The Scribe Method

The Best Way to Write and Publish Your Non-Fiction Book

Lioncrest Publishing **Ready to write your book? So why haven't you done it yet? If you're like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's *Can't Hurt Me*, Tiffany Haddish's *The Last Black Unicorn*, and Joey Coleman's *Never Lose a Customer Again*. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, The Scribe Method is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.**

Bee Fearless: Dream Like a Kid

Penguin **A business memoir from fifteen year-old lemonade entrepreneur and one of TIME Magazine's Top 30 Most Influential Teens, Mikaila Ulmer, and her advice for life and business. When Mikaila Ulmer was four, she was stung by a bee--twice in one week. She was terrified of going outside, so her parents encouraged her to learn more about bees so she wouldn't be afraid. It worked. Mikaila didn't just learn what an important role bees play in our ecosystem, but she also learned bees are endangered, and set out to save them. She started by selling cups of lemonade in front of her house and donating the small proceeds to organizations dedicated to bee conservation. When she realized the more lemonade she sold, the more bees she could help, Me & the Bees Lemonade was born. Now she sells her lemonade across the country. From meetings with Fortune 500 CEOs, to securing a deal on Shark Tank, to even visiting the Obama White House, Mikaila's lemonade and passion for bee conservation have taken her far. In Bee Fearless, part memoir, part business guide, Mikaila--now fifteen--shares her personal journey and special brand of mindful entrepreneurship and offers helpful tips and guidance for young readers interested in pursuing their own ventures,**

instilling in them the bee-lief that they can be fearless and achieve their dreams too.

The Boy Who Harnessed the Wind

Young Readers Edition

Penguin Now a Netflix film starring and directed by Chiwetel Ejiofor, this is a gripping memoir of survival and perseverance about the heroic young inventor who brought electricity to his Malawian village. When a terrible drought struck William Kamkwamba's tiny village in Malawi, his family lost all of the season's crops, leaving them with nothing to eat and nothing to sell. William began to explore science books in his village library, looking for a solution. There, he came up with the idea that would change his family's life forever: he could build a windmill. Made out of scrap metal and old bicycle parts, William's windmill brought electricity to his home and helped his family pump the water they needed to farm the land. Retold for a younger audience, this exciting memoir shows how, even in a desperate situation, one boy's brilliant idea can light up the world. Complete with photographs, illustrations, and an epilogue that will bring readers up to date on William's story, this is the perfect edition to read and share with the whole family.

5 Kinds of Nonfiction

Enriching Reading and Writing Instruction with Children's Books

Once upon a time, nonfiction books for children routinely included concise, stodgy writing. Most of the books were text heavy, with just a few scattered images decorating, rather than enhancing, the content and meaning. But nonfiction has changed dramatically over the last two decades, evolving into a new breed of visually dynamic, engaging texts that delight as well as inform. The timing of these groundbreaking changes couldn't be better, as English Language Arts standards now put an increased focus on nonfiction reading and writing. For decades, we've classified fiction as a way to study, understand, and, ultimately, teach it better. However, up to now, nonfiction hasn't received this same level of intention. In *5 Kinds of Nonfiction: Enriching Reading and Writing Instruction with Children's Books*, Melissa Stewart and Marlene Correia present a new way to sort nonfiction into five major categories and show how doing so can help teachers and librarians build stronger readers and writers. Along the way, they: introduce the 5 kinds of nonfiction--active, browseable, traditional, expository literature, and narrative--and explore each category through discussions, classroom examples, and insights from leading children's book authors; offer tips for building strong, diverse classroom and library collections; provide more than 20 activities to enhance literacy instruction; and include innovative strategies for sharing and celebrating nonfiction with students. With more than 150 exemplary nonfiction book recommendations and Stewart and Correia's extensive knowledge of literacy instruction, *5 Kinds of Nonfiction* will elevate your understanding of nonfiction in ways that speak specifically to the info-kids in your classrooms, but will inspire all readers and writers.

It Ends with Us

A Novel

Pocket Books In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Under the Banner of Heaven

A Story of Violent Faith

Anchor NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America’s isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer’s book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America’s fastest growing religion, and raises provocative questions about the nature of religious belief.

