the murderous inter-dimensional storm that allows the death-spawn to materialize in the 3-D universe and decimate human beings. The Devil's goal is to re-create the universe in his image and only those who pledge allegiance to him- the ones who have taken his mark on their souls, supplying him with the majority of the sin-energy to power the Death Waltz-are allowed to live in it for eternity on the condition that they worship him and only him. Oh yeah, another thing that has been imposed-by far the most important condition,-the condition known as All or Nothing- whoever wins, the other one is automatically destroyed for all eternity, all or nothing. This means that if the Devil wins Jehovah God Almighty is eternally destroyed and vice-versa. The Devil has been praying for this situation with all his being; God's feelings are unknown concerning this manner. Why did Jehovah God Almighty allow this situation? How did this wager begin? How did the Devil get his hands on eternity? Who is the Christ-Edge warrior and how will he to save humanity? How did the Devil get his hands on the power to create a new universe and what would God do to stop it? All of these questions and many more will be answered in this literary masterpiece saga- The Christ-Edge Saga: All or Nothing, The Creator's Fire.

The Devil and Demonism in Early Modern England

Cambridge University Press **An original book examining the concept of the Devil in English culture between the Reformation and the end of the English Civil War. Nathan Johnstone looks at the ways in which beliefs about the nature of the Devil and his power in human affairs changed as a consequence of the Reformation, and its impact on religious, literary and political culture. He moves away from the established focus on demonology as a component of the belief in witchcraft and examines a wide range of religious and political milieux, such as practical divinity, the interiority of Puritan godliness, anti-popery, polemic and propaganda, and popular culture. The concept of the Devil that emerged from the Reformation had a profound impact on the beliefs and practices of committed Protestants, but it also influenced both the political debates of the reigns of Elizabeth I, James I and Charles I, and in popular culture more**

Dutchman and the Devil

The Lost Story

eBookIt.com For as long as I can remember, treasure hunters have been captivated by accounts of the Dutchman Jacob Waltz's life and the whereabouts of his hidden gold mine. Can any tale be more compelling than that long unsolved mystery of millions of dollars of gold lost deep in the Superstition Mountains? Yes - the REAL story, that will keep you on the edge of your seat! In Dutchman and the Devil: The Lost Story I examine the tangled trail of truth and fiction that is Waltz's legacy and tell the tale of a man - and his shadowy undiscovered partner - who cheat, connive, manipulate, and murder their way through the wicked old west, leaving a trail of blood, bodies and broken promises that over the years have been lost in the wake of the commonly accepted family friendly legend. Friends who got a whiff of this story couldn't wait for the next chapter of the spectacular spaghetti western that sprang from my typewriter. Be among the first to read my story of the Dutchman and the Devil - but cross your heart and promise not to reveal its startling secret.

The Edge of the Gulf

Poisoned Pen Press Inc Laurel Beach is one of the last old-fashioned villages in the West Florida panhandle, one that has, so far, escaped commercial over-development. It presents both a haven and opportunity, and, this summer, it plays host to a varied cast. Grief has nearly destroyed Hudson DeForest. He's barely been going through the motions,

teaching in a Memphis girls school, writing about film, talking to the dog. He's hanging on by a thread. It's been two years since Kate died, two years of grappling with profound loss, with the impact of the marriage of a lifetime cut short. Hudson's friend Charlie Brompton, the successful developer and restaurateur, is facing a different loss. He's growing old. It's time for him to let go of his most beloved enterprise, the mecca of fine dining known as the 26-A after the panhandle highway where it sits. And of its funky adjunct, The Blue Bar. With no immediate family as heirs, Charlie's considering his choice of successors. And what he should do for his godson, Chaz? He also wonders if Hudson will return to Laurel Beach, to the cottage he occupied with Kate. Will Hudson ever forgive him? Meanwhile Chaz has met Sydney, a former actress. They're living well in Atlanta, thinking about marriage. Thinking, too, that perhaps they should go to Laurel Beach, touch base with Charlie.... As Hudson settles in and doggedly takes up his summer project—he has a book contract for a collection of his film reviews—the undying past and a present struggling to be born exert their fierce, and sometimes indistinguishable, claims. So it is for Charlie, and for Sydney and Chaz. Gradually a bizarre maelstrom of deceit, betrayal, and murder evolves in Laurel Beach, ensnaring the wealthy and the beautiful, the misguided and the desperate. Will its force fill Hudson with newfound determination to celebrate life—or will it destroy those he still holds dear?

