### Courage Beyond Fear

## Re-Formation in Theological Education

*Wipf and Stock Publishers* **The aim of this book, Courage Beyond Fear: Re-Formation in Theological Education, is to combat actual crises we have survived in theological institutions. We first document responses of resistance to authoritarian structures in student and faculty meditations and sermons. Then through them we identify dispositions in community crises: shock, witness, flight or fight, marginalization, power in community, and forgiveness. Behind these dispositions we identify strategies: opposition without rancor; shared authority; vulnerability and truth telling; hope without expectation; courage beyond fear; humility without humiliation. The book proposes that these strategies of formation and resistance can be deployed in other authoritarian and paternalistic contexts. This book also describes actual realities behind public statements of institutional changes and catastrophes through process, not outcomes. It is the first description of actual crises in theological schools from student, faculty, and staff perspectives.**

## A Place Beyond Courage

*Gardners Books* **The early twelfth century is a time for ambitious men to prosper - and royal servant John FitzGilbert is one of them. But when the old king dies and his successor is appointed, John's position at court is weakened and his wife, the pious, pliant Aline, is hopelessly unequipped to deal with a life lived on the edge. John knows the only way to protect his lands and his children is to divorce Aline. He meets his match in new wife Sybilla, daughter of his enemy Patrick of Salisbury, as she possesses a strength and courage that equals his own. But when Sybilla's son, William, is seized by the king, John is forced to make a terrible sacrifice. Sometimes keeping your honour means breaking your word . . .**

## Courage and Valor, Above and Beyond

*Xlibris Corporation* **Ed Tingstrom is passionate for history which has led to considerable study of U.S. history with emphases on military history. However he has detected inconsistencies in the recording of historical events which led him to ask questions. He would research and ferret out the answers by utilizing the National Archives, Library of Congress and other institutions to provide the answers he sought. History has always been and will always be my passion. My quest is to share this passion with the younger generations in hopes of igniting a similar spark in them. History lives in all of us; all we have to do is seek the truth and remember. Mr. Tingstrom is a life member of the Veterans of Foreign Wars (VFW) and the Disabled American Veterans (DAV). He enjoys giving lectures in history and military service at local high schools and colleges, as well as serving as a docent at the VFW museum, which houses a collection of vintage poster art and war memorabilia dating back to the turn of the twentieth century. This is his first book. This book is dedicated to my wife Deirdre whose constant encouragement and love provided me with the strength and conviction to continue. To Professor Ransford Hopkins, Professor of History, Moorpark College, California, who lit the spark, which turned into a roaring fire to write this book, and to seek out history where ever it is found and share it with others.**

## A Place Beyond Courage

*Sourcebooks, Inc.* **Sometimes Keeping Your Honor Means Breaking Your Word** The early twelfth century is a time for ambitious men to prosper. John FitzGilbert is a man of honor and loyalty, sworn to royal service. When the old king dies, his successor rewards the handsome and ambitious John with castles and lands. But King Stephen has a tenuous hold on both his reign and his barons, and when jealous rivals at court seek to destroy John, he backs a woman's claim to the crown, sacrifices his marriage, and eventually is forced to make a gamble that is perhaps one step too far. Rich with detail, masterful in its storytelling, *A Place Beyond Courage* is a tale of impossible gambles and the real meaning of honor. "Picking up an Elizabeth Chadwick novel is like having a Bentley draw up at your door: you know you are in for a sumptuous ride."-Daily Telegraph "The best writer of medieval fiction currently around."-Richard Lee, founder and publisher, Historical Novel Society "A star back in Britain, Elizabeth Chadwick is finally getting the attention she deserves here."-USA Today

## Men of Courage

## God's Call to Move Beyond the Silence of Adam

*Zondervan* **Men today have locked horns with their toughest issue: reclaiming the full potential of manhood. Bestselling author Dr. Larry Crabb asks, What gives manhood definition and meaning? In this updated and expanded edition of The Silence of Adam, Crabb and his colleagues, biblical scholar Don Hudson and counselor Al Andrews, offer a fresh look at how God designed men. The book deals thoughtfully and honestly with men's ongoing struggles and exposes the difficulties they have in relationships. It presents the rich calling men have to reveal God in ways uniquely masculine. And it summons them beyond their paralyzing fear of failure to bold risk-taking, courageous action, deep spirituality, and full-hearted living. This new edition includes: Epilogue from Dr. Larry Crabb Study Guide (Individual or Group Format Use)**

## The Waverly Novels - Complete Collection: 26 Books in One Volume (Illustrated Edition)

## Rob Roy, Ivanhoe, The Pirate, Waverly, Old Mortality, The Guy Mannering, The Antiquary, The Heart of Midlothian, The Betrothed, The Talisman, Black Dwarf...

