THE 9 STEPS TO FINANCIAL FREEDOM

G K Hall & Company Explains how to gain true financial freedom by changing spending habits, understanding investments, insurance, and credit, and planning for retirement

THE MONEY BOOK FOR THE YOUNG, FABULOUS & BROKE

Penguin The New York Times bestselling financial guide aimed squarely at "Generation Debt"—and their parents—from the country's most trusted and dynamic source on money matters. The Money Book for the Young, Fabulous & Broke is financial expert Suze Orman's answer to a generation's cry for help. They're called "Generation Debt" and "Generation Broke" by the media — people in their twenties and thirties who graduate college with a mountain of student loan debt and are stuck with one of the weakest job markets in recent history. The goals of their parents' generation — buy a house, support a family, send kids to college, retire in style — seem absurdly, depressingly out of reach. They live off their credit cards, may or may not have health insurance, and come up so far short at the end of the month that the idea of saving money is a joke. This generation has it tough, without a doubt, but they're also painfully aware of the urgent need to take matters into their own hands. The Money Book was written to address the specific financial reality that faces young people today and offers a set of real, not impossible solutions to the problems at hand and the problems ahead. Concisely, pragmatically, and without a whiff of condescension, Suze Orman tells her young, fabulous & broke readers precisely what actions to take and why. Throughout these pages, there are icons that direct readers to a special YF&B domain on Suze's website that offers more specialized information, forms, and interactive tools that further customize the information in the book. Her advice at times bucks conventional wisdom (did she just say use your credit card?) and may even seem counter-intuitive (pay into a retirement fund even though your credit card debt is killing you?), but it's her honesty, understanding, and uncanny ability to anticipate the needs of her readers that has made her the most trusted financial expert of her day. Over the course of ten chapters that can be consulted methodically, step-by-step or on a strictly need-to-know basis, Suze takes the reader past broke to a secure place where they'll never have to worry about revisiting broke again. And she begins the journey with a bit of overwhelmingly good news (yes, there really is good news): Young people have the greatest asset of all on their side — time.

MOTHER DAUGHTER WISDOM

Hay House, Inc With such groundbreaking bestsellers as *Women's Bodies*, *Women's Wisdom* and *The Wisdom of Menopause*, Dr. Christiane Northrup is one of today's most trusted and visionary medical experts. Now she presents her most profound and revolutionary approach to women's health. . . . The mother-daughter relationship sets the stage for our state of health and well-being for our entire lives. Because our mothers are our first and most powerful female role models, our most deeply ingrained beliefs about ourselves as women come from them. And our behavior in relationships—with food, with our children, with our mates, and with ourselves—is a reflection of those beliefs. Once we understand our mother-daughter bonds, we can rebuild our own health, whatever our age, and create a lasting positive legacy for the next generation. *Mother-Daughter Wisdom* introduces an entirely new map of female development, exploring the "five facets of feminine power," which range from the basics of physical self-care to the discovery of passion and purpose in life. This blueprint allows any woman—whether or not she has children—to repair the gaps in her own upbringing and create a better adult relationship with her mother. If she has her own daughter, it will help her be the mother she has always wanted to be. Written with warmth, enthusiasm, and rare intelligence, *Mother-Daughter Wisdom* is an indispensable book destined to change lives and become essential reading for all women.

WOMEN & MONEY (REVISED AND UPDATED)

Random House Achieve financial peace of mind with the million-copy #1 New York Times bestseller, now revised and updated, featuring an entirely new Financial Empowerment Plan and a bonus chapter on investing. The time has never been more right for women to take control of their finances. The lessons, revelations, and shocks of the past few years

have made it clear that standing in our truth is the only way to care for ourselves, our families, and our finances. With her signature mix of insight, compassion, and practical advice, Suze equips women with the financial knowledge and emotional awareness to overcome the blocks that have kept them from acting in the best interest of their money—and themselves. Whether you are single or in a committed relationship, a successful professional, a worker struggling to make ends meet, a stay-at-home parent, or a creative soul, Suze offers the possibility of living a life of true wealth, a life in which you own the power to control your destiny. At the center of this fully revised and updated edition, Suze presents an all-new Financial Empowerment Plan, designed to get you to a place of emotional and financial security as quickly as possible—because the most precious commodity women have is time. Divided into four essential components, the plan will teach you how to • Protect yourself • Spend smart • Build your future • Give to others Also included is a bonus chapter on investing—for those who are living by Suze’s unbreakable financial ground rules and ready to learn how to invest with confidence. *Women & Money* speaks to every mother, daughter, grandmother, sister, and wife. It gives readers the opportunity to tap into Suze’s unique spirit, people-first wisdom, and unparalleled appreciation that for women, money itself is not the end goal. It’s the means to living a full and meaningful life.

