The Forgotten Jesus and the Trinity You Never Knew

Wipf and Stock Publishers This book presents a dynamic picture of Jesus and relates this picture to Jesus' fundamental and underlying relationship with his Father through the Holy Spirit. The concrete expression of that relationship in Jesus' life, ministry, death, and resurrection is presented in a unified manner, avoiding the pitfall of majoring on only one of these aspects. This holistic and dynamic picture of Jesus in intimate fellowship with his Father through the Spirit gives the readers a valuable glimpse into the mystery of the Trinity and invites them to reflect on what it means to follow Jesus as individuals and as communities in the context of the twenty-first century with its many challenges.

Questions about Jesus Christ

The 100 Most Frequently Asked Questions About Jesus Christ

WestBow Press For centuries, the life of Jesus Christ has divided human history into two eras: the before and the after. Who He is, what He said, what He did, and what was done to Him—these are, without a doubt, among the most dissected, discussed and debated subjects ever. Jesus fielded many questions. Some were from sincere seekers of truth; others were from devious manipulators of truth: “Which is the great commandment in the Law?” “What must I do to inherit eternal life?” “Why do your disciples break the tradition?” “Who gave you this authority?” Often, Jesus answered a question with a question. Jesus’ skill went beyond rhetoric to challenge ideas, inflame faith, and spur action. Jesus asked the rich young ruler, “Why do you call me good?” When questioned about taxes, Jesus held up a coin and asked, “Whose likeness and inscription is this?” Before revealing His divine identity to the disciples, He asked them, “Who do you say I am?” The answer to that question makes all the difference. This book is full of questions about Jesus. The answers are based on what Jesus said about Himself and what the Holy Spirit inspired the biblical writers to record.

How to Overcome the Spirit of Fear

Walk out the Danger of Terror & Fear on Earth & Escape Hellfire!

AuthorHouse In this book, Evangelist Ella Knight shares the deep, dark valleys of life that God allowed her to travel through. From a rough marriage, severe financial struggles, vicious attacks by evil workers and more, she shares the experiences that almost caused her to go over the edge. But even more, this book is a guide to overcoming the spirit of fear with which Satan wants to suppress us all. Evangelist Knight couldnt understand why our All Wise and Almighty God Jehovah allowed her life to be so hard, difficult and fearful, until the Lord spoke and said unto her You cant lead where you havent been, you cant teach what you dont know and you cant share what you havent experienced. Therefore, she had to go through the obstacles and be attacked by the demons, devils and evil spirits that our Heavenly Father allowed to be laid in her path, to draw her closer to Him. Now she is able to understand, identify and

help His people as they go through the attacks that they don't understand. This minister of God never imagined that life could be so fearful, hard, miserable and difficult until God allowed her enemies to come upon her to chase her into the Potter Hands. Now she can't believe the faith and bravery that God has planted in her and the peaceful, prosperous and joyful spirit that now lives within her. In this book, the author shares that journey from fear to fearlessness.

Giving Christianity Back to Agape Love

A New Paradigm for Being Church Together

LifeRich Publishing How could a church that has been plagued by anti-Semitism, the killing of the Crusades, and the violence of the Inquisition (to name a few) be redeemed of these evils? Quite simply, it has always returned to Jesus. When you return to Jesus, you return to the heart of his message: agape. Agape is a Greek word in the New Testament referring to a love that is without limits and beyond conditions. Agape is the love that God has for us, and that we are called to have towards one another. This book centers around this one assumption: God loves us unconditionally. Our task- individually and as communities- is to be instruments of that love. This book reenvisioned traditional Christian beliefs- including sin, the Bible, salvation, homosexuality, pluralism, Jesus, and atonement theology- through the lens of agape love. What would the Christian life look like if we embodied the good news in community as contemplatives in action? In a time when churches are dying and failing, giving Christianity back to agape love has the power to bring life into a religion that feels old, worn out, and over-institutionalized. To return Christianity to Jesus is to give the church universal back to a love that is boundless, free, and unconditional; to a love that finds its heart in service, peacemaking, and radical transformation; to a love that will set the world on fire.

God's Absence and the Charismatic Presence

Inquiries in Openness Theology

Wipf and Stock Publishers The author's theological inquiry is intended to raise questions of interpretation within the camp of openness theology and to direct a discussion on the implications of this movement for the charismatic/Pentecostal community. Open theism or openness theology affirms that the universe is open, the future is not settled, God is essentially relational love, and the risks of love and the threats against it are real. The author digs deep into this area of doctrine in order to question how far openness theology is willing to go. Is it only the future that is open to God, or are there perhaps unknown aspects to the past and present as well? What does God know about sin, and when does he know it? Is it possible for God to be totally absent from a person's life or even from an entire nation? If God can be absent, can he also be exceptionally present in the lives of believers? What would the divine presence and the charismata (spiritual ministries) look like in an open universe?

