## A Dictionary of Slang and Colloquial English

# Slanguage

## A Dictionary of Slang and Colloquial English in Ireland

*Gill Are you a holy terror? Are you a go-boy? Could you live on the skin of a rasher? Or are you so hungry that you eat a farmer's arse through a hedge? When you're on the razz, do you get so buckled, crippled and scuttered that you can't get your back outa the scratcher in the morning? Never mind the answers: if you understand the questions you are in Slanguage country. If you don't, you need to be. This is the dictionary that glosses the words that real Irish people use in the streets each day, every day. Slang is elusive. Some words and phrases are always there. Others slip in and out of usage according to the whims of fashion. This expanded edition of the standard dictionary of Irish slang includes many entries not in the 1997 edition. It has dropped a few that have fallen out of favour and has revised others. In all, this edition is 25 per cent longer than its predecessor. It will confirm Bernard Share's invaluable book in its position as the major work of its kind, combining scholarship and a keen sense of fun. "Slanguage" does justice to it by taking it seriously, but not too seriously.*

## Colloquial Language in Ulysses

### A Reference Tool

*University of Delaware Press "For more than half a century, the extraordinary range of vocabularies and styles in Joyce's Ulysses has been an object of critical and scholarly attention. For the better part of a decade, R. W. Dent has been gathering documentation on a single aspect of this work, what may loosely be called the "colloquial language." The result of this research, Colloquial Language in Ulysses, as its subtitle implies, is essentially a reference tool. It uses "colloquial" in the ordinary sense, "characteristic of or appropriate to the spoken language or to writing that seeks the effect of speech; informal." Taking heart in the fact that the Oxford English Dictionary and Eric Partridge's Dictionary of Slang and Unconventional English frequently disagree on the matter, Dent includes as colloquial a great deal that purists might question or disallow." "For the most part, this work provides raw, useful data for Ulysses critics and scholars, but it rarely attempts to perform the work of literary critics. It will make users aware both of new information and of information already available in such reference works as the recently revised OED, for many users not readily*

*accessible. Like the OED itself it is necessarily a work-in-progress, especially in its efforts to provide pre-Ulysses evidence, but it is abundantly useful in its present state." "Most entries supplement - and many correct - entries in its principal predecessor, Don Gifford's Ulysses Annotated. Colloquial Language in Ulysses attempts to include all colloquial expressions on which Gifford is seriously inadequate, questionable, or demonstrably mistaken, and all on which the 1988 edition differs substantially from the earlier edition of 1974."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. ### Shorter Slang Dictionary

Routledge *From abdabs to zit From pillock (14th century) to couch potato (20th century) From She'll be apples (Australia) to the pits (USA) This new collection brings together some 5,000 contemporary slang expressions originating in all parts of the English-speaking world. It gives clear and concise definitions of each word, supplemented by examples of their use and information about where and when they came into being. This entertaining reference work will be of use to students of English at all levels and a source of fascination to word-lovers throughout the world.*

# Slang

## To-Day and Yesterday

Routledge First published in 1933, this book explores both contemporary and historical slang, focusing on the characteristics and quirks of the English and American languages. As well as looking at commonly used slang, there are sections that give the reader insight into more unusual areas such as Cockney slang, slang in journalism and slang in commerce, as well as slang used by sailors, the law and the church. The book will be of interest to scholars and the general readers who take an interest in language.

## Dictionary of Contemporary Slang

A&C Black With more than 7,000 definitions, this book provides a definitive guide to the use of slang today. It deals with drugs, sport and contemporary society, as well as favourite slang topics such as sex and bodily functions. In this convenient paperback edition of the highly acclaimed *Dictionary of Contemporary Slang*, language and culture expert Tony Thorne explores the ever-changing underworld of the English language, bringing back intriguing examples of eccentricity and irreverence from the linguistic front-line. "Thorne is a kind of slang detective, going down the streets where other lexicographers fear to tread." *Daily Telegraph*

## NTC's Dictionary of British Slang and Colloquial Expressions

Ntc Publishing Group

## The Oxford Dictionary of Slang

Oxford University Press, USA More than 10,000 slang words and phrases common to 20th-century English are listed in this comprehensive guide to the most outspoken corner of our language. The volume is organized thematically, and word origins and other interesting features are given whenever possible. Quotations from famous authors included.