THE LAWS OF MONEY, THE LESSONS OF LIFE

KEEP WHAT YOU HAVE AND CREATE WHAT YOU DESERVE

Simon and Schuster USA Today has called Suze Orman "a force in the world of personal finance." For years, Suze has anticipated what you need to know and want to know about your money. Her books, radio and television shows, columns, and newsletter about personal finance have helped millions of people like you turn their financial lives around. The author of three consecutive runaway New York Times bestsellers, Suze is renowned for her unique brand of financial savvy, tell-it-like-it-is honesty, and dynamic motivational style, which propels her readers and audiences to change the course of their financial destiny. In this groundbreaking book, she continues to transform your relationship with money. Never before has there been a money book and life guide like The Laws of Money, the Lessons of Life. In a natural evolution of Suze's authoritative view of the world of money, and characterized by her straight talk, warmth, and humor, The Laws of Money, the Lessons of Life reveals a revolutionary new paradigm of personal finance. The 5 Laws of Money are vital principles that you need to know whether you are old or young, male or female, with or without money, a novice or a veteran investor. These five laws operate without exception -- at all times, in every culture -- and apply to everyone, as Suze shows in the compassionate stories adapted from real-life situations that she recounts throughout the book. And the universal truths and lessons contained within each law help you learn how to keep what you have and create what you deserve. Anyone can -- and must -- put these laws to use today in order to survive and thrive in these times of constant upheaval and financial turmoil. The Laws of Money, the Lessons of Life provides an eminently sensible, highly effective process for gaining control over your life and your money. Through pointed questions about your attitudes toward money, with insightful financial exercises and personal guidance, Suze deciphers the false hopes and fears that keep you from making smart, confident decisions and choices about your money. Her take-charge optimism and realistic action plans will jolt you out of any financial confusion or paralysis,

whether you're beginning your career or at a midpoint, planning for or already in retirement. You will learn to assess your current spending, savings, and investments, and acquire a sure sense of what you can do with the money you have and the money you want to have. A thorough guidebook is included that helps you put the laws into immediate action and see their lessons manifest in your own life. Profound and practical, *The Laws of Money, the Lessons of Life* will help you get out of debt, create what you want, and protect your money, your family, and your future. With these laws as your guide, you can avoid ever being a financial victim again.

STARTUP LIFE

SURVIVING AND THRIVING IN A RELATIONSHIP WITH AN ENTREPRENEUR

John Wiley & Sons Real life insights on what it takes to make it in a relationship with an entrepreneur Entrepreneurs are always on the go, looking for the next "startup" challenge. And while they lead very intensely rewarding lives, time is always short and relationships are often long-distant and stressed because of extended periods apart. Coping with these, and other obstacles, are critical if an entrepreneur and their partner intend on staying together—and staying happy. In *Startup Life*, Brad Feld—a Boulder, Colorado-based entrepreneur turned-venture capitalist—shares his own personal experiences with his wife Amy, offering a series of rich insights into successfully leading a balanced life as a human being who wants to play as hard as he works and who wants to be as fulfilled in life and in work. With this book, Feld distills his twenty years of experience in this field to addresses how the village of startup people can put aside their workaholic ways and lead rewarding lives in all respects. Includes real-life examples of entrepreneurial couples who have had successful relationships and what works for them Provides practical advice for adapting to change and overcoming the inevitable ups and downs associated with the entrepreneurial lifestyle Written by Brad Feld, a thought-leader in this field who has been an early-stage investor and successful entrepreneur for more than twenty years While there's no "secret formula" to relationship success in the world of the entrepreneur, there are ways to making navigation of this territory easier. *Startup Life* is a well-rounded guide that has the insights and advice you need to succeed in both your personal and business life.

