Who You Are When No One's Looking Choosing Consistency, Resisting Compromise *IVP Books* "When I listen to the evening news or read the morning paper these days my reaction is always the same: what's wrong in our world will not be set right until people who love God and who refuse to cave to these overwhelming challenges put the things they believe into action, things like courage and discipline and love." Bill Hybels **Who You Are When No One's Looking** has pointed the way to godly character for more than twenty years. Now Bill Hybels's essential book is completely revised and updated, featuring a new introduction, a new concluding chapter ("World-Change: When Character Counts Most") and a discussion guide for groups. Learn how to hire and retain talent, increase productivity, and empower your team to greatness! **The Christian's Guide to Effective Personal Management, Second Edition** *Wipf and Stock Publishers* Each of us as Christians has a challenge in how to effectively manage our own lives both personally and professionally. We must address a number of issues about ourselves: - our faith - our personal value system - the implications of our being Christians - our talents - our spiritual gifts - our formal education - our abilities Building upon this exploration, we need to set goals (and priorities within those goals). Then we must set strategies for implementing these prioritized goals toward effective personal management. **Christians have Crisis? UNDERSTANDING CRISIS AND THE AFTERMATH** *Christian Faith Publishing, Inc.* Of course Christians have crisis! As human beings, we are surrounded by temptation, we all make mistakes and we all suffer with trials in our lives. Unfortunately, there are well-intended Christians who attempt to minister to those suffering or in crisis without realizing how their words of wisdom could actually be counterproductive and potentially harmful. This book is a resource for ministry leaders, parents, teachers, and caregivers regarding mental illness, chronic pain, abortion, abuse, and addictions. It also covers marital and family issues. There are facts included throughout the book to reveal the prevalence of each topic and listed resources to increase knowledge in those areas. Scripture is included throughout the book to provide solid Christian counsel through each topic. If someone came up to you today to reveal they are considering suicide or that they are addicted to porn or prescribed drugs, would you know what to say to them? What if someone wants to talk to you because they believe their spouse is having an affair, or a mother believes her child is being molested or bullied, or their adult child is being abused by their spouse? Would you know how to advise them? Are your words subjective? Are they productive? Are your words factual and scriptural? As a church, we need to teach that Christ is a loving and forgiving God. We need to have compassion for the misunderstood. As a church, we need to be knowledgeable of current fads, common problems in societies and families so we know how to respond to crises appropriately. As a church, we need to encourage a safe environment for those in need. We need to minister to people with open minds and open hearts. And we need to know when it is time to reach out for professional help. **The Mark Mittelberg Collection: The Questions Christians Hope No One Will Ask / Confident Faith** *NavPress* This collection bundles 2 of Mark Mittelberg's nonfiction titles into one e-book for a great value! **Questions Christians Hope No One Will Ask 2011 Retailers Choice Award winner!** "Why are Christians against same-sex people getting married? . . . Why do you believe God exists at all? . . . Why would God allow evil and suffering? . . . Why trust the Bible when it's full of mistakes? . . . How could a loving God send people to hell? . . . What makes you think Jesus was more than just a good teacher? . . . Why are Christians so judgmental?" Some questions can stop a conversation. Today, more than ever, people are raising difficult, penetrating questions about faith, God, and the Bible. Based on an exclusive new Barna survey of 1,000 Christians, **The Questions Christians Hope No One Will Ask** presents compelling, easy-to-grasp answers to ten of the most troubling questions facing Christians today. These include everything from the existence of heaven to the issues of abortion and homosexuality, as well as the question of whether evolution eliminates our need for a God. **Confident Faith In Confident Faith**, Mark Mittelberg assures Christians that we can be confident in our beliefs. There's no reason to be timid about what we believe, because our beliefs can stand up to the test. Truth isn't dependent on how a person feels or one's own point of view, as so many assert. On the contrary, we can determine truth through our five senses, and that truth reliably points to a deeper and unseen reality. Mark walks readers through twenty arrows that point towards Christian beliefs: from the intricate design of the universe to archaeological proofs, from the consistent testimony of changed lives to the reliability of the ancient documents of the Bible. After studying these arrows, you'll put this book down with a renewed confidence in what you believe and why it matters for eternity. **The Questions Christians Hope No One Will Ask (With Answers)** *Tyndale House Publishers, Inc.