### MOMMY GOES TO WORK

---

More than 70 percent of women with children under the age of 18 work. And that's why I found it so astounding that when I searched for a book that explained to my toddler what I was doing all day after he was peeled from me, crying, at daycare, I couldn't find a thing. There was plenty out there about separation anxiety or going to school, but so little about what mommy did when she disappeared for the day. I had grown up without a role model for a working mother myself. Raised by a wonderful stay-at-home mom, I worried that I wouldn't know how to reconcile my career ambitions with my love for my family. Like many moms dissatisfied with what is available to them, I decided to make my own, and that's when I created Mommy Goes to Work. My goal is twofold: to facilitate the conversation between mother and child about what we moms are doing all day long in a relatable way, and to help employers signal to their employees that their workplace is family-friendly by giving them a copy of this book. I envision Mommy Goes to Work as a building block in your relationship with your child and with your colleagues and tribes. I hope it provides a conversation starting point where you can share with your little one the important things that you do all day when you're not with them--a foundation to be an incredible working mom role model. And I hope that it allows you to find your tribe of fellow working moms who will welcome you with open arms.

### FAR FROM BLISS

---

*DLZ Entertainment* Shattered by the past Michael Novak was a US Marshal with his whole life figured out. Right up until the woman he called partner betrayed him. He's been hiding in Bliss, CO, trying to pull himself out of the darkness. The only bright light is Lucy Carson. Something about Trio's favorite waitress calls to him, but he can't trust his instincts anymore. Yearning for the future Lucy has loved Tyler since they were kids, but he never seemed to feel the same way. She worried she would never want a man the way she does Ty, and then Michael grumbled his way into her world. Beyond the broody exterior she sees a burning fire in his eyes, and she is drawn to that flame. The time is finally right Ty knows Lucy is the one for him, but Lucy wrote him off romantically long ago. If he could get her to see him in a different light, he knows she would realize that they're perfect for each other. His obstacle is the town's reclusive former lawman, Michael. But this is Bliss. A rival can turn into a partner for the right woman. And Lucy is definitely the right woman. Ty approaches Michael with a plan to get Lucy between them. A bargain is made, and Lucy is their target. But Lucy is already in much more dangerous crosshairs. Murder has come to Bliss, and Lucy is at the center of the investigation.

### TWO SIERRA

---

*iUniverse* The words of the Dean of Students echoed in his mind like a message of doom. "Well, Mr. Brady, I'm sorry to have to tell you this, but you still didn't make it." At first, there had been that brief moment of shocked disbelief. Surely, he had thought, he's not really saying this. But then, the awesome finality of the pronouncement hit him. He had botched his second and final attempt to score high enough on the English comprehensive exams to graduate. The realization that he would now never get his degree from Princeton stunned him. It was as if he had been dealt a vicious physical blow. How was he going to face the embarrassment and the shame of forever having to explain how he had completed four years in this place and had nothing to show for it? But, more immediately-and far more distressing-

what was going to happen when he told his father? The news could lead to another stroke. Walter had never felt so devastated and alone. Pummeled by even further misfortune and tragedy, Walter, in a make-or-break attempt to get his life back on track, takes an extraordinary gamble-he embarks on the long and daunting quest to become a naval aviator.

## **KIDS DESERVE IT**

---

### **PUSHING BOUNDARIES AND CHALLENGING CONVENTIONAL THINKING**

---

What if learning was exciting? What if students felt important and empowered every time they walked into the building? What if parents looked forward to calls from their children's teachers and principals, instead of cringing when the school's number popped up on their phones? To Todd Nesloney and Adam Welcome, those aren't far-fetched what ifs; they can (and should) be a reality for every teacher, school, parent, and student. In *Kids Deserve It!*, Todd and Adam encourage you to think big and make learning fun and meaningful for students. While you're at it, you just might rediscover why you became an educator in the first place. Learn why you should be calling parents to praise your students (and employees). Discover ways to promote family interaction and improve relationships for kids at school and at home. Be inspired to take risks, shake up the status quo, and be a champion for your students. #KidsDeserveIt

## **THE ACCIDENTAL TIME TRAVELLER**

---

*Floris Books* Winner of the Scottish Children's Book Award 2013 Younger Readers (8-11 years) category. I'm not mad, ok? I know this sounds off the wall, but I was just walking to the corner shop and this girl almost got hit by a car. She grabbed hold of me and told me her name's Agatha Black and she's here from the past. At first I thought she was nuts but maybe it's true. She doesn't get traffic, she's freaked out by photos and she's terrified of TV. And she knows about the past -- body snatchers, making fires, and pet monkeys. Her dad does a bit of time travel. But obviously, he's not very good at it. I mean, he got her lost. Now it's me that has to get her back ? to 1812!