The Sixth Extinction

An Unnatural History

[A&C Black](#) "Over the last half billion years, there have been five major mass extinctions, when the diversity of life on Earth suddenly and dramatically contracted. Scientists are currently monitoring the sixth extinction, predicted to be the most devastating since the asteroid impact that wiped out the dinosaurs. This time around the cataclysm is us. In this book the author tells us why and how human beings have altered life on the planet in a way no species has before. She provides a moving account of the disappearances of various species occurring all around us and traces the evolution of extinction as concept, from its first articulation by Georges Cuvier in revolutionary Paris up to Lyell and Darwin, and through the present day. The sixth extinction is likely to be mankind's most lasting legacy, compelling us to rethink the fundamental question of what it means to be human". -- Back cover.

Tuck Everlasting

Farrar, Straus and Giroux (BYR) Critically acclaimed when it was first published, *Tuck Everlasting* has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at *Tuck Everlasting* twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. Praise for *Tuck Everlasting* by Natalie Babbitt: "A fearsome and beautifully written book that can't be put down or forgotten." —The New York Times "Exciting and excellently written." —The New York Times Book Review "With its serious intentions and light touch the story is, like the Tucks, timeless." —Chicago Sun-Times "Probably the best work of our best children's novelist." —Harper's "Natalie Babbitt's great skill is spinning fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . . It lingers on, haunting your waking hours, making you ponder." —The Boston Globe "This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear." —Entertainment Weekly This title has Common Core connections.

Devil in the Grove

Thurgood Marshall, the Groveland Boys, and the Dawn of a New America

Harper Collins Winner of the Pulitzer Prize "A must-read, cannot-put-down history." — Thomas Friedman, *New York Times* Arguably the most important American lawyer of the twentieth century, Thurgood Marshall was on the verge of bringing the landmark suit *Brown v. Board of Education* before the U.S. Supreme Court when he became embroiled in a case that threatened to change the course of the civil rights movement and cost him his life. In 1949, Florida's orange industry was booming, and citrus barons got rich on the backs of cheap Jim Crow labor with the help of Sheriff Willis V. McCall, who ruled Lake County with murderous resolve. When a white seventeen-year-old girl cried rape, McCall pursued four young black men who dared envision a future for themselves beyond the groves. The Ku Klux Klan joined the hunt, hell-bent on lynching the men who came to be known as "the Groveland Boys." Associates thought it was suicidal for Marshall to wade into the "Florida Terror," but the young lawyer would not shrink from the fight despite continuous death threats against him. Drawing on a wealth of never-before-published material, including the FBI's unredacted Groveland case files, as well as unprecedented access to the NAACP's Legal Defense Fund files, Gilbert King shines new light on this remarkable civil rights crusader.

Fauja Singh Keeps Going

The True Story of the Oldest Person to Ever Run a Marathon

Penguin The true story of Fauja Singh, who broke world records to become the first one hundred-year-old to run a marathon, shares valuable lessons on the source of his grit, determination to overcome obstacles, and commitment to positive representation of the Sikh community. Every step forward is a victory. Fauja Singh was born determined. He was also born with legs that wouldn't allow him to play cricket with his friends or carry him to school miles from his village in Punjab. But that didn't stop him. Working on his family's farm, Fauja grew stronger to meet his own full potential. He never stopped striving. At the age of 81, after a lifetime of making his body, mind, and heart stronger, Fauja decided to run his first marathon. He went on to break records all around the world and became the first person over 100 to complete the grueling long-distance race. With exuberant text by Simran Jeet Singh and exhilarating illustrations by Baljinder Kaur, the true story of Fauja Singh reminds us that it's both where we start and how we finish that make our journeys unforgettable.

Capsized!

The Forgotten Story of the SS Eastland Disaster

[Chicago Review Press](#) On July 24, 1915, the SS Eastland, filled to capacity with 2,500 aboard, capsized in the Chicago River while still moored to the pier. The disaster took more passenger lives than the Titanic and stands today as the greatest loss of life on the Great Lakes. Capsized! details the events leading up to the fateful day of the disaster and provides a nail-biting, minute-by-minute account of the ship's capsizing. It also raises critical-thinking questions for young readers: Why do we know so much about Titanic's sinking and yet so little about the Eastland disaster? Why was no one ever held responsible for this catastrophe? What lessons from this disaster might we be able to apply today?
