Also includes Holiday messages and scripture messages.**

"The Church as the Image of the Trinity"

## A Critical Evaluation of Miroslav Volf's Ecclesial Model

Wipf and Stock Publishers **A resurgence of Trinitarian interest gained momentum in the twentieth century and it is showing little sign of abating in the twenty-first century. This research endeavors to critically evaluate Miroslav Volf's ecclesial model for "the church as the image of the Trinity," one that he presents with the English title, After Our Likeness. Volf proposes a social doctrine of the Trinity, one that is heavily influenced by the theological writings of Jurgen Moltmann, and he puts forward that this nonhierarchical Trinity should be reflected in the structures and theology of the church. If Volf is correct, then a radical reshaping is needed for the church to conform to an egalitarian pattern, one that is "after the likeness" (Gen 1:26) of an egalitarian God. In this critical examination, Kevin J. Bidwell begins by stating the theological influences that are pertinent to Volf's thesis in After Our Likeness and the assumptions that undergird and inform his whole theological paradigm. An important theological excursus is offered to assess the theology of John Smyth, the first English Baptist, who is Volf's representative figure for the location of his own ecclesiology, the Free Church. A critical analysis follows of Volf's engagement with his two chosen dialogue partners who represent both Western and Eastern theological traditions: Joseph Ratzinger and John D. Zizioulas. Volf presents five theses for "the church as the image of the Trinity," which could be labeled as Volf's Free Church in the image of Volf's revised doctrine of the Trinity. This monograph offers extensive insight into the contemporary debate on the doctrine of the Trinity, but it also assesses many aspects of ecclesiology from both Eastern and Western perspectives.**

## Church Signs Across America

## Sharing Your Church Building

## A Must Read for any Church Leader Considering a Church-Sharing Arrangement

Wipf and Stock Publishers **Sharing buildings with another ministry allows church members to engage other cultures, see a young ministry develop and thrive, and practice good stewardship. But these arrangements present unique challenges, too. Utility, maintenance, and renovation costs must be fairly divided. Personality differences arise and communication barriers may emerge, particularly with perceptions of turf and identity. 'Sharing Your Church Building' is a one-of-a-kind resource that will help you navigate these often unfamiliar waters and avoid potential pitfalls. It offers management insights, specific problem-solving guidelines, and strategies for preparing a congregation to share its facilities--either as a host or as a guest. It will help with establishing healthy boundaries that allow all the ministries in the building to flourish.**

## Messages from Almost Heaven

## And Other Parts of the Country

Createspace Independent Publishing Platform **Many years ago as my friend, Tommy, and I traveled around our beautiful home state, West Virginia, we often saw "messages" on the signs of churches. Beyond the beauty of the church itself, we often found comfort in the messages upon the actual church signs. After years of seeing these signs, we started to write them down. As time went on, the passion of recording these messages expanded beyond our home state of West Virginia into many parts of the country, which we gathered during our numerous travels. We hope you enjoy the messages inside this book. You may see a message that is intended just for you or others that stimulate inspirational thought or just make you smile. Enjoy!**

