Discover and access these secrets as you read.

#### DOCTRINE AND POWER

---

#### THEOLOGICAL CONTROVERSY AND CHRISTIAN LEADERSHIP IN THE LATER ROMAN EMPIRE

---

Transformation of the Classical Heritage During the fourth century a.d., theological controversy divided Christian communities throughout the Eastern half of the Roman Empire. At stake was not only the truth about God but also the authority of church leaders, whose legitimacy depended on their claims to represent that truth. In this book, Carlos R. Galvao-Sobrinho argues that out of these disputes was born a new style of church leadership, one in which the power of the episcopal office was greatly increased. He shows how these disputes compelled church leaders repeatedly to assert their orthodoxy and legitimacy--tasks that required them to mobilize their congregations and engage in action that continuously projected their power in the public arena. These developments were largely the work of prelates of the first half of the fourth century, but the style of command they inaugurated became the basis for a dynamic model of ecclesiastical leadership found throughout late antiquity.

#### KINGDOM HONOR

---

#### 12 KEYS TO SERVING YOUR LEADERS AND UNLOCKING YOUR DESTINY

---

NOW IS THE TIME TO SERVE YOUR CHURCH AND LEADERS LIKE NEVER BEFORE! Never before in modern history have churches suffered so greatly on a global scale. Many are struggling to keep their doors open, and too few believers understand the Biblical mandate of honor and the effect it can have on their lives. Now more than ever, Christians must walk in honor and humility fueled by a servant's heart. They must become vessels of honor, living out their faith through servanthood, just as Jesus did. In doing so, believers will see their lives transformed, their callings fulfilled, and their gifts revolutionize their local church more powerfully than ever before. Read Kingdom Honor to discover: 12 Keys to Serving Your Leaders with Excellence Why Honor Unlocks your Gifting The Vital Role of Church Leaders in Your Life Recognizing 8 Symptoms of Rebellion How Serving Opens the Door to Your Calling Your destiny is connected to whom you serve.

#### TEACHINGS OF AN AUTHENTIC TAOIST IMMORTAL

---

Simon and Schuster The story of John Chang, the first man to be documented performing pyrokinesis, telekinesis, levitation, telepathy, and other paranormal abilities. • The author, a mechanical engineer, provides scientific explanations of how these powers work. • For the first time, the discipline of Mo-Pai is introduced to the West. In 1988 the documentary

Ring of Fire was released to great acclaim. The most startling sequence in the film is that of a Chinese-Javanese acupuncturist who demonstrates his full mastery of the phenomenon of chi, or bio-energy, by generating an electrical current within his body, which he uses first to heal the filmmaker of an eye infection and then to set a newspaper on fire with his hand. Ring of Fire caused thousands to seek out this individual, John Chang, in pursuit of instruction. Of the many Westerners who have approached him, John Chang has accepted five as apprentices. Kosta Danaos is the second of those five. In his years of study with John Chang, Danaos has witnessed and experienced pyrokinesis, telekinesis, levitation, telepathy, and much more exotic phenomena. He has spoken with spirits and learned the secrets of reincarnation. Most important, he has learned John Chang's story. John Chang is the direct heir to the lineage of the sixth-century b.c. sage Mo-Tzu, who was Confucius's greatest rival. His discipline, called the Mo-Pai, is little-known in the West and has never before been the subject of a book. Now, John Chang has decided to bridge the gap between East and West by allowing a book to be published revealing the story of his life, his teachings, and his powers. It will surely expedite what may well become the greatest revolution of the twenty-first century--the verification and study of bio-energy.

#### MARXISM AND ANTHROPOLOGY

---

#### THE HISTORY OF A RELATIONSHIP

---

Routledge This book examines the uses made of anthropology by Marx and Engels, and the uses made of Marxism by anthropologists. Looking at the writings of Marx and Engels on primitive societies, the book evaluates their views in the light of present knowledge and draws attention to inconsistencies in their analysis of pre-capitalist societies. These inconsistencies can be traced to the influence of contemporary anthropologists who regarded primitive societies as classless. As Marxist theory was built around the idea of class, without this concept the conventional Marxist analysis foundered. First published in 1983.

#### ILLUMINATING THE BLACKNESS

---

#### BLACKS AND AFRICAN MUSLIMS IN BRAZIL

---

Rabaah Publishers Illuminating the Blackness presents the history of Brazil's race relations and African Muslim heritage. The book is divided into two parts. Part I explores the issue of race, anti-black racism, white supremacy, colourism, black beauty and affirmative action in contemporary Brazil. Part II examines the reports of African Muslims' travels to Brazil before the Portuguese colonisers, the slave revolts in Bahia and the West African Muslim communities in nineteenth century Brazil. The author explores the black consciousness movement in Brazil and examines the reasons behind the growing conversion to Islam amongst Brazilians, particularly those of African descent. The author also shares his insights into the complexities of race in Brazil and draws comparisons with the racial histories of the pre-modern Muslim world including a comparative analysis of the East African Zanj slave rebellions in ninth century Baghdad with the West African Hausa and Yoruba slave rebellions in nineteenth century Bahia.

