Stewart Parker

A Life

Oxford University Press Meticulously researched and engagingly written, this is the first biography of the important Irish playwright Stewart Parker. It illuminates the genesis and meaning of such classic plays as Spokesong and Pentecost - works that continue to shed light on Northern Ireland's past, present, and future - in the context of Parker's life and times.

Correspondence of Matthew Parker, Archbishop of Canterbury

Comprising Letters Written by and to Him, from A.D. 1535, to His Death, A.D. 1575

Wipf and Stock Publishers The Parker Society was the London-based Anglican society that printed in fifty-four volumes the works of the leading English Reformers of the sixteenth century. It was formed in 1840 and disbanded in 1855 when its work was completed. Named after Matthew Parker -- the first Elizabethan Archbishop of Canterbury, who was known as a great collector of books -- the stimulus for the foundation of the society was provided by the Tractarian movement, led by John Henry Newman and Edward B. Pusey. Some members of this movement spoke disparagingly of the English Reformation, and so some members of the Church of England felt the need to make available in an attractive form the works of the leaders of that Reformation.

Wicked Captive (Regency Sinners 5)

Carole Mortimer Wicked Captive is the 5th book in USA Today Bestseller and Amazon #1 Author, Carole Mortimer's, Regency Sinners series. Author's Note: All the books in the very hot Regency Sinners series are complete and HEA stories. Books in the series are connected by the friendship of the heroes. Lord Jericho Black, the Marquis of Wessex, is not looking forward to the visit of his ward, Lady Jocelyn Forbes, to his Devonshire home. Jocey is not actually Jericho's ward but his father's. But as his father lives permanently in Scotland, and is considered to be eccentric by polite members of Society and more than a little strange by the majority, Jericho has taken it upon himself to act as Jocey's guardian in his father's stead these past three years. A bachelor of five and thirty, Jericho finds the role of guardian to a young lady difficult enough at the best of times, but finding himself charged with the unpleasant duty of proving or disproving whether Jocey is guilty of treason, is going to make this visit even more taxing than usual. Jocey is looking forward to seeing and being with Lord Jericho Black again, the man she has secretly been in love with since he became her guardian when she reached the age of eighteen. She is no longer that gauche and awkward young girl, and she is determined Jericho will now see her as a desirable woman, and worthy of his attention. From the moment Jocey arrives in Devon, even more beautiful than Jericho remembers her to be, and possessed of the sophistication and confidence of a woman who knows her own mind, Jericho quickly realizes it is not irritation he now feels toward Jocey but desire. A desire he is finding it more and more difficult to resist. When Jericho receives the shocking news of one close friend's unexpected death, and the serious injury of another, it becomes imperative he learn the truth as quickly as possible, so as to avoid more blood being shed. Even if it requires Jericho make Jocey his prisoner and seduce the truth from her.

If you stay long enough, you will feel right at home, but if you break the law, you will run into its best kept secret""the Garden Club. Depot's Garden Club was a group in plain sight and yet invisible at the same time. Whether one needed a cup of sugar, fashion advice, or help burying a body, you can always count on these women to keep the town running smoothly. If you don't believe it, just ask Maybelle Pickett. She was known for one thing and one thing only""gossip. In fact, she was downright good at it. In Depot, Mississippi, it depends on who you ask. If you want the facts, ask the townspeople. If you want a juicy story, ask Maybelle Pickett. Never Say Sever in Deadwood

Ann Charles All Violet Parker wants is a day off. Better yet, just a "normal" day. But things never go as planned, especially in Deadwood. Someone—or rather something—broke into the local taxidermy shop and took bites out of the critter displays before racing off into the dark. But this is no random crime and Violet knows it. With a bounty on her head and troublemakers zeroing in on her, she soon goes from being the hunter to the hunted. "Burly muscled and rawhide tough don't matter. Never tangle with a Scharfrichter!" ~Violet Parker
