PURE LOVE

PURSUING PURITY IN A SEX-OBSESSED WORLD

WestBow Press **When's the last time your church spoke openly about sexuality? Messages about sex are everywhere. Books, magazines, films, television, and billboards bombard us daily with the culture's standards and beliefs about sexuality. And while the world tells us how we should live in regards to our relationships and sexual identity, the church has too often been silent. But sexuality is not an issue that can be ignored. Pure Love deals openly, honestly, and biblically with these core issues of sexuality facing young people today: • dating • singleness • modesty • emotional purity • pornography • masturbation • homosexuality** Confident in the power of the gospel, Timon and Sarah draw on their own experiences and the truth of the Scriptures to show you how you can be freed from the slavery of sexual temptation and walk in a manner worthy of your calling as a Christian.

BIG PICTURE PARENTS

ANCIENT WISDOM FOR MODERN LIFE

Wipf and Stock Publishers **Being a parent in the modern world is tough. We are often overwhelmed with fear about damaging our children, guilt about our imperfections, and confusion about our role. Harriet Connor knows these feelings well. But hers is not just another parenting book full of "shoulds and shouldn'ts" to make you feel worse. Rather, she invites you to step back and consider the bigger picture: What is the purpose of life and parenthood? What are our human limitations? How can we cope with our guilt and fear? What are our family's values and how do we pass them on? What is our family's structure and place within the wider community? When she was desperate for answers, Harriet Connor turned to the ancient wisdom of her ancestors--the Bible. She went looking for little pieces of grandmotherly advice, but what she found was a grand vision--a big picture--that made sense of both life and parenthood. Whether you are new to the Bible or have read it before, you will not regret taking time to reflect on its message, which has given comfort and guidance to generations of parents just like you.**

UNMASKING THE MALE SOUL

POWER AND GENDER TRAP FOR WOMEN IN LEADERSHIP

Wipf and Stock Publishers **Unmasking the Male Soul is about freedom that confronts the innate and enslaving obsession for power and control in destructive ways. At the core of this liberating process, we must acknowledge that we cannot escape the sociocultural matrix in which every human being emerges. In denying their fallen nature, human beings set aside their dependency on God and become self-centered and self-reliant. It is from their self-centered hearts that human beings foster dynamics of coercion, domination, competition, and distorted self-realization at the expense of**

others. This cycle of shame and guilt is well-disguised behind a mask which enables them to enact these dynamics in subtle ways. At times even in the name of religion, men followed the illusion of their internal insecurities and became dependent on masks of power and control. It is time to break away from the chains of exclusion and devaluation of women in Christian leadership. Masculinities have only perpetrated a narrative of exceptionalism as the apex of humankind, and often they have contrasted to subservient expectations of women in leading others. Each chapter responds to the implicit male silence on the issue in a multidisciplinary way with historical, sociocultural, theological, and scriptural implications. In this book, I will endeavor to challenge the masks of masculinities and dismantle several mental models that foment a gender divide in Christ-like leadership in the twenty-first century.

WHAT HE DID WHILE SHE ATE, PRAYED, LOVED OR WENT WILD

KINDLE VERSION available at <http://bit.ly/98dayssb> While she sauntered away touring the world, eating, praying, making love or going on hikes in the wild, did anyone ask what became of him? Or did everyone assume that he was just a male animal who moved on to the next available mate? A man's journey through that separation is what this book is all about. And NO, it's not a sob story. Author's note: I wrote this book to complete the understanding of the cycle of separation which was left one sided by many books describing a woman's journey, inwards and outwards, after falling out with the man. The protagonist goes through his days to comprehend, live and accept the changing realities of his life, and finally settling down with them. Anyone who read the other books (Like the one about eating, praying etc. or the ones about going on long hikes in the wild) describing the woman's agony, must read this one too. Otherwise you know only half the story. THE JOY OF SELF-PUBLISHING

