TEACH FIRST CERTIFICATE

ALL YOU NEED TO KNOW; ALL YOUR STUDENTS NEED TO KNOW

This book is for you if you've never taught Cambridge First Certificate before, you want to know the most efficient techniques for getting your students through the exam, even if you've taught it before or you want to be able to advertise your services as an expert in First Certificate. The best way to learn to teach Cambridge First Certificate, is to take students through an entire course. Most schools I've worked at don't offer much in the way of additional training. You're just expected to get on with it. When I taught First, Advanced and PET, I was bumbling along with the books just trying to stay one answer further ahead than the students. Even if you're experienced at teaching general English, you can end up feeling like you've just stepped off the TEFL course. Learning along the way means you won't always be able to see around every little corner. With this book, you'll have everything you need to teach the exam the way your students deserve.

GRAMMAR AND BEYOND LEVEL 2 STUDENT'S

Cambridge University Press Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 2. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.
