The Eighth Edition History of the Church through the Ages From the Apostolic Age, through the Apostasies, the Dark Ages, the Reformation, and the Restoration** [Wipf and Stock Publishers](#) **The Christian A Hero's Life in Christ** [Trafford Publishing](#) **This book grew out of a series of messages Pastor Wade preached from II Peter. While he studied the passage to prepare the messages for the congregation, his heart was touched in a special way. He noticed that Peter had so much to say in so few words. Pastor was introduced to a whole new way of viewing the practical, working, and spirit filled Christian life. What he saw in this passage was that every Christian that lives the Spirit filled life, is looked upon as a hero in God's eyes. He noticed that what God attributed to heroism was very different than the human concept of what a hero looks like. It's a good feeling to know what pleases God and to know that you can do it. Pastor Wade felt a great need to share these practical principles of a hero's life with more than just his congregation. This book takes the precept and idea of "virtue" in your life and separates it into bite size pieces, easily digestible. Each concept of the virtuous life is explained and Pastor Wade even entertains the reader with some real life threatening experiences he had while he was a firefighter. These experiences relate to the concepts of the hero's life as you will see and the blessing is this; After you read this book you too will be equipped with the insider information you need to live a pleasing to God, Hero's Life In Christ!" The Bible Christian magazine, a continuation of the Arminian magazine **Anglo-Saxon Psychologies in the Vernacular and Latin Traditions** [University of Toronto Press](#) **Old English verse and prose depict the human mind as a corporeal entity located in the chest cavity, susceptible to spatial and thermal changes corresponding to the psychological states: it was thought that emotions such as rage, grief, and yearning could cause the contents of the chest to grow warm, boil, or be constricted by pressure. While readers usually assume the metaphorical nature of such literary images, Leslie Lockett, in Anglo-Saxon Psychologies in the Vernacular and Latin Traditions, argues that these depictions are literal representations of Anglo-Saxon folk psychology. Lockett analyses both well-studied and little-known texts, including Insular Latin grammars, The Ruin, the Old English Soliloquies, The Rhyiming Poem, and the writings of Patrick, Bishop of Dublin. She demonstrates that the Platonist-Christian theory of the incorporeal mind was known to very few Anglo-Saxons throughout most of the period, while the concept of mind-in-the-heart remained widespread. Anglo-Saxon Psychologies in the Vernacular and Latin Traditions examines the interactions of rival - and incompatible - concepts of the mind in a highly original way. To which are Added, Mr Gibbon's Confession of Faith, Delivered at His Ordination; and a Sermon by Him, on the Nature and Excellency of the Gospel Resurrection, Hell and the Afterlife Body and Soul in Antiquity, Judaism and Early Christianity** [Routledge](#) **This book begins by arguing that early Greek reflection on the afterlife and immortality insisted on the importance of the physical body whereas a wealth of Jewish texts from the Hebrew Bible, Second Temple Judaism and early (Pauline) Christianity understood post-mortem existence to be that of the soul alone. Changes begin to appear in the later New Testament where the importance of the afterlife of the physical body became essential, and such thoughts continued into the period of the early Church where the significance of the physical body in post-mortem existence became a point of theological orthodoxy. This book will assert that the influx of Greco-Romans into the early Church changed the direction of Christian thought towards one which included the body. At the same time, the ideological and polemical thrust of an eternal tortuous afterlife for the wicked became essential. Herald and Presbyter******
