Maintenance and Repair of Laboratory, Diagnostic Imaging, and Hospital Equipment *World Health Organization* A practical guide to the maintenance and repair of essential laboratory and hospital equipment. Intended for use in institutions that do not have specially trained technicians or engineers the book responds to the situation frequently seen in developing countries where much of the equipment is imported and adequate information on maintenance and repair is rarely provided by suppliers. With these special needs in mind the manual aims to help staff using specific types of equipment to understand basic principles of construction and operation adopt good working practices avoid common errors perform routine maintenance and spot the early signs of defects or deterioration. Advice on equipment repair concentrates on common causes of problems that can be solved without expertise in engineering. Throughout the manual line drawings illustrate features of construction and design while numerous checklists offer advice on periodic inspection and cleaning good working practices and the essential do's don'ts must's and never's of routine operation and maintenance. Information ranges from the steps to follow when recharging batteries through advice on how to protect microscopes in hot climates to instructions for changing a blown fuse in an ultrasound scanner. Basic safety procedures for protecting staff as well as patients are also described. The most extensive chapter covers the maintenance and repair of basic laboratory equipment moving from autoclaves and incubators to cell counters and systems for water purification. The remaining chapters describe the correct use maintenance and repair of diagnostic equipment anaesthetic and resuscitation equipment operating room equipment and ultrasound and X-ray diagnostic equipment. Boating New Complete Do-it-yourself Manual *Readers Digest* A quick reference guide to do-it-yourself home improvement projects teaches readers how to cope with emergencies and includes information on financing home improvements, working with contractors, obtaining permits, and more Area Wage Survey Muskegon-Muskegon Heights, Michigan, metropolitan area Caterer & Hotelkeeper Safe Management of Wastes from Health-care Activities *World Health Organization* Popular Science Popular Science gives our readers the information and tools to improve their technology and their world.
