ISSUES IN FINANCIAL ACCOUNTING

Pearson Higher Education AU **Issues in Financial Accounting** addresses the controversial issues in financial accounting that have been debated by the preparers, users, auditors and regulators of financial statements. Henderson provides the

best balance of technical and theoretical coverage in any Financial Accounting text on the market today, with its presentation of real-world examples, current debates and the underlying rationale for the accounting concepts demonstrated. Throughout the text, academic studies and professional accounting research are referenced to also provide a critical understanding of historical debates in financial accounting. The new 15th edition covers significant recent developments to the accounting standards in Australia and is based on the AASB standards and interpretations that have been issued up to the end of 2012. This includes the Australian Accounting Standard Board's (AASB) program of changes to make accounting standards equivalent to International Financial Reporting Standards.

INTERMEDIATE ACCOUNTING

PRINCIPLES AND ANALYSIS

John Wiley & Sons Now readers can get all the accuracy and authority of the best-selling intermediate accounting book in the new second edition of this brief, streamlined version! *Fundamentals of Intermediate Accounting* presents a balanced discussion of concepts and applications, explaining the rationale behind business transactions before addressing the accounting and reporting for those activities. Readers will gain a solid foundation in such areas as the standard-setting process, the three major financial statements, revenue recognition, income taxes, reporting disclosure issues, and much more.

INTERMEDIATE ACCOUNTING

Cengage Learning **INTERMEDIATE ACCOUNTING, 11e, INTERNATIONAL EDITION** provides the perfect combination of professional language and vibrant pedagogy to facilitate the transition from financial principles to the larger environment of financial reporting. To prepare students for professional accounting careers, the text's comprehensive coverage of GAAP and discussion of IFRS is clearly and consistently presented throughout the text. This coverage complements the authors' insight, which is in both the in-text commentary and the fully coordinated, author-written end-of-chapter material.
