A Man's Guide Through Divorce

iUniverse Don't live through divorce by yourself, because you're not alone. Over 1,000,000 people divorce annually in the United States. This leaves approximately 500,000 men each year searching for answers and guidance. The author is a regular middle-class guy who chose to do something positive with his divorce; to turn tragedy into triumph. Now every man can benefit from Joe's nearly two years of research, his interviews with over two hundred men, and his own personal experience. Men are often banished by the stereotype of being insensitive womanizers. Nothing could be further from the truth. Men are emotional, men are sensitive, and men are affected by divorce in ways that are traumatic to our very heart, mind, and soul. This book specifically details: Understanding what went wrong Healthy ways to accept responsibility without beating yourself up Advice to help the children adjust while becoming a great single parent Strategies to make it through the dark days of emotional depression Re-entering the dating world in a way that best fits each individual And so much more Take the time to live and learn from your divorce so you can embrace the far better life that awaits you!

Silent Running

Our Family's Journey to the Finish Line with Autism

Triumph Books Running is a way of life for the Schneider family, but for them, it's about much more than fitness and competition. **Silent Running: Our Family's Journey to the Finish Line with Autism** is the story of how running saved their lives. At 21 months old, identical twin brothers Alex and Jamie were diagnosed with autism. It was 1992, a time when autism was far from a household word, before online autism forums and advocacy groups even existed. Robyn and her husband Allan were heartsick, but determined to find a cure for their sons, and thus their journey into the world of autism began. But soon it was clear that both Alex and Jamie had severe autism and would most likely not be cured. In **Silent Running**, Robyn Schneider takes readers on an intimate journey from a double diagnosis of autism, through many years of heartache, to a place of joy. **Silent Running** is a story of unrelenting love, of parents who never stop chasing after the silver lining, intent on finding happiness for their sons. And find happiness they do—in running. In Schneider's moving memoir, readers see Alex and Jamie transformed through running, their lives enriched. And eventually they reach a place where running, rather than autism, defines them. Along the journey, both Robyn and Allan face their own personal challenges. Allan begins running to help manage his symptoms of multiple sclerosis, and Robyn, while undergoing chemotherapy for breast cancer, laces up her own running shoes, determined to run her way to recovery—for her family and for herself. And she hasn't stopped. Despite their

incredible daily challenges, Alex and Jamie have now run in almost 150 mainstream races, including nine marathons. And Robyn and Allan have been right there, either cheering for or running alongside their sons. In *Silent Running*, Robyn Schneider shares her family's remarkable story of triumph in the face of enormous hurdles, and the passion that has fueled their fight. It is an extraordinary and ins

Move the Finish Line

A Healing Journey of Pain and Purpose

This is my story. My personal story of the sudden and devastating ending of my marriage and my journey of getting through the pain and back to my purpose. This book is not about overcoming failed marriages. It is about overcoming any failures and disappointments you may be facing or will face in the future. Because you will. Whether it is in your career, your relationships, or your finances. Whether it is self-inflicted or life just gets the best of you. I hope that by sharing my 12-month journey of healing after divorce, you will have the courage to move the finish lines in your life and come out healthier on the other side.

An Unexpected Finish Line Leaves a Unique Legacy

One Persons Short Journey Impacts the Journey of Many

"Engineering, at it's core, seeks to leverage a deeper understanding of God's physical creation for some useful purpose." Penned by Dr. Kenneth Johnson, those words reflect the unwavering commitment of a Renaissance man whose life was committed to serving Christ and bringing hope to those in need. Dr. Kenneth Johnson left significantly more than a tragedy behind him when he left this world in November 2013 at the age of 43. In the words of Dr. John C. Bowling, President of Olivet Nazarene University (O.N.U.), "Ken was deeply faithdriven and a tremendous professor who inspired greatness from his students and everyone around him. He was respected and loved by all who knew him." Dr. Johnson cooperated with God's direction in his adventures, and as a result God was able to use him He was selfless, willing to serve, loving, wise, passionate, extremely fun and a radiant of Christ. His infectious personality inspired others to believe in themselves. The ultimate mark that Dr Johnson was and will always be unforgettable for is by the measure he is missed. On his journey, his song was one of joy and purpose. This fascinating book details the journey of Ken the Missioner, a Man Worth Knowing (family man, missions trip leader, CEO, Marine, etc.). The question we pose is "What Will Your Legacy Be."

