The 5th Novel in the bestselling Courtlight series. Ciardis Weathervane returned to the imperial court of Sandrin to unite her foes. But her efforts hit a stumbling block. The imperial kind. She never thought

that before rallying an empire, she'd have to fight the emperor himself. An imposter sits the throne and the court she turned to for help is in turmoil. Ciardis hasn't survived assassination attempts, torture and really bad luck to be taken down by her own ruler. So she devises a plan. But first she needs to get Sebastian and Thanar to agree. Each seems to love her in their own way. But neither is listening to her. Pushing them to put aside their differences, in an effort to ward off catastrophe, might be harder than displacing an emperor who would do anything to keep his throne. Butting heads at court isn't Ciardis's only problem. With the princess heir's threat looming she is forced to travel to the mythical city of Kifar, where it is up to her small group to stop the destruction of the entire city while heading a rebellion that could foment a revolution. It wouldn't be the first revolution that Algardis has ever known. But with Ciardis Weathervane at its head—it would certainly be the last. This fifth novel continues the story of Ciardis Weathervane from *Sworn To Secrecy*. Shahnameh: The Epic of the Persian Kings Lulu.com *Shahnameh* is a lengthy epic poem which vividly intertwines the mythical and historical history of Persia, thereby enchanting and impressing readers for many centuries. Originally composed by Abolqasem Ferdowsi in the 10th century, the *Shahnameh* enjoys the distinction of being the longest epic poem by a single author in existence. The verses took Ferdowsi over three decades to complete. Although it draws heavily from established mythology and the historical archives of Persia, Ferdowsi also imbues the poem's story with his own vivid inventions and plot devices. The entire poem is intended as a history of Persia from the earliest times until the Islamic Conquest of the country, which occurred

about 350 years before Ferdowsi composed his epic. The verses proceed chronologically, beginning with the creation of the Earth, through the establishment of Zoroastrianism as the first monotheistic faith in the region, with the principle characters being various great generals and rulers. **Blades Of Illusion: Crown Service #2 Terah Edun Blades Of Fortitude: Crown Service #5 Terah Edun** The fifth book in the Crown Service series.