## **DIANETICS**

---

### **THE MODERN SCIENCE OF MENTAL HEALTH**

---

Albert Einstein said: We are using only 10% of our mental potential. Dianetics tells you how you can free a significantly larger part of your potential. Self confidence, harmonic relationships and a positive attitude towards life can absolutely be achieved. It makes Positive Thinking a reality. You can achieve your goals with more certainty if you are able to find the cause of upsets, unwanted reactions or emotions. The human mind is not a mysterious puzzle - impossible to resolve. Read and work with Dianetics, see how it works for you and make up your own mind. The book gives a clear description of what is happening in the mind and explains a practical method, enabling you to explore your own subconscious, and rid yourself of what holds you down, resulting in increased IQ and well-being. Watching the DVD called 'How to Use Dianetics' along with the book is recommended to have a visual illustration of the concepts and the practical application.

## TESTIMONIOS: STORIES OF LATINX AND HISPANIC MATHEMATICIANS

---

*American Mathematical Soc.* **Testimonios** brings together first-person narratives from the vibrant, diverse, and complex Latinx and Hispanic mathematical community. Starting with childhood and family, the authors recount their own individual stories, highlighting their upbringing, education, and career paths. Their particular stories, told in their own voices, from their own perspectives, give visibility to some of the experiences of Latinx/Hispanic mathematicians. **Testimonios** seeks to inspire the next generation of Latinx and Hispanic mathematicians by featuring the stories of people like them, holding a mirror up to our own community. It also aims to provide a window for mathematicians (and aspiring mathematicians) from all ethnicities, with the hope of inspiring a better understanding of the diversity of the mathematical community.

## CREATIVITY IN THE DIGITAL AGE

---

*Springer* This edited book discusses the exciting field of Digital Creativity. Through exploring the current state of the creative industries, the authors show how technologies are reshaping our creative processes and how they are affecting the innovative creation of new products. Readers will discover how creative production processes are dominated by digital data transmission which makes the connection between people, ideas and creative processes easy to achieve within collaborative and co-creative environments. Since we rely on our senses to understand our world, perhaps of more significance is that technologies through 3D printing are returning from the digital to the physical world. Written by an interdisciplinary group of researchers this thought provoking book will appeal to academics and students from a wide range of backgrounds working or interested in the technologies that are shaping our experiences of the future.

## MIDST THE WILD CARPATHIANS

---

*Publio Kiadó Kft* **Before us lies the valley of the Drave, one of those endless wildernesses where even the wild beast loses its way. Forests everywhere, maples and aspens a thousand years old, with their roots under water; magnificent morasses the surface of which is covered, not with reeds and water-lilies, but with gigantic trees, from the dependent branches of which the vivifying waters force fresh roots. Here the swan builds her nest; here too dwell the royal heron, the blind crow, the golden plover, and other man-shunning animals which are rarely if ever seen in more habitable regions.**

## PSYCHOGEOGRAPHY

---

*Bloomsbury Publishing* Provocateurs Will Self and Ralph Steadman join forces in this post-millennial meditation on the vexed relationship between psyche and place in a globalized world, bringing together for the first time the very best of their 'Psychogeography' columns for the *Independent*. The introduction, 'Walking to New York', is both a prelude to the verbal and visual essays that make up this extraordinary collaboration, and a revealing exploration of the split in Self's Jewish-American-British psyche and its relationship to the political geography of the post-9/11 world. Ranging from the Scottish Highlands to Istanbul and from Morocco to Ohio, Will Self's engaging and disturbing vision is perfectly counter-pointed by Ralph Steadman's edgy and beautiful artwork.

## THE POWER OF NUNCHI

---

## THE KOREAN SECRET TO HAPPINESS AND SUCCESS

---

*Random House* 'A must-read for anyone interested in the art of intuitively knowing what others feel.' Haemin Sunim, author of *The Things You Can See Only When You Slow Down* and *Love for Imperfect Things* 'A lovely book to have in your home and your lives.' Chris Evans, *Breakfast Show* \_\_\_\_\_ Nunchi (noon-chee): eye measure. The subtle art of gauging other people's thoughts, and feelings in order to build trust, harmony and connection.

\_\_\_\_\_ Why did she get promoted? Why does the party only start when he walks in? And why do they always catch the bartender's eye? It sounds like they're all experts in the art of nunchi, even if they don't know it. Nunchi is the guiding principle of Korean life, but anyone can use it: it's the art of reading a room, your way of understanding what other people are thinking and feeling, and using that to get ahead. Korean parents believe that teaching their children nunchi is as important as teaching them to cross the road safely. With great nunchi, it feels like the world is on your side. Without it, you might get hit by something you never saw coming. If you're thinking 'not another Eastern fad, Marie Kondo already made me throw half my clothes away', don't worry: it's not a fad. Koreans have been using nunchi to overcome slings and arrows for over 5000 years. The great news is that anyone can hone their nunchi, immediately: all you need are your eyes and ears. In everything, from finding love to excelling at work, improving your nunchi will help you to open doors you never knew existed. Improve your nunchi, improve your life.

\_\_\_\_\_ 'Whip-smart, hilarious, and filled with eye-opening insights on every page.' Amy Chua, author of *Battle Hymn of the Tiger Mother* 'Beautifully written and filled with actionable advice . . . It really feels like having a

superpower!' Héctor García, co-author of *Ikigai: The Japanese Secret to a Long and Happy Life* 'Nunchi is the Korean superpower you need now' *Evening Standard* 'We could all help ourselves by practising the ancient art of Nunchi' *The Times*