# The First Amendment

## Cases and Theory

Aspen Publishing **The First Amendment: Cases and Theory, Fourth Edition** is a comprehensive and up to date First Amendment casebook that covers freedom of speech, freedom of association, and religious liberties. The First Amendment: Cases and Theory, Fourth Edition, uses the case method to elucidate theory and doctrine. In an area rife with multi-factor tests, mastery of First Amendment theory and doctrine requires more than rote memorization of three- and four-part tests; it requires a firm foundation in the underlying theories and purposes that animate the Supreme Court's decisions. No less important, the casebook also includes Theory Applied Problems at the end of each major section. These Theory Applied Problems provide an easy and convenient means to assess students' mastery of the relevant theories and precedents. The editors also have included carefully targeted coverage of how other constitutional democracies, such as Canada and Germany, have reached very different conclusions regarding the scope and meaning of expressive freedom. All major contemporary free expression and religious liberty controversies receive coverage, with helpful notes to answer student questions and deepen their understanding of the subject areas. The First Amendment: Cases and Theory is a highly teachable casebook suitable for a standard three-hour survey of the First Amendment, but also for more focused courses on the Speech, Press, Assembly Clauses, and the Religion Clauses. New to the 4th Edition: Revised chapters on basic free speech doctrines including "low value" speech, content neutrality, symbolic conduct, and freedom of association Addition of recent major Supreme Court decisions on free expression, free exercise of religion, and the Establishment Clause Consideration of how social media affects freedom of expression Professors and students will benefit from: Completely revised and updated coverage - including coverage of the Supreme Court's major First Amendment decisions since publication of the Third Edition Comprehensive coverage of contemporary major free speech and religious freedom controversies that are likely to generate future landmark Supreme Court precedents in the years to come Suitable for adoption in comprehensive First Amendment survey courses as well as more narrowly focused courses on the Speech, Press, and Assembly Clauses or the Religion Clauses The perspective of Tim Zick, a noted expert on freedom of expression, as a new casebook coauthor Covers cutting edge free speech controversies such as sexting, revenge porn, racist trademarks, government speech, and student speech rights in the age of the internet Places doctrinal developments into a coherent historical narrative that shows the evolving nature of First Amendment doctrine Includes targeted coverage of free speech rules in foreign jurisdictions that have considered, but rejected, the U.S. approach in important areas such as libel, hate speech, national security, and sexually explicit speech Reorganized and updated coverage of foundational free speech and association doctrines Completely reorganized and updated coverage of the Religion Clauses Includes up-to-date coverage of the growing conflicts over religious exemptions to anti-discrimination laws for individuals, churches, and businesses. Includes dedicated coverage of the Religious Freedom Restoration Act (RFRA) and state RFRAs Presents the "Lemon," "endorsement," "coercion," and "history and tradition" tests for Establishment Clause challenges Separation of church and state cases in multiple areas from vouchers to creationism in schools to government sponsored Latin crosses to legislative prayers. Provides comprehensive coverage of the First Amendment in a casebook that can still be taught cover-to-cover in a standard three-hour survey course format without requiring the instructor to make selective coverage decisions

## Silent Words Loudly Spoken

## Church Sign Sayings

CSS Publishing Like a miniature billboard, the church sign offers an unparalleled opportunity to promote God's kingdom beyond the walls of the congregation. Thousands of cars pass each day with potential readers of its content, so the church sign has the potential to be a powerful pulpit from which silent words are loudly spoken, communicating brief but significant messages of God's love to a spiritually thirsty world. Silent Words Loudly Spoken provides a wealth of fresh and inspiring messages that will maximize the impact of your church sign. With more than 700 uplifting, thought-provoking statements conveniently formatted to easily fit most church signs, it contains enough material to last several years. A humorous but pithy "Ten Commandments for a Good Church Sign" offers plenty of specific nuts-and-bolts advice for making the most of this powerful but sometimes overlooked ministry tool: Phrases should be short enough and letters large enough for effortless drive-by reading. Messages should be changed regularly, especially date-specific ones. "In-house" announcements better suited for the church bulletin should not be wasted on a disinterested public. Give the gift of a positive, inspirational message; negative statements

turn off those the church wants to attract. David J. Claassen has been the pastor of Mayfair-Plymouth Congregational Church in Toledo, Ohio, since 1975. He is a contributing editor for his denominational magazine (The Congregationalist), and writes a weekly inspirational newspaper column. He is also the author of Object Lessons for a Year (Baker). Claassen is a graduate of Central College and Trinity Evangelical Divinity School.

## The Great American Book of Church Signs

We've all seen them. The catchy and quirky messages displayed on church marquees like: "Life is fragile. Handle with prayer." In Donald Seitz's beautiful full-color book, **THE GREAT AMERICAN BOOK OF CHURCH SIGNS**, every sign tells its own story--encouraging us to live better lives, to love more deeply, and to pray more often. And with the turn of every page, we're reminded to laugh along the way. One sign of encouragement reads: "Don't give up. Moses was once a basket case." The 100 signs featured in this book, drawn from more than a dozen denominations, cover such diverse topics as faith, forgiveness, perseverance, love and eternity. "Collectively," Seitz adds, "these signs offer one great American sermon." With his keen eye for detail, his exquisite photography, and his love for the subject matter, Seitz has created the definitive work on church signs.

