TEMPLES OF THE GRAIL

THE SEARCH FOR THE WORLD'S GREATEST RELIC

Llewellyn Worldwide New Paths on the Quest for the Grail Explore the transformative power of the Grail and discover extraordinary revelations from nearly forgotten Grail texts. Temple of the Grail offers the first English translations of the thirteenth-century Sone de Nansay and the Later Titurel by Albrecht, together with insights from the Letter of Prester John. These texts, along with brilliant commentary by foremost Grail scholars John Matthews and Gareth Knight, provide tantalizing clues into the modern understanding of the Grail quest, shedding important new light on the mysteries of the Grail temple itself, its relationship to the sacred understanding of architecture and symbolism, and its rediscovery in the heart of the Middle East. In addition, Temple of the Grail explores the lineage of the mystical Swan Knights, said to be guardians of the Grail descended from Sone himself. Filled with fascinating perspectives on one of the greatest mysteries of all time, this book is a must-have for Grail aficionados. The interpretations of the Grail temple and the effects of standing before the Grail live at the heart of the mystery. The profound ideas explored in Temple of the Grail open new pathways of engagement with this essential part of our continued spiritual evolution.

THE SEARCH FOR THE GRAIL ASTONISHING NEW PROOF OF THE EXISTANCE OF THE GRAIL IN BRITAIN

IN SEARCH OF THE HOLY GRAIL

THE QUEST FOR THE MIDDLE AGES

A&C Black This book surveys the influence of the middle ages, and of medieval attitudes and values, on later periods and on the modern world. Many artistic, political and literary movements have drawn inspiration and sought their roots in the thousand years between 500 and 1500 AD. Medieval Christianity, and its rich legacy, has been the essential background to European culture as a whole. Gothic architecture and chivalry were two keys to Romanticism, while nationalists, including the Nazis, looked back to the middle ages to find emerging signs of national character. In literature few myths have been as durable or popular as those of King Arthur, stretching from the Dark Ages to Hollywood. In Search of the Holy Grail is a vivid account of how later ages learnt about and interpreted the middle ages.

HER QUEST FOR THE HOLY GRAIL

A WOMAN'S SEARCH FOR PERSONHOOD

CreateSpace This is personal version of a woman's search for the Holy Grail. Previously in the history of the Holy grail, it has been only men who have been on the search for the Grail, which is really a search for personal development and individuation. What makes historians of the Grail think that women don't want to and in fact, do engage in this search? The process of individuation is difficult, fraught with terrors and demanding courage at every step. But if a man or a woman wants to do something out of the ordinary in this world, especially having to do with the creative process, they must go through this hazardous course or remain impotent and have nothing but unresolved conflicts in their lives for as long as they live. I have lived this and want to encourage women who have dreams to go for it!

THE INVISIBLE GRAIL

IN SEARCH OF THE TRUE LANGUAGE OF BRANDS

Texere Publishing The one thing that all brands desire is customer affection. They want to be loved. And when they are not loved, what are they lacking? Is it possible to find the missing element Æ, - the holy grail Æ, - that will bring them closer to their customers and their own people? In his new book, John Simmons reveals how to undertake and complete that quest Æ, - using the power of words.

THE LOST BOOK OF THE GRAIL

Text Publishing Arthur Prescott finds respite from the drudgery of his professorship in the Barchester Cathedral Library, where he

