KEY=KRISTA - JAZMINE MANN

Barefoot Kisses Who meets Prince Charming in an elevator while carrying their broken shoe? Lena Masterson was having a rough day. Her coffee pot exploded, her favorite heel broke on the way to work, her computer died, and her coworker sabotaged her performance review that she should have aced. To top it all off, she had to stay late to fix someone else's mistake. So when she literally ran into a handsome stranger at work, she was fairly certain that it might actually be the worst day of her life. Instead, it was the start of something wonderful. From the moment she nearly bowled the man over, she couldn't take her mind off of him. She didn't know anything about him, and could only assume that he was someone's assistant. Still, the encounter left her with new self-confidence. She made a move assertive enough to get the attention of her boss' boss, and be granted a new position as the personal paralegal of the head partner. This promotion soon led to an important trip to the Caribbean, where she saw a familiar face on the beach... Everything seemed perfect when she was in Aiden's arms (other than her missing shoe), but he was holding something back. Worse, Lena was keeping a secret from him as well. She knew that she couldn't keep up her little white lie forever, but it turned out that Aiden's secret was much bigger. Much much much bigger. A billion times bigger, in fact. Even though he treated her like Cinderella at the ball, it was possible that the billionaire playboy just thought of her as one of his "flavors of the week". After saying goodbye with one last barefoot kiss and returning to the real world, there was a burning question on Lena's mind: Did this Prince Charming love her as much as she loved him? New York's most eligible billionaire bachelor Jack Saunders thought this vacation would be the perfect escape, one last hurrah, before taking full control of his father's company. When an innocent Emma didn't recognize him, he figured that he might get a chance to have a vacation from being rich. He didn't tell her about the cars, the yacht, or the penthouse. All he did was let her fall in love with him. Soon, Jack found that he was the one falling in love with Emma. When they enjoy a fantasy marriage ceremony on the beach, they thought it was a bit of harmless fun before returning to their normal lives. A bittersweet goodbye was supposed to be the end of their perfect vacation romance, but when photos of the ceremony were leaked to the press, everything changed. When I left my small hometown years ago, I never expected to come back. I certainly never expected that when I did, I'd be working for him. He's the town's doctor. He's supposed to be a respectable member of society, a pillar for the community. He's supposed to have come a long way from the bad boy who rode a motorcycle in high school. But he hasn't. One glance from those lustful eyes looking at me tells me that he has the same voracious appetites that he did when we were younger. Only it's not quite the same stare. It's more urgent. It's more intense. I'm not the same nerdy girl who tutored him. I've grown up, developed fertile curves that I know he finds irresistible. In this small town, rumors travel fast, and the family doctor can't be seen as a player. So he does try to resist. And I do too. But with every smoldering glance and moment of sexual tension, we find our barriers breaking down. After a stressful night of touch-and-go baby delivery, a moment of elation overcomes our inhibitions. It seems like maybe we'll need to confront those rumors sooner rather than later, especially before I begin to show the results of that night. Can I give this doctor the family he has always desired? *The Other Billionaire Brother* The man I love is getting married. And it isn't to me. I've been in love with Jonathan for as long as I can remember. I loved him as a girl. I loved him as a teenager. I loved him as an adult. I love him still. But he doesn't love me. How could he? He's a billionaire and I'm just the butler's daughter. But when I attend a party in my Gucci dress and fancy heels, he sees me in a whole new light. And it couldn't have come at a worse time. His high-powered wedding is in two weeks. It falls to his older brother, Christopher, to protect Jonathan from himself. As always. And this time, that means spiriting me away and tempting me with my dream job on a tropical island. Here, I learn that Christopher is so much more than I ever gave him credit for. He gets me in a way no man ever has. His body completes me in ways I didn't even know possible. And the way he looks at me makes me think he could be the one. I've always been in love with Jonathan, but now that I've been with Christopher, I find I can't choose. Some people go their whole lives without finding one love of their life. Now I have to decide between two. *Dirty Deal Waterfall Kisses* "Every fantasy..." he gasped. "Every single one was nothing compared to that..." When Charlotte Page first met Leo Westbrook, she was a shy, skinny teenager on the verge of becoming a woman. The moment the naked, chiseled Adonis mistakenly walked into her room, she was lovestruck. Leo was perfect in her eyes, and he proved it by helping create a billion-dollar business with Charlotte's brother. Even before he became a billionaire, Leo always had women throwing themselves at him. But the only woman he really wanted was the one he couldn't have. Because Charlotte was his best friend and business partner's little sister, he couldn't afford to let her get too close. Yet he found himself unable to resist her. With each passing day, her charms threatened to overcome his defenses. After a decade of being his friend's blushing, stuttering little sister, the man of Charlotte's dreams finally noticed her. After one tropical kiss and a night of passion, her fantasy finally seemed to be coming true. However, when a lie from Leo's past caught up with him, it prompted her to question everything she thought she knew about the man she loves. Leo always knew that being with Charlotte wasn't meant to be. Even if she could forgive him for his decade-long deception, he knew it would be better for her if he walked away. Yet sometimes, love is stronger than lies. At a time when the New York Yankees were in free fall, having failed to win a World Series in 17 years and had not played in one in 14 years—the Bronx Bombers' longest drought since before the days of Babe Ruth—along came four young players whose powerful impact returned the franchise to its former glory. They were a diverse group from different parts of the globe: Mariano Rivera, a right-handed pitcher from Panama, who was destined to become the all-time record holder in saves and baseball's greatest closer; Derek Jeter, a shortstop raised in Kalamazoo, Michigan, who would become the first Yankee to accumulate 3,000 hits; Jorge Posada, an infielder-turned-catcher from Puerto Rico, who would hit more home runs than any Yankees catcher except the legendary Hall of Famer Yogi Berra; and Andy Pettitte, a left-handed pitcher born in Baton Rouge, Louisiana, who would win more postseason games than any player in baseball history. Together they formed the "Core Four," and would go on to play as teammates for 13 seasons during which time they would help the Yankees advance to the postseason 12 times, win the American League pennant seven times, and take home five World Series trophies. This book follows these phenoms from the minor leagues to the present, detailing their significant contributions to a winning major league franchise. This 2014 edition updates readers on Jeter's struggles with injuries and recovery,

