Mayo Clinic: The Integrative Guide to Good Health

Home Remedies Meet Alternative Therapies to Transform Well-Being

Time Inc. Books This compendium on healthy living from the trusted Mayo Clinic organization combines two home health books into one must-have resource. Anyone looking to improve health in a safe, smart, innovative, and minimally-invasive way will want this guide. The book teaches what integrative medicine is—the medical movement to incorporate treatments that were once thought questionable but now are scientifically proven to work into everyday therapies, combining those alternative methods with traditional medicine to produce best results. The book offers a revolutionary approach to healing by highlighting ways that integrative medicine addresses not only the physical body but also the mind and spirit. With this trifold view of wellness in mind, the book covers topics like meditation, homeopathy, acupuncture, reflexology, herbs and supplements, and more, giving readers new solutions to their health issues.