eBookIt.com Self-publishing can be more rewarding than being published - creatively, financially, and in other respects - if you go about it the right way. You could well be confused, as many self-publishers are, by the multiplicity of options available to you. The good news is that you can now make your books visible and available to book buyers around the world at minimal cost. An ebook (PDF) edition of this book was made available worldwide at no cost, an edition for the Kindle, iPad, Nook, Sony eReader and other e-readers made available for GBP95.00, a paperback edition made available worldwide for GBP42.00. As a self-publisher, what are your options for new books? Should you choose an offset lithography print run, a digital print run, or maybe print-on-demand (POD)? Hardback or paperback, or other formats? Possibly an ebook too? And, crucially, how will you get your books distributed cost-effectively to buyers around the world? This book will take you through the options and explain their relative advantages and disadvantages. It provides guidance on selecting book topics with strong sales potential; writing distinctively; obtaining a professional critique of your work; writing content-rich non-fiction; writing in a number of genres; choosing between hardback and paperback and other formats; choosing the optimal printing method; book content formatting; book specifications; colour plate section options; distribution; print-on-demand ('POD'); order fulfilment; dealing with Amazon, Lightning Source, Nielsen, and Bowker; printers; copy-editors and proofreaders; typesetters; cover designers; photographers; pricing and marketing your books; and a whole lot more besides. The book includes a sample chapter from the author's international bestseller *Two Men in a Car* (a businessman, a chauffeur, and their holidays in France) along with the plate section from the book. Mike Buchanan, a British writer and former business consultant, is the

author of eight books since 2008. He's been published internationally by a leading publisher (in English and Chinese editions), and he's self-published. He much prefers self-publishing for a variety of reasons. In January 2010, at the age of 52, he took early retirement and now writes and self-publishes full-time. He developed the model of 'commercial self-publishing' outlined in this book. The model has been designed to help self-publishers enjoy their writing more, increase their output of strong titles, and maximise their profits.

TALES OF IDOLIZED BOYS

MALE-MALE LOVE IN MEDIEVAL JAPANESE BUDDHIST NARRATIVES

University of Hawaii Press In medieval Japan (14th-16th centuries), it was customary for elite families to entrust their young sons to the care of renowned Buddhist priests from whom they received a premier education in Buddhist scriptures, poetry, music, and dance. When the boys reached adolescence, some underwent coming-of-age rites, others entered the priesthood, and several extended their education, becoming chigo, or Buddhist acolytes. Chigo served their masters as personal attendants and as sexual partners. During religious ceremonies—adorned in colorful robes, their faces made up and hair styled in long ponytails—they entertained local donors and pilgrims with music and dance. Stories of acolytes (chigo monogatari) from the fourteenth to sixteenth centuries form the basis of the present volume, an original and detailed literary analysis of six tales coupled with a thorough examination of the socio-political, religious, and cultural matrices that produced these texts. Author Sachi Schmidt-Hori begins by delineating various dimensions of chigo (the chigo "title," personal names, gender, sexuality, class, politics, and religiosity) to show the complexity of this cultural construct—the chigo as a triply liminal figure who is neither male nor female, child nor adult, human nor deity. A modern reception history of chigo monogatari follows, revealing, not surprisingly, that the tales have often been interpreted through cultural paradigms rooted in historical moments and worldviews far removed from the original. From the 1950s to 1980s, research on chigo was hindered by widespread homophobic prejudice. More recently, aversion to the age gap in historical master-acolyte relations has prevented scholars from analyzing the religious and political messages underlying the genre. Schmidt-Hori's work calls for a shift in the hermeneutic strategies applied to chigo and chigo monogatari and puts forth both a nuanced historicization of social

constructs such as gender, sexuality, age, and agency, and a mode of reading propelled by curiosity and introspection.

LIBERIA'S WOMEN VETERANS

WAR, ROLES AND REINTEGRATION

Bloomsbury Publishing The Liberian civil wars of the 1990s and 2000s became notorious for their atrocities, and for the widespread use of child soldiers. Girls and young women accounted for up to 40 per cent of these soldiers, but their unique perspective and experiences have largely been excluded from accounts of the conflict. In *Liberia's Women*

Veterans, Leena Vastapuu uses an innovative auto-photographic methodology to tell the story of two of Africa's most brutal civil wars through the eyes of 133 female former soldiers. Incorporating their testimonies alongside a series of vivid illustrations by Emmi Nieminen, the book provides an in-depth account of these women's experiences of trauma, stigma, and the challenges of reintegration into post-war society, as well as their hopes and aspirations for the future. Vastapuu argues that these women, too often been perceived merely as passive victims of the conflict, can in fact play an important role in post-war reconciliation and peace-building. Overturning gendered perceptions of warfare and militarism, the book provides a unique take on humanitarian practices and post-conflict societies, making essential reading for policymakers as well as students and scholars across the humanities and social sciences.

WHY DID YAHWEH AND HIS SON YAHSHUAH SAY WHAT THEY SAID?