* 2011 Retailers Choice Award winner! Then you probably have a diseased faith - thankfully, there is way back to the innocence and freshness of the hour you first believed. There are only two ways to approach faith: a human-centered approach, or a God-centered one. A human-centered approach rests on human effort and persistence-human "coulds" and "shoulds" It seems noble to work hard to secure godly, fruitful living. But a human-centered faith is fundamentally wrong and harmful. It is about human PERFORMANCE, which ultimately leaves people tired, oppressed and feeling distant from God. A God-centered faith, on the other hand, is refreshing, surprising and nourishing to the human soul. True freedom is found whenever we center our faith on the PERSON of God and not the PERFORMANCE of humankind. **One Small Barking Dog How to Live a Life That's Hard to Ignore** *Simon and Schuster* Small Is the New Big In this humorous, insistent book, Pastor Ed Gungor demonstrates that the world is changed most by ordinary people—the "small dogs" of the human race. Small dogs may not run the world, but neither can the world tune them out. If it weren't for small dogs, the world might be a quieter place, but it would certainly be a needier one. With chapters like "Dare to Be Small," "Fight the Big-Dog Lie," and "The Bark of Faith," Gungor challenges the notion that earthly prominence, status, and power are essential to significance. Reminding us that small is the new big, he inspires us to fall in love with life—the everyday, normal kind—and shows us how to make an eternal difference. **Living a Life That's Hard to Ignore** The thing about small, barking dogs is that they can't be ignored. They may not be show-dog material or win outstanding awards, but through their persistence and insistence they make themselves known. Only a handful of people ever achieve notoriety and "greatness," but the energizing truth of **One Small Barking Dog** is that every single one of us can change the world. **New York Times bestselling author Ed Gungor debunks the big-dog lie and clearly teaches "ordinary" people how to live out their faith in a way that not only changes the world we live in now but that affects lives for eternity.** By the time you finish this book, you won't be worried about being small. You'll be ready to take on the world. You'll know how to live a life that can't be ignored. Whether you've just graduated from school or you've been at this life for many years, Ed Gungor's concrete principles and simple life wisdom will show you new ways to make a big impact on your world. **Laugh Your Way to a Better Marriage Unlocking the Secrets to Life, Love and Marriage** *Simon and Schuster* Based on Mark Gungor's wildly popular seminar, **Laugh Your Way to a Better Marriage®** builds on Gungor's success with tens of thousands of couples who credit him with enriching, and even saving, their marriages. By using his unique blend of humor and tell-it-like-it-is honesty, he helps couples get along and have fun doing it. Through exploring a variety of subjects including the myth of a "soul mate," the different ways men and women think, the conflicting levels of libido, and the necessity to forgive, Gungor proves that the key to marital bliss is not romance or destiny -- it's work and skill. Couples need to work hard at maintaining their relationship and to have the skills to pull it off. The longer spouses wait to learn these skills, the greater their chance of wanting to bail, yet Gungor makes it easy for couples to bring their relationship to the next level. **Hay mucho mas sobre El secreto** *Thomas Nelson Inc* There is More to the Secret An Examination of Rhonda Byrne's Bestselling Book 'The Secret' *Thomas Nelson* Is it possible to believe in both God and the law of attraction? Isn't this all just some New Age, "power of the mind" thing? If the law of attraction works, why isn't it in the Bible - or is it? Questions like these are being asked by people around the world after reading the best-selling book, **The Secret**. According to the law of attraction, you can have virtually anything desired if your mind is trained to put out continual thoughts to attract it into your life. In this deeply compelling work, Ed Gungor seeks to establish a more complete and accurate representation of the power of the mind by explaining the role that God plays in the equation. This book is not written to attack but rather to examine what the author believes is misguided advice while