researches the Holy Grail and his long-delayed guidebook for the medieval cathedral. His tranquility is shattered by Bethany Davis, a young American academic who has come to digitise the library's ancient manuscripts. But hostility turns to affection when Arthur discovers Bethany is a kindred spirit, a Grail fanatic. They begin a quest for the lost Book of Ewolda, which could reveal secrets about the cathedral and the Grail, and their connections to King Arthur and the Knights of the Round Table. As Arthur and Bethany delve into the past, the secret history of England—from the Norman invasion to the Civil War, the Industrial Revolution and the Blitz—is revealed. A thrilling adventure for history lovers, *The Lost Book of the Grail* is also an ode to the joys of reading. Charlie Lovett is a writer, teacher and playwright whose books include the New York Times bestseller *The Bookman's Tale* and *First Impressions*. He is a bibliophile and a former antiquarian bookseller. He and his wife split their time between North Carolina and the Cotswolds. 'In his latest literary mystery, Lovett supplements his trademark meld of books, romance, and adventure with an element of (fairly English) humor and some nods in the direction of P.G. Wodehouse...There's lots of research too...but it's underpinned by a pleasing treasure hunt mixed with the romantic involvement of two genially mismatched figures. A solidly built, innocently bookish diversion with a distinct Masterpiece Theater flavor.' Kirkus Reviews 'Former antiquarian bookseller Lovett here does what he did so well in his debut, *The Bookman's Tale*.' Library Journal 'The Lost Book of the Grail is for every book addict. Full of suspense, delightful twists and turns, this is a tale about friendship, love, and the purpose of life.' Nina George, New York Times bestselling author of *The Little Paris Bookshop* 'Vivid, engaging...A love story and a detective story filled with wonderful historic detail.' Kate Alcott 'A mystery, a history, a pleasure—and a treasure.' Gregory Maguire 'Lovett considers topics both contemporary and timeless: the relevance and future of physical libraries; the advantages and drawbacks of electronic documents; love, devotion and friendship; recollection and truth; setting priorities for life; and faith and belief...Lovett's expertise in, respect for and love of old books is apparent on every page...Not only bibliophiles will be charmed by this thoroughly enjoyable tale.' BookMooch 'Merging medievalist erudition, literary sleuthing and romantic comedy, Charlie Lovett's *The Lost Book of the Grail* is an entertaining romp the well-read will enjoy.' Age 'Lovett explores the nature of faith and doubt while unravelling the long history of the cathedral and its treasures...For bibliophiles, Grail enthusiasts and anyone who loves a good quest, Arthur's story is a rich, erudite and entertaining adventure.' Shelf Awareness 'Charlie Lovett's charming novel combines Arthurian legend, Christian beliefs, history and a love of books to produce a grown-up's version of Dan Brown's *The Da Vinci Code*...An engaging concoction of mystery, ancient manuscripts, secret codes, literary sleuthing, the real meaning of faith and mild romance. It will enthrall those readers who love books and history.' Canberra Weekly 'What a fascinating book by Charlie Lovett, author of *The Bookman's Tale*. Its denouement sends tingles through the body...The plot meanders through a then-and-now of glorious old books and manuscripts, the thrills of discovery and agony of obstacles. It is eminently engaging.' SA Weekend

TAROT OF THE HOLY GRAIL

The myth of the Grail and the search for the cup of life is the search for divine perfection of the chivalrous ideal. The legend tells of the Grail's arrival in Europe with the templars and the continuing quest to discover it.

PARSIFAL AND THE SEARCH FOR THE GRAIL

Waldorf Education Resources Parsifal (or Sir Percival) was a Knight of King Arthur. His story is told by the troubadours of France and Germany, notably Chrétien de Troyes and Wolfram von Eschenbach. The Parsifal story stands between the past age that looked for secrets of the spirit and the coming age that was going to search for the secrets of matter. In this engaging retelling of the legend of Parsifal, Charles Kovacs's critical commentary offers Steiner-Waldorf educators an unrivalled insight into teaching the story of Parsifal and will aid in lesson planning. Based on Kovacs's extensive teachers' notes, this informative book places the Parsifal story in its greater social and historical context. In the Steiner-Waldorf Education curriculum this story is recommended for Class 11 (age 16-17) as a way of introducing world literature and one of the central problems of our time -- the imperative to learn to ask the right questions.

THE SEARCH FOR THE GRAIL

Random House (UK) "The discovery of an overlooked Arthurian story, buried in a longer poem, gives a geographical location for the Grail's original hiding place in Britain - the White Abbey, an Augustan priory in Shropshire. Research reveals that the Grail was one of several treasures removed from the temple of Jerusalem, which were taken in 1410 AD from Rome to the safety of Viroconium - modern day Shrewsbury - virtually the last vestige of Roman civilization This book examines the poem "Sir Gawain and the Red Knight", written in 1610 by Lord Vernon, who had been responsible for renovating the Abbey ruins."--Publisher's description.

