HEIDI

A PAPER DOLL BOOK

This paper doll book was inspired by Johanna Spyri's "Heidi," one of the most, if not THE most, popular pieces of Swiss literature ever written. The illustrations in this book are paintings (watercolor and digital coloring), which lovingly detail Heidi's story, from her delight with the beauties of her mountain home to her adventures in the big city of Frankfurt. The set includes 7 dolls (6.5"-8.5"), 12 animals, 22 costumes, and over 70 accessories, as well as two 3-page background settings ("Grandfather's House" and "Mountain Pastures"). The illustrations were inspired by clothing and culinary details of the 1800s and of Switzerland. This book was published through Amazon KDP. The paper weight is slightly thicker than ordinary printer paper. The paper weight is the same for both doll/s and costume/s. The artist recommends backing the doll/s with cardstock if a thicker doll is desired (the doll and costumes function perfectly without the added thickness, however).

SAILORS, WHALERS, FANTASTIC SEA VOYAGES

AN ACTIVITY GUIDE TO NORTH AMERICAN SAILING LIFE

Chicago Review Press Children are fascinated with sailing ships, lighthouses, whaling, shipwrecks, and mutinies, and these 50-plus activities will provide them with a boatful of fun. This activity guide shows kids what life was like for the greenhands, old salts, and captains on the high seas during the great age of sail in the 19th century: aboard square-riggers, clippers, whalers, schooners, and packet ships. Life aboard ship was an exciting subculture of American life with its own language, food, music, art, and social structure. Children will learn that many captains brought their wives and children aboard ship, and that kids who learned how to walk at sea often found it difficult to walk on dry land. The book begins with the China Tea trade in the late 18th century and ends with the last whaler leaving New Bedford in 1924. Kids will create scrimshaw using black ink and a bar of white soap; make a model lighthouse using a bike reflector, an oatmeal box, and a plastic soda bottle; and paint china with traditional designs using a blue paint pen and a basic white plate. Included are additional simple activities requiring common household objects that are sure to please busy parents and teachers alike.
