**EL PUENTE, A NEW BRIDGE TO THE SPANISH LANGUAGE**

---

---

---

---

**A COMPLETE GUIDE AND EXERCISE MANUAL FOR THE ENGLISH SPEAKER - BLACK & WHITE EDITION**

---

---

*Createspace Independent Publishing Platform Would you like to speak and understand verbal and written Spanish? This new complete guide and exercise manual offers an easy and natural approach to learning Spanish. You will find out that this book will be your best friend in the journey to achieve your goal. Learning a language can be frustrating. I learned English as an adult and the methodology that helped me to cross the bridge from Spanish to English constitutes the structure of this book. I tell you: It can be done! This language guide is a consolidation of my own experience and a proof that it works. I am taking you, by the hand, back through the "language bridge" I traveled a few years ago. On page 26, there is a discussion of the time it takes and how you can monitor your progress. The student of a foreign language should be exposed to "verbal language", to the "written language", and to brief descriptions of the grammatical differences. Learning a secondary language is not a mechanical substitution of words for words. You will learn Spanish with the Joneses "and their friends." You will encounter dialogs where they discuss their daily life and concerns. Follow them through the book and discover how their lives evolve and how they achieve or do not achieve their goals. Will Cora stop nagging her husband? Will Amy be accepted into college? Did the Smiths enjoy their cruise in the Caribbean? Will Amy tell her Facebook friends? Each of the 50 Spanish text samples has associate tables of glossary to reduce the need for a bilingual dictionary. The themes are simple and entertaining: a trip to the Iguassu falls, a hot air balloon ride in Spain, sheep ranches, polo facts, the origin of the commercial apple, and so on. The student should familiarize himself / herself with the sample sentences and study the comparative grammar only to understand the differences. For example, you might already know that the verb "To be" has two forms in Spanish to indicate when something is permanent and when something is temporary. Unit 11 will introduce you to a peculiar form of the past tense in Spanish that indicates when something was done "often or continuously" in the past, instead of only "once". It*

takes a while to master the concept. Unit 16 discusses the Spanish Subjunctive mood. The Subjunctive is a form of the verb used by the Spanish speaker to express the "intention to influence" what another person does. Because there is no correlation in English, to master this form of the verb requires additional Units 17, 18 and 19. I include many examples, explanations, and exercises to aid in the effort. You will find 200 additional seed-words illustrated in full color and presented, each one, by a different elf. These illustrations appear at random to break the monotony of the text and to provide an additional stimulation to the cognitive part of your brain.

## **GOD'S FEMINIST MOVEMENT**

---

### **REDEFINING A "WOMAN'S PLACE" FROM A BIBLICAL PERSPECTIVE**

---

*Destiny Image Publishers Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given*

*you permission to change the worldby being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!*