THE DO'S AND DONT'S OF MONEY

EASY SOLUTIONS FOR EVERYDAY PROBLEMS

PHISHING FOR PHOOLS

THE ECONOMICS OF MANIPULATION AND DECEPTION

Princeton University Press Why the free-market system encourages so much trickery even as it creates so much good Ever since Adam Smith, the central teaching of economics has been that free markets provide us with material well-being, as if by an invisible hand. In Phishing for Phools, Nobel Prize-winning economists George Akerlof and Robert Shiller deliver a fundamental challenge to this insight, arguing that markets harm as well as help us. As long as there is profit to be made, sellers will systematically exploit our psychological weaknesses and our ignorance through manipulation and deception. Rather than being essentially benign and always creating the greater good, markets are inherently filled with tricks and traps and will "phish" us as "phools." Phishing for Phools therefore strikes a radically new direction in economics, based on the intuitive idea that markets both give and take away. Akerlof and Shiller bring this idea to life through dozens of stories that show how phishing affects everyone, in almost every walk of life. We spend our money up to the limit, and then worry about how to pay the next month's bills. The financial system soars, then crashes. We are attracted, more than we know, by advertising. Our political system is distorted by money. We pay too much for gym memberships, cars, houses, and credit cards. Drug companies ingeniously market pharmaceuticals that do us little good, and sometimes are downright dangerous. Phishing for Phools explores the central role of manipulation and deception in fascinating detail in each of these areas and many more. It thereby explains a paradox: why, at a time when we are better off than ever before in history, all too many of us are leading lives of quiet desperation. At the same time, the book tells stories of individuals who have stood against economic trickery—and how it can be reduced through greater knowledge, reform, and regulation.

HIP TRANQUIL CHICK

A GUIDE TO LIFE ON AND OFF THE YOGA MAT

New World Library **Hip Tranquil Chick addresses that huge but unacknowledged demographic of fashionistas equally at home at Bergdorf's and the yoga studio. The book is divided into two major sections that cover all bases for the style-minded seeker. "On the Mat" shares seven must-have modern-girl yoga sequences, such as "Healing Hip Openers" and "Negativity Releasing Heart Openers," and explains yoga philosophy in hip chick language. "Off the Mat" showcases nine ways to become more fabulous and balanced by incorporating yogic qualities like introspection, strength, and flexibility into daily life. The nine lifestyle chapters reveal how to turn on-the-mat wear into on-the-town style, how to create soulful surroundings at home and work, mindful money management, finding a passion-filled career, how strategic soiree-throwing creates community, tips for practicing social consciousness, and more. Each chapter is accompanied by helpful "OMwork" to translate these concepts into reality. Abundant illustrations accentuate the text, and a "savvy sources" section encourages further exploration.**

THE COURAGE TO BE RICH

CREATING A LIFE OF MATERIAL AND SPIRITUAL ABUNDANCE

Penguin #1 New York Times bestselling author and financial expert Suze Orman helped millions of Americans change the course of their financial destiny and prosper in every way with *The Courage to Be Rich*. Now, Suze has revised and updated this million-copy bestseller to further inspire readers to find the courage to start over in these changing times and realize their true potential for material and spiritual wealth—even in today's challenging economic climate. Now available in trade paperback for the first time, this edition goes beyond Suze's earlier work in outlining a life-changing process for manifesting abundance and brings her revolutionary ideas of combining the spiritual and the financial up to date. With honesty, empathy, and a dazzling knowledge of how the world of money works, the country's most trusted financial expert motivates readers to summon the courage to cope with tragedy—whether it's personal or global—along with its economic aftermath. Rich in spirit, *The Courage to Be Rich* also reveals how a sagging economy may influence the money readers have—and have yet to make—and what they need to do to safeguard their financial future without sacrificing their generosity. With new information that pertains to recent changes in tax laws and how they affect IRAs, *The Courage to Be Rich* addresses the financial issues and milestones we face throughout our lives—marriage, divorce, and death; buying a home; and spending (and overspending) on life's necessities and luxuries. Suze shows readers how to take control of their financial tomorrows today with her trademark expertise and compassion, and convinces us that we can alter our financial destinies only when our intentions are in harmony our actions. That process begins with overcoming and forgiving feelings of fear—an emotion that acts as an internal obstacle to wealth. Suze explains how to make room for more money by eliminating all the clutter—thoughts, words, actions, and material objects—blocking its path. This newfound clarity will empower readers to start afresh to create the true wealth they want and deserve. In *The Courage to Be Rich*, Suze urges readers to live beyond the bottom line by passing money through their hearts and hands out into the world, to make it a better place. She demonstrates how every action taken is an offering to the world that repays in kind, and how charity has the power to enhance every life. Best of all, she explains how to determine when one is giving too much and when one is giving too little. Combining