*e-artnow* **This carefully crafted ebook: "The Waverly Novels - Complete Collection: 26 Books in One Volume (Illustrated Edition)" is formatted for your eReader with a functional and detailed table of contents. Table of Contents: INTRODUCTION: Famous Authors on Scott SIR WALTER SCOTT AND LADY MORGAN by Victor Hugo MEMORIES AND PORTRAITS by Robert Louis Stevenson SCOTT AND HIS PUBLISHERS by Charles Dickens WAVERLY NOVELS: WAVERLEY GUY MANNERING THE ANTIQUARY ROB ROY IVANHOE KENILWORTH THE PIRATE THE FORTUNES OF NIGEL PEVERIL OF THE PEAK QUENTIN DURWARD ST. Hutton MEMOIRS OF THE LIFE OF SIR WALTER SCOTT by J.G. Lockhart Sir Walter Scott (1771-1832) was a Scottish historical novelist, playwright and poet. He was the first modern English-language author to have a truly international career in his lifetime, with many contemporary readers in Europe, Australia, and North America. His novels and poetry are still read, and many of his works remain classics of both English-language literature and of Scottish literature. Famous titles include Ivanhoe, Rob Roy, The Lady of the Lake, Waverley, The Heart of Midlothian and The Bride of Lammermoor.**

## Beyond Courage

## One Regiment Against Japan, 1941-1945

*Sunstone Press* **Bataan, the last bastion stemming the Japanese tidal wave across the Pacific, was about to fall. Only one unit, ROld Two Hon'erd," a small band of New Mexico National Guardsmen, remained intact. In her award-winning history, Dorothy Cave follows the members of this small unit who played a key role in this pivotal moment in history.**

## Beyond Bergman: The New Age of Independent and Foreign Films, 1990-2009

*Lulu.com* In "Beyond Bergman," film reviewer Brad Koplowitz, best known for his movie maven website, has compiled for the first time reviews of the best independent and foreign films from 1990-2009. "Beyond Bergman" will open your eyes to a new age of contemporary cinema where you can forget Hollywood and discover over 400 great, little known screen gems.

### The Silence of Adam

### Becoming Men of Courage in a World of Chaos

*Zondervan* Men today have locked horns with their toughest issue: reclaiming the full potential of manhood. But in the midst of the excitement -- the meetings, rallies, seminars, and high-fives -- is something vital missing? What gives manhood definition and meaning? In *The Silence of Adam*, Dr. Larry Crabb and his colleagues, biblical scholar Don Hudson and counselor Al Andrews, offer a fresh look at how God designed men. They draw from neglected biblical data and their own professional experience to help us explore - manhood's lost vision - the problems of masculine community - the power of mentoring relationships -- *The Silence of Adam* deals thoughtfully and honestly with men's ongoing struggles and exposes the difficulties they have in relationships. It presents the rich calling men have to reveal God in ways uniquely masculine. And it summons them beyond their paralyzing fear of failure to bold risk-taking, action, deep spirituality, and full-hearted living.

### Beyond Courage

### The Circumstances of New South Wales Police Officers Who Have Lost Their Lives

### The Hidden Faces of Courage

### Inspirational Stories About the Courage of Ordinary People

*Wipf and Stock Publishers* Mother Teresa said, "to have courage for whatever comes in life—everything lies in that." When people think about courage, they often think about those who put their lives on the line for us every day, like first responders, firefighters, or police officers. But there are so many others who quietly endure, with steadfast courage, whatever comes their way in life. These people are like the anawim in the Old Testament—the good, kind people whom very few know about, but who trust in the Lord. He is their strength. It is because of their faith in him that they live their lives with courage to face whatever comes their way. In over thirty years as a psychotherapist and spiritual director, Wilcox has often been amazed at the strength and courage of so many of his clients. Some have faced physical disabilities; others struggle with mental, emotional, or psychological problems; still others with personal, family or career issues. These people are what he calls "the hidden faces of courage." Often, they are not well-known. They certainly receive no notoriety or press. Yet, they are always there, doing the best they can each day. This book is an invitation to understand and appreciate the unnoticed courage and strength of ordinary people. If we can "walk in their shoes," it will help us to be courageous for whatever comes to us in life.