still speaking to the heart-felt need that is causing so many to explore this ancient practice. Some of his views may surprise you. There is more to the story that must be told. **The Strategy of Willow Creek Community Church A Study in the Sociology of Religion The Power of Mentoring Shaping People Who will Shape the World** *Moody Publishers* **The Power of Mentoring** is a groundbreaking guide for mentoring the next generation of Christian leaders. The reality is that many of us are fully aware of the qualities of a good leader. Book after book in the pastoral community may light the path to good leadership but rarely gives us the markers that allow us to discern if we are still moving in the right direction. **Big Results: Leadership** tackles that obstacle by guiding our future leaders in their early steps but also points to the “results” of that kind of leadership. The main take away from this read is that God-centered leadership always yields big results. **The Mingling of Souls God's Design for Love, Marriage, Sex, and Redemption** *David C Cook* The Song of Solomon offers strikingly candid—and timeless—insights on romance, dating, marriage, and sex. We need it. Because emotions rise and fall with a single glance, touch, kiss, or word. And we are inundated with songs, movies, and advice that contradicts God's design for love and intimacy. Matt Chandler helps navigate these issues for both singles and marrieds by revealing the process Solomon himself followed: **Attraction, Courtship, Marriage ... even Arguing.** The Mingling of Souls will forever change how you view and approach love. **What Your Kids Are Up to and in** *Fleming H Revell Company* Uses results of a student survey to help parents raise their children with Judeo-Christian values that are not necessarily supported in the school environment **Eu. Tu. Noi. Planul lui Dumnezeu cu privire la dragoste, casatorie, relatii intime si rascumparare** *Scriptum* Cel mai intelept om care a trait vreodata a vorbit mult despre dragoste. A venit vremea sa-l ascultam. Cantarea lui Solomon este cea mai impresionanta, candida si celebra expresie a prieteniei, curtarii, casatoriei si intimitatii intr-un mod placut lui Dumnezeu, prin urmare, haide s-o ascultam! Sentimentele fluctueaza atat de usor de la o singura privire aruncata pe furis sau o atingere, la un sarut sau chiar la rostirea unui singur cuvânt. Desi pare sa existe o dorinta profunda de a afla care este cea mai potrivita abordare a relatiilor dintre un barbat si o femeie, ne lovim de atat de multa confuzie, suferinta si teama cauzate de esecurile in relatiile de prietenie si cele sexuale. De aceea, Matt Chandler a ales sa scrie aceasta carte pentru a te ajuta sa navighezi prin aceste etape de la celibat la casatorie, parcurgand acelas proces pe care Solomon insusi l-a urmat: atractie, prietenie, curtare, casatorie ... chiar si divergente, pentru a te bucura de rolul pe care ti l-a incredintat Dumnezeu. **Eu. Tu. Noi.** iti va schimba pentru totdeauna perspectiva si modul de abordare al dragostei. Matt Chandler este pastor la The Village Church din Dallas Fort Worth. Pe langa rolul de pastor, Matt este implicat in plantarea de biserici pe plan local, dar si la nivel international, si de curand a fost ales presedinte al organizatiei „Acts 29”, organizatie care in ultimii zece ani a ajuns sa cuprinda peste 400 de biserici din Statele Unite ale Americii si din afara lor. Cea mai mare bucurie a lui, pe langa Isus, este Lauren, sotia lui, si cei trei copii ai lor, Audrey, Reid si Norah. **Cuprins Multumiri Introducere 1 Atractia 2 Prietenia 3 Curtarea 4 Clopotele de nunta 5 „Si cei doi vor fi un singur trup” 6 Cearta-te cinstit 7 Lemne pe foc 8 „Nu plec nicaieri” Concluzie Build Your Walls! Guard Your Gates!** *Xulon Press* Kientz unlocks the book of Nehemiah to show how the story has much to teach about courage, leadership, faithfulness to God's call, sexual purity, and more. (Christian) **The Mingling of Souls (Dua Jiwa Menjadi Satu) Rancangan Allah bagi Cinta, Pernikahan, Seks, dan Penebusan** *Literatur Perkantas Jatim* **ORANG PALING BIJAK YANG PERNAH HIDUP DI DUNIA INI MEMILIKI BANYAK CERITA YANG BISA DIKATAKAN TENTANG CINTA. MUNGKIN INI WAKTUNYA UNTUK KITA MENDENGARKAN** Kitab Kidung Agung menawarkan wawasan yang jujur dan abadi tentang cinta, pacaran, pernikahan, dan seks. Kita sangat membutuhkannya. Karena emosi manusia dengan mudah naik dan turun dengan pandangan sekilas, sentuhan, ciuman, atau kata-kata. Dan dunia kita dibanjiri oleh berbagai lagu, film, dan nasihat yang bertentangan bahkan merendahkan rancangan Allah bagi cinta dan keintiman. Matt Chandler membantu mengarahkan berbagai pokok persoalan ini bagi mereka yang masih lajang maupun yang sudah menikah dengan mengungkapkan proses yang dijalani oleh Salomo sendiri: Daya Tarik, Berkencan, Pernikahan ... bahkan Konflik. **The Mingling of Souls** akan mengubah cara pandang dan sikap Anda tentang cinta dari perspektif