Rivera's final season, and Pettitte's and Jeter's plans moving forward. **Black Ice** [Simon and Schuster](#) Britt goes hiking in the Grand Tetons of Wyoming with her ex-boyfriend Calvin, but trouble arises when she is caught in a blizzard, taken hostage by fugitives, finds evidence of murders, and learns whom to trust and whom to love. **Think Like a Monk Train Your Mind for Peace and Purpose Every Day** [Simon & Schuster](#) Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk. **Fire Always Burns** Fire always burns. Three friends just have to make sure that it doesn't burn them. Three Mothers How the Mothers of Martin Luther King Jr. , Malcolm X and James Baldwin Shaped a Nation [William Collins](#) 'A fascinating exploration into the lives of three women ignored by history ... Eye-opening, engrossing'

Brit Bennett, bestselling author of The Vanishing Half In her groundbreaking debut, Anna Malaika Tubbs tells the incredible, moving story of three women who raised three world-changing men. Language, Normativity and Europeanisation Discursive Evidence from the Eurovision Song Contest [Springer](#) This book focuses on linguistic practices of identity construction in a popular culture media context, the Eurovision Song Contest. Subscribing to a normativity-based approach to critical discourse analysis, it studies Europeanisation as it surfaces at the discursive interface of European, national and sexual identities in Eurovision lyrics and performances. Research in critical discourse analysis that deals with Europeanisation, or the discursive work involved in European identity formation, has so far mainly studied data from EU political contexts that illustrate a top-down approach to what Europeanness means. The present book complements this earlier research in several ways, focusing on the linguistic construction of identities, and its interrelation with non-linguistic modes of signification in the Eurovision Song Contest. Discursive mechanisms that prove to be central for the normative shifts of Europeanisation in the given context are de-essentialisation, inclusion, camp, crossing and languaging.

It was the one rule he had to break. Maximoff Hale is a force of nature. A ship unwilling to be steered. Headstrong, resilient, and wholly responsible — the twenty-two-year-old alpha billionaire can handle his unconventional life. By noon, lunch can turn into a mob of screaming fans. By two, his face is all over the internet. Born into one of the most famous families in the country, his celebrity status began at birth. He is certified American royalty. When he's assigned a new 24/7 bodyguard, he comes face-to-face with the worst case scenario: being attached to the tattooed, MMA-trained, Yale graduate who's known for "going rogue" in the security team — and who fills 1/3 of Maximoff's sexual fantasies. Twenty-seven-year-old Farrow Keene has one job: protect Maximoff Hale. Flirting, dating, and hot sex falls far, far out of the boundary of his bodyguard duties and into "termination" territory. But when feelings surface, protecting the sexy-as-sin, stubborn celebrity becomes increasingly complicated. Together, boundaries blur, and being exposed could mean catastrophic consequences for both. **Essex Boy Last Man Standing** [Random House](#) Two films and numerous books have attempted to tell the shocking story of two of Britain's most ruthless gangs. For 20 years, the Essex Boys firm and their successors, the New Generation, controlled a lucrative drugs empire in Essex and throughout the south east of England by using intimidation, gratuitous violence and murder. Rampaging through the streets and clubland, they destroyed anything and anybody that dared to get in their way. Eventually torn apart by greed and paranoia, the gang members became victims of their own vile trade and hate-filled actions. Pat Tate, Tony Tucker and Craig Rolfe were all blasted repeatedly with a shotgun as they sat in their Range Rover down a remote farm track. Dean Boshell was lured to allotments, then beaten and shot execution-style three times through the head. Others, such as Darren Nicholls and Damon Alvin, turned Super Grass and disappeared into the witness protection scheme never to be seen again, while three other men are in prison serving life sentences. Steve `Nipper` Ellis is the last man standing, the only member to have survived the bloody reign of both gangs. In **Essex Boy**, he tells his shocking story for the first time, and reveals just how close he came to being both murderer and murder victim. **All Hands One Hundred Years of Slovak Literature An Antology****