### Courage

### A Philosophical Investigation

*Univ of California Press* This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1986.

### The Works of Samuel Johnson ... A new edition ... With an essay on his life and genius, by Arthur Murphy. With a portrait

### Courage Beyond Compare: How Ten Athletes Overcame Disability and Adversity to Emerge Champions

*Rupa Publications* The ten sportspeople profiled in *Courage beyond Compare*-champions in disciplines as diverse as athletics, long-distance swimming, badminton and cricket, who have brought glory to the country both in national and international arenas-overcame immense physical limitations to reach the pinnacle in their chosen fields. Powerful and inspiring, these stories are heart-warming reminders that a strong mind, steely will and dogged determination almost always triumph over the limitations of the human body. At the same time, *Courage beyond Compare* brings into sobering focus how far India must still go to ensure an equitable society for the differently abled, and how little it cares for the sportspeople who move heaven and earth for the glory of the nation.

### Educational Innovations Beyond Technology

### Nurturing Leadership and Establishing Learning Organizations

*Springer Science & Business Media* The text explores the concept of innovation, and analyse and compare different dimensions of innovation found in the various case studies; the transfer of innovation and the mechanisms of change; on an innovative online case study database on education innovations that has been designed to be used by education practitioners to support organizational leadership, international collaboration and reflective practice in the Asia Pacific Economic Cooperation (APEC) eEducation Leadership initiative; on a project aimed to support the establishment of communities of practice for education practitioners facilitated through an extendable online database that can be used to contribute and share case studies of their own ICT-supported pedagogical innovations. It discusses roles of the teacher and the anticipated changes to the education profession at a system level, in the coming decade on the basis of emerging changes observed in the case studies, and leadership issues at the school level. The book analyses change mechanisms for different kinds of innovation and how different contextual and cultural factors interact to bring about the changes observed.

### The Mystery of Courage

*Harvard University Press* The author of *Anatomy of Disgust* explores the meaning of courage, using soldier's memoirs, literature, and philosophical discussions, among other sources, to uncover the nature of the enigmatic quality.

### Courage Beyond the Game

### The Freddie Steinmark Story

*Macmillan* A *Kirkus Reviews* Best Nonfiction of 2011 title Jim Dent, the award-winning, New York Times bestselling author of *The Junction Boys*, returns with a powerful Texas story which transcends college football, displaying the courage and determination of one of the game's most valiant players. Freddie Steinmark was an under-sized but scrappy young man when he arrived in Austin as a freshman at the University of Texas in 1967. Despite the pronouncement by many coaches that he was too small to play football at the college level, Freddie was a tenacious competitor who vowed to start every game as a varsity Longhorn. By the start of the 1969 season, Freddie was making his mark on the college gridiron and national stage as UT's star safety, but he'd also developed a crippling pain in his thigh that worried his high school sweetheart, Linda. Despite the increasingly debilitating pain, Freddie continued to play throughout the season, helping the Longhorns to rip through opponents like pulpwood. His final game was for the national championship at the end of 1969, when the Longhorns rallied to beat Arkansas in a legendary game that has become known as "the Game of the Century." Tragically, bone cancer took Freddie off the field when nothing else could. But nothing could extinguish his irrepressible spirit or keep him away from the game. Although his struggle with cancer would be short-lived, Freddie's fight would inspire the nation as well as thousands of cancer victims, earning him a special citation from President Richard Nixon. Today, a photo of Freddie hangs in the

tunnel at Darrell K. Royal-Texas Memorial Stadium, where players touch it before games en route to the field. With this moving story, a Brian's Song for college football, Jim Dent once again brings readers to cheers and tears with a truly American tale of resolution and bravery in the face of the worst odds.