Devotions for the Wounded Heart

WestBow Press When Jesus Christ began His earthly ministry, He first went out and got baptized and was then led of the Holy Spirit into the wilderness, and there was tempted by the Devil. Then, in the power of the Spirit, He began teaching in the synagogues. When He came to His hometown of Nazareth and went to church on the Sabbath and stood up to read, the elders delivered the book of Isaiah to Him, and He opened the book to the place where He read these

words: "The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, To preach the acceptable year of the Lord." Luke 4:18-19 (KJV) Jesus chose this passage of Scripture because it was known to be a prophecy of the coming Messiah, and it is a concise outline of the purpose and ministry calling of our Lord. The Holy Spirit living in the hearts of every born-again Christian is working to fulfill this Scripture for us all. Jesus Christ by the Spirit is also drawing all people to Him for their salvation through the measure of faith which our loving Father God has given to every person. It is will of God that no human being perish but that everyone would come to repentance. It is therefore His will that we all hear and respond to the gospel, that our broken hearts be healed, that the chains of our captive bondage be broken, that our physical and spiritual eyes be opened, and that every bruise and wound we carry be healed. That is the theme, calling, and purpose by which this daily devotional has been inspired to be written. The Word of God is clear in that our heavenly Father wants all people to accept His salvation, but just as true, He wants all to be healed and delivered. It is my prayer that this devotional will be used of the Lord to help accomplish this work in your lives.

Understanding the Trinity

What it means to be a God fearing, Jesus loving, Spirit filled Christian and why you should not take your salvation for granted.

Outskirts Press Understanding the Trinity. All three major religions identify with the God of Abraham. They differ in their understanding of Jesus. However, one God in three persons is found throughout both Old and New Testament. Getting to know God is critical for understanding the Bible. Yet, it seems that many people have not studied this thoroughly, and have questions like: • Is Jesus truly God? • If so, how, or why is Jesus the Son of God? • If Jesus knew everything as God, why did he pray? • If Jesus is God could he have ever sinned? • What makes God the Father

different? • What or who is the Holy Spirit? This book answers all of those questions and more. When people ask, “Does Jesus love me?” The answer is yes, Jesus loves us all, but this love is conditional. The ways that Jesus loves us are from his own words and covered in the section Jesus-loving. How Jesus loves us was demonstrated when he sacrificed his life for us so that we might receive forgiveness and the promise of eternal life. However, not all will be saved. There is only one way to heaven, and the Bible says it is appointed for everyone to die once, then face judgment. (Heb 9:27) So, there will come a judgment day, and whoever rejects Jesus will not have eternal life, because God’s punishment will remain on them (Joh 3:36) The Bible also says many will abandon the faith. (1 Ti 4:1) This book will help you become more secure in your faith by getting to know God in the Old Testament and knowing Jesus through the Old and New Testament as the Trinity is explained. There is a spiritual battle going on, and our eternal destiny is at stake. Satan would like to separate you from God and one method is tempting you to doubt. Beginning in Genesis 3 when tempting Eve, he asked, “did God really say_____?” Since then, Satan has continued to insinuate we should doubt what God has said, or that he can be trusted. You may have heard, or even repeated some of the following statements, that presumably originated with Satan, the father of lies. • Why would a loving God let bad things happen to good people? • Hell does not exist. Why would a loving God send people to hell? • You do not really believe that Jesus is the only way to God, do you? That is narrow minded. What about other spiritual leaders like the Buddha, or Muhammad? • What about the people who never heard about Jesus? When tempted by Satan, Jesus quoted the Bible to refute him. You need to be prepared to do the same. This book is for everyone—because most do not study the Bible. Seemingly, many Christians either just listen to sermons or only sporadically read the Bible. Others may read the New testament but skip the Old thinking it is not relevant anymore or find it difficult to understand. However, we must consider the Bible as a whole to fully appreciate God. To make it easy, this book is written so you can skim, scan or study like speedreading. It includes verses and references to Scripture throughout. It is like going through the Bible in chronological order. As you grow in your knowledge about the Father, Son, and Holy Spirit you will find the Bible much easier to understand and draw nearer to God.

