Tabella House Sometimes you know things you're not supposed to know. Things that you can never un-know. Things that will change the course of your life...and the fate of the ones you love. I found her in our living room, bleeding and close to death, but alive. Barely. Until morning stole her last breath. The media called her killer the "Triangle Terror" ... and then forgot about her. But I never forgot—my murdered sister, and an investigation that led to my own resurrection from the dead. Twenty-two years ago, on a cold February night, Landon Worthington lost his father for the last time. After an armed robbery gone wrong, evidence and witness testimony pointed a shaky finger at Dan Worthington—deadbeat dad and alcoholic husband. But before the dust could settle over the conviction, Landon's preteen sister, Alexis, is murdered in their home, plunging Landon's life into further despair. Two decades and a cold case later, Landon is dogged by guilt over their estranged relationship and decides to confront his incarcerated father about what really happened the night of the robbery. But the years of lies are hard to unravel. And the biggest question of all haunts him: How does everything tie into his sister's murder? And so begins Landon's journey to piece together the puzzle of secrets, lies, and truths that can free his father, avenge his sister, and perhaps save himself. A short story mystery perfect for fans of Robert Dugoni's Third Watch and Dean Koontz's The Neighbor. Read as a standalone or as the companion book to A Secondhand Life.

### **EYE SURGEONS' SOLUTION TO MASS BLINDNESS — A MAJOR WORLD MEDICAL PROBLEM**

---

World Scientific The problem of mass blindness today stems largely from cataract which accounts for a total of 40 million cataract victims in the world — and it will worsen with the ageing population. Fortunately, this problem can be resolved with cost effective extracapsular cataract extraction (ECCE) and posterior chamber implantation (PCI). This book highlights how the use of ECCE and PCI can restore normal vision to cataract victims around the world. A successful approach is to establish training centres. The success of the International Intraocular Implant Training Centre (IIITC) in the Peoples' Republic of China is cited to show that implant surgery for cataracts can be successfully performed in communities in developing nations in Asia with appropriate training and supervision. The centre has since yielded excellent results with cost effective ECCE and PCI. The book challenges eye surgeons around the world to unite to address a global need to contain world cataract blindness. ## **BY FIRE, BY WATER**

[Other Press, LLC](#) Recipient of the Independent Publishers Award for Historical Fiction (Gold Medal), the Foreword Book of the Year Award for Historical Fiction (Bronze Medal), and an honorable mention in the category of General Fiction for the Eric Hoffer Award. Luis de Santángel, chancellor to the court and longtime friend of the lusty King Ferdinand, has had enough of the Spanish Inquisition. As the power of Inquisitor General Tomás de Torquemada grows, so does the brutality of the Spanish church and the suspicion and paranoia it inspires. When a dear friend's demise brings the violence close to home, Santángel is enraged and takes retribution into his own hands. But he is from a family of conversos, and his Jewish heritage makes him an easy target. As Santángel witnesses the horrific persecution of his loved ones, he begins slowly to reconnect with the Jewish faith his family left behind. Feeding his curiosity about his past is his growing love for Judith Migdal, a clever and beautiful Jewish woman navigating the mounting tensions in Granada. While he struggles to decide what his reputation is worth and what he can sacrifice, one man offers him a chance he thought he'd lost...the chance to hope for a better world. Christopher Columbus has plans to discover a route to paradise, and only Luis de Santángel can help him. Within the dramatic story lies a subtle, insightful examination of the crisis of faith at the heart of the Spanish Inquisition. Irresolvable conflict rages within the conversos in *By Fire, By Water*, torn between the religion they left behind and the conversion meant to ensure their safety. In this story of love, God, faith, and torture, fifteenth-century Spain comes to dazzling, engrossing life.

## **THE PRIVATE JOURNALS OF EDVARD MUNCH**

---

### **WE ARE FLAMES WHICH POUR OUT OF THE EARTH**

---

[Terrace Books](#) Scandinavia's most famous painter, the Norwegian Edvard Munch (1863-1944), is probably best known for his painting *The Scream*, a universally recognized icon of terror and despair. (A version was stolen from the Munch Museum in Oslo, Norway, in August 2004, and has not yet been recovered.) But Munch considered himself a writer as well as a painter. Munch began painting as a teenager and, in his young adulthood, studied and worked in Paris and Berlin, where he evolved a highly personal style in paintings and works on paper. And in diaries that he kept for decades, he also experimented with reminiscence, fiction, prose portraits, philosophical speculations, and surrealism. Known as an artist who captured both the ecstasies and the hellish depths of the human condition, Munch conveys these emotions in his diaries but also reveals other facets of his personality in remarks and stories that are alternately droll, compassionate, romantic, and cerebral. This English translation of Edvard Munch's private diaries, the most extensive edition to

appear in any language, captures the eloquent lyricism of the original Norwegian text. The journal entries in this volume span the period from the 1880s, when Munch was in his twenties, until the 1930s, reflecting the changes in his life and his work. The book is illustrated with fifteen of Munch's drawings, many of them rarely seen before. While these diaries have been excerpted before, no translation has captured the real passion and poetry of Munch's voice. This is a translation that lets Munch speak for himself and evokes the primal passion of his diaries. J. Gill Holland's exceptional work adds a whole new level to our understanding of the artist and the depth of his scream.

## LEGENDS OF THE CYCLING GODS

---

[Profile Books](#) It's time we all stopped whining and learned a thing or two from The Toughest Cyclists Ever. Including: Stephen Roche, whose cure for exhaustion was to go up a gear and fight harder, all the way to the ambulance. Eddy Merckx, who hurt himself so badly in breaking the Hour record that, he estimated, he shortened his career by a year. Beryl Burton, who crushed her (male) rival's morale with the offer of a piece of liquorice, before speeding past to victory. Nicole Cooke and Edwig Van Hooydonck, who rejected dope and became legends. The Hardmen tells the stories - the good bits, anyway - of the 40 most heroic Cyclists ever. Their bravery, their panache and their Perfect Amount of Dumb. It reminds us that suffering on a bike liberates us from our daily lives, and that, in the words of Lance Armstrong "pain is temporary, quitting lasts forever"; proof that even assholes can be insightful.
