KEY=ANSWER - MACK PRECIOUS

FINANCIAL & MANAGERIAL ACCOUNTING

Cengage Learning Give your students a solid foundation in core accounting concepts while helping learners develop a true appreciation for why accounting is important to business and a prosperous society. Warren/Reeve/Duchac's **FINANCIAL AND MANAGERIAL ACCOUNTING, 14E** clearly demonstrates how accounting is much more than simply data and black and white rules. Instead, students see how accounting provides key information used to make critical business decisions. A new chapter schema provides context for how each chapter's content fits into the big picture. The book focuses on why accounting is important and consistently reinforces connections to the big picture by connecting journal entries to the accounting equation. Fresh organization progresses from the simplest to the more complex topics with reorganized and fully integrated coverage of the new Revenue Recognition standard, reorganized coverage of adjustments, and reorganized managerial accounting chapters. FINANCIAL AND MANAGERIAL ACCOUNTING

THE BASIS FOR BUSINESS DECISIONS

"As our eyes are drawn upward to the skyline of great cities, it's important to remember that these impressive constructions are able to reach such heights only because their foundations are strong. In much the same way, being successful in the business world begins with fundamental courses like financial and managerial accounting. It is only when students have a firm grasp of concepts like the accounting cycle and managerial decision making that they have a base on which to stand, a strong foundation on which to grow. In this edition, as before, the Williams team has revised the text with a keen eye toward the principle of helping students establish the foundation they will need for future success in business. However, through new coverage of International Financial Reporting Standards and a revised globalization chapter, the Williams book also introduces students to larger themes and evolving concerns. This dual emphasis allows students to keep their eyes trained upward even as they become solidly grounded in accounting fundamentals"--

ACCOUNTING

Cengage Learning With a firm understanding of the changing needs of students, **ACCOUNTING, 23e**, leads students to accounting mastery using an integrated learning system. INTERMEDIATE ACCOUNTING

John Wiley & Sons Intermediate Accounting by Donald Kieso, Jerry Weygandt, and Terry Warfield has always been, and continues to be, the gold standard. Through significant updates, the 18th Edition presents a refreshed, accessible, and modern approach with new perspectives that help connect students to the what, the why, and the how of accounting information. In the intermediate accounting course, it can be difficult for students to understand the technical details and retain and recall core course topics. To move beyond basic understanding, students work through new integrated practice right at the point of learning and high-quality assessment at varying levels, helping them to learn concepts more efficiently and create connections between topics and real-world application. Throughout the course, students also work through various hands-on activities including Critical Thinking Cases, Excel Templates, and Analytics in Action problems, all within the chapter context. These applications help students develop an accounting decision-making mindset and improve the professional judgement and communication skills needed to be successful in the profession. With Intermediate Accounting, 18th Edition, you will be able to spark efficient and effective learning, help create the bridge to student success, and inspire and prepare students to be the accounting professionals of tomorrow.

7 SECRETS TO INVESTING LIKE WARREN BUFFETT

Scribner A clear, simple, and complete guide for beginning investors from bestselling author Mary Buffett and Sean Seah that explains Warren Buffett's techniques of Value Investing and his proven strategies to ensure long-term success. For twelve years, Mary Buffett was part of the Buffett inner circle. During that time, she studied Warren's investment strategies and techniques and observed his habits. Now, in 7 Secrets to Investing Like Warren Buffett, Mary and Sean Seah provide a complete guide for beginning investors who want to understand how to invest like Warren Buffett. Mary and Sean walk readers through the process of assessing and buying stocks step-by-step. Their friendly and direct style and concrete examples make it easy to understand how to avoid common pitfalls and prosper in the stock market. The first section of the book discusses habits to adopt to begin a lifelong journey of wealth building. The second section examines specific stock-picking techniques inspired by Buffett's teacher Benjamin Graham and that are vastly different from the common Wall Street wisdom of trying to time the market. The authors look at timeless principles as well as latest ideas on where to find great investment ideas, and they share the specific financial indicators they look for in a good investment. Finally, Mary and Sean explain how to build and track a portfolio of stocks. From learning how to read financial statements to preparing both personal and professional balance sheets, 7 Secrets to Investing Like Warren Buffett is a must-have companion for every investor. Simple questionnaires, charts, and graphs help illustrate specific strategies. The authors' personal stories provide a clear explanation of the theory behind Value Investing, as well as advice for developing the necessary "soft skills"—habits, mindset, loving what you do, taking care of your mind and body—that have made Warren Buffett and many others so successful.

THE ACCOUNTING GAME

BASIC ACCOUNTING FRESH FROM THE LEMONADE STAND

Sourcebooks, Inc. "Fantastic Learning Tool...Don't let this book title fool you. It is not an oversimplification of accounting and financial principles. It is, however, a serious and very effective examination of a very small but progressively complex business. There are not many books available on the market that make a complex and dry subject understandable and even fun. This book successfully does just that." -Amazon Reviewer The Clearest Explanation Ever of the Key Accounting Basics The world of accounting can be intimidating. Whether you're a manager, business owner or aspiring entrepreneur, you've likely found yourself needing to know basic accounting...but baffled by complicated accounting books. What if learning accounting could be as simple and fun as running a child's lemonade stand? It can. The Accounting Game presents financial information in a format so simple and so unlike a common accounting textbook, you may forget you're learning key skills that will help you get ahead! Using the world of a child's lemonade stand to teach the basics of managing your finances, this book makes a dry subject fun and understandable. As you run your stand, you'll begin to understand and apply financial terms and concepts like assets, liabilities, earnings, inventory and notes payable, plus: --Interactive format gives you hands-on experience --Color-coded charts and worksheets help you remember key terms --Step-by-step process takes you from novice to expert with ease --Fun story format speeds retention of essential concepts --Designed to apply what you learn to the real

world The revolutionary approach of The Accounting Game takes the difficult subjects of accounting and business finance and makes them something you can easily learn, understand, remember and use! "The game approach makes the subject matter most understandable. I highly recommend it to anyone frightened by either numbers or accountants." -John Hernandis, Director of Corporate Communications, American Greetings
