### **SCALING NEW HEIGHTS BASED ON LIFE PRINCIPLES FROM THE BIBLE**

---

AuthorHouse Everyone needs to scale new heights. But not all will scale new heights due to ignorance, community fables and various commandments of men (Titus 1:14). This is highly limiting. This book will debunk a number of myths and open you up to the scriptural perspectives in several life changing issues. This I have done by the help of the Holy Spirit. The book is divided into five main sections grouped into Run to Obtain, Life Realities, Strategies, Be the Change and Facts of Life. In this book, you will see titles that may look unconventional to you. Take a deep breathe, read the segments and I am sure that you will be enlightened. You will be a completely new man by the time you are done with this book and scaling new heights will henceforth be a daily experience for you. Enjoy and share your insights with me.

## **FATHERHOOD BY PAPA B**

---

### **A GAME-CHANGING GUIDE FOR PARENTS, FATHER FIGURES AND FATHERS-TO-BE**

---

Dorling Kindersley Ltd A relatable and game-changing guide for parents that redefines what it means to be a present-day father. Father-of-three, motivational speaker and influencer Bodé Aboderin (AKA Papa B) is on a mission to show the world that Black fatherhood is not only compatible with ambition, but can inspire, nourish and amplify it too. Papa B is using his natural flair for motivational speech to share the joyful and transformative journey of starting a family, including the challenges involved and the opportunities to grow along the way. In this passionate parenting book for dads, Bodé reflects on how his own upbringing, alongside stigmas about fatherhood, race, and masculinity, have impacted his experiences of being a father, whilst talking candidly about how to overcome the challenges commonly experienced by parents - from breaking generational cycles and adapting to modern-day family dynamics to communicating with your child and achieving a healthy work-life balance. Fatherhood by Papa B teaches all fathers everywhere to be empowered. Explore the pages of this parenting guide to discover: - 10 chapters that discuss what it means to be a father today - A specific focus on shifting the narrative away from stigmas and stereotypes about fatherhood, race, and masculinity. Fatherhood by Papa B addresses fatherhood in such a way that is hard-working, practical and incredibly down-to-earth. A must-have volume for all parents, father figures and fathers-to-be, Fatherhood by Papa B is set out to exemplify what many studies have revealed: that involved fatherhood can also improve a man's cognitive skills, health and capacity for empathy, whilst building confidence, self-esteem and enhancing emotional regulation and expression. This brilliant book looks at how a father's own upbringing and well-being can impact and revolutionise the relationship with their child.

## **GAME CHANGERS**

---

Hachette UK The videogame scene has evolved from the hobby of boys in bedrooms to a popular pastime for anyone with a smartphone. Many of the old guard resent this mainstreaming of games culture — and they've been anything but welcoming. These trolls have created a climate of fear by abusing and harassing women, minorities and anyone who has dared to speak out against misogyny and other problems in the boys' club industry. Game Changers puts these conflicts under the microscope, in Australia and overseas. The book features exclusive interviews with many key figures working to make the videogame world a safe space, including Anita Sarkeesian and Zoë Quinn, two of the women at the centre of the Gamergate abuse. In 2015, they were asked by the United Nations to lead a panel discussion on the 'rising tide of online violence against women and girls'. Authors Dan Golding and Leena van Deventer use their extensive experience in the videogame industry, both as players and professionals, to examine how games culture is growing, diversifying and changing for the better.

### **GUIDE YOUR CHILD TO HEALTHY VIDEO GAME HABITS**

---

Unbound Publishing Video games can instil amazing qualities in children – curiosity, resilience, patience and problem-solving to name a few – but with the World Health Organisation naming gaming disorder as a clinically diagnosable condition, parents and carers can worry about what video games are doing to their children. Andy Robertson has dealt with all of the above, not just over years of covering this topic for newspapers, radio and television but as a father of three. In this guide, he offers parents and carers practical advice and insights – combining his own experiences with the latest research and guidance from psychologists, industry experts, schools and children's charities – alongside a treasure trove of 'gaming recipes' to test out in your family. Worrying about video game screen time, violence, expense and addiction is an understandable response to scary newspaper headlines. But with first-hand understanding of the video games your children love to play, you can anchor them as a healthy part of family life. Supported by the [www.taminggaming.com](http://www.taminggaming.com) Family Video Game Database, Taming Gaming leads you into doing this so that video games can stop being

a point of argument, worry and stress and start providing fulfilling, connecting and ambitious experiences together as a family.