A WHO'S WHO THAT MAY CHANGE THE WAY WE LOOK AT ESCHATOLOGY

Trafford Publishing YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving it to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

QUEEN OF THE PULPS

THE REIGN OF DAISY BACON AND LOVE STORY MAGAZINE

McFarland Daisy Bacon, the opinionated, autocratic and complex editor of Love Story Magazine from 1928 to 1947, chose the stories that would be read by hundreds of thousands of readers each week. The first weekly periodical devoted to romance fiction and the biggest-selling pulp fiction magazine in the early days of the Great Depression, Love Story sparked a wave of imitators that dominated newsstands for more than twenty years. Disparaged as a "love pulp," the magazine actually championed the "modern girl," bringing its heroines out of the shadows of Victorian poverty and into the 20th century. With Love Story's success, Bacon became a national spokesperson, declaring that the modern woman could have it all--in love, in marriage and in the business world. Yet Bacon herself struggled to achieve that ideal, especially in her own romantic life, built around a long-term affair with a married man. Drawing on exclusive access to her personal papers, this first-ever biography tells the story behind the woman who influenced millions of others to pursue independence in their careers and in their relationships.

THE WILL TO CHANGE

MEN, MASCULINITY, AND LOVE

In a thought-provoking social and cultural analysis, the author of All About Love explores the world of masculinity and maleness to address some of men's most common concerns, including a fear of intimacy and the loss of their patriarchal place in society, arguing that an emotionally rewarding inner life holds the key to successful intimate relationships. Reprint. 15,000 first printing.

LET HIM CHASE YOU: A SIMPLE GUIDE FOR WOMEN WHO WANT BOTH LONG-LASTING LOVE AND RESPECT IN THEIR RELATIONSHIPS WITH MEN

Are you the pursuer or do you let men pursue YOU? The answer is the difference between you becoming a side toy for a man to play with or a girlfriend with a title and eventually a woman who any man would be eager to call his wife. Many of us modern 21st century women have been taught that in order to get a guy we have to go out there and snag him, trick him, tag him and drag him home. But that doesn't work -- at least not in the long run. Men are natural hunters. They won't always admit it, but they absolutely LOVE the chase. They want a woman who is interesting, confident and

vocal. They want a woman who sets boundaries and keeps them on their toes. They want to earn a woman's love. This simple, easy-to-follow guide explains how you can shake off meaningless flings with men and start to attract men who are serious about you. **What You'll Learn:** * How to avoid Friends with Benefits and Booty Calls * How to recognize when a man is just toying with you * Why men love bad girls and strippers * The single most irresistible thing about a woman * What makes a man fall in love, I mean head over heels for you Love Lynn

EQUAL

WHAT THE BIBLE SAYS ABOUT WOMEN, MEN, AND AUTHORITY

David C Cook In **Equal**, Church and ministry leader Katia Adams argues that the church has too often misrepresented the heart of Jesus to release and empower women and men. With sensitivity to both sides of the argument, Adams draws on the wisdom of Scripture, theology, and the Holy Spirit. Blending them with her own personal experiences, she asserts that both women and men are equally called to serve and lead in the church and in the world—and that, by restricting the roles of women, we are missing God's design for the church and for the gospel's impact on the earth.

Tyndale House Publishers **I'd Like You More If You Were More like Me** takes on one of life's most important questions: How can I get closer to God and other people? We were created for deep connections. When people have deep connections, says John Ortberg, they win in life. When they don't have deep connections, they cannot win in life. **I'd Like You More if You Were More like Me** offers help in overcoming one of the biggest obstacles to making deep connections: the fact that we're so different. Different from God and different from each other. The good news is that connectedness is not based on similarity, but on shared experiences. When one person invites another to share an experience, they're connected. It can be sharing a beautiful sunset or a meal, having a great conversation over cup of coffee, going for walk, or even teasing somebody. And when we share those same experiences with God, we get closer to him, too. God wants to connect with us--so much that he sent his son to live as a human being. God took on flesh and shared every human experience. So we don't have to wonder what a close relationship with God looks like anymore. An intimate relationship with God and other people doesn't have to be a cliché, it can be a daily way of life.