## Beyond Courage

### The Untold Story of Jewish Resistance During the Holocaust

*Candlewick Press* **Recounts the efforts of Jews who organized others and sabotaged the Nazis during the Holocaust, including Georges Loinger who smuggled children from occupied France into Switzerland and four brothers who led refugees into the forest to build a village and an army.**

## Beyond Courage

*Nabu Press* **This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.**

## The Courage to be Yourself

### A Woman's Guide to Growing Beyond Emotional Dependence

Geared to women who find themselves meeting the needs and wants of others without meeting their own, *The Courage to be Yourself* helps them break free from emotional dependency, enhance their self-esteem, and overcome self-limiting fears. This edition has been thoroughly revised and updated and includes a revised discussion of codependency and addiction.

## The Courage to Teach Guide for Reflection and Renewal

*John Wiley & Sons* **This guide is a welcome resource for those who wish to extend their exploration beyond just reading "The Courage to Teach," individually or within a study group. Includes a DVD featuring an interview with Parker Palmer discussing the crisis in education, the heart of a teacher, ways of knowing, and more.**

## "Lessons" in Courage

### Poems for My Ukrainian Friends

*AuthorHouse* **This book is a collection of poems about and for the people of Ukraine. I am a citizen of the United States of America and have never been to Ukraine. This doesn't mean that I do not feel their pain and anger, their love for their country, their fortitude and courage. I admire them and have a deep feeling of compassion for them. The invasion by Russia of their mother land is beyond comprehension. In this day and age why would anyone wish this on an innocent people?**

## LOVE'S COURAGE

*Lulu.com* **Kaathi, the enlightened Healer, and Jacob, the Warrior, together with the Tall Ones, Evette and Gene, set out on another adventure to Sumati to share their loving philosophy. They teach the Sumatian women they are equal to their men and meet with anger and great resistance from the men. Kaathi convinces Victor, the village head, to establish a body of laws that gives women equality, protection and justice. Ashlee escapes from a mutant village where she has been a slave for 18 years only to be tracked down by her owner. Jacob saves Ashlee by killing the mutant and discovers he is falling in love with her, in spite of her having been a slave. Sharika, a member of the Hun Nation, has noticed in-breeding affecting her people and has traveled many days to distant villages in search of a mate. Victor welcomes Sharika into his village and is instantly enamored by her attractiveness and Amazonian, chiseled body.**

## Courage at Three AM

*FriesenPress* **Who among us is ready to face death with eyes and heart completely open? Who among us is ready to account for all that we have said and done, for all our battles lost and won? Who among would have the courage to pause at the very fulcrum of life and death and carefully consider whether it is time to lay down one's shield and fall upon one's sword, or pray for "Galahad's strength of ten" and fight again? In these poems of hope, reflection and spirituality, Richard Sipe endures a dark night of the soul and lingers there, daring darkness to overwhelm him and spare him yet another battle, while trying to believe in one more dawn. "What fool can stand, wrestle the demons from the deep, and hope to live, survive, un-mutilated?" he complains. But the answer is Sipe himself, as he recalls the dream childhood, a dance with the devil and a path to the divine through sensuality and the ceaseless tests of maturity. Summoning the courage to stand at his own graveside, he reviews his scars, his imperfections and his faults with uncommon candor, concluding, "Truth alone will honor what I've been or done." MICHAEL REZENDES, Pulitzer-Prize-Winning Investigative Writer *The Boston Globe* A.W. Richard Sipe—mentor and champion for victims of clergy sexual abuse—records here, as he did in his prior volume *I Confess*, his wrestling with personal demons and angels, ones that occur behind the veil of the man we all see. *Courage at Three AM* says, simply, I am human, a man. I have lived life's paradoxes, its arrows of broken integrity and its abuses of soul and meaning which, over time, demand a hearing by haunting the 3AMs of our waking dreams. Like Judas we all face the challenge of transformation, resolution and reintegration of our paradoxical parts. The courage needed to dance with the 3AM muses, is the same required for the realization and acceptance that we need someone to tell us "one more time" that we are loved and were born to be loved.... not abused, forgotten or caste aside. *Courage at Three AM* teaches us that our scars of inner conflict are not to be feared, covered up, lied about or air-brushed away. Rather, our collective and individual scars need to be embraced because they are our own essential life-marks that identify who we are, collectively and individually. STEPHEN de WEGER, Queensland University of Technology Brisbane | Australia**