MY GRAIL SEARCH

A personal view of life and the universe

THE GRAIL GUITAR

THE SEARCH FOR JIMI HENDRIX'S PURPLE HAZE TELECASTER

Rowman & Littlefield In *The Grail Guitar: The Search for Jimi Hendrix's Purple Haze Telecaster*, Chris Adams takes readers on a fascinating mystery tour to determine whether a Fender Telecaster bought secondhand in a London music store in 1973 was the one used by Jimi Hendrix to record "Purple Haze" in January 1967. The only clues are its left-handed tuners and the salesman's chance remark that the guitar was brought into the shop by a Hendrix roadie. But these are enough to set the author off on this intriguing journey into Hendrix history. With firsthand details from model Linda Keith, who discovered Hendrix in New York, Adams recounts how the rising star left for London with a white Stratocaster belonging to Keith Richards. The man who made Hendrix's pedals explains how this Strat failed to make the "Purple Haze" recording session and how it was replaced by a borrowed Telecaster. As Adams tracks down the surviving musicians, they shed light on the fate of that Telecaster and gradually the two guitars begin to merge into one.

Throughout, Adams weaves his own story as a rock musician and tells how, against the odds, he managed to hold on to this remarkable instrument. Here is a riveting story of one man seeking the truth about a cultural artifact that changed rock history, a story for rock fans and guitar aficionados, treasure hunters and antique dealers, as well as anyone who likes a detective story.

SINGLE SEARCH

THE QUEST FOR THE HOLY GRAIL

Reviews and discusses significant factors which must be considered when implementing a "single search" catalog or resource discovery system in a LAM (Library, Archive, Museum) setting. The report arises from work done by the OCLC Research Library Partnership Single Search Working Group. Günter Waibel conceived and launched this activity.

THE HOLY GRAIL MYSTERY SOLVED

A FULLY ILLUSTRATED RESEARCH ODYSSEY

Galde Press, Inc. What was the Holy Grail? A cup? A stone? A platter? According to the author, this sacred relic was none of these things. While setting forth the history of the Grail and its literature, Frank Tribbe demonstrates conclusively that the Grail was none other than the Shroud of Turin, protected in a rectangular box covered with a patterned cloth--a "greille.

IN SEARCH OF THE HOLY GRAIL AND THE PRECIOUS BLOOD

A TRAVELLERS' GUIDE

iUniverse THE HOLY GRAIL IS ONE of the most powerful myths in Western Culture. At the centre of this myth is the story of the chalice containing the Holy Blood of Christ, shed when Longinus pierced his side at the crucifixion. The search for the Grail has inspired artists and mystics for hundreds of years. Many churches and cathedrals were built on sites that claimed their part in this sacred mystery. IMBUED WITH THE SPIRIT OF the ancient quest and aware of its power as an antidote to our modern spiritual malaise, Ean and Deike Begg travelled throughout Europe, researching sites of the Holy Grail, the Precious Blood and their associated myths. This book is an illustrated account of their search and a practical, informative guidebook for travellers and seekers. It is full of fascinating information, such as the name of the Spanish cathedral that holds the cup of the Last Supper, the story of how a fig tree carried the Precious Blood to France and the secrets of the Grail castles of Germany. 'I believe that Ean and Deike Begg have done something of great importance in exploring the myth of the Holy Grail that played such a vital part in the deeps of Jung's spirit, and in re-establishing how now it is still one of the most dynamic elements in the search of the lost and bewildered modern soul for wholeness.'-Sir Laurens van der Post 'Deike and Ean Begg have revitalized the idea of pilgrimage.'-Michael Baigent 'An exemplary and vividly written guide to the many strange and beautiful sites associated with the Grail quest throughout Europe.'-Count Nikolai Tolstoy

These viewgraphs discuss information dominance which is the ability to use information to decide and act faster than the enemy while denying them the opportunity to do the same.

SEARCHING FOR THE SACRED

SIXTY MEDITATIONS ON FAITH, HOPE, AND LOVE

Chalice Press We are walking into a future marked by the challenges of global warming, political unrest, technology, globalization, and the unraveling of institutions. As we come upon new horizons, we cling even more to connection and promise. *Searching for the Sacred: Sixty Meditations on Faith, Hope, and Love* is a devotional book of stories and parables that gives the reader hope, insight, courage, and resilience. Readers to set aside 30 minutes a day, beginning at any time of the year, to engage one of 60 meditations and the accompanying scriptures and to consider the questions tying the daily thoughts together, creating a meaningful time of reflection. In addition to personal devotional time, *Searching for the Sacred* can be used in class and small group settings.

