CAPE Management of Business

A range of resources for CAPE has been specially developed to meet the requirements of the CAPE syllabus. This new textbook has been developed to match the requirements of the CAPE Management of Business syllabus. Full coverage of the CAPE syllabus is provided and the content has a clear focus on the Caribbean economic and business environment. A distinctive feature is the provision of examination-type questions at the end of each major section. The questions come with a suggested time limits for answering, giving useful practice in how to allocate time for the final examination. Management of Business for CAPE includes case studies from a variety of countries and industries, as well as an internal assessment component.

Community College Models

Globalization and Higher Education Reform

Springer Science & Business Media **Increasingly, students worldwide are seeking post-secondary education to acquire new skill-sets and credentials. There is an explosion of community college models that provide educational opportunities and alternative pathways for students who do not fit the traditional higher educational profile. This book focuses on economic models to help local and national economies develop strong workforce training, humanitarian models to bring about social mobility and peace, transformative models to help institutions expand and keep up with societal needs, and newly created models that respond to the educational and training needs of a constantly changing world. These models seek to capture the imagination of those who are committed to learning about what works in higher education and in particular, the impact community college models are having on the changing nature of world social, political and economic landscapes. With contributors representing 30 countries, this book presents an international perspective.**

A Brighter Sun

Hachette UK There have been many great and enduring works of literature by Caribbean authors over the last century. The Caribbean Contemporary Classics collection celebrates these deep and vibrant stories, overflowing with life and acute observations about society. 'Tiger thought, To my wife, I man when I sleep with she. To bap (father), I man if I drink rum. But to me, I no man yet.' Trinidad is in the turbulent throes of the Second World War, but the war feels quite far away to Tiger - young and inexperienced, he sets out to prove his manhood and independence. With his child-bride Urmilla, shy, bewildered and anxious, with two hundred dollars in cash and a milking cow, he sets out into the wilderness of adulthood. There is no map or directions for him to follow, he must learn for himself and find his own way. Suitable for readers aged 15 and above.

Exclusive online content is delivered in an engaging and interactive way to enable accessible revision of topics and to bring variety to learning with videos and quizzes.

Una Marson

Una Marson's work embodied anti-colonialism, anti-racism, feminism, class politics and pan-Africanism in the first half of the twentieth century. Her poetry and dramatic work symbolically ushered in a new era in Jamaica's literary landscape and her efforts in championing early Jamaican literature, as well as her avid support for Caribbean writers in Britain and the region, made her a key proponent of the development of a national and West Indian literary canon. She challenged racial inequality, affirmed standards of black beauty and black identity, and explored the complexities of gender, religious discrimination and class/economic exploitation. She did not frame her work around a single cause but, instead, she was mindful of the multiple intersections of oppression. Britain's hold on Jamaica's cultural imagination would finally be challenged by artists like Marson who were eager to free their nation of colonial authority and cultural dominance. In the end, through her advocacy and pioneering work, Marson achieved a voice for the oppressed.

Collins CAPE Chemistry MCQ Practice

***Collins* This CAPE Chemistry Multiple Choice Practice book is an invaluable exam preparation aid for CAPE Chemistry students. This book provides excellent practice for the multiple choice questions from Paper 1 of the CAPE**

examination, and has been specially written to help CAPE Chemistry students improve their Paper 1 exam score.

The Haitian Revolution and Its Effects

Heinemann

A Guide for ensuring inclusion and equity in education

UNESCO Publishing

Last Resorts

The Cost of Tourism in the Caribbean (Second Edition)

NYU Press **The Caribbean has the fortune—and the misfortune—to be everyone's idea of a tropical paradise. Its sun, sand and scenery attract millions of visitors each year and make it a profitable destination for the world's fastest growing industry. Tourism is increasingly touted as its only hope of creating jobs and wealth—literally, the island's last resort. Last Resorts examines the real impact of tourism on the people and landscape of the Caribbean. It explores the structure of ownership of the industry and shows that the benefits it brings to the region do not live up to its claims. New developments in ecotourism, sex tourism, and the burgeoning cruise industry are not changing this pattern of short-term exploitation of the region's resources. The book shows how Caribbean societies are corrupted by tourism and its culture turned into floorshow parody. This new edition has been extensively revised and updated. It gives voice to people inside the tourism industry, its critics, and tourists themselves, and offers vital insights into a phenomenon that is central to the globalized world of today.**
