THE ROOMMATE BOOK

AN ILLUSTRATED GUIDE TO PARTIES, CRAFTS, PRANKS, AND MORE

In The Roommate Book, which is filled with whimsical drawings, quizzes, and short anecdotes, author/illustrator and expert roommate Becky Simpson uses her optimism and sense of humor to highlight the advantages of having a roommate and how best to enjoy these shared years of modular furniture, crockpot meals, and binge-watching Netflix. The Roommate Book is all about celebrating this short season of life. It's the time between parental curfews and settling down with a significant other. It is for the single and proud, silly and crafty, witty and thrifty. It's a non-serious look at how to live with a friend (or total stranger). Nuggets of wisdom are included, but so are comical pie charts, hypotheticals, illustrations, and brief essays. This book invites passersby to thumb through and stay a while. Meet your roommate: The Random, The BFF, The Bra-less & Lawless, The "I've never actually seen my roommate," The "We get along but we're not really friends," The Enemy, The Frenemy, The Platonic Opposite Sex, or The Faux Partner. Use the "Should I Live with This Person" flow chart to help you choose. This fun and functional book also includes: The "Should I eat this without asking?" flow chart, the top 10 reasons it's awesome to have a roommate, the pet peeve awareness illustrated guide, the Eisenhower matrix for chores (important, urgent, not important, not urgent), the guide to creating nicknames, party and prank ideas, and so much more!

ROOMHATE

Penelope Ward Books, Inc. *The New York Times and #1 Wall Street Journal Bestseller. From New York Times Bestselling Author, Penelope Ward, comes a new standalone novel. Sharing a summer house with a hot-as-hell roommate should be a dream come true, right? Not when it's Justin...the only person I'd ever loved...who now hates me. When my grandmother died and left me half of the house on Aquidneck Island, there was a catch: the other half would go to the boy she helped raise. The same boy who turned into the teenager whose heart I broke years ago. The same teenager who's now a man with a hard body and a hardass personality to match. I hadn't seen him in years, and now we're living together because neither one of us is willing to give up the house. The worst part? He didn't come alone. I'd soon realize there's a thin line between love and hate. I could see through that smug smile. Beneath it all...the boy is still there. So is our connection. The problem is...now that I can't have Justin, I've never wanted him more.*

BABY MINE

HUNTER & LENNON #1

Kennedy Fox I saw her first. Blonde. Gorgeous. Feisty. I was smitten. But it didn't matter because she chose him and he was my best friend and roommate. I'd never be able to compete with that, so I pushed her away instead. It was easy when she lived hours away, and I didn't have to see her every day, but then she moved in with us. Now, I'm screwed. To her singing in the shower every morning, dancing in the kitchen while she makes coffee, and doing yoga in our living room, I can't stop thinking about her in all the wrong ways. She's not mine and never will be, but that doesn't stop me from wanting to push her against a wall and claim her mouth. She's constantly on me for making messes, bringing chicks home every weekend, and being a smartass when their PDA gets on my nerves. Considering neither of them know how I feel, it's not fair for the way I act toward them. I should move out so I can get over her for good; however, the selfish part of me can't let go. But then the unthinkable happens... When my best friend dies in a motorcycle accident, the two of us are left to grieve our loss together. Instead of pushing her away, I pull her closer. Just as we come to terms with our new reality, she finds out she's pregnant with his baby. And I'm left to make the hardest decision of my life... **BABY MINE is an angsty, emotional, slow-burn unrequited romance wrapped up in a heartbreakingly delicious love story. It's book 1 in the Hunter & Lennon duet of the Roommate Duet Series and must be read first. Recommended for ages 18+ only.**

THE OTHER SIDE OF ASSERTIVENESS

A PRACTICAL GUIDE FOR TODAY'S WOMAN

Andrena Sawyer Assertiveness is characterized by bold or confident behavior, and having a strong or distinctive flavor or aroma. "For the assertive woman, this definition is by far one of the highest compliments. Many books have been written about how women can become more assertive. Women grow up hearing from parents, teachers, coaches and mentors about the importance of being assertive. However, what no one ever explains is that assertiveness comes with a price and it is easily mismanaged and misunderstood. Within the pages of this short eBook are some hard-hitting, humorous, and even hopeful lessons about the sometimes daunting effect of being an assertive woman in this day and age.