Sketch and Finish

The Journey from Here to There

Design legend Milton Glaser demystifies his creative process in this thoughtful collection of illustrations showing his journey from sketch to finish. Glaser is a truly multidisciplinary designer working in exhibition, interior, and product designs. *Sketch and Finish* features a variety of projects, from little known to iconic, including the logo. Glaser writes, "The tentativeness in the act of sketching is crucial. Doubt is essential. If you already know the answer before you start, why bother? Conviction is the killer of imagination." He illuminates the crux of each work with grace and a timeless mastery of craft.

Let this book give you a secret weapon disguised as 78 cards. Vision boards can be created. Outlines defeated. Your own creative voice comes out loud and clear. - Learn How Mapping The Hero's Journey Works - Use Tarot In A Completely New Way - Finish Your Book

An Arctic Boat Journey

In the Autumn of 1854

The Arctic Boat-journey in the Autumn of 1854. Edited, with an Introduction and

Notes, by Dr. Norton Shaw

Are We There Yet?

Journey Into the Presence of God

Tate Publishing Did you know God has a secret place? He does, and he wants you to learn the way into the secret place of the Most High. In "Are We There Yet?" Sarah Ramsey uncovers an ancient path in the Tabernacle of Moses that reveals the pattern into God's presence. Though the journey is simple, many people do not know how to get there. Let's make the journey together! It is simply not possible to take this journey incrementally and progressively and not 'get there'; our arrival being understood as a renewed sense and awareness of God's own manifested presence...After having read Sarah's book, the sense of the manifest presence of the Lord has increased in a way that I have long desired. Sarah really does take you there. Bob and Judith Mumford, International Bible teacher and author In a time when mankind has apparently lost his mooring to anything steadfast and absolute, "Are We There Yet?" comes along. Every Christian worker serious about their service for the gospel should add this foundational work to their library. Joe McGee, President Joe McGee Ministries Faith For Families Our hope and trust is that this in-depth examination of the pathway into the presence of God will inspire many to begin and complete this valuable journey "and then to abide in His presence. Dick Leggatt, President Derek Prince Ministries Sarah has a contagious love for Christ and His presence and walks intimately with Him. Her personal prayer life is honored and emulated by others. Pastor Eddie Turner, First Assembly of God, Cookeville, Tennessee"

Newsweek

A Roundabout Journey

Deals chiefly with France, Italy and Spain.

No Ordinary Journey

Xlibris Corporation Americans in the 1960s were affected by many revolutions that would change the course of history in America. There was musical revolution, sexual revolution, social revolution, educational revolution, racial integration, race riots, and the effects of the Vietnam War. For a young black man like Nathan Summerdale, many of these changes had not yet reached the small city of Sarasota. Nathan knew that in order for him to experience these exciting changes, he had to leave his small community of Newtown.

Life Is a Journey, Finish Strong by Faith

Xulon Press This book is an in-depth verse by verse look at Hebrews 11 to encourage a Christ-pleasing journey by faith through the examples of Old Testament saints. Life is about a journey and not a sprint that cause one to burn out. Life is about learning and growing in Christ. Life is about faith that impacts others for Christ. Life is about being empowered by the Holy Spirit to succeed on your journey. Life is about connections: to God, family and believers of all generations. I encourage you to finish strong your journey for Christ which only comes by faith. Dr. Will Langstaff Jr. is the founding pastor of The Servant House, a church in Lewisville, TX. Founded in 1999, The Servant House was envisioned to be a multicultural church reaching its community and the world for Christ. At the core of the church is strong biblical teaching, discipleship and fulfilling the Great Commission. The Servant House has helped plant 22 churches in four nations and started a Christian school for poor children in Sierra Leone. Pastor Langstaff is a graduate of the University of Arkansas at Monticello with a bachelor's degree in General Business, a MPA from Troy State University, University of Southern California, Angeles University doctorate in leadership and a Th.M. from Dallas Theological Seminary. He is a retired Lt Col from the United States Air Force where he flew the F-4 fighter jet and commanded at various levels. He is

married to Abby. They have three adult children and eight heartwarming grandchildren.

A Journey

The Autobiography of Apolo Anton Ohno

Simon & Schuster The autobiography of the controversial young American who won gold and silver medals in speed skating at the 2002 Winter Olympics.