## Your Church Sign

## 1001 Attention-Getting Sayings

Zondervan Signs have been almost as much a part of the modern church as the front doors. For that matter, they've been the entry into church life for countless people who have responded to their brief but cogent message. Your church sign has more potential than you may imagine -- if you're smart in using it. Your Church Sign offers you sound pointers on signage. You'll find tips on impactful sign placement, captions, themes, and how to write effective messages. And you'll get more than one thousand ready-made, eye-catching sayings. Some are humorous, some are encouraging, some are wise, some are convicting. All are designed to turn scant seconds of drive-by time into active spiritual awareness. Arranged by theme, Your Church Sign offers captions on: -Marriage and the Family - Prayer - Going to Church - Seasonal Themes - Christian Living - God in Charge - Evangelism - The Bible - Speech . . . and more. Turn to this practical, easy-to-use book for fast ideas and proven advice for helping your church sign make a difference in people's lives.

## So the Sign Said

Price World Publishing "**SO THE SIGN SAID** is a humorous young adult fiction. The novel's main character, Jordan Klein, is a precocious seventeen-year-old New York City girl who cracks wise to deal with the world around her. Her mother, Rachel, is a litigator—sharp, refined, and always careful not to spill her gin and tonic on the couch. Her father, Eli, is a professor of divinity, an unapologetic eccentric and, in Jordan's eyes, a dippy-doodling disaster. When he spontaneously agrees to pastor a church in podunk Texas for the summer, Jordan's world is turned upside down. It's not long before Jordan meets Knox, a gorgeous yet complicated mess, and Bliss, a fun-loving whimsical blonde. Through Knox and Bliss, Jordan discovers the best parts of her new summer home, including the quirky church sign outside her bedroom window. The sign offers advice, provides pun-laden humor, and has an uncanny ability to predict the future—including hers."

## Signs of the Times

### The False Messages, Half-Truths, and Poor Theology of Church Marquees

CreateSpace "Signs of the Times" is an apologetic-devotional book which takes messages from church marquees and critiques them in the light of Scripture. Drawing from theology and taking the messages to their logical conclusions, the author exposes the lack of discernment among many evangelical churches in their pursuit of sharing the gospel by foreign means.

## Virtualpolitik

### An Electronic History of Government Media-making in a Time of War, Scandal, Disaster, Miscommunication, and Mistakes

MIT Press Government media-making, from official websites to whistleblowers' e-mail, and its sometimes unintended consequences. Today government agencies not only have official Web sites but also sponsor moderated chats, blogs, digital video clips, online tutorials, videogames, and virtual tours of national landmarks. Sophisticated online marketing campaigns target citizens with messages from the government--even as officials make news with digital gaffes involving embarrassing e-mails, instant messages, and videos. In Virtualpolitik, Elizabeth Losh closely examines the government's digital rhetoric in such cases and its dual role as mediamaker and regulator. Looking beyond the usual focus on interfaces, operations, and procedures, Losh analyzes the ideologies revealed in government's digital discourse, its anxieties about new online practices, and what happens when officially sanctioned material is parodied, remixed, or recontextualized by users. Losh reports on a video game that panicked the House Intelligence Committee, pedagogic and therapeutic digital products aimed at American soldiers, government Web sites in the weeks and months following 9/11, PowerPoint presentations by government officials and gadflies, e-mail as a channel for whistleblowing, digital satire of surveillance practices, national digital libraries, and computer-based training for health professionals. Losh concludes that the government's "virtualpolitik"--its digital realpolitik aimed at preserving its own power--is focused on regulation, casting as criminal such common online activities as file sharing, video-game play, and social networking. This policy approach, she warns, indefinitely postpones building effective institutions for electronic governance, ignores constituents' need to shape electronic identities to suit their personal politics, and misses an opportunity to learn how citizens can have meaningful interaction with the virtual manifestations of the state.