HOW I MET GOD?from Islam to Jesus

WestBow Press In the corners of every culture lurk stories of tragedy and triumph. How I Met God ... from Islam to Jesus describes a captivating story of H. J. Trinity's tumultuous yet courageous journey from Iran to America, and from Islam to Christianity. H. J. Trinity was a Muslim woman born in the heart of the Middle East, who always felt insignificant, empty, and displaced by the strictness of Islam, her unloving family, and a morbid culture. Those negative forces ultimately left her with an aching void that plagued her entire life. One night, due to a personal tragedy that left her emotionally paralyzed, she lost all hope and faith in God. But that same night, her void was filled when she personally met Jesus, who then introduced her to God for the first time. And from that moment on, she continued to water the seed of happiness that God had planted in her heart. Her personal conviction, led by Jesus,

propelled her to succeed in staving off all fears deriving from family, religion, and culture. Her philosophy and core beliefs have always been to live for love, health, and wealth. After witnessing many miracles, meeting Jesus face to face, and most importantly, having a direct relationship with God, she was inspired to share those experiences with the rest of the world. *How I Met God ... from Islam to Jesus* also shares how she communicates with God directly without following any rituals of religion, culture, or family. You will learn how her new revelation served as her armor against an extremely racist culture, how she was finally able to find peace and harmony through pain and discord, and how she lives her life today.

Jewish-Christian 2000 Years War Against Jesus Christ

Xlibris Corporation Noticing how the world today is sinking into darkness as it did many times before through its history, seeing how the Muslims are working hard against the message that Allah sent, how Christian created their own preaching and faith, how the Jews worked all of their lives against the LORD and the men that the LORD sent. Mohammad Fawzi saw the need to do something, and this book is the first of many he is working on in hope he may be able to correct the mistakes done today from all the beliefs, he will also deal with the darkness of the Atheists. In a world full with darkness and evil done against the LORD, the need for those who have the truth is increasing, not the false truth some claim to have, but the genuine truth that is supported with solid proofs and convincing evidence. It is time for those who can do something to step up.

Christological Anthropology in Historical Perspective

Ancient and Contemporary Approaches to Theological Anthropology

Zondervan Academic What does it mean to be “truly human?” In *Christological Anthropology in Historical Perspective*, Marc Cortez looks at the ways several key theologians—Gregory of Nyssa, Julian of Norwich, Martin Luther, Friedrich Schleiermacher, Karl Barth, John Zizioulas, and James Cone—have used Christology to inform their understanding of the human person. Based on this historical study, he concludes with a constructive proposal for how Christology and anthropology should work together to inform our view of what it means to be human. Many theologians begin their discussion of the human person by claiming that in some way Jesus Christ reveals what it means to be “truly human,” but this often has little impact in the material presentation of their anthropology. Although modern theologians often

fail to reflect robustly on the relationship between Christology and anthropology, this was not the case throughout church history. In this book, examine seven key theologians and discover their important contributions to theological anthropology.

Christ In Our Midst

The Fruits the Gifts and the Charisms of the Holy Spirit

Covenant Books, Inc. This book was written to help me understand what the "fruits and the gifts of the Holy Spirit" are and what they were supposed to mean to me, and how to use them in my life. The more that I discovered and shared with others, the more that I understood that I was to share this knowledge with all who have this same hunger. The "fruits of the Holy Spirit" given to us as a grace from God in our baptism are what molds us into the image and likeness of God (Genesis 1:26). The "fruits" are the personality of Jesus when He lived on earth. Jesus gives us the example-with His very life! It is important for us to be fruitful and multiply physically for life to carry on, but it is spiritual fruitfulness that will change the world! We each have an intricate role to fill-whether single, married, laity, religious, man, woman, child, adult-God created each of us for a specific purpose. And He gives us the tools to do our work! They are the gifts of the Holy Spirit that are listed in (Isaiah11:2-3). The most known charismatic gifts are listed in (1 Corinthians chapters 12-14), but this is not all there is. "To each one is given a manifestation of the spirit for the common good" (1 Corinthians 12:7). When we use a charism to help another person, our Isaiah "gifts" come forward within us, and as that happens the fruits of the Holy Spirit pour out of us as a grace from God, that is how we share the love of God with another. God doesn't make cookie cutter Christians! He tailor-makes each individual for a special ministry to help our Church grow! Can you believe it? God wants us to fulfill a portion of His plan designed to bring all people to eternity with Him! Writing this book has helped me understand the simplicity of how the fruits, gifts, and charisms work together to build up the kingdom of God.