kekekalan selamanya? **Cumulative Book Index A world list of books in the English language. Dr. Thompson takes a closer look at what God's Word really has to say about prosperity. How does God define it? Is it wrong? Who can have it? Is it wrong to desire it? Those and many more questions are answered in this dynamic book. In this revealing new book, Dr. Robb Thompson brings many truths to light, including 24 indispensable keys to living a debt-free life and: How success begins with an accurate perspective of God. Then this book is for you. **Courageous Leadership** is Bill Hybels' magnum opus, a book far too important to be written before its time. Only now, after nearly thirty years leading his own church from a handful of people with a burning vision into a globe-spanning kingdom force—only after almost three decades of victories and setbacks, of praying hard and risking big—is Hybels ready at last to share the lessons he has learned, and continues to learn, about Christian leadership. Too much is at stake for you not to maximize your spiritual gift of leadership, insists Hybels. In this passionate, powerful book, he unpacks the tools, tasks, and challenges of your calling. You'll find those topics in here, to be sure. But beyond them, you'll find the very essence of one of today's foremost Christian leaders—his fervent commitment to evangelism and discipleship and his zeal to inspire fellow church leaders even as he seeks to keep growing as a leader himself. If unchurched people matter to you . . . if you love seeing believers serve passionately with their spiritual gifts . . . if God's heartbeat for the church is your heartbeat as well . . . then this book is a must. **Courageous Leadership** will convince you to lead with all your might, all your skill, and all your faith. Now, in **Religion in the Oval Office**, Smith takes on eleven more of our nation's most interesting and influential chief executives: John Adams, James Madison, John Quincy Adams, Andrew Jackson, William McKinley, Herbert Hoover, Harry Truman, Richard Nixon, George H. W. Bush, Bill Clinton, and Barack Obama. Drawing on a wide range of sources and paying close attention to historical context and America's shifting social and moral values, he examines their religious beliefs, commitments, affiliations, and practices and scrutinizes their relationships with religious leaders and communities. The result is a fascinating account of the ways in which religion has helped shape the course of our history. From John Quincy Adams' treatment of Native Americans, to Harry Truman's decision to recognize Israel, to Bill Clinton's promotion of religious liberty and welfare reform, to Barack Obama's policies on poverty and gay rights, Smith shows how strongly our presidents' religious commitments have affected policy from the earliest days of our nation to the present. Together with **Faith and the Presidency**, **Religion in the Oval Office** provides the most comprehensive examination of the inseparable and intriguing relationship between faith and the American presidency. This book will be invaluable to anyone interested in the presidency and the role of religion in politics. **Disruptive Witness Speaking Truth in a Distracted Age** *InterVarsity Press* What should Christian witness look like in our contemporary society? This will require a transformation of health systems away from disease based curative models and towards the provision of older-person-centred and integrated care. It will require the development sometimes from nothing of comprehensive systems of long term care. It will require a coordinated response from many other sectors and multiple levels of government. And it will need to draw on better ways of measuring and monitoring the health and functioning of older populations. These actions are likely to be a sound investment in society's future. A future that gives older people the freedom to live lives that previous generations might never have imagined. The World report on ageing and health responds to these challenges by recommending equally profound changes in the way health policies for ageing populations are formulated and services are provided. As the foundation for its recommendations the report looks at what the latest evidence has to say about the ageing process

noting that many common perceptions and assumptions about older people are based on outdated stereotypes. The report's recommendations are anchored in the evidence comprehensive and forward-looking yet eminently practical. Throughout examples of experiences from different countries are used to illustrate how specific problems can be addressed through innovation solutions. Topics explored range from strategies to deliver comprehensive and person-centred services to older populations to policies that enable older people to live in comfort and safety to ways to correct the problems and injustices inherent in current systems for long-term care.
