Introduction to Management Accounting *Prentice Hall* Introduction to Management Accounting Ch's 1-17 Global Edition For MBA-level managerial accounting courses. An essential tool for understanding how to make effective economic decisions. In today's troubled economy, it's important to show students how managerial decisions can affect business costs. Introduction to Management Accounting helps to enhance students' ability to make effective economic decisions by encouraging them to understand the inner-workings of the concepts, rather than solely focusing on technique memorization. Overall, this text describes both theory and common practices in a way that will help students produce information that's useful in day-to-day decision-making. The fifteenth edition includes new and revised material on real-businesses and ethics. Introduction to Management Accounting Test Item File Introduction to Management Accounting [by] Charles T.
