The Birth of The Prophet Muhammad Devotional Piety in Sunni Islam *Routledge* In the medieval period, the birth of the Prophet Muhammad (the mawlid) was celebrated in popular narratives and ceremonies that expressed the religious agendas and aspirations of ordinary Muslims, including women. This book examines the Mawlid from its origins to the present day and provides a new insight into how an aspect of everyday Islamic piety has been transformed by modernity. The book gives a window into the religious lives of medieval Muslim women, rather than focusing on the limitations that were placed on them and shows how medieval popular Islam was coherent and meaningful, not just a set of deviations from scholarly norms. Concise in both

historical and textual analysis, this book is an important contribution to our understanding of contemporary Muslim devotional practices and will be of great interest to postgraduate students and researchers of Islam, religious studies and medieval studies. *Encyclopedia of American Farm Implements & Antiques Penguin* The evolution of the modern farm Finally, an encyclopedia reference work covering American farm implements and farm-related antiques from the 1800s through the 1940s. While Laura Ingalls grows up on the prairie, Almanzo Wilder is living on a big farm in New York State. Here Almanzo and his brother and sisters help with the summer planting and fall harvest. In winter there is wood to be chopped and great slabs of ice to be cut from the river and stored. Time for fun comes when the jolly tin peddler visits, or best of all, when the fair comes to town. Almanzo wishes for just one thing—his very own horse—and he must prove that he is ready for such a big responsibility. *Farmer Boy* is Laura Ingalls Wilder's beloved story of how her husband, Almanzo, grew up as a farmer boy far from the little house where Laura lived. The nine Little House books have been cherished by generations of readers as both a unique glimpse into America's frontier history and as heartwarming, unforgettable stories. *Aseptolin Bint Arab Arab and Arab American Women in the United States Praeger Pub Text* Shakir tells the long neglected story of the bint arab--the Arab woman--in the United States.