Ending a Broken Journey

CreateSpace A childhood crush who moved away. An adult love that shattered her world. Twenty-seven year old Mackenzie Tillson hasn't been living for quite some time, rather, just existing. Life is passing her by and even with the love of her friends and family she can't quite seem to snap out of the disconnected bubble she has created around her. Moving day by day as a shell of a person who once knew what it meant to live. Until one day, the boy who first had her heart comes back. With a vengeance...Drew Dean has been apart from the girl he loved all of those years ago for far too long and now that fate has provided them with a second chance, he will make it clear to her that she is, and always has been the one for him. But what Drew discovers in the process, is Mackenzie may just end up being completely unreachable. Is it possible to get through to someone who has no intentions of ever letting anyone in again? Can a person find their way through the darkness and emptiness they've created? For Mackenzie, trudging along in life alone is where she feels she deserves to be. But will she find it in her to fight and break the barrier of the internal distorted view she has of herself? Or will she let everyone and everything slip away? As Mackenzie tries to piece together the remnants of her shattered existence, she inadvertently discovers life, love and loss are one in the same. A hopeful journey to be taken with an ending to fill the emptiness she's carried for too long. *This book contains adult situations and some explicit language.*

An Infinite Journey

Growing toward Christlikeness

Ambassador International After we've come to faith in Christ, God leaves us in this world for a very clear purpose: his own glory. But how are we to glorify God for the rest of our lives? The Bible reveals that God has laid before every Christian two infinite journeys which we are to travel every day: the internal journey of growth into Christlike maturity, and the external journey of worldwide evangelism and missions. This book is a road map for the internal journey, laying out how we are to grow in four major areas: knowledge, faith, character, and action. In this book, we'll learn how God grows us in knowledge, faith, character, and action. We'll also discover that spiritual knowledge constantly feeds our growing faith, faith will transform our character, our transformed character will result in an array of actions more and more glorifying to God, and our actions will feed our spiritual knowledge. This upward spiral will lead us to become more and more like Jesus Christ in holiness. And not only will this book help us understand Christian growth in detail, it will also give us a passion to grow every day for his glory.

Information Design

Research and Practice

Taylor & Francis Information Design provides citizens, business and government with a means of presenting and interacting with complex information. It embraces applications from wayfinding and map reading to forms design; from website and screen layout to instruction. Done well it can communicate across languages and cultures, convey complicated instructions, even change behaviours. Information Design offers an authoritative guide to this important multidisciplinary subject. The book weaves design theory and methods with

case studies of professional practice from leading information designers across the world. The heavily illustrated text is rigorous yet readable and offers a single, must-have, reference to anyone interested in information design or any of its related disciplines such as interaction design and information architecture, information graphics, document design, universal design, service design, map-making and wayfinding.

Journey to the West Valley Wall

Tellwell Talent Science fiction writer Jack Van Horne has been struggling with an increasing case of Agoraphobia for about the past ten years. This mental affliction makes him powerless to leave his current surroundings of the street his apartment is situated. His doctor has tried many types of medication with zero effect to break him from his self-imposed prison. The impact of his mental illness prevents Jack from finishing the final book of his space fantasy series, which has increased the psychological strain on his well being. Jack's editor believes he is just suffering from writer's block. However, Jack knows that he isn't well and that people are dismissing his mental illness as a genuine illness. When Jack is tasked with watching his niece for two days out of the sanctity of his safe zone surroundings, his journey begins to the West Valley Wall. In Jack's mind, this adventure will either aid in his sanity or cement his demise.

Lulu.com

Akabish's Long Journey

Virtualbookworm.com Publishing Akabish felt that there was one last web that she had to spin and it wasn't in the manger where she had lived all of her very young life. She was compelled to take a long journey to finish what she has started so many years ago. Come with her on this journey and she the wondrous things she saw along the way and at the journey's end. Akabish's story is one of warmth and giving to be enjoyed by all. ABOUT THE AUTHOR After the success of "Akabish's First Christmas," Mr. Bradford felt compelled to finish the saga and write "Akabish's Long Journey." His gift to his family and all of you would not be complete without it. Like his first book, this one was written in less than three hours. "Once I started writing, I couldn't stop. The words just flowed out of me and onto the page. I had to finish the story in one sitting." Saydee and I hope that you enjoy the story as much as we did creating it. ABOUT THE ILLUSTRATOR This is Saydee Lanes' second book for Mr. Bradford . Her art work, in collaboration with another talented illustrator, has brought the pages to life with vivid colors and the warm expressions of all of her characters. She has expanded her career into other artistic endeavors. Saydee has been selected to participate in a national ad campaign. She also has some of her art work in the world famous Heard Museum. After graduation, she plans to attend one of the nation's top art schools to study animation.

