Each for himself; or, The two adventurers What Did Jesus Look Like? [Bloomsbury Publishing](#) Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair. on Divine Revelation Dei Verbum This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

Every Man for Himself [Createspace Independent Publishing Platform](#)

Every Man for Himself **The Wesleyan-Methodist Magazine** **Modern Liberty and Its Discontents** [Rowman & Littlefield Publishers](#)

In this book, distinguished French philosopher Pierre Manent addresses a wide range of subjects, including the Machiavellian origins of modernity, Tocqueville's analysis of democracy, the political role of Christianity, the nature of totalitarianism, and the future of the nation-state. As a whole, the book constitutes a meditation on the nature of modern freedom and the permanent discontents which accompany it. Manent is particularly concerned with the effects of modern democracy on the maintenance and sustenance of substantial human ties. **Modern Liberty and its Discontents** is both an important contribution to an understanding of modern society, and a significant contribution to political philosophy in its own right.

An Apology for the Life of Major General G-, Written by Himself. Containing a Full Explanation of the G-nn-g Mystery, and of the Author's Connexion with Mr. D-ber-y's Family of Soho-Square **Behold the Mystery A Deeper Understanding of the Catholic Mass** [The Word Among Us Press](#)

As Catholics, the Mass should be a mountaintop experience for us. Often, though, we go through the motions at Mass without an appreciation for what has really happened. Popular speaker and author Mark Hart helps Catholics move beyond the repetition and ritual to see the Mass for what it really is: a heavenly banquet, a wedding feast, in which heaven and earth meet. In his engaging style, Hart guides readers toward a deeper understanding of the Mass—its roots in the Jewish Sabbath, its sacrificial character, and its signs and symbols. As we are told to “go in peace,” he inspires us to see the Mass as a place to be nourished so that we can further Christ’s mission in the world. In the last part of the book, Hart provides pithy answers to frequently asked questions, such as “Why can’t I leave right after Communion?” or “Why did the words change?” Finally, Hart offers ten things we can do to get more out of Mass.

Jefferson Himself **The Personal Narrative of a Many-Sided American** [University of Virginia Press](#)

By Himself **The Older Man's Experience of Widowhood** [University of Toronto Press](#)

What happens when older men become widowers? Popular

books, movies, and television present widowers as lost and unable to cope or care for themselves. These stereotypes do not encapsulate the experiences of real widowers, how their daily lives change, and what being a widower means to individuals in both sociological and practical ways. *By Himself* is based on in-depth interviews with twenty-six widowers over the age of sixty living in the United States and Canada. Using these interviews, Deborah K. van den Hoonaard explores masculine identity and traces the stories that widowers tell about their wives' illnesses and deaths. She also focuses on the widowers' changed relationships with their children and friends, as well as with women, and details the men's encounters with tasks such as housework and cooking. An eminently readable and accessible book, *By Himself* sheds new light on the social meaning of being a widower.

A Passion for Christ The Vision that Ignites Ministry [Wipf and Stock Publishers](#) In a culture increasingly secular in its pursuits and indifferent to the voice of the church, how may we ignite the fire for ministry that will bring the gospel to the world? How can weary pastors be sustained amidst a climate of doubt and resistance? For more than half a century, three remarkable brothers have offered a vision that has inspired thousands in churches and seminaries. Today, their message remains fresh and relevant as we enter a new millennium. And for one reason: The Brothers Torrance share a passion for Christ--the Christ of the Scriptures, the Christ of the historic Nicene faith. These essays distill the essence of their thought, and shine with the clarity of their shared vision. *A Passion for Christ* is a light of encouragement for ministers and lay people elsewhere.

Self-Made Man One Woman's Year Disguised as a Man [Penguin](#) A journalist's provocative and spellbinding account of her eighteen months spent disguised as a man. Norah Vincent became an instant media sensation with the publication of *Self-Made Man*, her take on just how hard it is to be a man, even in a man's world. Following in the tradition of John Howard Griffin (*Black Like Me*), Vincent spent a year and a half disguised as her male alter ego, Ned, exploring what men are like when women aren't around. As Ned, she joined a bowling team, took a high-octane sales job, went on dates with women (and men), visited strip clubs, and even managed to infiltrate a monastery and a men's therapy group. At once thought-provoking and pure fun to read, *Self-Made Man* is a sympathetic and thrilling tour de force of immersion journalism.

Scenarios Aguirre, the Wrath of God; Every Man for Himself and God Against All; Land of Silence and Darkness; Fitzcarraldo [U of Minnesota Press](#) I do not follow ideas, I stumble into stories or into people; and I know that this is so big, I have to make a film. Very often, films come like uninvited guests, like burglars in the middle of the night. They are in your kitchen; something is stirring, you wake up at 3 a.m. and all of a sudden they come wildly swinging at you. When I write a screenplay, I write it as if I have the whole film in front of my eyes. Then it is very easy for me, and I can write very, very fast. It is almost like copying. But of course sometimes I push myself; I read myself into a frenzy of poetry, reading Chinese poets of the eighth and ninth

century, reading old Icelandic poetry, reading some of the finest German poets like Hölderlin. All of this has absolutely nothing to do with the idea of my film, but I work myself up into this kind of frenzy of high-caliber language and concepts and beauty. And then sometimes I push myself by playing music, for example, a piano concerto by Beethoven, and I play it and write furiously. But none of this is an answer to the question of how you focus on a single idea for a film. And then, during shooting, you have to depart from it sometimes, while keeping it alive in its essence. —Werner Herzog, on filmmaking

Werner Herzog doesn't write traditional screenplays. He writes fever dreams brimming with madness, greed, humor, and dark isolation that can shift dramatically during production—and have materialized into extraordinary masterpieces unlike anything in film today. Harnessing his vision and transcendent reality, these four pieces of long-form prose earmark a renowned filmmaker at the dawn of his career. *Of Mice and Men* [Lulu.com](https://www.lulu.com) Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife. *The Future Life*