# Webster's New World Dictionary of American English

*MacMillan Reference Library* Definitions are presented in modified historical order, illuminating the semantic development by which the language grows and changes. Americanisms, more than 11,000 of them, are clearly marked, illustrating the astonishing inventiveness of our diverse culture. Every entry offers new and fascinating perspectives on the language that we share-formal, technical, colloquial, idiomatic, even outright slang-because Webster's New World Dictionary has always sought to record the English language, not restrict it. Make no mistake however; Webster's New World Dictionary is a precise reference tool carefully crafted to meet the needs of the most demanding user. It is the only dictionary to offer accurate and consistent Pinyin Chinese transliterations, a very useful feature in the "global village" of today

## Twentieth Century Words

*OXFORD University Press* A landmark book for the end of the century, presenting an overview of the development of English vocabulary from 1900 to the present day. There will be ten chapters, one for each decade, that will provide an introduction to the decade, with areas of particular importance and interest noted, and a presentation of new words for that decade. The selected entries will be both new words, and words that have important new meanings. They will be listed alphabetically in a dictionary-style presentation, with the earliest recorded date of each word entered, and an exemplary quote also given. The source for the entries will be the OED2, and the Additions Series, as well as unpublished material from the New Words group in the OED Department. In addition to the main alphabetic sequence of entries, there will also be boxed panels covering specific aspects of a decade's vocabulary e.g. words arising directly from World War II for the 1940s. There will also be cross-chapter panels, for example 'insults of the century'. Examples of new words and their, perhaps surprising, earliest recorded dates: 'astronaut' - first coined in the 1920s when it was still an ambition. 'fruit machine' - 1930s; 'discotheque' - 1950s; 'pager' - 1960s

## McGraw-Hill's Dictionary of American Slang and

## Colloquial Expressions

### The Most Up-to-Date Reference for the Nonstandard Usage, Popular Jargon, and Vulgarisms of Contempos

McGraw-Hill ESL References *Defines over twelve thousand examples of American slang and provides information on usage and taboo language.*

## Dictionary of French Slang and Colloquial Expressions

Barron's Educational Series, Incorporated *More than 4,000 words and their popular meanings that you won't find in standard French-English dictionaries.*

## NTC's Dictionary of American Slang and Colloquial Expressions

McGraw Hill Professional *The revised and updated third edition of this comprehensive slang dictionary has more than 800 new expressions. Pronunciations and cautionary notes are provided as needed, and a Phrase-Finder Index helps users locate entries quickly.*

## The Queens' English

# The LGBTQIA+ Dictionary of Lingo and Colloquial Phrases

*Clarkson Potter* A landmark reference guide to the LGBTQIA+ community's contributions to the English language--an intersectional, inclusive, playfully illustrated glossary featuring more than 800 terms and fabulous phrases created by and for queer culture. Do you know where "yaaaas queen!" comes from? Do you know the difference between a bear and a wolf? Do you know what all the letters in LGBTQIA+ stand for? *The Queens' English* is a comprehensive guide to modern gay slang, queer theory terms, and playful colloquialisms that define and celebrate LGBTQIA+ culture. This modern dictionary provides an in-depth look at queer language, from terms influenced by celebrated lesbian poet Sappho and from New York's underground queer ball culture in the 1980s to today's celebration of RuPaul's Drag Race. The glossary of terms is supported by full-color illustrations and photography throughout, as well as real-life usage examples for those who don't quite know how to use "kiki," "polysexual," or "transmasculine" in a sentence. A series of educational lessons highlight key people and events that shaped queer language; readers will learn the linguistic importance of pronouns, gender identity, Stonewall, the Harlem Renaissance, and more. For every queen in your life--the men, women, gender non-conforming femmes, butches, daddies, and zaddies--*The Queens' English* is at once an education and a celebration of queer history, identity, and the limitless imagination of the LGBTQIA+ community.

