When Kate's friends set things up between Kate and Jackson, she expects some casual pleasure followed by a hasty goodbye, but Jackson's long-term crush on Kate means that he's in this one to win. The problem is, neither he nor Kate knows whether he can change the self-defeating habits that usually send women scurrying for the door. **Cambria Sky:** A ruined reputation. A second chance. "How Celia Changed Her Mind" and Selected Stories *Rutgers University Press*
 This anthology of fiction by Rose Terry Cooke contains eleven stories, drawn together for the first time in one volume, that reflect the whole spectrum of Cooke's career from the 1850s to the 1890s. It restores to American literature the work of a writer highly admired in her own day and increasingly recognized today as an important figure in the development of realism, the evolution of regionalism as a literary form, and the emergence of women writers in nineteenth-century fiction. Cooke's stories are rich literarily and historically; her command of dialect, ear for dialogue, dramatic sense, and ability to draw interesting, memorable characters all distinguish her work. This reissue of some of her best work represents an important contribution to the canon of American literature.