## The Lost Message of the End Times

Wipf and Stock Publishers The second coming is perhaps the most confusing, controversial, and contentious of biblical doctrines. In The Lost Message of the End Times, Ian Miller guides the reader through the many Old and New Testament prophecies that speak of Jesus's return. As he does so, he brings their powerful, hope-filled, faith-inspiring, and life-changing message to life. With clear and easily understood explanations, this book will show you how the Scriptures reveal a world of promise, not fear; a kingdom present, not to come; and the powerful bride as she is, not one that needs to be raptured away.

## Endtime Messages for the Bride of Christ

## With the Biography of Bro. Paulaseer Lawrie

Partridge Publishing The Christian world is awaiting the Second Coming of Christ to take the Bride of Christ with him in glory, which we call Rapture. There are many explanations from various quarters. The First Coming of Christ is past. The Third Coming will take place when Christ, the son of David comes down on the Mount of Olives to rule the earth for a millennium. The Second Coming is on. The author Bro. Deva Evu Lawrie had had an experience of peace with God early in life at the age of eight. He had been a keen observer in the ministry of his father. He was a student of the famous Madras Christian College, Tambaram, Chennai. He became a full-time minister of religion when he was eighteen. He had been working with his dad since then. There was a great turning point when his dad, Bro. Paulaseer Lawrie, was preaching at Chicago, USA. He had a great experience of God coming down into him when man first landed on the moon on July 20, 1969. The sky opened, and he could see and feel a great and terrific power enter into his life (Luke 3: 21-22). In these pages, Bro. Deva Evu Lawrie, the author, shows that most of the prophecies and things concerning the Second Coming have been fulfilled in the ministry of Bro. Paulaseer Lawrie of India. He cites mostly from the Holy Scriptures. He wants the readers to go through the book carefully so that they do not miss the glory that God had foreordained for us in this generation. Address: Lawrie Ministries 70 Main Street Gandhinagar 827008 Tirunelveli City Tamil Nadu, India Phone: +91-462-2330770

## 101 Church Signs

### (God's Best Ad Men)

iUniverse A collection of humorous and inspirational signs found in front of churches all over our country. A tribute to pastors trying to increase their flocks and promote a Christian way of living.

## Moving the Church Into Action

## In the Beginning God Created the Country Church

## The Miracle at Marion, Texas

Wipf and Stock Publishers 'In the beginning God created The Country Church' has been written during the busy days of active growth of The Country Church in Marion, Texas. Several well known leaders in church growth requested that the history and events of The Country Church be recorded. Pastor Butch Ikels has attempted to carry this out with a three fold purpose. First and foremost, to exalt The Lovely Lord Jesus who made it all possible. Second, to inspire church planters in rural areas to trust the Lord and dare to minister outside the box. Thirdly, to encourage and edify those who serve in remote or ill-defined areas. Prayerfully, that through the pages of this book, they might see the miracle of I Corinthians 1:18-31 lived out in a congregation.

## Signs of Freedom

### Theology of the Christian Sacraments

Paulist Press **Modern secular culture has severely eroded the religious foundations on which traditional sacramental practice was based. Built upon the sacramental bedrock, the very Christian identity and mission were affected. German Martinez looks at this challenge from the perspective of freedom as an opportunity to develop a sacramental worldview relevant to the new millennium. To this effect, he applies a series of methodologies and fresh pastoral approaches to the highly complex sacramental reality and to each individual sacrament. Beginning with ten key interpretative elements, he offers a coherent synthesis of the remarkable development of sacramental theology in our time. Envisioned for both scholarly research and pastoral ministry, this book presents the key issues of a renewed sacramentality--rooted in ordinary life and celebrated in the liturgical mystery. This theology is grounded in a biblical, patristic, historical and theological background. It tries to articulate especially the Christological, ecclesial, individual and social aspects of the celebration of the sacraments as a dynamic and organic whole, emphasizing their spirituality. The material is organized into four parts: - the Sacramental Way of Life, - the Initiation and Foundational Church, - the Healing Church - the Church at the service of Communion. Highlights: - scholarly, yet pastorally sensitive - perfect text for courses on the sacraments - solid, one-volume, comprehensive text +**

## Saints Herald

### Now Open Sundays!

### A Celebration of Faith from a Church with a Message

Anova Books **Now Open Sundays!** is a quirky, joyful and funny book from Reverend Paul Sinclair. For the past twelve years, he has put up humorous church signs outside his Willesden church, grabbing the attention of passers-by - and indeed, on occasion, the media too. Each sign is a wonderfully witty and thought-provoking reminder of faith, spreading peace and love in a wonderfully eccentric way. Regardless of religion, this book celebrates and advertises faith, love and unity to all. In many ways, the signs are also snapshots of moments in time. Thanks to Dawkins et al, much attention has recently been devoted to damning the importance of religion. Now Open Sundays! is a unique and hilarious counterpoint.

