DANA SCHUTZ

[Rizzoli International Publications](#) New York-based Dana Schutz is widely considered one of the most talented painters of her generation. American art critic Jerry Saltz has praised Schutz for her "daredevil style and anarchic freedom." Viewed by both critics and her peers as the ultimate painter's painter, her canvases are filled with a lush, boldly painted cast of characters that share the bravado and oddness of Paul Gauguin, Philip Guston, and the German Expressionists. These figures populate the artist's distinctive post-apocalyptic narratives, which are at once playful and comic and dark and foreboding. Respected art writer and critic Barry Schwabsky considers the work of this young but prolific artist's career in its entirety, delving deep into the rich themes that make Dana Schutz one of the most important artists of her generation.

THINGS FALL APART

[Penguin UK](#) Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.

SEASONS OF LOVE

AUTUMN'S STORY

[Createspace Independent Publishing Platform](#) There are seasons to this thing called love, and everyone has a purpose in your life. Some stay, and some go. Some are there to test you, some to teach you, while others are there to love you unconditionally. Ka'ron had been in love with the lovely Autumn Hart since they were kids. Valuing their friendship and respecting their families bond, Ka'ron buried that love and never acted on it. They're both now grown and living two different lives, but Ka'ron still can't shake the love he has for Autumn. There's just one problem: she was in a relationship with another man. Autumn was living life and loving every minute of it. She might only be twenty-one, but she knew what she wanted out of life, and one of those things was to one day be Mason's wife. She was convinced that the smart, sexy, track star was indeed the one for her. Then, Ka'ron

changed the course of her life one day by professing his love for her and was determined to show Autumn that she had been with the wrong man. Even though Autumn was still with Mason, she found herself giving into Ka'ron and allowed him to pull her into his world of love. A world that she thought she only wanted with Mason. One thing was clear to Autumn, there were two men determined to have her, but what she didn't know was that one will do whatever to make it happen. Autumn had to figure out whose love was the test, the lesson learned, or the true unconditional love.