---

#### A BOOK THAT TAKES ITS TIME

---

#### AN UNHURRIED ADVENTURE IN CREATIVE MINDFULNESS

---

Workman Publishing Take time to breathe. Take time to create. Take time to reflect, take time to let go. A book that's unique in the way it mixes reading and doing, A Book That Takes Its Time is like a mindfulness retreat between two covers. Created in partnership with Flow, the groundbreaking international magazine that celebrates creativity, beautiful illustration, a love of paper, and life's little pleasures, A Book That Takes Its Time mixes articles, inspiring quotes, and what the editors call "goodies"—bound-in cards, mini-journals, stickers, posters, blank papers for collaging, and more—giving it a distinctly handcrafted, collectible feeling. Read about the benefits of not multitasking, then turn to "The Joy of One Thing at a Time Notebook" tucked into the pages. After a short piece on the power of slowing down, fill in the designed notecards for a Beautiful Moments jar. Make a personal timeline. Learn the art of hand-lettering. Dig into your Beginner's Mind. Embrace the art of quitting. Take the writing cure. And always smile. Move slowly and with intention through A Book That Takes Its Time, and discover that sweet place where life can be both thoughtful and playful.

#### A CLEAN SLATE (MILLS & BOON SILHOUETTE)

---

HarperCollins UK A Clean Slate chronicles the days of Kelly McGraw, a Chicago woman who suddenly can't remember the last five months of her life, a time when she was dumped by her soon-to-be fiancé and laid off by the company she thought would make her partner.

---

#### WATKINS MASTERS OF WISDOM: OSHO

---

#### LIVING DANGEROUSLY: ORDINARY ENLIGHTENMENT FOR EXTRAORDINARY TIMES

---

Watkins Media Limited Osho is one of the best-known spiritual teachers of our time. The Sunday Times named him one of the '1,000 makers of the twentieth century'; the novelist Tom Robbins has called him 'the most dangerous man since Jesus Christ'. Nearly two decades after his death in 1990, the influence of his teachings continues to grow, reaching seekers around the world. This inspiring compendium of spiritual wisdom and insight offers a way for everyone to access the enlightening message of the Buddha as Osho offers his unique take on his teachings, with a wisdom and wit that make it a wonderful read. When you engage with Osho's writing, you feel as if he is speaking to you. His conversational style is fluid and engaging, and while his acute perception often comes as a delight and a surprise, his shrewd insights will stay with you always. Whether he is discussing a complex philosophy, or the teachings of a great mystic, Osho always approaches the subject with his own distinctively irreverent, thought-provoking and inspiring perspectives. Covering subjects including Belief, Responsibility, Relationships, Doing Good and the Power of Consciousness, this is a book that offers real insight into leading a more spiritual life now.

#### HOW TO READ FASHION

---

#### A CRASH COURSE IN STYLES, DESIGNERS, AND COUTURE

---

Rizzoli International Publications This stylishly illustrated guide parses the visual vocabulary to understand, investigate, and interpret seminal fashions and styles. The perfect companion for fashionistas and anyone interested in a better understanding of how fashions and styles evolve, this is the first book of its kind aimed at a general audience. Both dip-in reference and stylish resource, it covers 200 years of fashion history, as well as ancillary subjects such as jewelry, accessories, and hairstyling, showing how different looks and styles are interconnected through time. Fashion is defined by the newest and very latest, yet fashion designers are constantly taking inspiration from the past. Well-known classics of yesteryear as well as more obscure designs and styles from the deeper past are constantly recycled and reinvented by the latest generation of designers and stylists. Identified in this handy volume are all the main fashion trends of the past 200 years, as well as how they relate to contemporary styles. From Neo-Classical to Gothic, Streamline Modernism to Punk, Military, and Designer Branding, this is perfect for anyone who has ever wondered about the origins of the little black dress or why the Chanel bag is known as the 2:55 bag.

