The Sizzle Paradox

A Novel

St. Martin's Griffin The Kiss Quotient meets Love Potion No. 9 in the next sparkling romantic comedy by Lily Menon, The Sizzle Paradox. Lyric Bishop feels like a fraud - she's studying sexual chemistry in romantic partners and what makes for a successful long-term relationship, only she can't seem to figure it out in her own dating life. The science is sound, but how can she give her expert opinion with no real-world experience? In order to complete her doctoral thesis, she must crack the Sizzle Paradox - it seems the more sexually attractive she finds a guy, the less likely it is to come with an emotional connection; but why? - and to do that she must get the help she desperately needs. Kian Montgomery, her best friend, roommate, and fellow grad student, has no trouble bringing both romance and sizzle to his own relationships. When he offers to tutor Lyric on dating tactics to find a good match, she's certain it will solve her problems, and in exchange she agrees to set long-term-commitment-averse Kian up with someone different to give his romantic life a much-needed shakeup. But once the two progress with their "tutoring sessions," they start to feel less like the academic exercise they were supposed to be as real feelings develop. Which is a problem, because Lyric and Kian are best friends and absolutely, irrefutably nothing else... Right?

She works for him. He lives with me. I want them both... Alex I've got good reason to keep my mouth shut around my best friend Elliot, so when he hires the luscious Joelle Munroe to save his restaurant I can understand his hands-off frustration. But she doesn't work for me... Elliot I need a culinary genius -- Joelle needs a job. When she turns out to be sweet, smart, and sexy as hell, I can't blame my best friend for wanting her too. But Joelle wasn't there the night Alex left his bedroom door open and after what we did together... Now they're both in my head. Joelle Eyes on the prize -- get the job, get into school, get my career on track. I've got too much on the line to lose my head over my boss, or his roommate's seriously fine ass. And definitely not both at the same time. Sizzle is a full-length standalone bisexual menage romance including MF, MM, MFM, and MMF lovin'. No cheating, no cliffhangers -- nothing but the naughty good stuff!

Sizzle All Day

Bad Luck Abroad Trilogy, Book 2

Emily March Books New York Times bestselling author Emily March brings her "unique charm and delightful sense of humor" (Romantic Times) to heat up the Scottish highlands in this laugh-out-loud sequel to her delicious Simmer All Night. She needs a ghost, not a groom... Of all the castles in all of Scotland, it's Gillian Ross's bad luck to live in one that isn't haunted. The ancestral home must be sold, but the single interested buyer requires a wraith in the rafters. With her family in danger, Gillian will do anything to protect them, so she dons a disguise and sets out to haunt her home herself. Her plan might have worked, had her first tantalizing target not revealed more than she bargained for... He'd rather be dead than wed. Handsome as the devil but with a scoundrel's heart, Jake Delaney has come to Rowanclere Castle to locate a missing historical treasure, not a wife. When a gorgeous "ghost" visits his bedchamber, his curiosity--among other things--is aroused. Unaware that his probing might lead to both mayhem and marriage, he vows to discover her secrets before leaving the Highlands. His plan might have worked, too, had he not been haunted by visions of a seductive Scottish sprite and the dream that man's castle could somehow become his home.

A Hotter Than Hell Novel

Wicked Story Telling An epic mafia romance not for the faint of heart. The Hotter Than Hell series crosses the line into dark romance. The books are steamy, unethical, and HOT! Written by USA TODAY Bestselling Author Holly S Roberts. The Hotter Than Hell series is filled with violence, passion, and filthy language and is not for everyone. The heart-stopping adventure continues in SIZZLE: Alex: My life is about pain. Not my own but to the people who cross Moon, my boss and best friend. Brother would be more precise. I don't like killing from afar, it takes away the natural beauty of death. I use my hands and I make it hurt. The last thing I need is a woman in my life but Madison, Moon's woman, asked a favor. Celina: I need money and it's a matter of life and death. My brother died and left his baby with the outlaw motorcycle gang he was part of. If I want my niece and I do, I must pay or they will sell her to the highest bidder. I'll do anything including letting strange men into my bed for money. I had no idea the first man would change my life forever. What readers are saying: "Still burning hot." "Not just sizzling but scorching!!!" "Holly Roberts has turned up the "Heat" another notch!!!" Open and Unabashed Reviews on Sizzle

A Novel

Lennox In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Sizzle: A Novel." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Tips for a Modern Day Home-Maker

Stir, Sizzle, Bake

Recipes for Your Cast-Iron Skillet: A Cookbook

Clarkson Potter "There's no one better to offer instruction on how to use the most essential, versatile item in your kitchen."—Grub Street The cast-iron skillet has been a humble workhorse used for generations to crisp bacon perfectly and fry chicken; now use it to turn out tender scones, cakes, and breads. A curious home cook, Charlotte Druckman has figured out every trick for this versatile pan. Heat the skillet for a few minutes, add some butter to sizzle, and you can brown cheesy arepas, get a crunchy crust on a kimchi-topped hoecake, or blister naan right on the stovetop. Or preheat the pan in the oven and you're ready to bake no-knead pizza, the gooiest sticky buns, and even a cornflake-milk layer cake. With beautiful photographs, tips for seasoning cast iron, and info on collecting vintage pieces, this book makes cooking so much fun that your skillet will never see the cupboard. "A must-own book. Druckman's creations leap off the page, and better yet, inspire you to grab a skillet." —San Francisco Chronicle

Writing Blurbs That Sizzle--And Sell!