## Planting Churches Cross-Culturally

### North America and Beyond

Baker Academic **Discusses how to plant new churches in North America and around the world by examining important sociological, anthropological, and historical perspectives. Focuses on church-planting methods, selecting target areas, using effective resources, and measuring growth. Also includes data on the sending church and the Christian mission and other related material.**

## Confirmation and the Charismata

Wipf and Stock Publishers **An insightful study into the relationship between the uncontrollable Holy Spirit and the liturgical right of confirmation. What is the connection between confirmation" and the charismata?"**

## Guide to Iowa Outdoor Advertising Sign Regulations

## Basic Business Principles for Growing Churches

CSS Publishing **Pastors are schooled in theology and ministry, but few receive training in the fine points of church administration. Learning how to handle a congregation's finances "on the job" can be a harrowing experience. Yet efficiently managing your church's business affairs is a key element in keeping current members satisfied with their pastoral leadership -- and in attracting the new members you need for your church to grow in size and influence. In Basic Business Principles For Growing Churches, Arnold Cirtin shares expertise gained from more than four decades of corporate and academic experience. He provides a clear and helpful primer for pastors with limited training in business administration on such practical topics as accounting, fiscal management, and marketing. This is an indispensable book for pastors of small- and medium-sized churches (who typically are also their congregations' principal financial officers), as well as for church treasurers, trustees, and other financial board members. When you follow the guidelines in Basic Business Principles For Growing Churches, your church will be fiscally responsible, managed efficiently, and able to maximize its growing stewardship of God's resources. Arnold Cirtin is professor emeritus of accounting at Ball State University, and is a certified public accountant (CPA) in the states of Indiana and California. Cirtin is the author of Principles of Accounting Study Guide, as well as numerous articles in professional journals.**

## The Sign of Jonah Reconsidered

## A Study of Its Meaning in the Gospel Traditions

Coronet Books Incorporated

## Zechariah

### The Sign of Christ's Imminent Return

Philadelphia Church of God **This prophetic book has only now been fully understood! The book of Zechariah contains prophecy about two end-time churches of God. One church is doing God's Work. It is even prophesied to build a majestic physical house for God, which is now finished, so anybody can see it. It is a symbol of fulfilled prophecy, which proves that God's master plan always prevails. That royal house is also a symbol of endless hope. God's government rules that house and is about to rule all mankind and bring us joy forever. The other church, which is Laodicean, fails in its commission to do God's Work. The key to understanding these churches is a flying scroll. It shows us what God is doing today and where it is all leading. In this booklet: • Crisis in God's Church • Zerubbabel and Joshua • Two Joshuas • The Eternal Has Chosen Jerusalem • God's Physical House Was Prophesied! • Only Nuclear Bombs Bring Repentance • The Blood Covenant • Jerusalem Violence Triggers Christ's Return! This ebook is offered completely free of charge by the Philadelphia Church of God. However, please not that Google Play will need a verified Google Wallet account which requires your credit card information. In a small number of countries, a temporary authorization of \$1 will be charged to your account but will be refunded. This refund can take up to 1 month to process.**

### The Cult Connection

### A Message to the Church of Jesus Christ: How the Church and Man Will Be Deceived in the Coming Great Apostasy

Christian Faith Publishing, Inc. **To some, this book will be an inspiration and a guide that sheds light on our current times, to others a correction and a conviction. Small it may be but powerful and direct. This book serves as a study guide for those searching for relevance between our place as Christians and the confusion and chaos of our current times. It is a call to the church and its earthly leadership to center their focus and submission to the love and authority of our Lord and Savior. It is a warning to all children of God to be wary and watchful for the signs of false teachings, prophets, and leaders. 1**