#### AMERICAN DISEASE

---

NYU Press In this provocative study of the "disease" afflicting American industry today, George Lodge, a distinguished professor at the Harvard Business School, reveals the malady as a psychological disorder, characterized by a refusal to face the facts of interdependence in a competitive world; by a reluctance to confront the grave inadequacies in the operation of our great institutions—business, labor, and government; and by the fact that "leaders do not lead; those with responsibility do not fight. Timidity, born of resignation, discourages change." Lodge begins by defining the disease through its symptoms: failing industries, stubborn unemployment, lagging economic growth, stagnant productivity, overseas competition, focus on short-term financial gain, and, perhaps most telling, the pervasive feeling among Americans that their land of plenty has become a land of want. He examines the gradually changing roles and relationships between government, great corporations, and trade unions that are nevertheless obscured by traditional and detrimental assumptions, distrust, and a set of ideologies that are increasingly inefficient, ineffective, inconsistent, and irrelevant. And he finds the incoherence of American industrial policy exemplified by the fact that we preach the old virtues of free trade and the sanctity of the market while in actuality we pursue a strategy—including tax incentives and trade subsidies—the misshapes the free market. Based on interviews with more than 150 leaders of the nation's institutions, The American Disease goes beyond diagnosis to offer logical and feasible proposals to cure this dangerous condition. Lodge suggests, for example, that the office of the United States Trade Representative be expanded and strengthened to deal with the growing pressure for protection against imports and with the confusion among our trading partners. He shows why business and labor must work together more closely in a non-adversarial way with federal and local government to determine community needs. He explains why Washington will be forced to direct the future of electric power in America, rather than leave the decisions to fifty different sets of state regulators. And he makes a number of recommendations to alter the ways in which corporations manage themselves and deal with government, and to reduce the social and economic costs that are implicit in these changes. George C. Lodge believes that recovery from our institutional ailments is possible, and this timely and perceptive book offers a resoundingly rational course toward that crucial goal.

Licensed Product Producers will find this book an invaluable tool when adding magic to their adventure scenarios.

---

## VULNERABILITY AND MARGINALITY IN HUMAN SERVICES

---

Taylor & Francis Vulnerability has traditionally been conceived as a dichotomised status, where an individual by reason of a personal characteristic is classified as vulnerable or not. However, vulnerability is not static, and most, if not all, people are vulnerable at some time in their lives. Similarly, marginality is a social construct linked to power and control. Marginalised populations are relegated to the perimeters of power by legal and political structures and limited access to resources. Neither are fixed or essential categories. This book draws on international research and scholarship related to these constructs, exploring vulnerability and marginality as they intersect with power and privilege. This exploration is undertaken through the lenses of intimacy and sexuality to consider vulnerability and marginality in the most personal of ways. This includes examining these concepts in relation to a range of professions, including social work, psychology, nursing, and allied health. A strong emphasis on the fluidity and complexity of vulnerability and marginality across cultures and at different times makes this a unique contribution to scholarship in this field. This is essential reading for students and researchers involved with social work, social policy, sociology, and gender and sexuality studies.

## DAYS WITHOUT NUMBER

---

Open Road + Grove/Atlantic Days Without Number, now published for the first time in the United States, is classic Robert Goddard: intricately plotted, richly detailed, and suspenseful to the very last page. Nick Paleologus, a coolly efficient Englishman, is summoned home to resolve a dispute that threatens to tear his family apart. His father, Michael, is a retired archaeologist and supposed descendent of the last Emperors of Byzantium. Michael has received a hugely generous offer for the family estate in Cornwall, but refuses to sell—and refuses to divulge why. Soon the stalemate between Nick's siblings and their father is tragically broken, and only then do they discover why their father was bound to protect the house at all costs. Their desperate efforts to conceal the truth drag them into a deadly conflict with an unseen and unknown enemy. Soon, Nick realizes the only change they have of escaping their persecutor's trap is to hunt this ruthless adversary down. But the hunt involves excavating a terrible secret from their father's past. And once that secret is known, nothing will ever be the same again.

---

## THE NEXT 500 YEARS

---

## LIFE IN THE COMING MILLENNIUM

---

Despite the monumental changes of the past century, the next 500 years will be even more astonishing, according to current research and technology that speculates, in this fascinating book, on the possibilities of weekend travel to outer space and the storage of human personalities on disk. Today's science fiction is about to become fact.

---

## FOUR WAYS TO PHARAOH KHUFU

---

Partridge Publishing Singapore For more than 4,500 years, the Great Pyramid at Giza has been shrouded in veils of impenetrable mystery. For nearly as many years, a dedicated and nearly obsessive community of explorers, scholars, and profiteers has sought to uncover the secrets of this ancient and sacred structure. But the Great Pyramid guards its secrets jealously, and the efforts of most have been silently rebuffed. Until now. Is it the will of destiny or God's eternal hand that connects two strangers in tragic circumstances with the Great Pyramid itself? It is only through the determination of one that the truth is revealed—and in that effort, the name of the other is cleared. Despite being relentlessly hunted by the descendants of the elite ancient warriors, he is now on a quest for truth that spans two continents. One of the greatest deceptions in the after-burial of the most powerful and influential pharaoh in all of ancient Egypt's history is about to be revealed. Will what he discovers be his salvation or his extinction?