Make your book fly off the shelves! Are you an author who dislikes or dreads trying to write back cover blurbs for your stories, or have you started one and want help making yours sizzle with intrigue and impact? Would you like to utilize a series blurb but you're not sure where to start in covering all the books in your series in one succinct, powerful paragraph? Would you like to have a short, punchy version of your blurb that can be used in your marketing and author/series branding? Are you a publisher with a stable full of books that need blurb overhauls? Every author knows what a back cover blurb is, given its high-profile placement on the back cover of every book. At its crux, a back cover blurb strives to be a concise, breathtaking summary of the entire story that includes the major internal and external conflicts and the goals and motivations of the main character(s). Unfortunately, crafting an effectively good back cover blurb is no easy task, and many writers outright dislike writing them or dread the process because so much is at stake if the blurb fails to engage. A sizzling back cover blurb needs to convince readers they absolutely have to read the story inside the pages...or they'll set the book down without ever opening it. Additionally, a powerful series blurb can sell not just one book but all of them in that set! High-concept blurbs are necessary in every author's marketing to provide intriguing "sound bites" for books and series'. WRITING BLURBS THAT SIZZLE--AND SELL! will teach writers and publishers: The basics of blurb crafting: When to write them, how long they should be, and the three types of blurbs including back cover, series, and high-concept blurbs. Tips and tricks for crafting blurbs including worksheets and checklists to make the process foolproof. Techniques in sizing blurbs for a variety of applications as well covering the timely and viable topic of branding with blurbs. Step-by-step, do-it-yourself exercises using published works to help you develop blurb writing, revising, and evaluating skills. The genre-diverse, multi-award-winning author of almost 130 titles, including 19 series, provides an in-depth reference to all things blurbs that may help sell your books to publishers and readers alike. Karen Wiesner is the author of the bestselling FIRST DRAFT IN 30 DAYS, BRING YOUR FICTION TO LIFE: Crafting Three-Dimensional Stories with Depth and Complexity, and WRITING THE FICTION SERIES: The Guide for Novels and Novellas, all available now from Writer's Digest Books. Additionally, COHESIVE STORY BUILDING is available from Writers Exchange E-Publishing. Karen has crafted back cover and high-concept blurbs for all of her own books and series as well as those for the stories in several award-winning anthologies. She's also evaluated, revised and crafted back cover, series, and high-concept blurbs for the entire backlist of nearly five hundred books in one publisher's catalog. She runs a blurb service for authors called Karen's Blurb Service <http://www.angelfire.com/stars4/kswiesner/BlurbService.html>, where you can find more details and gain access to a massive sampling of blurbs she's written and revised in nearly every category of fiction, nonfiction, and everything in-between. You can also find more information about signing up for her blurb workshops. WRITING BLURBS THAT SIZZLE--AND SELL! is the definitive guide on how to craft back cover, series, and high-concept blurbs!

Sizzle, Not Fizzle: How to Decline Average & Embrace Exceptional

Bellona Holdings, LLC Don t settle for being average. Be exceptional! Most people want a life that sizzles and pops. Who doesn't want to make a lot of money, enjoy every day, drive a nice car, and have it all? Basic economics demonstrates that if you want something rare and valuable, you must offer something rare and valuable in return. Life is about marketing, and you are the CEO of your life. What does your product - you - demonstrate to your recruiter, boss, coworkers, and clients? Are you willing to put your mind and will to the test? Are you ready to put your ego and emotions aside? Are you ready for the reward of a career and a life that sizzles? If you aren't frustrated by mediocrity, this book is not for you. If you don't want your career and your life to have sizzle, you don't want to read this book. If you prefer average, you won't find this book helpful. But if you're looking for the sizzle, and you enjoy being recognized for being pretty darn amazing, you've found the book to electrify your life. Liz Darnell outlines the traits and tactics of a sizzler, using her background from fast food to Chief Operating Officer to illustrate the importance of choosing to be exceptional instead of average. Don't go along with the increasing crowd pacified by mediocrity. Choose to sizzle, not fizzle.

Sizzle Reel

Vintage "For aspiring cinematographer Luna Roth, coming out as bisexual at twenty-four is proving more difficult than she anticipated. Sure, her best friend and fellow queer Romy is thrilled for her-but she has no interest in coming out to her backwards parents, she wouldn't know how to flirt with a girl if one fell at her feet, and she has neither a gaydar nor a sexual history to speak of. Not to mention she really needs to focus her energy on escaping her emotionally-abusive-but-that's-Hollywood talent manager boss and actually get working under a real director of photography anyway. When she meets twenty-eight-year-old A-list actress Valeria Sullivan around the office, Luna begins to think she might just have a solution. She'll use Valeria's interest in Luna's cinematography to get a PA job on the set of Valeria's first indie-and if Valeria is as gay as Luna thinks she is, and she happens to be Luna's route to losing her virginity, too . . . well, that's just an added bonus. Enlisting Romy's help, Luna starts the juggling act of her life-impress Valeria's DP to get another job after this one (and to escape moving back in with her parents), get as close to Valeria as possible, and help Romy with her own make-it-or-break-it career moves while she's at it. But when Valeria begins to reciprocate romantic interest in Luna, the act begins to crumble along with it-straining her relationship with Romy and leaving her job prospects precarious. Now Luna has to figure out if she can she fulfill her dreams as a filmmaker, keep her best friend, and get the girl. . . or if she's destined to lose it all"--