### Biblical Foundations for Baptist Churches

### A Contemporary Ecclesiology

Kregel Academic **An updated examination of ecclesiology from a Baptist perspective In this useful book, professor and former pastor John Hammett helps church leaders think through foundational questions about the nature of the church. Blending biblical teaching and practical ministry experience, Hammett presents a comprehensive ecclesiology from a historic Baptist perspective, examining crucial contemporary issues such as church discipline, the role of elders, and church ministry in a post-Christian culture. This second edition contains updates throughout, including: • Substantive changes to chapters on the nature of the church, Baptist church polity, and deacons • An expanded chapter on baptism and the Lord's Supper • A thoroughly revised chapter on church models like multisite churches and missional churches • A brand-new chapter on meaningful church membership**

### Fulfilling God's Mission

## The Two Worlds of Dominie Everardus Bogardus, 1607-1647

**BRILL** This biography recalls the fascinating life of the second Reformed minister of New Amsterdam (New York), from his mystical experience as a 15-year old orphan in Holland until his tragic death as a spokesman of the opposition during Kieft's War.

## HIEROGLYPHS OF THE PHAISTOS DISC: history and full text translation.

**Surnin Vitaly** This book is the preliminary part of a great work titled «THE BOOK OF THE EGYPTIAN: The beginning of the basic Egyptology or a key to the understanding of history, philosophy and world religion». Usually, the introduction is made in the form of a brief preface or foreword, but I got a whole book as the first step in a multi-volume publication of the study. The purpose of this specific introduction as the beginning of serious research - is right at the level of the opening to inspire a reader, showing him in a clear visual and comprehensible form, the whole true mechanism of the hieroglyphic writing. To achieve this, I will completely dispel the myth created by the modern science that hieroglyphs do not convey any meaning (of words, the whole idea), but only individual sounds (letters), or their combination (syllables). This scientific myth will be finally deprived of the status of scientific knowledge, and the translation of the Phaistos disc, on the contrary, will be clearly shown, what is called «broken apart», and will be read in the ancient hieroglyphic language united by the principle of construction - in the language of the ancient Egyptians. I can say that it will not be two simultaneously existing systems of hieroglyphs translation, as well as two Egyptologies, one will be false, and the other - true! To prove the validity of the system of translation I wanted to give you immediately not only a complete translation of the text of the Phaistos disc, where the number of occurrences of each hieroglyph is not big (1 to 19 times), but the translation of the whole ancient Egyptian writing, because the number of times it is used in there is thousands, if not even millions. And each such use of each hieroglyph is translating in the same way, so it creates the full reading of the hieroglyphic texts - writing, which will be easily read by everyone with the dictionary of hieroglyphs in the future. The main reason why I wanted to do it - is because, at first, I read the ancient Egyptian texts and only then, by chance, came across with the hieroglyphs of the Phaistos disc. But then, I decided to set a different aim - to teach the reader to think, and not just to read hieroglyphs. Since we have no ancient Egyptian temple, and you're not its novice, the method of achieving the aims will be different than in the antiquity. First of all, I would suggest not a translation of ancient Egyptian hieroglyphs, but a complete translation of the Phaistos disc, and at the same time to give them a sort of test of common sense to modern science in the face of particular academies and universities of the world. Let them answer me the question, not knowing the translations of ancient Egyptian texts, - whether they think this translation of the Phaistos disc is correct? So when I completely publish «The Book of Egyptian», it will become clear who they are and where do they lead all of you. As they always test the students, it's a time to test them as well. Will they pass the test, I do not know, but any way, you, my reader, will get to know about it, (in the main manuscript) and will be able to draw your own conclusions about their intellectual level. Therefore, I recommend you to take this message of the book, at least with the attention, because not every day the science gets a ready revelation, designed in the form of scientific study. And here the attention and common sense will help the reader to re-look the original, pure, uncomplicated meaning of the Hieroglyphs, which through the veil of delusion will finally begin to appear in their true, original and vibrant colors - and finally, get from the nether world - into the realm of the living!

## The Christian Churches and the Democratisation of Africa

**BRILL VI. Identity crisis by Desmond Tutu.**