THE POWER OF GOOGLE

SERVING CONSUMERS OR THREATENING COMPETITION? : HEARING BEFORE THE SUBCOMMITTEE ON ANTITRUST, COMPETITION POLICY AND CONSUMER RIGHTS OF THE COMMITTEE ON THE JUDICIARY, ONE HUNDRED TWELFTH CONGRESS, FIRST SESSION, SEPTEMBER 21, 2011

PLAYS

AuthorHouse In this volume of *Plays*, Mr. Bell truly presents drama as a group experience highlighting certain interactions that are unique to specific moments. He connects with real life, exposing the fact that people play roles every day in their daily lives. The plays are remarkably written, expressing the fascinating and constantly evolving conditions of the theater. The characters transform the emotions of the readers/audiences to convince them of the reality of fantasy. Mr. Bell deals with scene structure in very defined ways, and presents fast-moving action to thrill and entertain the readers/audiences. This masterly volume of *Plays* goes deep into the characters and situations to explain Man's limitations as he strives to meet his desires and resolve inner conflicts. The *Plays* deal with the nature of reality, and the relationships between what the playwright sees and what the readers/audiences see. It is full of high-tension that goes deep to the bones: and the dialogue is crisp and believable.

SOURCES OF THE GRAIL

AN ANTHOLOGY

SteinerBooks Still stands the destined Knight, aloof in his passionate patience, His hand over his eyes? Is he doomed to fulfil or fail? Shall he dare the hells and the heavens of the strange illuminations, Initiate at last of the dread mysterious Graal? The editor, John Matthews, tells us that, at the beginning of the twelfth century, the poet Crétien de Troyes composed a poem he called *Il Conte del Graal* ("The Story of the Grail"). It told the story of a search taken up by a simple young man who was brought up away from the ways of ordinary people. His search was for a mysterious object known as the "Graal," but Crétien left the poem unfinished, dying before he could complete it, thus creating a mystery that has stirred the imagination of countless seekers ever since. The Grail may be almost anything--or it may be something that has no form at all or even exist in our world. The important thing is that it provides an object for personal search, for growth and human development. We are dealing here with high things, with a Mystery that is almost too much for us. But we can learn and grow from studying it and by sharing the adventure of the Quest. *Sources of the Grail* is the most complete anthology of Grail texts available. Organized into three parts, the first deals with the Celtic sources; the second presents the medieval quest; and part three continues the search and represents some of the most far-reaching and deepest contemporary Grail seekers. Anyone interested in Western spiritual traditions will find this a valuable, thought-provoking resource.

QUESTING MARILYN: IN SEARCH OF MY HOLY GRAIL

PERSONAL GROWTH THROUGH TRAVEL

Quest Publishing *Questing Marilyn: In Search of My Holy Grail, Personal Growth Through Travel*, a self help memoir, shares a journey to sacred and historic sites in England and Ireland while exploring the process of how changes in thinking can result in dramatic life changes. Author, Marilyn Barnicke Belleghem M.Ed., a Registered Marriage and Family Therapist, uses her personal experiences to reveal how she applies life skills to her adventures. It is a voyage of the inner soul as she visits Stonehenge, Avebury, Glastonbury, Bath, Kilkenny, Dublin and other favourites. Reviewers applaud the book as a new kind of travel guide that tells the reader not only how to discover a foreign country but how to discover their inner spirit. Throughout her Quest, Marilyn confronts past negative teachings that have kept her from achieving her desires. When she focuses her personal energy and is true to her Self, she creates a plan that takes her to experiences that bring deep satisfaction and joy. As Marilyn's energy changes, new experiences appear in her life that reveal the natural process of personal growth. Opportunities appear in unexpected, rich, and marvellous ways. Share the surprises. Readers can believe they are travelling with Marilyn as her rich descriptions create intimacy that allows an inner sense of personal transformation. Her changes in attitude can help readers learn to transform their own sense of Self too. Order *Questing Marilyn* now! Available on Kindle.

THE GRAIL

SYMBOL AND REALITY IN QUEST OF SELFHOOD

THE USE OF ARTHURIAN LEGEND IN HOLLYWOOD FILM

FROM CONNECTICUT YANKEES TO FISHER KINGS

Greenwood Publishing Group This is the first book to examine the various uses of the Arthurian legend in Hollywood film, covering films from the 1920s to the present. The authors use five representational categories: intertextual collage (or cult film); melodrama, which focuses on the love triangle; conservative propaganda, pervasive during the Cold War; the Hollywood epic; and the postmodern quest, which commonly employs the grail portion of the legend. Arguing that filmmakers rely on the audience's rudimentary familiarity with the legend, the authors show that only certain features of the legend are activated at any particular time. This fascinating study shows us how the legend has been adapted and how through the popular medium of Hollywood films, the Arthurian legend has survived and flourished.