practical strategies, personal exercises, compelling case studies, and her trademark provocative insights, Suze guides readers through the financial rites of passage, detailing how to: Find the courage to endure financial setbacks and overcome feelings of shame, fear, or anger about money Keep money safe in a weak economy Speak the language of wealth rather than the language of poverty Break debilitating patterns that keep you from having more and being more Protect your life against the financial "what-ifs" Start over from nothing Use your home to secure your retirement years Prepare safely and wisely for the future Bring together the laws of wealth with the laws of life For Suze, The Courage to Be Rich means valuing people over money and money over things. It means having all that you love and loving all that you have. It means turning toward your money and turning some of your money toward others. Ultimately, it means taking the courageous steps necessary to attain your material and spiritual wealth. Practical, spiritual, and above all, soundly financial, The Courage to Be Rich is a book for today's challenging times.

MATURING WITH MOXIE

A WOMAN'S GUIDE TO LIFE AFTER 60

University Press of New England **Whether widowed, divorced, married, or single, more and more women of retirement age are taking control of their lives. Drawing on her extensive client case files, Cannon poses provocative questions, designs useful exercises, and offers clear, upbeat examples of women moving forward with purpose. Maturing with Moxie gives women a wealth of resources for finding the answers they need.**

WOMEN & MONEY

OWNING THE POWER TO CONTROL YOUR DESTINY

Spiegel & Grau **Why is it that women, who are so competent in all other areas of their lives, cannot find the same competence when it comes to matters of money? Suze Orman investigates the complicated, dysfunctional relationship**

women have with money in this groundbreaking book. With her signature mix of insight, compassion, and soul-deep recognition, she equips women with the financial knowledge and emotional awareness to overcome the blocks that have kept them from making more out of the money they make. At the center of the book is The Save Yourself Plan—a streamlined, five-month program that delivers genuine long-term financial security. But what's at stake is far bigger than money itself: It's about every woman's sense of who she is and what she deserves, and why it all begins with the decision to save yourself.

SELF HELP, INC.

MAKEOVER CULTURE IN AMERICAN LIFE

Oxford University Press **Why doesn't self-help help?** Cultural critic Micki McGee puts forward this paradoxical question as she looks at a world where the market for self-improvement products--books, audiotapes, and extreme makeovers--is exploding, and there seems to be no end in sight. Rather than seeing narcissism at the root of the self-help craze, as others have contended, McGee shows a nation relying on self-help culture for advice on how to cope in an increasingly volatile and competitive work world. *Self-Help, Inc.* reveals how makeover culture traps Americans in endless cycles of self-invention and overwork as they struggle to stay ahead of a rapidly restructuring economic order. A lucid and fascinating treatment of the modern obsession with work and self-improvement, this lively book will strike a chord with its acute diagnosis of the self-help trap and its sharp suggestions for how we can address the alienating conditions of modern work and family life.

THE SECRETS WOMEN KEEP

WHAT WOMEN HIDE AND THE TRUTH THAT BRINGS THEM FREEDOM

Thomas Nelson **Women keep secrets** - from friends and loved ones, even from themselves. So what are the secrets? And why would anyone want to live an airbrushed version of herself instead of a rich, unencumbered, authentic life? In *The Secrets Women Keep*, popular radio host and clinical psychologist Dr. Jill Hubbard shows you how to acknowledge your secrets, release them, and find an emotionally healthy way to live. A life without secrets is a life of freedom, where you can be your real self, where you are the same on the outside as you are on the inside. *The Secrets Women Keep* reveals the top secrets from an anonymous "Life Satisfaction Survey" of two thousand women. Most women can relate

to at least some of the secrets uncovered in this survey, including: I'm unhappy in my marriage I feel invisible or inadequate My past haunts me I worry about finances I struggle with addiction With wisdom, gentleness, and biblical insight, Dr. Jill reveals how to shed those secrets so you can move safely into a life free of the burden of having to hide.

