The Ashtādhyāyī of Pāṇini [Motilal Banarsidass Publ.](#) Panini's Ashtadhyayi represents the first attempt in the history of the world to describe and analyse the components of a language on scientific lines. India Climbing Everest Three Men in a Boat Illustrated Three Men in a Boat (To Say Nothing of the Dog), published in 1889, is a humorous account by Jerome K. Jerome of a boating holiday on the Thames between Kingston and Oxford. The book was initially intended to be a serious travel guide, with accounts of local history along the route, but the humorous elements took over to the point where the serious and somewhat sentimental passages seem a distraction to the comic novel. One of the most praised things about Three Men in a Boat is how undated it appears to modern readers, the jokes seem fresh and witty even today. The three men are based on Jerome himself (the narrator J.) and two real-life friends, George Wingrave (who went on to become a senior manager in Barclays Bank) and Carl Henschel (the founder of a London printing business, called Harris in the book), with whom he often took boating trips. The dog, Montmorency, is entirely fictional, but "as Jerome admits, developed out of that area of inner consciousness which, in all Englishmen, contains an element of the dog." The trip is a typical boating holiday of the time in a Thames camping skiff. This is just after commercial boat traffic on the Upper Thames had died out, replaced by the 1880s craze for boating as a leisure activity. The Last Mughal The Fall of Delhi, 1857 A&C Black On a dark evening in November 1862, a cheap coffin is buried in eerie silence. There are no lamentations or panegyrics, for the British Commissioner in charge has insisted, 'No vesting will remain to distinguish where the last of the Great Mughals rests.' This Mughal is Bahadur Shah Zafar II, one of the most tolerant and likeable of his remarkable dynasty who found himself leader of a violent and doomed uprising. The Siege of Delhi was the Raj's Stalingrad, the end of both Mughal power and a remarkable culture.