GANSETT ISLAND SERIES, BOOK 25

HTJB, Inc. Second chances show up when you're not looking for them... Cindy Lawry needs a new roommate now that her sister Julia has moved in with her fiancé, Deacon. When she can't find anyone, she puts up a flyer in the window of the Curl Up & Dye salon where she works as a hair stylist and at other places around town. With the summer season ending, she can't afford to live alone, and she

doesn't want to move in with her mom and her new husband. So the roommate search is on, but she's not getting many inquiries. After growing up in an abusive household, she's anxious about letting a stranger into her home and her life. Jace Carson needs to find a new place to live. The employee housing at the Beachcomer is right out of Animal House, and he's way past the point in life where living like that is fun. All he wants is a quiet place to be in between working as a bartender at the Beachcomber and visits with his young sons, who live on the island. When he sends a text to the number a friend gave him, he doesn't expect the recipient to be Cindy, the woman he's been flirting with for weeks at the Beachcomber bar. She comes in and orders water because she suffers from migraines and apologizes for taking up a seat at his bar. He loves having her and her sweet smile at his bar, but he's not sure that living with her would be such a good idea, especially since all he thinks about every time he sees her is how much he'd like to kiss her. It's autumn on Gansett Island, and the residents are settling in for another long winter of cold days and cozy nights. Celebrate the 25th book in the Gansett Island Series, and catch up with some of your favorite characters from past books while Cindy and Jace struggle to overcome demons from the past that threaten their chance at happily ever after.

A SONG FOR YOU

MY LIFE WITH WHITNEY HOUSTON

Penguin *The New York Times* Bestseller! After decades of silence, Robyn Crawford, close friend, collaborator, and confidante of Whitney Houston, shares her story. Whitney Houston is as big a superstar as the music business has ever known. She exploded on the scene in 1985 with her debut album and spent the next two decades dominating the charts and capturing the hearts of fans around the world. One person was there by her side through it all—her best friend, Robyn Crawford. Since Whitney's death in 2012, Robyn has stayed out of the limelight and held the great joys, wild adventures, and hard truths of her life with Whitney close to her heart. Now, for the first time ever, Crawford opens up in her memoir, *A Song for You*. With warmth, candor, and an impressive recall of detail, Robyn describes the two meeting as teenagers in the 1980s, and how their lives and friendship evolved as Whitney recorded her first album and Robyn pursued her promising Division I basketball career. Together during countless sold-out world tours, behind the scenes as hit after hit was recorded, through Whitney's marriage and the birth of her daughter, the two navigated often challenging families, great loves, and painful losses, always supporting each other with laughter and friendship. Deeply personal and heartfelt, *A Song for You* is the vital, honest, and previously untold story that provides an understanding of the complex life of Whitney Houston. Finally, the person who knew her best sets the record straight.

BUZZARDS AND BANANAS

FriesenPress Join George and Mary Ayers in the late seventies when South America was a little rougher and a little wilder, for an incredible journey through Peru, the Amazon, Chile, and Bolivia. Fusing together details scoured from their personal journals, photos, and letters home, *Buzzards and Bananas* captures the essence of everything from the mundane and sometimes humorous moments of day-to-day travel to the emotional strains on relationships; from the excitement of a midnight Federales raid on their Amazon riverboat to the desperation and horrors of military rule. Along the way they spend time with remarkable people: an Argentine couple in love fleeing for their lives; a young man in Santiago whispering about the cruelty of government; a desperate American imprisoned in Bolivia and anthropologist Maria Reiche, the guardian of Peru's Nazca desert mystery. *Buzzards and Bananas* is more than a simple travelogue. George narrates his journey with enduring enthusiasm and heartfelt honesty bringing alive for us the reality of the times and places through which he travelled in a way seldom seen by those who have visited these South American countries.