How Jesus Became God

The Exaltation of a Jewish Preacher from Galilee

Harper Collins New York Times bestselling author and Bible expert **Bart Ehrman** reveals how Jesus's divinity became dogma in the first few centuries of the early church. The claim at the heart of the Christian faith is that Jesus of Nazareth was, and is, God. But this is not what the original disciples believed during Jesus's lifetime—and it is not what Jesus claimed about himself. **How Jesus Became God** tells the story of an idea that shaped Christianity, and of the evolution of a belief that looked very different in the fourth century than it did in the first. A master explainer of Christian history, texts, and traditions, Ehrman reveals how an apocalyptic prophet from the backwaters of rural

Galilee crucified for crimes against the state came to be thought of as equal with the one God Almighty, Creator of all things. But how did he move from being a Jewish prophet to being God? In a book that took eight years to research and write, Ehrman sketches Jesus's transformation from a human prophet to the Son of God exalted to divine status at his resurrection. Only when some of Jesus's followers had visions of him after his death—alive again—did anyone come to think that he, the prophet from Galilee, had become God. And what they meant by that was not at all what people mean today. Written for secular historians of religion and believers alike, *How Jesus Became God* will engage anyone interested in the historical developments that led to the affirmation at the heart of Christianity: Jesus was, and is, God.

The Trinity

Getting to Know the Tri-Union God

Christian Faith Publishing, Inc. The Trinity was written as a principal guide for those who are seeking to discover God in three persons. It is a book to be used as a reference for those who are looking to prove God's existence as a Holy Tri-Union Spirit. The Trinity are three Gods in one, three individual persons, uniquely inseparable, lording over all creation. Throughout the book, you should have a clear understanding that the Trinity is God the Father, God the Son, and God the Holy Spirit. A time line of how and when Jesus Christ became the Son of God and His roles before and after such a high honor could even be considered by the Father. This book will explain how the Holy Spirit is not just a Spirit

but a person and the third member of the Trinity. The Holy Spirit's role as God will be displayed throughout the entire portion of the book. This book will explain and make clear that you cannot enter the kingdom of heaven without the whole Trinity's involvement. Salvation is lost without the blood of Jesus Christ. Salvation is lost without the power of the Holy Spirit. And the Father considers salvation unattainable when you reject His Son, Jesus, as your Lord and Savior; likewise, when blaspheming of the Holy Spirit, the only unforgivable sin, the same Spirit of God that raised Jesus from the dead. Each individual of the Trinity is God, and all three together are God.

A Biography of the Holy Trinity and Man

Xulon Press If you're like most people you have questions about God that are difficult to find answers for. But, there are answers to some of these and other intriguing, and sometimes troubling, questions about life inside this book in easy-to-understand language. This book is designed to lessen some of the mystery of God. God wants us to know more about Him and His plans for us. God wants us to know about His Son, Christ Jesus, and exactly what He did for us then and what He does for us now. God wants us to know about His power, the Holy Spirit, and what He does. God wants us to understand how we are viewed by Him and how we fit into His overall plans. He wants us to see ourselves, the condition that we have, and the position that we are in. God wants us to understand that there must be a faithful and productive relationship between Him and us if we are to please Him. And we must have a solid understanding of how that relationship itself works. It is extremely important that we know what sin is and how it affects our relationship with Him. He wants and expects us to know all these things. God has never wanted to remain a total mystery to us because we cannot serve Him if He is a total mystery. Therefore, this book explains to the undecided, enlightens the newly converted, and reinforces for those already "born again" the necessity of understanding the relationship between God and themselves. Also, you will come to know that there are choices that must be made that only you can make. But they will not be as difficult to make once you have a better understanding of the relationship between God and man.

Come Along

We are Truth-bound

Rowman & Littlefield "Come Along is an attempt to respond to the contemporary crises in the world with the intention of discovering the path to peace and happiness, which every human heart craves. Since they are seen as a consequence of being true to our human nature, answers to the perennial questions of philosophy are of paramount importance. And since the latter are rooted in and stem from the heart of reality, which from time immemorial has received irreconcilable interpretations, inquiry into reality is the major undertaking of this volume." "Jacinta Respondowska's study terminates in a system of thought. By discovering the truth of reality as well as the answers to the perennial questions regarding one's life on the one hand, and the reasons for the crises in our time on the other, those who struggle thus find the path that leads to genuine happiness." --Book Jacket.