### A THRILLER

---

Atria/Emily Bestler Books THE INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER "Take my word for it, James Reece is one rowdy motherf\*\*\*er. Get ready!" —Chris Pratt, star of The Terminal List, coming to Amazon Prime "They're great, man. They lock you in. They're gripping." —Joe Rogan, on the Terminal List series The fourth thriller in the "so powerful, so pulse-pounding, so well-written" (Brad Thor, #1 New York Times bestselling author) Terminal List series follows former Navy SEAL James Reece as he is entrusted with a top-secret CIA mission of retribution twenty years in the making. It's been twenty years since 9/11, two decades since the United States was attacked on home soil and set out to make the guilty pay with their lives. In the shadows, the enemy has been patient—learning, and adapting. And the enemy is ready to strike again. A new president offers hope to a country weary of conflict. He's a young, popular, self-made visionary...but he's also a man with a secret. Halfway across the globe a regional superpower struggles with sanctions imposed by the United States and her European allies, a country whose ancient religion spawned a group of ruthless assassins. Faced with internal dissent and extrajudicial targeted killings by the United States and Israel, the Supreme Leader puts a plan in motion to defeat the most powerful nation on earth. Meanwhile, a young PhD student has gained access to a bioweapon thought to be confined to a classified military laboratory known only to a select number of officials. A second-generation agent, he has been assigned a mission that will bring his adopted homeland to its knees. With Jack Carr's signature "absolutely intense" (Chuck Norris) writing and "gripping authenticity" (The Real Book Spy), The Devil's Hand is a riveting and timely thriller that will leave you gasping for breath.

### BORED OUT

---

## UN DÉSENCHANTEMENT FRANÇAIS

---

BoD - Books on Demand BORED OUT est ce premier essai que j'ai souhaité largement consacré au monde actuel de l'entreprise, en revisitant l'absurdité des rapports qui y sied, à l'incohérence de certains modèles de management dits « modernes », à cette urgence et exhortation permanente à se transformer à tout prix au travers du digital, de l'I.A, ou toute autre forme d'innovation, et qui participe le plus souvent à cette perte de sens ou à ce sentiment irréductible de décrochage avec le réel que subissent bon nombre de mes contemporains. À cela s'ajoute également cette volonté un peu dérisoire de mettre en lumière l'influence toxique d'une certaine culture des élites « à la Française », élite à laquelle j'ai souhaité accordé une large place dans ce pamphlet contrarié. À défaut de tenir entre les mains un prix littéraire en puissance, peut-être verrez-vous dans Bored Out ce nouveau petit bréviaire de l'absurde pour cadres modernes azimutés et désenchantés, et que je me suis amusé à penser et écrire au travers d'un travail de déconstruction et, disons-le également, à partir d'une certaine philosophie de l'échec et de la somme de toutes ces frustrations personnelles ou professionnelles qui auront permis de forger le rejet de ce que j'étais.

## PROFESSIONAL SECURITY MANAGEMENT

---

### A STRATEGIC GUIDE

---

Routledge Historically, security managers have tended to be sourced from either the armed forces or law enforcement. But the increasing complexity of the organisations employing them, along with the technologies employed by them, is forcing an evolution and expansion of the role, and security managers must meet this challenge in order to succeed in their field and protect the assets of their employers. Risk management, crisis management, continuity management, strategic business operations, data security, IT, and

business communications all fall under the purview of the security manager. This book is a guide to meeting those challenges, providing the security manager with the essential skill set and knowledge base to meet the challenges faced in contemporary, international, or tech-oriented businesses. It covers the basics of strategy, risk, and technology from the perspective of the security manager, focussing only on the 'need to know'. The reader will benefit from an understanding of how risk management aligns its functional aims with the strategic goals and operations of the organisation. This essential book supports professional vocational accreditation and qualifications, such as the Chartered Security Professional (CSyP) or Certified Protection Professional (CPP), and advises on pathways to higher education qualifications in the fields of security and risk management. It is ideal for any risk manager looking to further their training and development, as well as being complementary for risk and security management programs with a focus on practice.

### **GPRS AND 3G WIRELESS APPLICATIONS**

---

---

### **PROFESSIONAL DEVELOPER'S GUIDE**

---

Wiley To ensure competitive advantage for their companies in wireless product development, developers need to understand how wireless technologies work, what impact they have on applications being developed, and how to use them to optimize products for success in the marketplace. Designed to answer these and other wireless development questions, this unique handbook explores how a host of relevant technologies work together with the new worldwide standards for wireless technologies--General Packet Radio Service (GPRS) and Third Generation (3G). Leading expert Christoffer Andersson clearly explains how GPRS and 3G control the mobile environment, then goes on to describe how the emerging radio technology of Bluetooth fits in with WAP and Java, how wireless applications work with HTTP and TCP/IP on the Internet, and how to create "always-on" wireless applications.