## Slang

### A Very Short Introduction

*Oxford University Press* Slang, however one judges it, shows us at our most human. It is used widely and often, typically associated with the writers of noir fiction, teenagers, and rappers, but also found in the works of Shakespeare and Dickens. It has been recorded since at least 1500 AD, and today's vocabulary, taken from every major English-speaking country, runs to over 125,000 slang words and phrases. This *Very Short Introduction* takes readers on a wide-ranging tour of this fascinating sub-set of the English language. It considers the meaning and origins of the word 'slang' itself, the ideas that make a word 'slang', the long-running themes that run through slang, and the history of slang's many dictionaries. ABOUT THE SERIES: The *Very Short Introductions* series from Oxford

*University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.*

## A History of Cant and Slang Dictionaries

### Volume III: 1859-1936

*OUP Oxford This book continues Julie Coleman's acclaimed history of dictionaries of English slang and cant. It describes the increasingly systematic and scholarly way in which such terms were recorded and classified in the UK, the USA, Australia, and elsewhere, and the huge growth in the publication of and public appetite for dictionaries, glossaries, and guides to the distinctive vocabularies of different social groups, classes, districts, regions, and nations. Dr Coleman describes the origins of words and phrases and explores their history. By copious example she shows how they cast light on everyday life across the globe - from settlers in Canada and Australia and cockneys in London to gang-members in New York and soldiers fighting in the Boer and First World Wars - as well as on the operations of the narcotics trade and the entertainment business and the lives of those attending American colleges and British public schools. The slang lexicographers were a colourful bunch. Those featured in this book include spiritualists, aristocrats, socialists, journalists, psychiatrists, school-boys, criminals, hoboes, police officers, and a serial bigamist. One provided the inspiration for Robert Lewis Stevenson's Long John Silver. Another was allegedly killed by a pork pie. Julie Coleman's account will interest historians of language, crime, poverty, sexuality, and the criminal underworld.*

## Dictionary of Russian Slang and Colloquial Expressions

*Barron's Educational Series, Incorporated This expanded and updated reference book lists approximately 5,100 Russian idiomatic words and expressions with their translations into English. Included are figures of speech, slang, and vulgarisms, many of which cannot be found in standard Russian-English dictionaries. Here are valuable insights on how Russian is really spoken today. Each entry comes with an example sentence in Russian and its English translation.*

# Dictionary of Spanish Slang and Colloquial Expressions

*Barron's Educational Series* Presents more than four thousand contemporary colloquial expressions from Spain, Latin America, and the Spanish-speaking community in the United States, with definitions, a sample sentence, and an equivalent in American slang.

## A Thesaurus of English Dialect and Slang

### England, Wales and the Channel Islands

*Cambridge University Press* A thesaurus of present-day vernacular English from Berwick-upon-Tweed to the Channel Islands, this unique record of everyday English celebrates established regional dialects, emerging new varieties and colloquial forms young and old. Based on a prestigious nationwide survey, *BBC Voices Recordings*, it documents the linguistic landscape of England, Wales and the Channel Islands in the 21st century, and includes over 3000 separate entries, drawn from over 200 locations across the country. Each entry contains information about the term's origins, location and the social distribution of its users. With links to original sound files and cross-references to complementary dictionary sources, it is an authoritative reference work for academic linguists, but its accessible presentation also makes it suitable for creative audiences and non-specialist language enthusiasts seeking authentic, up-to-date information on British English dialect and slang, and for English language teachers and learners as an invaluable educational tool.

Calgary : *Prairie House Books*

# Dictionary of American Slang, Third Edition

## Completely Revised and Updated

Collins Reference Originally published in 1960, *The Dictionary of American Slang* is widely regarded as the standard in its field. Expanded and completely updated, this third edition contains more than 19,000 terms of representing the variety and vigor of American slang, from the most widely acceptable to the taboo, and covering all periods of American history -- from the gypsies, soldiers, railroad workers and cowboys of the 19th century to more modern spawning grounds such as the rock 'n' roll world, the corporate sector, African-Americans, gays and lesbians and many more. Intimately connected with the fringes of our culture and responding with vigilance to new developments in technology, slang is the fastest changing part of our language. This new edition considers the subcultures that have emerged in the wake of the past decade's technological and communication advances, including the advent of computer usage at home and in the workplace and the explosion of the Internet and the World Wide Web. With more than 2,000 new terms, the Lexicon of the '90s is recorded here in definitive detail. Like previous editions, this edition features pronunciation guides, word origins, examples of appropriate usage as well as a helpful highlighting system that lets you know which terms should be used with caution, and never in polite company. Both as important archive of the way America is really talking and a lot of fun to read, *The Dictionary of American Slang* will prove to be an invaluable companion in keeping up with the dauntingly jargon-filled, quickly evolving language of today.