UNDERSTANDING NEW MEDIA

AUGMENTED KNOWLEDGE & CULTURE

University of Calgary Press This book outlines the development currently underway in the technology of new media and looks further to examine the unforeseen effects of this phenomenon on our culture, our philosophies, and our spiritual outlook. The digital revolution is something fundamentally different from simply the introduction of yet another medium to our culture: it marks a paradigm shift in our relation to all media, to all our senses, all our expressions. The new media are transforming our definitions of culture and knowledge and transcending barriers in ways that will have lasting implications for generations to come.

LUCIFER'S GRAIL

SEARCH FOR THE LIGHT-BEARER... .

The Crew Sets Sail on the Search for the Religious Figure....

PERCEVAL, OR, THE STORY OF THE GRAIL

University of Georgia Press In this verse translation of *Perceval; or, The Story of the Grail*, Ruth Harwood Cline restores to life the thematically crucial Arthurian tale of the education of a knight in his search for the Holy Grail. Cline's translation, faithful to the highly synthetic, deliberately ornate nature of medieval French, follows Perceval from his home in Wales, through his rich and raucous adventures as a member of the fraternity of knights, to his climactic meeting with the Fisher King. Paralyzed by his first glimpse of the Grail, Perceval fails to save the ailing king. Distraught, the knight begins a new quest for the Grail, a journey on the road of penitence and faith. Perceval's venture, the true test of his knighthood, ends without conclusion; the death of author Chrétien de Troyes left unsaid and undetermined the success of Perceval's quest.

CORPORIA

Brabblemark Press *Corporia* is a 208-page tabletop role-playing game of genre-bending fiction and futuristic urban fantasy. In *Corporia*, you take on the roles of reborn Knights of the Round Table or their supernaturally-powered allies, fighting an invisible war for justice in the struggle between otherworldly Chaos magics and the oppressive Order of the ruling mega-corporations! *Corporia* is 'knights in shining Armani.' It's what happens when you mix Camelot with a spoonful of *Torchwood*, add a pinch of cyberpunk, a dash of Joss Whedon's *Angel*, and a sprinkling of *Shadowrun*. If you enjoy these, you're going to love *Corporia*. Highlights One simple, unified game mechanic for all abilities, including fighting, spellcasting, and hacking! All characters can join the Hacker in virtual conflicts; no one gets left out! Spellcasters can cast whatever they can imagine, limited only by their skill rank in any of eight schools

of magic - and all 64 sample spells can be easily modified at will! Four personality traits (three public, one private) keep situations interesting and provide points for permanent and temporary improvements, supplementing the core dice mechanics without becoming the main aspects of the rules! Metal melee weapons are more effective against monsters than firearms, keeping swords and daggers relevant even in a future of X-Calibre energy pistols and glowing raypiers! An innovative, modern design style in a book full of page-turning concepts!

THE GRAIL

FROM CELTIC MYTH TO CHRISTIAN SYMBOL

Princeton University Press The medieval legend of the Grail, a tale about the search for supreme mystical experience, has never ceased to intrigue writers and scholars by its wildly variegated forms: the settings have ranged from Britain to the Punjab to the Temple of Zeus at Dodona; the Grail itself has been described as the chalice used by Christ at the Last Supper, a stone with miraculous youth-preserving virtues, a vessel containing a man's head swimming in blood; the Grail has been kept in a castle by a beautiful damsel, seen floating through the air in Arthur's palace, and used as a talisman in the East to distinguish the chaste from the unchaste. In his classic exploration of the obscurities and contradictions in the major versions of this legend, Roger Sherman Loomis shows how the Grail, once a Celtic vessel of plenty, evolved into the Christian Grail with miraculous powers. Loomis bases his argument on historical examples involving the major motifs and characters in the legends, beginning with the Arthurian legend recounted in the 1180 French poem by Chrrien de Troyes. The principal texts fall into two classes: those that relate the adventures of the knights in King Arthur's time and those that account for the Grail's removal from the Holy Land to Britain. Written with verve and wit, Loomis's book builds suspense as he proceeds from one puzzle to the next in revealing the meaning behind the Grail and its legends.