Starting to Finish

A Doctoral Journey

WestBow Press Working on a doctoral degree can be an insightful, engaging, and inspiring experience—but it can also be difficult. Coursework can demand months—if not years—of your time, deadlines can seem overwhelming, and writing a dissertation can feel like a monumental challenge. **Starting to Finish** is designed for anyone who desires to complete their own doctoral journey. If you are early in the process, then you are working through coursework and readying yourself for the experience that lies ahead. If you are already working through the dissertation process, then you may need encouragement, which **Starting to Finish** is sure to provide. Author Yolanda Stokes, EdD, shares both practical dissertation-writing advice and biblical wisdom that can help you as you embark upon one of the most significant challenges of your life. “Not unlike building a house, you must do so on solid ground so that as the waves beat vehemently against your house, you can withstand the trials and challenges that await you.” Matthew 7:24-27 NKJV

The Joychiever Journey

Evade Burnout, Surpass Your Goals and Out-Happy Everyone

James House Media You've done everything right-attended a good school, landed a great job, bought things to fill your life, earned promotions, and maybe even became the boss. You've achieved success. All of that hard work has paid off. And you're happy...aren't you? Sometimes the hardest goal to achieve is a rich, happy life. Finding the balance between the nonstop parade of accomplishments and a joy-filled life can feel like a finish line you may never cross. Like you, founder and speaker Tracy LaLonde was a stressed overachiever-until she took those skills and unapologetically aimed for happiness. In **The Joychiever Journey**, Tracy shares her comprehensive roadmap to uncovering your True Self and living a joyful life that is expressly yours. In this book, you will garner a deeper understanding of yourself by exploring the 7 True Self Stops that include: Simple ways to channel your strengths to invite more joy into your 9-5 workday. Less stress, better sleep, and more effective exercise to boost your daily happiness. The secret to healthy aging, reducing anxiety, and healing after adversity. Guilt-free ways to prioritize "me-time" every day to help you replenish, recharge, and thrive. How to retrain your brain towards positivity and transform from an overachiever to a Joychiever. Change your life and make joy a regular mandate rather than a reward after finishing everything on your to-do list. **The Joychiever Journey** is your practical guide to dealing with stress, discovering what makes you happy, and striving for both joy and success-and enjoying the journey along the way.

The Journey Home

Finishing with Joy

Thomas Nelson "I have been asked if I have any last words before God calls me to a new assignment, and I do" Bill Bright said months before his death. At the time, facing an incurable disease, pulmonary fibrosis, his initial response was, "Thank you, Lord." His doctor believed he was in denial, but Bright's determination to declare the faithfulness and sovereignty of God for the rest of his days remained firm. His preparation for leaving this earth is chronicled in this surprisingly optimistic, encouraging book. Despite great suffering, Dr. Bright displayed unflinching courage and wrestled along with readers over troubling questions and intensifying his gaze on eternity. And as he experienced the nearness of death, Bright was able to write with unswerving confidence, "Four realities are more clear than ever: God is real, His promises are true, life is an exciting though brief adventure, and heaven is our home."

The Journey of Hope From Tragedy to Triumph

AuthorHouse The Journey of Hope - presents the authors struggles to uncover personal history long hidden by the Tennessee Childrens Home Society (TCHS). Beginning chapters describe why she was taken from her mother and handed over to Georgia Tann at TCHS in 1936 at the age of four. Early memories include riding in the "big black car" that took her from Memphis to Odessa, Texas to a family that added the name Patricia and gave her a new life. In 1987 she decides to confront her past and search for her birth parents and the truth behind her legal abduction and illegal adoption. What she discovers is both joyous and harrowing. She tells of the process of finding siblings and visiting the graves of her parents and Tann. Her work discusses her rejuvenated commitment to God and faith and how she forgave Tann who sold children for profit and the judge that facilitated her efforts. Crafted from personal experiences, this is a moving account that has a strong authorial voice that resonates throughout. The work is confidently written, drawing the reader into the fabric of the story. The pain and emotion is subtly woven into the richly textured narrative, making for affecting reading. From Tragedy to Triumph explores how her devotion has guided her through the emotional process and helped her see the hope in an unfortunate situation.