---

## ALTERNATIVE FUEL VEHICLES

---

Routledge Alternative Fuel Vehicles gives full coverage of all associated qualifications and awards in the emerging field of alternative fuels. It is an essential introduction to the ever-growing demand for vehicles that operate using non-conventional fuels. This first book on AFVs endorsed by the IMI begins with an overview of the subject, ideal for beginners, before outlining what is meant by alternative fuels, why they are necessary, and why climate change and associated legislation are key drivers. Details of how alternative fuels are made, the supply infrastructure, and how these vehicles work are all included. A chapter on fuel cells introduces learners to the use of hydrogen, and one on engines and engine management includes coverage of combustion as an aid to understanding why changing the type of engine fuel is complex. Some basic engine technology is included to help readers new to the subject. Real-life case studies and examples are used to illustrate different technologies in current use, and to speculate on new developments. This book is an ideal companion to any unit of study on alternative fuel, but will also be of interest to working technicians and keen amateurs.

---

## PRINCIPLES OF MAGNETISING YOUR DIVINE SPOUSE

---

Mountain of Fire and Miracles Ministries In recent times, the issues of singles that are ready for marriage still remaining unattached is becoming very rampant. It delineates the wrong approaches people have to marriage which is responsible for their wrong choices. Read, study and apply the uncommon principles to magnetize your God-given partner. Welcome to your marital fulfillment.

---

## THE SMART WOMAN'S GUIDE TO PROPERTY LAW

---

## PROTECT YOUR ASSETS WHEN YOU LIVE WITH SOMEONE, MARRY, DIVORCE, AND MORE

---

Rowman & Littlefield Publishers The income gap between women and men has gotten lots of attention in the last few decades: today women earn seventy-nine cents for every dollar men earn. But fewer people are aware of the much more serious wealth gap: for every dollar in wealth men own, women own thirty-two cents. Thirty-two cents! Wealth matters. Wealth is what gives us a financial safety net when we lose our jobs, break up a relationship or divorce, we or our dependents become sick, or when we are hit by some other financial crisis. It enables us to build security, to give our children a future, and to retire. It is passed from generation to generation, allowing wealthy families to stay wealthy over time. Wealth can generate income, whether through investments in the financial markets, or real estate, or through funding a startup business, and more. Significant wealth even allows us to influence our world by allowing us to contribute to political campaigns and policy initiatives. For these reasons, wealth is a better indicator of financial status than income: it reveals who is secure and influential and who is not. By treating women and men equally without recognizing the gross social and economic advantages that differentiate us, the law perpetuates the wealth gap. Here, Carla Spivack takes readers through a tour of a woman's life stages and the property laws that may apply and hinder their financial independence. From living together to marriage, from divorce to inheritance, the circumstances invite unfair treatment that leaves women out in the cold. Understanding how to protect your assets, fight for what is fair, and increase financial security is increasingly important as the wage gap continues to flourish. Readers will learn about the laws that work against them and how to protect themselves regardless of their relationship status. For all women of all ages, here is your guide to keeping your wealth not matter how your relationship fares.

---

## AGAINST OLD EUROPE

---

## CRITICAL THEORY AND ALTER-GLOBALIZATION MOVEMENTS

---

Routledge In the wake of the Iraq war, the term Old Europe was appropriated by politicians, civil society and social movement actors alike to rally in defence of supposedly social and civilized values against the perceived predatory forces of American finance. Against Old Europe sheds light on the social movement politics encapsulated in the protest slogan 'Fight Old Europe'. Within what is broadly labelled the global justice movement, it explores a particular, radical perspective that warns against the identification with European values by movements resisting neoliberalism. Exploring the work of key theorists critical of globalization, including Habermas, Negri, Holloway, Postone and de Benoist, the book

---

examines critical theory approaches to alter-globalization, illustrated with concrete examples of movements within contemporary Europe. In so doing, it invites readers to explore the charges of nationalism, anti-Americanism and antisemitism brought against parts of the alter-globalization movement. Providing a new perspective on critiques of globalization, *Against Old Europe* will appeal to sociologists and social and political theorists studying social movements, anti-globalization activism and European politics and identity.

#### **WITH THE BEDUINS**

---

---

#### **A NARRATIVE OF JOURNEYS AND ADVENTURES IN UNFREQUENTED PARTS OF SYRIA**

---

---

#### **THE GIRL FROM COPENHAGEN**

---

---

#### **A MEMOIR REVISITED**

Xlibris Corporation In this book I continue the story of my late mother's life, tying up some loose ends and filling in inadvertent gaps in the narrative. Memories are fickle and evanescent, often no more substantial than last night's dream. They cannot be summoned up at will to reveal themselves and often require a period of incubation before to begin to coalesce. As was the case in *The Girl From Copenhagen*, I have in this sequel used pictures in my mother's photo albums to rekindle half-forgotten memories. I was surprised when I wrote this book by how many significant events in my mother's life that I had failed to record. But such is the nature of memory.