Book of Jesus

Simon and Schuster

I am Blessed and There is not a Thing the Devil Can Do about it

Christian Faith Publishing, Inc. I wrote this book telling about all the great men and women of God and their struggles and learning experiences so people would realize that we all go through trials and learning experiences. But if we have God in our lives, we have someone to go through them with us. God uses everything to build character in us and make us great men and women of God too. If we have the Lord in our life, He is the one who fights for us and shows us the way out of our dilemmas. We need to stay close to Him and learn to hear His voice inside of us, and He will show us the way. At the appointed time, it will surely come to pass. A friend gave me a bookmark one time that said, "It's hard to fly like an eagle when you are living with turkeys." I told her, "You have to learn to soar above them and allow God to solve the problems or show you what you are supposed to do. Don't get involved in a turkey fight when you are an eagle. Fly and soar on high with Him." When a mother eagle teaches her young to fly, she takes them out on her wings and drops them off and tells them to fly. But she soars right with them so she can fly under them and catch them on her wings if they don't make it the first time. She will know when they are ready to fly by themselves. That is the same way it is with God. He is there to catch us if we fall. I wrote this poem in my Bible years ago, and I don't even know where I read it. I added to it over the years as I learned how true it was. God says, "Come to the edge." But it is dangerous there! God says, "Come to the edge." But I might fall! God says, "Come to the edge." So I went to the edge, and He pushed me. I started to fall, and I cried for help, and God said, "Spread your wings!" I did, and I began to fly. We have to see the invisible, believe the impossible, and we will achieve the incredible. Just listen to God and wait on His timing! God's plans for us are greater than anything we could ever think or imagine. Isaiah 40:31 says, "Those who wait on the Lord shall renew their strength. They shall mount up with wings like eagles. They shall run and not be weary. They shall walk and not faint." God called Abraham the father of faith. God told him that his descendants would be as the sand on the seashore. There were many descendants of Abraham over generations, but there are also spiritual descendants of Abraham. We are part of his family of faith when we accept Jesus Christ as our savior. God is

our shield and exceeding great reward. The covenant has been handed down to us! All we have to do is believe it and receive it! We are blessed by God Almighty and Jesus Christ, His only begotten Son! It is up to us! The choice is ours. We are part of the family of God, and there is not a thing the devil can do to change that, unless you let him. God is able to see you through anything you will ever face if you will just invite Him in.

Trish Haill Associates **Blade** Being the enforcer for the Satan's Devils MC is a tough job, but someone's got to do it. I can't allow myself to be distracted, can never let the softer side of me out. Having suppressed it so long, I no longer believe I have one. Women are there for one purpose only. Once I've relieved my itch, I'll move on. Can't afford to let them get close. I learned women can't be trusted a very long time ago. I'm used to dealing with men, extracting that last piece of information from them, using all the tools at my disposal to get to the truth. After that, I'll deal the killing blow. I don't know how to handle a woman who's keeping secrets from the club. Secrets which I need to know. I can't hurt her, so I'll have to use different methods instead. Tashl became involved with the wrong man. What I know could destroy him, and I fear, bring down the Satan's Devils too. He's paying them, after all. So I'll keep quiet, I won't tell anyone a thing. I can't afford to. Who can I trust and depend on? Only myself. When the Satan's Devils find me, I can't think it's going to be good for my health. The enforcer, well, I don't like him. He's arrogant, cocky, women are just play things to him. So why is he trying to get close? He wants me to tell him my secrets. How far will he go to ferret them out?

Conversation with the Devil A Book for T

Author House It is difficult to explain this book, just as it was to explain, "A Conversation with Jesus---a book for the unbeliever." Suddenly it seemed a good idea to write a companion book to my recent book, "Conversation with Jesus" and I thought a book titled, "Conversation with the Devil" would make the set almost irresistible. After all, our Lord had a chance to get his message out through the unnamed Historian and it seemed fair to give Satan the chance to show himself too. The Devil was the one who said adamantly, "I would rather rule in hell than serve in heaven," and caused the cataclysmic battle with Michael the Archangel in which the Devil and his forces (one third of fallen angels from the whole of the heavenly phalanx) were defeated and taken to the edge of heaven and thrown over the edge. And here the Historian, now named Christian, was called by a voice on the wind (a voice he thinks is Jesus') to come to the most desolate place in the world, the fortress of Masada by the Dead Sea in the Judean Desert. This book is for the believer to show how wary they must be from the enticements of Satan, a powerful entity who has tried to hide the reality of his presence in stealing men's souls down the ages. Well, here he is real and talking.
