Getting (More Of) What You Want How the Secrets of Economics & Psychology Can Help You Negotiate Anything in Business & Life Profile Books Most of us worry that we're not very good negotiators - too quick to concede or too abrupt in our approach. But negotiation is present in almost every social interaction - we cannot avoid it. Neale and Lys present a practical new approach that will help you master this crucial everyday skill in every situation. Instead of focusing on reaching agreement at any cost, Neale and Lys reveal how to overcome our psychological biases and assess the hidden value in any negotiation. They explain how to know what a good deal is; when to negotiate and when to walk away; why keeping a straight face can prevent you from getting the best deal; when to make the first offer and when to wait; and why meeting in the middle can result in both sides being worse off. Drawing on three decades of ground-breaking research into behavioural economics, psychology and strategic thinking, Getting (More of) What You Want will revolutionise the way you approach negotiation. Whether you're looking for a better deal on your new car, asking for a pay rise, selling your company or just deciding who does the washing up, this book will help you become a more successful, more efficient negotiator - and get more of exactly what you want. **Captivated by You Penguin** The fourth novel in the #1 New York Times and #1 USA Today bestselling Crossfire series. The Grid is for you if you find yourself saying... 'I work hard but feel I'm not getting anywhere.' 'I lack time for life outside my work (dating, hobbies, friends, holidays or family).' 'My to-do list is never-ending.' 'I don't have energy for anything other than work and need weekends to recover.' 'I'm settling for less because "having it all" seems unattainable.' Too many lives are skewed towards work, careers, care for others and neglect of self she says. What's even worse, many people hardly notice how out of balance their lives have become while they "chase their tail," feel stressed, overwhelmed and unfulfilled. Bak-Maier makes a case for an attractive alternative using her tried and tested Grid method. The Grid shows you how to create results and success by engaging with key parts of life you choose to have. Once you start applying the Grid approach to your life, you will start to feel clear, inspired and energised. The Grid will help you balance your energy and effort in a way that restores you and helps you achieve more.