## BEYOND COURAGE: Escape Tales Of Airmen In The Korean War [Illustrated Edition]

*Pickle Partners Publishing* **Includes ten illustrations and one map. Clay Blair, Jr., close to Air Force headquarters during the Korean war, heard, as did everyone there, fascinating stories of Air Force pilots who had crashed or been shot down behind enemy lines and then managed, by one means or another, often enduring incredible hardships, to make their way back to U.N. lines. However, at the time, these stories were highly classified and not available for publication. Now Mr. Blair has been allowed to go through these secret files and has studied the full details of these dramatic escapes. The most exciting of these he presents in this book. In addition he has interviewed the men themselves to fill in any missing links in the stories they gave to Air Force officers shortly after their rescue, and to recapture their own personal reactions to their amazing adventures. Here are unbelievable accounts of the U.N. forces in Korea—for the stories are peopled, not just with Americans, but with Turks and Greeks and ROK's and friendly North Korean Christians, who often risked their lives to help downed airmen. You can feel the cold and agony of walking forty miles over mountains in temperatures of thirty degrees below with your feet frozen; the horror of spending more than a month in holes dug in the ground only slightly larger than a coffin; the torture of treatment— or lack of it—in a Communist POW hospital; the shattering loneliness of a month on a deserted island — with friendly planes flying over almost every day and ignoring you. How did one man survive when another failed? What gives some men a courage that surpasses comprehension? How is it possible to live through such experiences and be willing to risk them again? All these questions and many more are answered by Mr. Blair, himself a veteran of Navy submarine warfare, in this startling, thrilling account of Americans at their heroic best.**

## A Life on the Edge, Anniversary Edition

### Memoirs of Everest and Beyond

*Mountaineers Books* **CLICK HERE to download the first chapter from *A Life On The Edge* (Provide us with a little information and we'll send your download directly to your inbox) "My father's greatest living heroes were John Glenn and Jim Whittaker—a physical giant with a huge heart, a decent soul, and inspirational courage. We can all be grateful that Whittaker has finally put his extraordinary life on paper. Whittaker's story is a riveting saga of high adventure by one of history's greatest climbers." —Robert F. Kennedy, Jr. \* Special anniversary edition to commemorate the 50th anniversary of the first American ascent of Mount Everest \* New foreword by Ed Viesturs and a new afterword by the author \* More than 100 photos, including several never-before-published images In May of 1963 Seattle mountaineer Jim Whittaker stepped into world history by becoming the first American to summit Mount Everest. Fifty years later, he is still regarded as a seminal figure in North American mountaineering, as well as an astute businessman who helped create the outdoor recreation industry. *A Life on the Edge: Memoirs of Everest and Beyond* is Jim's courageous, no-punches-pulled autobiography and a look at a peripatetic, sometimes difficult life. Beyond the glory of the Everest summit and his other extraordinary climbing feats, including the first American summit of K2, he openly describes his personal, "everyman" experience of social upheaval in the 1960s and 70s, an early divorce, family strife, a passionate new love later in life, near-bankruptcy, and business triumphs and losses. Jim tells it**

all with verve and honesty and, true to his nature, turns every setback into the stage for new adventure. This special 50th anniversary edition celebrates the story of Jim's life and features a new foreword by Ed Viesturs, as well as a new final chapter that brings readers up-to-date, including details of his trek to Everest Base Camp in 2012 and his son Leif's recent successful summits of Everest. Need more Jim Whittaker? Checkout his interview on New Day Northwest as he talks about Everest, training, and the shocking differences between climbing Everest 50 years ago versus today.

"Courage and Devotion Beyond the Call of Duty."

Being a Partial Record of Official Citations to Medical Officers in the United States Armed Forces During World War II.