THE CHALICE OF MAGDALENE

THE SEARCH FOR THE CUP THAT HELD THE BLOOD OF CHRIST

Simon and Schuster Reveals the discovery of an artifact that many experts believe may be the Holy Grail • Traces the journey of the Grail from the Holy Land to Rome and eventually to a ruined chapel in Shropshire, England • Uncovers new evidence identifying the historical King Arthur and his connection to the Holy Grail The popular Arthurian stories of the Middle Ages depict the Holy Grail as Christ's cup from the Last Supper, which was believed to have been endowed with miraculous healing powers and the ability to give eternal life to whoever drank from it. A much earlier tradition, however, claimed the Grail was the vessel used by Mary Magdalene to collect Christ's blood when he appeared to her after rising from the tomb. While many vessels were claimed to have been the true Grail, there was only one thought to have been the chalice used by Mary. From Jesus' empty tomb, where it remained for almost 400 years, this holy relic known as the Marian Chalice was taken to Rome by the mother of the first Christian emperor, Constantine the Great. It was then smuggled from Rome in 410 A.D., according to the fifth-century historian Olympiodorus, to save it from the barbarians who sacked the city. Well into the Middle Ages legend persisted that it had been taken to safety in Britain, the last outpost of Roman civilization in Western Europe. This journey to England, and what happened to the Chalice there, is the focus of this book. Graham Phillips's research uncovers the secret legacy of an ancient noble family over generations and a trail of clues hidden in the English countryside that lead to a mysterious grotto, a forgotten attic, and the lost chalice. In tracing the relic, Phillips offers the inside story behind an astonishing adventure that results in the identification of the historical King Arthur and the location of one of the most powerful symbols in Western tradition.

CHRIST AND THE SPIRITUAL WORLD AND THE SEARCH FOR THE HOLY GRAIL

Rudolf Steiner Press 'There is no way of approach to the Grail through words of any kind, or through philosophical speculations. The only way is by changing all these words into feeling, by becoming able to feel in the Grail the sum of all that is holy...' - Rudolf Steiner (from lecture 6) Reviewing human history in relation to the cosmic-earthly events of Christ's incarnation, Rudolf Steiner explains the significance of both the Gnostic religion and the legend of the Holy Grail. He indicates how the Grail emerges in human history, and how the 'stellar script' relates to the secret of Parsifal. Steiner examines humanity's existential quest in the historical patterns of human thought and spiritual development. We are shown the widespread influence of the sibyls, who with their astrological and clairvoyant prophecies were a backdrop to one of the richest cultural epochs, the Greco-Roman world. Steiner contrasts the revelations of the sibyls to those of the Hebrew prophets. This course of lectures, a complete edition from Steiner's Collected Works, offers an illuminating insight into the development of the soul through succeeding ages.

IN SEARCH OF THE GRAIL

Deep Vellum Publishing In Search of the Grail continues Svetislav Basara's 'Cyclist Conspiracy,' a fantastical exploration of civilizational decline told through an array of strange and esoteric documents. Readers are introduced to a secret history of the twentieth century, shown that behind the well-known wars and political revolutions of the period numerous secret organizations vied for supremacy through the control of books, knowledge, and dreams. With appearances by Sigmund Freud, Salvador Dali, the Marquis de Sade, Karl Marx, and Josef Stalin, among many others, Basara's novel presents a singularly playful, imaginative portrait of modernity and of the human condition

SEARCH FOR THE HOLY GRAIL

A JOURNEY THROUGH FRANCE, GERMANY AND SERBIA

FriesenPress Dear Reader, It has been fun, cathartic, heart wrenching, inspiring and powerful to write this travel novel after a month long trip to France, Germany and Serbia. Initially, it started out by writing down my research about Mary Magdalene, the Holy Grail

and the mystic sites, but then I also looked for new jobs in Germany and prepared for my final trip to Serbia, where I longed to connect with a man, whom I admired from far. Essentially, this book represents the results of my soul journey, which reached the end of a cycle in 2012, when realized I am at crossroads in my life where I was in the situation to make a decision where to live - Germany or the United States of America, This was part of external reality, but psychologically I found the pressing need to make some internal changes in my very personal relationships This is book is as much about the holy grail the legend of Mary Magdalene as much as it is about my own story.