THE ADVENTURES OF BILLY AND PENNY

Hay House, Inc #1 New York Times best-selling author and world-renowned financial expert Suze Orman makes her children's book debut in this story of a one-dollar bill named Billy and a penny named Penny. When Billy and Penny realize that the family they live with are overlooking their true worth, they decide to make their presence count by going missing. When the pizza man arrives, the mother enlists the help of her two children and their piggy bank in order to pay for dinner. When Billy and Penny make their return, the family show their appreciation for the money that saved the day. Orman and wife and illustrator Kathy Travis team up for a classic and family-friendly tale of counting every penny and making every penny count.

THE MOTHER'S GUIDE TO SELF-RENEWAL

HOW TO RECLAIM, REJUVENATE AND RE-BALANCE YOUR LIFE

Mother Guide to Self-Renewal Nurturing, supportive, and empowering, this year-long guide featuring monthly themes, inspirational stories, and soul-searching exercises, focuses on enhancing balance and emotional well-being in mothers' lives. Recognising that they are over their "to do" lists, the guide gives mothers permission to care for and nurture themselves and reconnect with who they are. Soothing the body, mind, and soul like a cup of hot tea, and providing a mini retreat away from the hectic stress of day-to-day parenting, it invites women to reclaim their lives -- to learn about the power of self-care and how it can be their best friend, to manage and increase their energy, to adopt a "good is good enough" approach, and to become more comfortable saying no.

SUZE ORMAN'S WILL AND TRUST KIT

THE ULTIMATE PROTECTION PORTFOLIO

BACKYARD BIRDS IS AN EXCITING SERIES of books that explores the top twenty-five backyard birds most commonly found in each state. It includes a profiled size scale that allows the reader to quickly identify the correct bird, and each bird entry is accompanied by a stunning color photograph and specific description, including identification marks, behavior, habitat, and nesting style-even the song the bird makes! As an added feature, author Bill Fenimore also provides expert tips for building the ultimate backyard bird sanctuary, from creating birdbaths and planting proper foliage to offering a bird's favorite foods. Fenimore was awarded the Ludlow Griscom Award, the American Birding Association's highest honor. Bird-watching is one of the most popular activities in the United States, with approximately fifty-one million bird-watchers nationwide. Bird-watching is a \$6 million business. More than \$400 million is spent each year on bird-related magazines and books. The series will soon include all fifty states. Author is a franchisee of Wild Bird Center, which has more than eighty locations in twenty-nine states.

The author of three consecutive runaway New York Times bestsellers, Suze is renowned for her unique brand of financial savvy, tell-it-like-it-is honesty, and dynamic motivational style, which propels her readers and audiences to change the course of their financial destiny. In this groundbreaking book, she continues to transform your relationship with money. Never before has there been a money book and life guide like The Laws of Money, the Lessons of Life. In a natural evolution of Suze's authoritative view of the world of money, and characterized by her straight talk, warmth, and humor, The**

Laws of Money, the Lessons of Life reveals a revolutionary new paradigm of personal finance. The 5 Laws of Money are vital principles that you need to know whether you are old or young, male or female, with or without money, a novice or a veteran investor. These five laws operate without exception -- at all times, in every culture -- and apply to everyone, as Suze shows in the compassionate stories adapted from real-life situations that she recounts throughout the book. And the universal truths and lessons contained within each law help you learn how to keep what you have and create what you deserve. Anyone can -- and must -- put these laws to use today in order to survive and thrive in these times of constant upheaval and financial turmoil. The Laws of Money, the Lessons of Life provides an eminently sensible, highly effective process for gaining control over your life and your money. Through pointed questions about your attitudes toward money, with insightful financial exercises and personal guidance, Suze deciphers the false hopes and fears that keep you from making smart, confident decisions and choices about your money. Her take-charge optimism and realistic action plans will jolt you out of any financial confusion or paralysis, whether you're beginning your career or at a midpoint, planning for or already in retirement. You will learn to assess your current spending, savings, and investments, and acquire a sure sense of what you can do with the money you have and the money you want to have. A thorough guidebook is included that helps you put the laws into immediate action and see their lessons manifest in your own life. Profound and practical, The Laws of Money, the Lessons of Life will help you get out of debt, create what you want, and protect your money, your family, and your future. With these laws as your guide, you can avoid ever being a financial victim again.