Silent Journey

Red Chair Press Scott Schroeder dreams of a day when he and his father can have a home of their own. Following an accident that took his mother's life eight years before, doctors discovered Scott was suddenly deaf. Blessed with being an accomplished gymnast and skilled at signing and reading lips, Scott's biggest challenge is convincing others he is able to do all the same things as those in the hearing world. Picking up on conversations he observes along the way, Scott figures out a big family secret concerning his father and uncle and makes his mind up to play a part in their reconciliation.

Valiant Journey

AuthorHouse VALIANT JOURNEY AN ACTION PACKED DRAMA, CRAMMED WITH CONSPIRACY, DANGER, AND SUSPENSE. THIS ENERGY- FILLED PLOT WILL DRAW YOU INTO THE ACTION. Brian, a brilliant scientist, is run off the road, badly injured, and taken to a nearby hospital only to be operated on by a naturalized Iranian brain surgeon who inserts a chip into his brain to steal the secrets about the laser project he has been working on at the Livermore Laboratories. Realizing something sinister was happening to him, Brian bolted from the hospital with a section of his skull still missing. By then, the FBI became involved and attempted to thwart the conspiracy, but in doing so they endanger Brian's life. This suspense-filled plot continues to unfold, requiring his brother to choose between living a quiet life or joining the fracas to rescue his brother from eventual death by the Iranians.

Ending Marriage, Keeping Faith

A New Guide Through the Spiritual Journey of Divorce

Wipf and Stock Publishers One of the very few books that speaks knowledgeably and compassionately about both spiritual and psychological aspects of divorce, Ending Marriage, Keeping Faith is an invitation to experience even the pain and confusion of divorce as a spiritual journey rather than an absolute ending. Thousands of readers have said that this book was the one thing they read that gave them both understanding and hope in the dark hours of their divorce experience. Dr. Nichols challenges much of the conventional wisdom about divorce, both religious and psychological, building the case that divorce can be a growth pilgrimage with a fundamental spiritual direction, reassuring landmarks, companionship along the way, and finally a safe ending. J. Randall Nichols' book is one of the fruits of his own painful but re-creative divorce experience, and he has written it to provide the kind of hope, insight, and guidance he could not find elsewhere to others like himself.

Journey from Kilimanjaro

iUniverse This book is about the youth, schools, places, and ideas that significantly deepen my life. It examines insights, philosophies, and observations that I read, question, seriously investigate, and live. The students in the classroom can be natural inquirers who through connections they discover make sense of the world and the things and ideas they pursue and question. These students, just as humankind from its beginning journey and exploration, use a fundamental approach to observe, investigate and probe to understand the world. This is the source of our human depth and learning.

From Thought to Finish

A Writer's Journey

Scarborough, Ont. : Thomson Nelson By the authors of the popular *Class Act*, *From Thought to Finish* expands on the active, audience approach defined by their previous title. With engaging new readings, stimulating pedagogy and balanced grammar review this text encourages students to think of writing not just as composition but as communication. The text also acknowledges that today's students have access to unprecedented amounts of information and that the key to knowledge and success depends on logical and critical thinking and the creative use and communication of information. To this end, the pedagogy surrounding the readings reinforces logical thinking and argumentation.

Taking the Journey

Penguin Random House New Zealand Limited Kelvin Cruickshank's most uplifting book yet looks at how connecting with spirit can help you in your everyday life. 'Nothing hurts quite like the pain of losing someone you love. But what if I told you it's possible to visit this incredible place called heaven and hang out with those you've lost? Heaven, or the afterlife, is right here, at the end of our fingertips. It's all around us, and that's where our loved ones are, all around us.' Smile, laugh and cry with Kelvin Cruickshank, celebrity psychic medium and author of bestsellers *Walking in Light*, *Bridging the Gap*, *Finding the Path* and *Inside the Medium*, as he sheds light on what he has learned from spirit about the journey each and every one of us is on. Life and death - what's it all about? Why do bad things happen to good people? What happens when someone has a near-death experience? What are the important lessons we're here to learn? Kelvin answers these questions, and more, as he shows that connecting with spirit can produce a life filled with love, hope and happiness. Also available as an eBook