WOMEN WHO LOVE PSYCHOPATHS

INSIDE THE RELATIONSHIPS OF INEVITABLE HARM WITH PSYCHOPATHS, SOCIOPATHS, AND NARCISSISTS

FOREVER TODAY

A MEMOIR OF LOVE AND AMNESIA

Random House Clive Wearing is one of the most famous, extreme cases on amnesia ever known. In 1985, a virus completely destroyed the memory part of his brain, leaving him trapped in a limbo of the constant present. Since then, every conscious moment is for him as if he has just woken from a ten-year coma, repeated in an endless loop. A brilliant conductor and BBC music producer, Clive was at the height of his success when the illness struck. For seven years he was kept in the general ward in the London hospital where the ambulance first dropped him off, because there was nowhere else for him to go. His wife Deborah campaigned for better conditions, hopelessly searched for a cure, and, in her quest to find answers, founded a national charity. As damaged as Clive was, the musical part of his brain was unaffected, as was his passionate love for Deborah. Finding there was no way to bring Clive back home, Deborah eventually listened to friends who counselled her to get away, and she fled to America to start her life again. She initiated a divorce, fell for other men, but found it difficult to forget her love for Clive. Starting to recover some of his memory, and she was pulled back to England. Today, although he still lives in care, they are closer than ever, and they renewed their marriage vows in 2002. This is the story of an extreme medical condition that is a reminder of what it is to be human. It is a woman's quest to understand, control, and escape from a nightmare. It is also insight into a bond that runs deeper than conscious thought, a love overcoming the most tragic handicap.

PREVENTING SEXUAL VIOLENCE ON CAMPUS

CHALLENGING TRADITIONAL APPROACHES THROUGH PROGRAM INNOVATION

Taylor & Francis Amid the ongoing national conversation regarding campus sexual assault, this book thoughtfully explores existing programmatic interventions while wrestling with fundamental questions regarding the cultural shifts in our nation's higher education institutions. Stressing the critical importance of student inclusion in policy decisions and procedures, scholars and experts provide complex and nuanced analyses of institutional practices, while exploring themes of race, sexuality, and sexual freedom. This volume addresses many of the unanswered questions in the present dialogue on campus sexual violence, including: What's working and not working? How can outcomes be assessed or measured? What resources are needed to ensure success? This volume provides a truly fresh contribution for higher education and student affairs practitioners seeking to alter, design, or implement effective sexual assault prevention resources at their universities and colleges.

A HOUSE DIVIDED

SEXUALITY, MORALITY, AND CHRISTIAN CULTURES

Wipf and Stock Publishers A House Divided helps answer the question, how do Christians form moral judgments about sex-linked issues? After analyzing key differences between conservative and progressive Christians on such divisive issues as abortion, sex education, and same-sex marriage, readers will learn how a combination of four factors can lead to principled Christian morality. First, a review of diverse interpretive comments on relevant Scriptures can help identify a foundation for agreement as well as sharpen differences. Second, a review of psychological factors can help identify prejudices, personality traits, and powerful emotions that intensify and color public debate. Third, new research on moral psychology will add six dimensions of analysis to appreciating the reasons conservatives and progressives draw upon when forming moral judgments. And finally, knowledge about sexual attraction, sexual orientation, conception, and sexual health is vital to thinking ethically about the specific issues addressed in this book.

THE POETICS OF FRAGMENTATION IN CONTEMPORARY BRITISH AND AMERICAN FICTION

Vernon Press The last decades have seen a revival of fragmentation in British and American works of fiction that deny linearity, coherence and continuity in favour of disruption, gaps and fissures. Authors such as Ali Smith, David Mitchell and David Shields have sought new ways of representing our global, media-saturated contemporary experience which differ from modernist and postmodernist experimentations from which the writers nevertheless draw inspiration. This volume aims to investigate some of the most important contributions to fragmentary literature from British and American writers since the 1990s, with a particular emphasis on texts released in the twenty-first century. The chapters within examine whether contemporary forms of literary fragmentation constitute a return to the modernist episteme or the fragmented literature of exhaustion of the 1960s, mark a continuity with postmodernist aesthetics or signal a deviation from past models and an attempt to reflect today's accelerated culture of social media and over-communication. Contributors theorise and classify literary fragments, examine the relationship between fragmentation and the Zeitgeist (influenced by globalisation, media saturation and social networks), analyse the mechanics of multimodal and multimedial fictions, and consider the capacity of literary fragmentation to represent personal or collective trauma and to address ethical concerns. They also investigate the ways in which the architecture of the printed book is destabilised and how aesthetic processes involving fragmentation, bricolage and/or collage raise ontological, ethical and epistemological questions about the globalised contemporary world we live in and its relation to the self and the other. Besides the aforementioned authors, the volume makes reference to the works of J. G.

Ballard, Julian Barnes, Mark Z. Danielewski, David Markson, Jonathan Safran Foer, David Foster Wallace, Jeanette Winterson and several others.