Beyond Courage

Air Sea Rescue by Walrus Squadrons in the Adriatic, Mediterranean and Tyrrhenian Seas 1942-1945

*Casemate Publishers* The author of *Another Kind of Courage* takes a deep dive into the World War II heroics of the pilots and aircrew of the single-engined amphibian airplanes. This book covers the adventures of 283, 284, 293 and 294 Walrus Squadrons, operating from North Africa, Sicily, Italy and Sardinia. The pilots, like their counterparts in England, knew of the dangers of landing on the sea. It was a daunting task attempting to rescue downed airmen as they had often to operate in bad weather, and near hostile coasts. Airmen who were bobbing about in dinghies, or even just in their Mae West life jackets, were difficult to locate. Rescues from the cold sea needed to be speedy affairs, especially of those survivors not in dinghies, and the Walrus aircrew were always aware that time was of the essence. Moreover, rescues near a hostile shore often resulted in gunfire from German or Italian gunners. Many Walrus pilots have added personal recollections to the narrative and so too have some of those airmen who were rescued. As well as RAF and SAAF airmen, there were numerous USAAF units involved in the air war over the Mediterranean and Italy, and Norman has been in contact with several Americans whose lives were saved by these gallant men who flew the Walrus amphibian single-engined biplane. Men who knew only too well that to pick up more than two or three airmen generally meant a hard sea-borne taxi ride back to base, which conditions never guaranteed. The stories of these rescues give one a sense of sincere pride in the men who daily risked their lives to save others from a very hostile environment.

Call It Courage - Literature Kit Gr. 7-8

*Classroom Complete Press* Expose your students to face their fears and overcome obstacles. Encourage them to find themselves and grow into the person they're meant to be. Make teaching a breeze with ready-made activities and prompts to stimulate student comprehension. Identify statements about life in Mafatu's village as true or false. Find the synonyms to key vocabulary words found in the novel. Imagine how Mafatu's life would be different had his mother been alive. Predict whether Mafatu will survive on the island and return to his village a new man. Explain what Mafatu believed brought him to safety. Create a board game, using a map of the island as a base. Create a set of rules and cards with questions, then play the game in small groups. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: Call It Courage is a Newbery Medal-winning story about a boy who tries to overcome his fear of the sea by facing it. Set in the Pacific Islands, the story follows Mafatu, the son of the chief of Hikuera Island. After watching his mother die, Mafatu develops a fear of the sea, which brings his father shame. In order to no longer be seen as a coward among his tribe, Mafatu takes a canoe out into the ocean. He ends up lost and deserted on an island, forced to fend for himself. During his encounters on the island, Mafatu slowly faces and overcomes his fears, eventually returning home a new man.

The Courage to Be Yourself

A Woman's Guide to Emotional Strength and Self-Esteem

*Conari Press* Completely revised and updated, and with a new introduction, *The Courage to Be Yourself* helps women enhance their self-esteem and tap into their core emotional strength. In this special edition, Thoele continues her quest to provide the necessary tools to help women transform their common fears into the courage to express their unique authentic selves. By using concepts and examples in the pages of her book, women become aware of their fears and learn to overcome them. Freed from the shackles of fear, they can then give themselves permission to own their excellence and live up to their highest potential.

Beyond Beliefs

A Guide to Improving Relationships and Communication for Vegans, Vegetarians, and Meat Eaters

*Lantern Books* Vegans, vegetarians, and meat eaters can feel like they're living in different worlds. Many vegans and vegetarians struggle to feel understood and respected in a meat-eating culture, where some of their most pressing concerns and cherished beliefs are invisible, and where they are often met with defensiveness when they try to talk about the issue. They can become frustrated and struggle to feel connected with meat eaters. And meat eaters can feel disconnected from vegans and vegetarians whose beliefs they don't fully understand and whose frustration may spill over into their interactions. The good news is that relationship and communication breakdown among vegans, vegetarians, and meat eaters is not inevitable, and it is reversible. With the right tools, healthy connections can be cultivated, repaired, and even strengthened. In *Beyond Beliefs*, internationally recognized food psychology expert and longtime relationship coach Dr. Melanie Joy provides easy-to-understand, actionable advice so you can: • Learn the principles and tools for creating healthy relationships • Understand how to communicate about even the most challenging topics effectively • Recognize how the psychology of being vegan/vegetarian or of being a meat eater affects your relationships with others, and with yourself