## A Dictionary of English Rhyming Slangs

Walter de Gruyter *The Dictionary of English Rhyming Slangs* is a comprehensive and authoritative survey of rhyming slangs in the anglophone world. With a scope ranging from the 1830s to the current decade, this prodigious collection of over 9,000 headwords reveals the

## A Dictionary of Russian Idioms and Colloquialisms

### 2,200 Expressions with Examples

University of Pittsburgh Pre The dictionary covers phraseological fusions, units, and combinations; single words used figuratively; and colloquialisms. Each idiom or colloquialism, translated into English, is accompanied by a sentence in Russian showing its correct use. Approximately one-fifth of the illustrative text is drawn from the classics most frequently studied in undergraduate and graduate Russian courses. An index to writers quoted and a bibliography are included. The work presupposes knowledge of basic Russian grammar and a vocabulary of about 2,000 words. The native speaker of Russian will be able to use this book to develop greater sophistication in English. The advanced student, the teacher, and the specialist who reads Russian will find this an invaluable guide to the subtleties of Russian usage. The work presupposes knowledge of basic Russian grammar and a vocabulary of about 2,000 words. Otto Harrassowitz Verlag "An enlarged and improved version of "Arabisches Wèörterbuch fèur die Schriftsprache der Gegenwart" by Hans Wehr and includes the contents of the "Supplement zum Arabischen Wèörterbuch fèur die Schriftsprache der Gegenwart" and a collection of new additional material (about 13.000 entries) by the same author."

## Colloquial French

### The Complete Course for Beginners

Routledge *Colloquial French: The Complete Course for Beginners* has been carefully developed by an experienced teacher to provide a step-by-step course to French as it is written and spoken today. Combining a clear, practical and accessible style with a methodical and thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in French in a broad range of situations. No prior knowledge of the language is required. *Colloquial French* is exceptional; each unit presents a wealth of grammatical points that are reinforced with a wide range of exercises for regular practice. A full answer key, a grammar summary, bilingual glossaries and English translations of dialogues can be found at the back as well as useful vocabulary lists throughout. Key features include: A clear, user-friendly format designed to help learners progressively build up their speaking, listening, reading and writing skills Jargon-free, succinct and clearly structured explanations of grammar An extensive range of focused and dynamic supportive exercises Realistic and entertaining dialogues covering a broad variety of narrative situations Helpful cultural points explaining the customs and features of life in France. An overview of the sounds of French Balanced, comprehensive and rewarding, *Colloquial French* is an indispensable resource both for independent learners and students taking courses in French. Audio material to accompany the course is available to download free in MP3 format from [www.routledge.com/cw/colloquials](http://www.routledge.com/cw/colloquials). Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

## The Life of Slang

*OUP Oxford Bad-ass, bee's knees, and bomb-diffity - slang rules Teachers, politicians, broadcasters, and parents complain of the slang-infested language of today's teenagers. But slang has been around for centuries, always troubling those who take a purist line on the English language. In this entertaining book, Julie Coleman traces the development of slang across the English-speaking world and explores why and how it flourishes. She makes use of a marvellous array of sources, including newly available online records of the Old Bailey, machine-searchable historical newspaper collections, slang users themselves, scholarly works, and the latest tweets. It is a book guaranteed to teach you some new words that you should never use in polite company.*

## The Diner's Dictionary

### Word Origins of Food and Drink

*Oxford University Press Seasoned generously with literary wit, The Diner's Dictionary is a veritable feast, tracing the origins and history of over 2,300 gastronomical words and phrases. John Ayto spreads across our table a veritable cornucopia, from common fruits and vegetables (apples, cherries, apricots, and broccoli, to name a few), to exotic foreign dishes such as gado-gado, nasi goreng, satay, and dashi, and even junk foods such as doughnuts, brownies, and candy. Thoroughly revised, the second edition boasts 1,000 new entries, including the word origins of affogato, bento, cava, goji berry, jalfrezi, mocktail, rugelach, vache qui rit, and zigni. In addition, Ayto has expanded the coverage of vocabulary from foreign cuisines, such as Thai, Korean, Vietnamese, and parts of South America. Throughout, Ayto provides fascinating capsule histories of the various foods. He tells us, for instance, that cantaloupe was introduced into Europe from Armenia and was apparently first cultivated at Cantaluppi, a former summer estate of the popes near Rome. We learn the ingredients of haggis and that the name of the Scandinavian drink "aquavit" ultimately derives from Latin aqua vitae or "water of life." From jambalaya and callaloo to arrowroot and shiitake, The Diner's Dictionary is a food-lover's dream, filled with information and fascinating lore.*
